

Michael Sholly
CHIEF EXECUTIVE OFFICER

Last week, members of the community leagues met with AFL Chief Executive, Andrew Demetriou, to discuss their place in Victorian football.

The AFL has supported the AFL/VFL clubs in Victoria to the tune of \$130 million for facilities. While the AFL CEO stated "our biggest enemy is the other codes infiltrating into our venues," community clubs can apply for AFL funding up to only ten percent of the project cost. This is not enough.

The AFL recognises the need for improved facilities and on your behalf we will be lobbying them for greater allocations to improve club facilities and make the job of volunteers more pleasant.

The relationship between senior body and AFL Victoria appears to be improving. The AFL filled two of the four AFL Vic board vacancies with its General Manager of Game Development, David Matthews and General Manager of Legal and Business Affairs, Andrew Dillon. Applications for the other two board positions closed last week and those appointments will be made by the end of the month.

With a new AFL Victoria Board and a stronger communication link to the AFL, the VAFA is in a good position to build our relationship with our peak bodies.

Many supporters of the Amateurs are disgruntled with the aspects of the AFL, but it is imperative that we work with them to ensure the continued prosperity of our game. Denigrating the AFL and other metropolitan competitions does nothing to make our game better or make our own competition stronger. The VAFA has much to offer, but other leagues provide opportunities that we don't wish to compete with.

The volunteers and supporters of community football are the drivers of our game. These are people who are watching the matches on TV,

buying memberships of the clubs, bringing the kids to the matches and talking footy at home. The AFL needs to work harder with competitions like ours to ensure the game's continued prosperity.

There have been fewer better examples of the VAFA's positive community atmosphere than at Waverley Park last Saturday. The match between De La Salle and Old Xaverians lived up to all expectations. It is always difficult to guess numbers at suburban grounds, but well over 2000 people streamed on to the field at the quarter and three quarter time breaks to listen to the words of the coach or to just catch up with friends. A coach's huddle is the perfect meeting place.

The game was as good as it gets. Neither team gained real ascendancy until the final term when Xavs appeared home, but then Leigh Harrison single-handedly dragged De La back into it with his incredible skills. It was amateur footy at its best.

As a former coach, I can't help but analyse the matches. The biggest change I have noticed this year is the brave running of our young players, who are literally running rings around some of the more slow legged players. It is a pleasure to watch. None of this slowing down the tempo to steady the ship after unanswered goals, but more bravery, harder running and more risk-taking to get the next one. And it's working a treat! If you want to hold a premiership cup aloft in September, the message is clear: Start running!

Finally, on behalf of everyone in the VAFA family, heartiest congratulations to Peter Brabender of Old Paradians on his magnificent 400 game achievement.

Last weekend's results threw the order of things into turmoil again, which is merely to say that normal transmission has been resumed. The first three are clear and nobody really knows yet what is going on with the other seven teams.

With four clubs at five-and-five, the major prize is obviously fourth spot, though some of these clubs might be better employed focusing first on securing an extension to their A Section contract. With the form of the teams on the lower rungs improving by the week, we may yet have a massive relegation battle on our hands.

Thoughts of B Section were totally absent at the top-of-the-table contest between De La Salle and Old Xaverians. Fans of amateur football flooded into Waverley Park, keen to measure the aptitude of the competition's best performed squads.

The game disappointed no-one, even if the majority would have been happier with the final cards falling the other way. **Leigh Harrison** turned on a virtuoso performance that had the Xavs' defenders in a spin and spectators shaking their heads in disbelief. His eight goals weren't quite enough, however, as the Red and Blacks, led by Damian Lynch were a little more assured when the game was on the line.

Luke Jarvis, David Lowe and **Jake Gotch** were also good for De La, while **Travis Ruyg, Chris Larkins** and **Esmond Prowse** were strong for the victors, who lost **Matt Ball** with a knee injury in the second stanza.

The final outcome of this arm-wrestling rivalry will likely be decided in September, though it's hard to envisage a better spectacle than this game, which was a fast, spirited contest, full of aggression and totally without malice. Despite the Xavs' 8 point victory, the Monday morning line had installed De La as outright flag favourites.

Collegians certainly were favoured by the few in their clash with Uni Blues, but they turned a one hundred point defeat the previous week into a meritorious 29 point victory over the in-form Uni Blues. The Varsity clambered back to within fourteen points late in the piece after a very slow start, but the Purples pulled clear again.

Jono Dixon was again outstanding for Collegians, with

his on-the-money kicking lifting the Lions. **Andrew Baxter** was handy while first-gamer **Nick Bobeff** impressed too. For the Blues, old reliables **Andrew Lowcock** and **George de Crespigny** were best with the dangerous-fast-bowler-cum-small-forward **Patrick Smith** booting three.

Out at East Keilor, Old Essendon stayed in touch with SBMT, but as the day went on, the gap kept creeping. The Bombers' straight shooting and the Tigers' inaccuracy provided a contrast between the avowed rivals, but there were no fourth quarter heroics from the home team to engineer the upset of the season.

Brett Collins, Ben Phibbs and **Paul Wintle** were tops for the travellers, while **Dans Flaherty** and **Cooper** and **Tom Wilson** were best in blue.

Old Scotch welcomed back **James Byrne** and celebrated his reappearance with a 57 point drubbing of Old Brighton at Camberwell. The Tonners were undermanned and the Cards raced out of the blocks as has been their custom. Just as well, as **Nathan Brown, Luke Brennan** and **Adam Houlihan** were all riding the pine and done for the day by the long break. Brighton hit back in the third, but Scotch piled them on again in the final quarter to run out easy winners.

Lachie Thompson (there he goes again) and **Scott Sherwen** each booted four goals, while the unfashionable but effective **Tim Widmer** got the votes for the winners. The Beachies were best served by **Matt Gadsden, Chris Tolj** and **Scott Olliver**, whose single glove might have been regarded by some (erroneously) as a tribute to recently-departed pop-star Michael Jackson.

TODAY'S A SECTION MATCHES

MARCELLIN	v	OLD BRIGHTON
ST BEDES/MEN TIG	v	COLLEGIANS
UNI BLUES	v	OLD XAVERIANS
OLD ESSENDON	v	OLD SCOTCH
Sportscover Arena on Saturday at 2.00pm		
DE LA SALLE	v	OLD IVANHOE
Sportscover Arena on Sunday at 2.00pm		

On Sunday, the Browns ventured to Sportscover and took on Marcellin in a scrap between A Section strugglers. The Eagles scored six goals into the wind to begin proceedings, and despite a mighty effort by Old Ivanhoe in the second, still led by 26 points at the half. The Hoers pulled to within 10 points at the final break, but the wind freshened and Marcellin steadied to win by 20 points. Despite the tough conditions, there were good signs for both teams.

Trent Carlson, Cam MacLaren, Dan Cullinan and assorted **Considines** featured strongly for the Bulleen boys, while **Nick Clarke, Rich Butler** and **Brett Nagel** were the Hoers best.

THIS WEEK

Marcellin vs Old Brighton: Eagles will be buoyed by last week's win and the Tonners will be glad to see the end of June, which netted them a narrow victory against two shellackings. July appears no rosier, as they face some of the top seeds after this. Lose here and they are as good as on the tumbrel. **Eagles just.**

SBMT vs Collegians: The Tigers may not be centre stage at present, but they are massing for the assault. They'll welcome the Purples with great confidence, but the sudden reversal of fortune at the Trott indicates they won't be a pushover. Close, but **SBMT.**

Uni Blues vs Old Xaverians: An easy Xavs' victory? No. Nine wins on end, a comedown after a huge victory, a return to a ground where they never quite excel, an opponent that knows how to play them and is on the tightrope. It screams upset. **Blues** in a tight one.

Old Essendon vs Old Scotch (EP): The Cards love headquarters and always play well there. Unless their opponents are wearing red and black, they usually win. They will this time around, injury worries notwithstanding. Bombers looking better, but this is not their field of dreams. **Scotch.**

De La Salle vs Old Ivanhoe (EP, Sun): We've seen how good De La is on the smaller grounds, so it's time to run the rule over them on the expanse. Browns were OK last start, but winning this one is too tall an order and their planned jump from the cellar will have to wait a while. **De La.**

Both clubs accepted the prescribed penalty of \$100 (first offence for a minor melee over the previous two year period).

Rupertswood and Old Xaverians charged with a major melee which allegedly occurred in their under-19 match played on Saturday June 20 at Rupertswood.

Both clubs were found guilty of being involved in a melee resulting in the game being called off. Rupertswood fined \$900 of which \$600 is suspended. Old Xaverians fined \$600 of which \$300 suspended. The suspended fines are to be in place for the remainder of the 2009 season.

B SECTION

by William McCann

Round 10 proved to be a little more predictable than its predecessor; although just as interesting. It provided the death knock for a few sides finals aspirations, a reality check for others and the continuation of a revival for another.

Out at the Playing field OH revival continued. I can't quite put my finger on the difference (insert sarcasm) but great to see last year's finalist charging to September. The OH played their match of the season to keep 09 alive for the Bloods. In a highly skilled game, which was close all day the ex-AFL brigade provided to edge to an unsettled OT outfit (six outfit with the dreaded flu.....the non swine variety mind you). While the T's will rue inaccuracy in front of the big sticks Old Haileybury will trouble any team if they can maintain the line up on Saturday. **Brown, Voss, Loewe and Harvey** are one hell of a combination. Trinity were once again best served by the dynamic duo **Cultrera and Ramsden**.

In Parkville, Blacks will be happy to have the 4 points in their kit bag following a scrappy win over a determined Hampton outfit. Much like some of my ex girlfriends it wasn't a pretty; but the Blackers were in control for most of a game they just had to win. The match was finally settled in the fourth quarter. Following a bit of niggly Blackers kicked the opener then were immediately gifted another set shot from the goal square. Game Over.

Highlights included the performance of Uni youngster "**Coal**" Pitt, who kicked 5 goals, mostly coming from contested grabs. Josh "Vin" derloo also chimed in with four majors.

Best for Hampton Rovers were **Jay Ting, Leigh Fletcher, Mark Devereaux**.

SKOB got back to the Rat Cage and got back on the winners list. A tight and tough 2 and 1/2 quarters preceded what could only be described as a SKOB Riot. St Keys home with an emphatic 85 point victory with SKOB booting sixteen second half goals. While **Shannon** and **Lynch** scored seven goals each the heroes could be found at the other end of the field. In particular, birthday boys **Bergin** and **Aughton** combining to form a brick wall which the midfielders could rebound from.

For the visitors **Simon Keleher** could hold his head high, a first class effort in trying to stem the flood playing at half back in the second half.

The result gives SKOB a percentage boost while the Ormond finals chase now looks quite the challenge. However only a fool would write off a club with some much history and Ormond will be in the mood to avenge this loss.

The Redlegs bounced back in style via an impressive effort at Gordon Barnard Reserve. Camberwell will take some solace from the fact this game marks a notable improvement for their round 1 effort, in the end the relegation threatened Wellers are searching for the 4 points.

In a game that OM dominated from start to finish, the premiers favourites never quite put the Wellers away, and with just 4 goals separating the sides at 3/4 time the game was there to be snatched. Unfortunately for the home side the visitor's superior depth enable them to dominate the last to record a six goal to two in the final quarter. Truth be told, straighter kicking could have produced a massive win for OMs, given the 38 scoring shots to 16, but a win is a win and greater challenges lie ahead. For the Wellers, it would be pleasing to see the continued form of Full Forward **Kent Kingsley** who bagged 7 goals.

My spies at the Carey have gone quiet of late while the Snow dogs have been consistently inconspicuous hence I have very little to go on here. However the game however looked to be a great sequel to the early season draw. Again OC will rue the close lose that leaves them anchored to the bottom and surely buries any hope of September glory. For Bernards they would be relieved to narrowly avoid losing two on the bounce and lose their status as top dog. I think this game further demonstrates the evenness of the comp....and if that doesn't do it for you look at Carey's percentage (85% for a bottom side is massive).

PREVIEWS

Out at BJ Reserve I expected Trinity to bounce back and record a comfortable win over the Rovers. The Trinity Forwards will be too hot to handle.

OM will continue Ormond's slump at the Junction. With Greene and Gardiner roaming the wide expanses I think they'll have too much polish.

With School holiday still in full swing (to my knowledge) I expect the Bloods revival to continue. This win to put them back into contention.

Nothing but pain for the Wellers out at the Pit. Don't fancy too many of the Camberwell boys enjoy trips to Melbourne's west and Saturday won't help.

In the MOTD I fancy St Keys on Foundation day. These two clubs have had an interesting history of late; swapping players, swapping coaches big bumps & broken bones. So I suspect there will be plenty of niggly.... and a good bit of banter afterwards. Just the way Ammos should be!!!!

In my much anticipated Team of the first half of the year I received well over a 1000 email from all over the globe. After sorting through them all I have come up this.

- Backs: Baldwin Voss Purcell
- Half backs: Gardiner Bolton Jolley
- Centre Backs: Lacey Libba De Boer
- Half Forwards: Reid Martinov Cultrera
- Forwards: Jordan Ramsden Giansiracusa
- Rucks: Vallance Hendrie Dowd

Apologies to anyone who feels hard done by.

Big V Club

The Big V Club's third annual lunch will be held at the RACV Club on Friday 10 July.

The Big V Club is open to all who have served VAFA representative football as players, coaches, umpires, support staff or administration.

This year's function will focus on the achievements of teams from 1959, 1969, 1979, 1989 and 1999.

The lunch is always energy packed, and provides an opportunity to catch up and swap tall stories with others who represented the Big V with pride.

Price for over 60s is \$85 per ticket, while Juniors (Under 60) pay \$95. Please ring Jessica Ware on 9537 6777 or email jess@vafa.com.au to book your seats or tables.

As well as Members, the Big V Club has two special categories, Legend and Champion.

Legends and Champions of the Big V Club are selected on record, ability, integrity, sportsmanship and character. There is no automatic selection of Legends and Champions based solely on number of games played, coached or umpired or years of service, though these will of course be considered. Only those who have retired are considered for elevation to Legend or Champion status.

In the two years since the formation of the Big V Club, nine of its members have been selected as Legends. These are Bruce Bourne; Paul Considine; John Fisher; Robbie Fuller; Geoff Hibbins; Jock Nelson; Jim Peters; Manson Russel; and Shane Murphy.

There are five Big V Champions: Rick Brockwell; Rohan Brown; Ian Cordner; Peter Hutchinson; and Phil Kingston.

1999 Remembered

By Mark Seccull

How time flies. It's crazy to think it was a decade ago that we played Victoria Country down at Kardinia Park. I feel very blessed to still be playing football at the youthful age of 41 and cherish pulling on my Old Haileybury jumper every week.

A lot of water has gone under that bridge since I captained the VAFA team in 1999, although it is good to see Andrew "Rambo" Ramsden, Ben Garvey, George de Crespigny and Ben Jordan still going around (apologies if I have missed anyone).

Football has been very good to me and when it is all over, I'll think back on it all. Wearing the Big V will be among my most cherished memories.

We welcomed the South Australian team to Elsternwick on the June long weekend. The preview in the Amateur Footballer was headed "The Only Sure Tip – Another Close Match". Not so. We kicked four goals in the first term, which was all the Croweaters managed for the game. We won by 66 points, with Ben Jordan, Steve Collins, Denver Artz, Simon Lennox and Andrew Dillon among the best. Adam Jones kicked four, with Nick Mitchell, Cam Aubrey and Matthew Jackson getting three each.

In late July, we ventured down the Geelong freeway full of confidence ready to take on (from what we had been told) a very strong Vic Country team sprinkled with former AFL players.

Coach Nick Bourke and his support staff had everything covered, so the players only had to focus on winning. Not having played on Kardinia Park (by then, known as Shell Stadium), I

was amazed to see the massive size of the ground.

Unfortunately the VCFL side was pretty massive too. They got the jump on us in the first quarter to lead by five goals, which we managed to reduce to four at the half-time break. We kicked six goals in the third term, but they managed five themselves. I remember Rambo covering the ruck and centre half back as we struggled to stop the dam from breaking in the last. At the end of the day, we were beaten by 38 points.

I had been given the task of stopping goal kicking machine Simon Goosey, but he kicked a couple of cheapies early and had four on me at half time. Adam Merrington went onto him in the second half, but he still managed nine before the final siren sounded, though three of these came in junk time.

Our better players were Rambo, Cam Aubrey, Matt Jackson, Steve O'Flynn, Gill McLachlan, with Mitchell and Aubrey kicking splitting six goals.

We all play football to win premierships, but the next best thing is representing your state. It was an honour to play in the Big V, but to be given the opportunity to captain such a select band is

something I'll always regard as something very special.

To me, winning is and will always be the most important thing. Though we didn't beat the Country team, I'll never forget walking off the ground and seeing my father's face, full of pride at seeing his son wearing the Big V. Priceless.

Let's hope our VAFA boys will develop some of that famous Big V camaraderie and knock off the Country team in a couple of weeks.

AROUND THE GROUNDS

By the Albert Park Lake, the C Section clubs with the biggest fanbases, Ajax and Beaumaris, played off in the Match of the Week. On the tight Garry Smorgon Oval, the Sharks started feverishly with rover Robbie Cathcart in and under everything as his forward target Scott Gower started to pop through majors on a regular basis. For every Ajax run of goals, Beaumaris had the answer and leading all day, they ran out impressive 22 point winners in near darkness. Gower was influential with seven goals while **Brayden Haynes** defied a heavy tag to rack up lots of the Sherrin. **Jason Israelsohn** and **Nicholas Marks** were best for the Jackas team that misses the presence of **Jeremy Dukes** to threaten the elite teams of the competition.

Next stop was the Racecourse where the might of Caulfield was expected to blow past the relegation threatened Parkdale with ease. **Tim Boland** got the unenviable job on gun Fields forward **Slevison** and with him stifled; the Vultures turned the game into a red-hot contest with brother **Matt Boland** on target for the visitors. Edging ahead in the second quarter, Caulfield were able to fend off the desperate Vultures with **Matt Sundberg** a virtual barrier across the half-back line, stemming attack after attack. The **Boland** and **Rochford** show conjured nine goals for Parkdale but it was all in vein, as they went down fighting by 28 points. **Sean Meredith** played his best game of the year, capping it off with three six-pointers to keep the Fields on top of the ladder.

The Yarra River Cat local derby between MHSOB and Old Geelong attracted a small crowd but a passionate bunch, there for the Woodfull-Miller atmosphere and the chocolate arugula, which is outrageous there. Even with no **Mr Benchpress**, the Unicorns looked a side that has won their last six games and with unheralded chinaman **Nick Hawking** as the forward focal point, they shook off the Como Boys with ease to record a thumping 112 point shellacking. **Tom Lyons** was again the best for Old Geelong, a star who would get a game in the middle of any A grade side.

Across to Ted Ajani, the bottom placed Bullants welcomed a Mazenod team keen to keep pace with the Top 4. As per usual, the home side played aggressive and competitive football to run into the main break with just a five point deficit against their more fancied rivals. Like clockwork, on resumption of the match,

there pressured slipped and so with it, did any hope of a much needed win as Mazenod strolled to a five goal win with **Bogar** chiming in with four goals. **Paul Florance** again topped the Bullants best and with the Sky Blues, the Vultures, and the Como Boys all losing, luckily not all is lost as of yet for season 2009.

Finally to Scammell Reserve for a see-sawing battle between Oakleigh and Monash Blues for three quarters of football with the Krushers inaccuracy in front of goal giving the Sky Blues a sniff of victory at orange time. Not sure if the Oakleigh boys juiced on 'No-Xplode' during the break, but they came out and piled on an incredible 13 goals to put on a carnival show for their home fanatics. Questions may rise as to how a quarter could produce 24 scoring shots, perhaps the timekeepers recounting their favourite MJ funeral jokes and forgetting to push the buzzer at the correct time. **Edwards** and **Bromley** kicked 13 goals between them while **Nick Hicks** played a lone hand up forward for the Sky Blues with six majors.

PREVIEW

Beaumaris (\$1.70) v Oakleigh (\$2.10)

The Sorry Grandma Match of the Week, it will again be traffic mayhem in the South as the Shark fans pile into Banksia Reserve to see pinup boy **Scott Gower** down in the goalsquare for the Blue and Yellow's. Oakleigh have the artillery to overcome such a threat, with **Bromley** and **Edwards**. Play the value and stick the Krushers on top by a solitary kick.

Mazenod (\$1.16) v Parkdale (\$4.00)

Workman-like over the pedestrian Bullants last week, the Noddors would be foolish to pencil this home game in as four points. The Vultures have their monstrous forward structure of Rochford and Boland back firing, and pressed Caulfield last week. Upset time, Parkdale to dismiss relegation fears with a two goal win.

Old Geelong (\$7.00) v Ajax (\$1.08)

The Como Boys lack class apart from their midfield maestro Tom Lyons and they will be hard pressed to stop the run of Ajax. A hard running team, the Jackas holds all the aces and with **Fayman** kicking a bag of Sherrins into the Yarra, they will win by plenty.

Monash Blues (\$13.00) v Caulfield (\$1.03)

Unless a hailstorm grips the Monash campus, the Sky Blues task looks futile with the interest solely on Slevison's opportunity to kick a double figure bag and the excellent hot & spicy chicken setup in the alternate Uni canteen. Caulfield by plenty and then some.

MHSOB (\$1.01) v Bulleen-Templestowe (Write Your Own Ticket)

Word that the big punter who piled \$900,000 on Roger Federer at \$1.01 in Round One of Wimbledon, is keen to take a similar cramped quote here. Luckily for him, the Unicorns are even bigger certainties, and are in fact Paul Ambrosoli's Yellow Bag Special of the Week. MHSOB by plenty.

FOR THE LOVE OF THE GAME...

Peter "Pluggger" Brabender of Old Paradians makes history this weekend when he brings up his 400th game. This achievement is all the more spectacular given that since his ascension from the U19s, Pluggger has played every game in the seniors.

Still going strong at 39, Pluggger has been twice Best and Fairest winner and was named in the Paradians Team of The Century. He has represented Victoria, has been club captain for more years than anyone else and has been at the club since 1985.

Brabender has not only been a great player, but is a great clubman and a great bloke. He is a true legend and champion of Old Paradians Football Club and the Victorian Amateur Football Association. And he has no plans to retire.

From a veteran to a real rookie. . . **Alan Mdewha** hails from Zimbabwe and has been in Australia just a month. He has a rugby background and is now trying his hand at aussie Rules at that hotbed of international relations, the Snakepit. There were great scenes last Saturday when he took the field for the Snowdogs' 2s. Having shocked the crowd with a few quick rugby passes that brought penalties from the men in white, Al was instructed by coach Nick Smith to stand in the goalsquare. The Bernies got the message and sent in several long bombs, and just before time ran out, Mdewha grabbed one. The umpire raced in to line him up for the shot, which took a while. (Not sure whether it was Al or the umpire confused). Anyway, the Sherrin went

flying through the uprights and the rookie was mobbed by teammates as if he'd scored the winning goal in a Grand Final. To their great credit, his Old Carey opponents gathered around him to congratulate him too.

Last Sunday, De La Salle played the St Kevin's Old Boys Club XVIII in the Anthony Molan game, which commemorates the life of their young player who died as a result of an accident in this fixture in 2003. Each year, the teams play off for the Anthony Molan Trophy and it has come to be regarded by both clubs as being the most important game in the Clubbies season. This year, De La held a Past Clubbies lunch attended by over 90 people, with another 150 there to watch the game.

As is tradition, the clubs observed a minute's silence at the start of the game and then Anthony's mother Fran tossed the coin.

The Molan family, aunts, uncles, cousins and friends, along with those who had played that day were all in attendance for the game, and at its conclusion, all players from both sides came into the social rooms where Tessa Molan (Anthony's sister) presented the trophy to winning skipper, De La's Mark Lafferty.

Fran and Chris Molan were roundly cheered by all for their generosity in opening up the bar to show their appreciation to the players and friends of Anthony who gave up their Sunday to be part of this special game.

De La President Martin Kelliher thanked the SKOB players and officials who supported this game. *"It means so much to the Molan family, who are a very special part of De La. The way they have continued to embrace our footy club is really quite humbling,"* Kelliher said.

Justin Horsburgh, one of Old Westbourne's greatest servants brings up the 250 this weekend. Debuting in '94, 'Juck' has had a stellar career at senior-level, being an integral part of two senior flags and winning the Club Champion Award twice. He is the all-time leading goal scorer at the Warriors, with 488 goals to date. He kicked the ton in 2004 to make the VFA scribe's Team Of The Year. He has dedicated sixteen fantastic seasons to the Warriors and we salute Jucka's fine contribution.

Jack Coventry of the famous Collingwood clan attended the Collegians versus Uni Blues game to follow the fortunes of his grandson **Dirk "Diggle" Heinz**, who plays for the Varsity. **Jack's** eyesight is not what it used to be but InnerFM's hard man behind the mike **Ken Petrucco** arranged for Jack to sit next to the commentary team in the luxury of the Lion's clubhouse so he could follow the game more closely. Well done Ken.

VFA Admin Manager **Sue Anderson** (pictured) escaped Melbourne's winter chill when she took off for Europe on Tuesday for a long overdue break. In true style, Sue was busy at her desk right up until the stretch limo arrived at HQ to whisk her away to Tullamarine. While away, she will visit both Gallipoli and the Western Front, as well as take in some action at Lords and in Vegas.

Richmond Central's captain **David "Spanker" Speakman** plays his 100th game for the Stationmasters this week. Since joining the Club in 2003, David has clocked up an astonishing array of achievements. Five seasons as captain, two best and fairests and selection on the half-back flank in the All-Star team of his club's first twenty years are testament to his consistently outstanding football. His influence off the field has been no less profound, with David putting in a power of work in his role as Vice President and VFA Member and being the current holder of the Jim Redfern Award, the club's recognition for outstanding service over many years.

Several months ago, VFA flag waver **David Murray** was involved in a car accident and though he was not hurt, his vehicle was a little worse for wear. More recently, he received a City Link infringement notice, which at closer inspection, revealed the date of transgression as the same day of his prang. This puzzled the man whose calico work and mathematical genius is on show weekly, until his investigations revealed that his license plate had been picked up by the scanners as it was being towed away for repair. When we last checked, Muzza had retained the law firm of Gibson, See-it and Ping-it to sort out the mess.

One of Yarra's favourite sons played his 100th game last week. **Shane "Sprucey" Laird**, the nephew of former Test opener Bruce "Stumpy" Laird, was recruited to the YVOBFC Bushrangers in 2002 and played in the centre in

the reserves premiership that same year. Always a reliable backman and a strong mark for his size, Shane capped off a stellar year in 2008 winning the Players' Player award, as selected by the club's leadership group.

With the financial year now closed and accountants re-appearing like spring daffodils, the annual registration rush is also complete. The Operations folks at HQ took in forms from several clubs before the Tuesday deadline, featuring such names as **Richie Vandenberg** (Uni Blues), **John Barker** (NOBSPC), **Shane Wakelin** (Old Haileybury), **Fraser Gehrig** (Caulfield Grammarians) and **Masaya Nakamura** (Box Hill North's latest addition from their annual trips to Japan). Ten players in the EJ Whitten game last Tuesday night are or were on VFA lists.

Elsternwick's **Justin Hunter** brings up his 100th game this week after joining the Wickers back in 2002. The full-forward in their premiership team in 2005, he worked in the UK for two seasons and played Aussie Rules with the Putney Magpies, though Hunter's fast leads and strong pack marking weren't quite enough to get those Maggies over the line in the Grand Final last year. On his return to the Wickers, Justin put his hand up to join the committee.

The Twitter VFA Score service, by which we are entering progress scores from around the grounds on to vafa.com.au and delivering them to mobile phones, continues to grow. We hope to have a wide network before season's end to enable Ammo fans to stay in touch with happenings wherever they may be.

Fitzroy's **Ben Atherton** reaches his hundred for the Roys this week. A graduate of St.Pat's Mentone (Vultures) U19 grand final team in 2001, Ben moved to Fitzroy in 2002 and has become one of the club's gun midfielders. He played in the club's 2003 and 2005 premiership teams and won the Best and Fairest in the year between.

SBMT's **Matt 'Cubba' Hecker** hits 150 VFA games this weekend. A little Cubba joined the club in 1988 as a 6 year old and played three seasons in the U9s before playing up through junior ranks to the senior sides. All told, he has pulled the Tiger jumper 280 times and now wears a much, much bigger jumper as his nickname suggests. He still possesses the silky ball handling skills of his brothers Sam and Michael (dec), and though his game stats may not equal those of his mighty brothers, his love of the game is there for all to see. His dry wit is legendary at Brindisi Street.

What's in a name? As the Bard exclaimed, a rose by any other would smell as sweet, and by our very nature we Aussies tend to eschew the elitist notion of labels and tags. Instead we drop the formality and blokes become 'Mate,' sheilas are all 'Love' (as in "givvus anuvver beeyar-love") and every club has at least one old bugger who calls absolutely everyone 'Knackers.' But are we being naive, can a name actually make a difference? I mean, are you likely to be more attractive, charismatic - successful even - because of your moniker?

In the seventies and eighties the most common AFL player names were **John** and **Peter**. Plenty of blokes by those names played in the Carlton, Richmond, North and Hawthorn mega-teams of the era, adding multiple Premiers medals to the trophy cabinet. And after a hard sweaty game those **Peters** and **Johns** (plus the odd **Darren**, **Greg** and **Wayne**) would appear in the Social club freshly showered and changed into a pair of Levi cords, miller shirt, duffle coat and desert boots. What's the most common name today? Well I've taken a poll and I can advise that in D1 the most common name by a country mile is **Matthew**. It was the most popular newborn boy name of 1985 and now here they all are, running around getting stats. We've got twenty of them in D1, just like their AFL counterparts (Pavlich, Lloyd, Richardson, Kreuzer) and the next popular are **Chris** (Judd, Newman), **Daniel** (Giansiracusa, Motlop), **Ben** (Cuz, Hudson) and **Josh** (Fraser, Carr). And check them out after a game too; every single bloke in his twenties wears skinny jeans and little canvas Jackie Chan shoes. But we've got our quirky, gotta-be-different-Rupert-Batheras types in D1 as well. We've got 10 blokes with different spellings of **Jared**, **Jarret**, **Jarrold**, **Jarrad**, **Jarryd** and **Gerard**. Then there's **Blayne**, **Dwayne**, **Darragh**, **Keiffer**, **Kyall**, **Kyle**, **Isaac** and **Viv**. Thankfully as yet there are no **Ayrtons**, **Xanders**, **Ashers** or **Becketts**, but wait for it. And who knows, in twenty years we might have a couple of little Prince Michaels running around with little Farras fetching the beers.

ROUND TEN REVIEW

Emmaus travelled to Sunbury to take on Rupertswood in the Battle of the Bookends, first versus tenth. Despite the end scoreline, the visitors really took it up to the ladder leaders in the first quarter and played with a lot of spirit right throughout the day. But for the dominance of **Collins** across half back early, they may have been on level terms at the first break. As the game wore on, Rupo's pressure & running power took its toll

and they ran away to record a 93 point victory. **Phillips**, **Bradley** & **West** provided the drive, whilst **Brennan** (7), **Pretty** (5) & **Takacs** (3) finished off the good work down forward. For Emmaus, Ballard battled hard in the ruck & down forward all day and received good support from **Hickey** & **Ymer**, along with Carey down back.

At the Playing Fields Old Mentonians started reasonably well against Fitzroy but squandered opportunities that left them only three points up at quarter time. Lifting a couple of notches, the Panthers started to run the ball much better through the centre with delivery supplying a five-goal term (to Fitzroy's two) and a 22 point lead at the main change. But the Royboys charged out after half time with a five goal burst that left the Panthers flat and scratching for options. Finally they found some steadying form and the scores were tied at three quarter time. The last was an arm wrestle as both sides were desperate for the win. The Roys kicked the first to take the lead before a brilliant reply via a **Stuart Cleeve** overhead snap. **Chris Graham** kicked the next goal but Fitzroy replied to once again tie things up. Mentonians managed a couple of behinds, followed by the sealer through **Andrew Eaton**. Not only did the win propel Old Mentonians back up into the four, it ensured the OM Annual Ball was a great success and celebrated well into the night. Nods to **Borland** (7) and **McKay** for Fitzroy.

Meanwhile Werribee travelled to meet Aquinas in Ringwood, where a similar battle was being waged for the first three quarters and the home team well in contention for most of the game but down three at the last change. **Aver** (5), **Williams** and **Cardamone** stood tall for the Bloods, but the marauding Tigers were relentless in a nine-goal final quarter. Especially hard-working were two of **Mrs Taylors** boys, **Aaron** (7) and **Andrew** (3), along with **Dean** (3) and **Alifracco**.

TODAY'S D1 MATCHES

WHITEFRIARS	v	OLD MENTONIANS
FITZROY	v	AQUINAS
EMMAUS ST LEOS	v	PRAHRAN
WERRIBEE	v	NOBSP
STH MELB DIST	v	RUPERTSWOOD

Looking for 5 wins in a row, Whitefriars headed to TP to take on in-form Prahan with 4 wins from their last 5 games. **Tom Woodman** stepped up from U/19's for his first game along with **Tom Langford** returning after suspension, and it wasn't long before the tom-toms started drumming! The game was deadlocked from the start and a gripping first quarter saw brilliant attacking from both sides, scores even at the first break. The Two Blues were up for a big contest, but the Friar train in the second quarter saw their season-best form, kicking 8 (could've been more) with big contributions from talls **Cunningham**, **Mirabella** and **Daou**. Half time and Friars were 37 points to the good, however Prahan refused to give in and played their best quarter for the day kicking five in the third to keep their hopes alive. But for Whitefriars **Brine** was brilliant in defence as **Mattison** controlled the skies in the last and the visitors secured a tidy six-goal win despite the determination of **Sleight** (3), **Dempsey** (3) and **Falcone** for Prahan. Friars are looming, make no mistake.

For the second week in a row, Gillon Oval played host to a shellacking. Sorry, no other way to put it, and the Cobbers are relishing their new-found form. Unlike the other Terry, coach Scanlon has his boys onside, up and running and funnily enough the twittering Tezza-knockers have gone really really quiet out there in the ether. A twenty goal blackout with little sunshine for South Melbourne Districts, save for the efforts of **Humphrey** (2) and **Costello**, while for fifth placed NOBSP you needed the sunnies to shield the glare from **Harwood** (6), **Adams** (5), **Keown** (4), **Liston** and **Citroen**. (**Lewis Citroen**, now there's a bloody name for you).

UMPIRES CORNER

by Steve McCarthy & Leah Gallagher

Hungry Jacks

This week the column is dedicated to Hungry Jacks, as we have no Macca's this week - **Steve McCarthy** will be sunny himself in Fiji by the beach sucking on some cold ones. Macca has knocked back the traditional holiday venue of many University clubs by swapping the snow for surf. Helping me this week is none other than **Tim Sutcliffe**.

Milestone

This week reaching 100 games with the Vafa is the current President of the Umpires Association **Russell Davidson**. In a short time in the Vafa, Rusty has amassed a wonderful CV of games.

Highlights include three A Section Grand Finals, three Representative games and Vafa umpire of the year 2006.

Rusty came to us from the VFL where he spent 10 years, umpired 106 games, 48 reserves games and plenty of U/19 games. Rusty umpired the 1997 Senior Preliminary and was awarded in that year the John Russo Trophy (*In recognition of on field excellence and off field commitment to the Association*).

Rusty, have a great day and all at the VafaUA wish you the best with more games to come.

Romance at Katandra

Congratulations to **Elise van Grondelle** who become engaged to **Nathan** (we presume he's real although no body has met him yet) a few weeks ago. The deal was signed at sunset in Katandra (up Shepparton way) and followed by a surprise dinner with both families.

Congratulations to Elise and Nathan, and everyone one at the VafaUA wishes them much happiness.

Get a GPS

Last week field umpire **Jarryd Barry** was late to his game because he got stuck in traffic. No problem - **Jarryd** did the right thing and notified his partner early that he was running late to Caulfield Grammar. After the game he asked directions to get onto Burke Rd so that he could get back to Balwyn, his team asked him was the traffic bad coming down Burke Rd earlier? "No" Jarryd said, "the traffic was bad at the MCG". Balwyn to Caulfield via the MCG??? Get a GPS mate.

Sausages for sale

The VafaUA staged a successful fundraising event last Sunday at Bunnings in Keysborough. The VafaUA took charge of the BBQ stand for the day and provided breakfast, lunch, dinner and everything in between to the locals. Funds raised will go to upgrades of the Clubrooms at Elsternwick Park and to supporting VafaUA Community Programs.

Despite a lack of cooking and serving skills, the event was a success and everyone was pleased to get through the day without any abuse.

Thanks to all the umpires who supported this event by volunteering their time.

Website has all the news

It has been a while since Umpires Corner plugged the website so here we go again! *Umpires Corner* goes online every Wednesday, Milestones and Promotions every Friday and heaps of other news throughout the week. And don't forget the *Appointments* can be viewed from the VafaUA website homepage every Friday.

Visit www.vafaua.asn.au every day to keep up to date.

Benny's Rule of the Week

Counting Of Players

5.5.1 The captain or acting captain of a Team may at any time during a Match request that the field umpire count the number of players of the opposing team who are on the playing surface.

5.5.2 Procedure

- (1) Stop play at the first available opportunity;
- (2) Call into line within the centre square the players from both teams who are at the time on the playing surface and count the number of players;
- (3) Upon completing the count, ensure that each team has the permitted number of players on the playing surface and re-commence play at the position on the playing surface where the field umpire stopped play; and
- (4) As soon as possible after the match, report to the Vafa that a request was made to count the number of players in a team and the actual number of players actually counted.

5.5.4 Correct Number and Request Without Merit

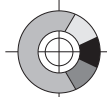

Where a count reveals that the opposing team has the permitted number of players on the playing surface, the following shall apply:

- (1) A Field umpire shall award a free kick to the captain or acting captain of the opposing team, which shall be taken at the Centre Circle or where play was stopped, which ever is the greater penalty against the offending team;
- (2) A Twenty Five (25) metre penalty shall be imposed from the position where the free kick was awarded.

D2 SECTION

by Caillin O'Shannessy

With eight rounds left the top three sides have nearly cemented their place in the finals, as they sit two games clear of the rest of the competition it would take a number of upsets to knock Peninsula, Therry Penola, or Banyule out of the top four. The fourth position in the finals is not yet set in concrete. Williamstown are having a good season, and I would suggest that they will hold their top four position as well, thus completing the finals layout. However they are only half a game clear of an unpredictable Eltham side, who are certainly not out of the race, and could push their way in with a strong run home. Eltham might be held back by their low percentage though, and would need to win more games than Williamstown out of the last eight matches. Unrestricted by percentage is Old Paradians football club, who are two games away from Williamstown's fourth position. It would take some fantastic wins though, and they can hardly afford to drop many more games. The only other very long shot for finals is Old Westbourne, who would have to produce something very special to claim that last position in September.

At the lower end of the ladder, it seems that only one team out of Glen Eira, Yarra Valley, and Ivanhoe will avoid relegation. Out of those three teams, Glen Eira are the ones who have improved over the course of this season, and probably deserve to remain in the competition. Yarra Valley have been unlucky in a few games, and have certainly given themselves a challenge if they wish to remain in D2. Their performance last weekend will not give them any confidence in achieving this task.

It was a tough task Yarra Valley faced at the fortress that is Eltham college, where the turtles enjoyed the perfect winter footy conditions on the weekend. There is no doubt that when Eltham are up and about, they are as good as any other side in the competition, and they would have all the top four sides very nervous. Yarra Valley couldn't convert early opportunities before Eltham found their range and began to score freely. By quarter time it was eight goals to one. Eltham gradually extended their lead throughout the afternoon finishing 83 point victors. **Matthew Crooks** enjoyed some time up forward with an impressive bag of five, while **Hayden Dillon** and **Bryan Galvin** were excellent through the midfield. For Yarra Valley Phillip Valoppi was good. Eltham should relish the opportunity to peg back a game on Banyule this week, and will enjoy hosting a top four side in their current form.

Therry Penola atoned for it's round one loss to Williamstown on Saturday with a 29 point victory in what could be a defining moment in the season. Williamstown dropped fourth, two games clear of the top three, while Therry Penola moved to second position. It was a tough, hard fought battle, but in the end the home side were able to run over the top of a gallant Williamstown outfit. **Mark Faroldi** and **Jarryd Hanlon** through the midfield were Therry's best, while **Dan Maddin** continued a very good season across half back. Williamstown's best player was the hard working defender **Andrew McKay**, who worked valiantly all day at full back on the competition's leading scorer **Corey Bannister**. **Jack Connors** continued his rich vein of form with another fine game on the wing. The CY's will be desperate to win their next two games to further solidify their position in the top four. They should be able to take care of business this weekend against Glen Eira, but next week they face arch rival Eltham, which will test them and really define the season.

Peninsula comprehensively beat Old Westbourne last weekend, and are looking very strong, sitting pretty with a huge percentage on top of the ladder. They don't have the easiest of runs for the rest of the season, but could take the minor premiership if they don't lose focus. Westbourne are all but out of the finals race, and their match against Therry Penola this Saturday will not help their cause.

Banyule have shown improvement this season, and if they continue that trend they cannot be written off as a premiership threat. Easily dealing with Old Paradians last weekend Banyule must be on their guard this week as the trip to Eltham is rarely an easy one. Paradians will of course be taking their game against bottom placed Yarra Valley seriously, but it is a good chance for them to boost their percentage even further.

Glen Eira had their second win of the season against Ivanhoe in emphatic style. The Saints dominated from the first bounce and will no doubt have enjoyed the all-too-rare victory. **Ryan Clark** finished with six majors next to his name, while **Abdirahman Farah** and **Thomas Paterson** thrived. Tough assignments await both these teams this weekend, and Glen Eira will be glad to have snatched an opportunity to avoid relegation.

5 YEARS AGO – 2004

VFAA CEO, **Phil Stevens**, was pleased to report the first **AAFC Three-Year Championship Series** had ended as it began with the **Victorians** dominating the championships to take out the title undefeated over the duration of the six match series. The three participating State bodies, the VFAA, SAAFL and WAAFL had committed to a second Three Year Series beginning in the 2005 season. The All-Australian team was chosen and consisted of **12 VFAA players** namely **Murray Pitts, Nigel Credlin, Ewan Thompson, Mark Corrigan, Luke Hawkins, Tim Harvey, Ben Jordan, Andrew Ramsden** (Vice-Captain), **Bernie Dineen, Tim Biggs** and **Tim Ockleshaw**. The Coach was Victoria's **Nick Bourke**.

D2 Section revealed the possibility of the top four remaining unchallenged for the rest of the season. With **Bentleigh** (fifth) playing **Ivanhoe/Assumption** (fourth), this may be the last opportunity to upset the existing ladder. Bentleigh went into the game full of confidence out at Ivanhoe Park and showed their intentions in the first quarter although the home team held a 7 point lead at the first turn. With straight kicking Bentleigh remained in the race at half time but had fallen to 4 goals down. By three quarter time Ivanhoe Assumption increased their lead and pulled away in the final term to win 17.13 to 11.4. Ivanhoe's **Colin Brown**, in his 100th game, did an exemplary job restricting leading sharp shooter, Justin Paul, to only 2 goals. The result meant that Ivanhoe Assumption would remain in fourth spot and Bentleigh, still in fifth position, were 4 games plus a lot of percentage behind. Best players – **Brown, Harris, Lee, Iosefo, Tucker** (5), **Wood** (Ivanhoe/Assumption) and **Ferris, Mikkelsen, Vukic, Robertson, Smith** (Bentleigh). **Central Umpires** were **Graham Thwaites** and **Daniel Dineen**. In **D3 Section** the **Oakleigh** juggernaut continued on their merry way and won at home against the previously undefeated **Rupertswood**. It was a very clear victory 17.14 to 9.8 and the Krushers had narrowed the gap to be only 1 game behind in second position. Oakleigh's 7 goals to 1 second quarter made all the difference. Best players – **Earl, Bell, Mackenzie** (7), **Britt, Hogan, Treacy** (Oakleigh) and **Reid, Spinner, Wenn, Johnson** (Rupertswood). **Steve McCarthy** and **Jamie Gunn** were the "men in white". In **D4 Section**, there were considerable margins in each game with the closest match, **Old Westbourne** (second) versus **Elsternwick** (third). At three quarter time an upset had been looming with the Wicks up by 4

points but the lads from the West really piled on the goals (9.5) in the last quarter to run away with the points. Elsternwick could only manage 1 goal 1 behind; final score 15.9 to 7.9. Best players – **J Horsburgh** (7), **Huntington, Lever, Pavez, Walker** (Old Westbourne) and **B Mahoney, S Grace, Missaglia, Lefoe, S Mahoney, D Grace** (Elsternwick).

10 YEARS AGO – 1999

Match of the Day in **C Section** was **Whitefriars** (1st) versus **Old Geelong** (4th) out at Donvale in the most rustic setting in the VFAA. It would sure be a test for the Geelong boys as the Friars had been hot for most of the season. As predicted, Whitefriars imposed themselves from the start although a 3 goal lead was not a winning margin. Geelong were trying hard to get their system working but the Friars continued to widen the margin and were 8 goals up at the main break. Only a 7 goal last term by Geelong saved them from complete annihilation with a final score of 18.17 to 12.9 favouring Whitefriars. The loss cost Old Geelong fourth spot. Best players – **Bateman, A Carbone, Power** (4), **Northey, Pasqualotto, Phan** (Whitefriars) and **J Paul, Welsby, J Taylor, W Paul, Middleton, L Wilson** (Old Geelong).

D Section was a twelve team competition and a final five would compete in the finals. It seemed **AJAX, Monash Blues** and **Old Essendon** were pretty certain of being there at the end of the home and away games with the remaining two spots being up for grabs. Old Camberwell made sure of the opportunity against lowly placed **Kew** and were never threatened before posting a final score of 22.16 to 9.13. The Wellers' defence, headed by **Robert Pratt, Matt Whitehead** and **Andrew Bryson** was outstanding with only **Craig Bradley, Adam Felmingham** and **Tom Moore** holding their own for Kew. This win would consolidate Old Camberwell for the time being. Best players – **Pratt, Imberger, Whitehead, Bryson, Gladman, D Walker** (Old Camberwell) and **C Bradley, Felmingham, Tinnetti, Bell, Harrison, Morre** (Kew). **Banyule** congratulate **Stephen "Hoota" Gray** on playing his **350th game** with the Bears. Included in the total were 110 games for the junior section of the club. **Stephen** had achieved a number of honours throughout his career including several best and fairest wards, life

membership and the title of **Club Legend**, Banyule's highest honour.

Old Camberwell's Cameron Strachan joined the illustrious **200 game club**. A past **premiership player**, **Cameron** was a highly respected club member with great contributions on and off the field.

20 YEARS AGO – 1989

In a terrific round of amateur football, **A Section** saw a number of changes to the ladder. All grounds were subject to heavy conditions and at the E E Gunn Reserve both home team **Ormond** and visitors **Old Xaverians** found it difficult to score. The Xavs were great in the first term with 3 goals to Ormond's 1 but could only add another 2 majors for the rest of the game and Ormond won 5.11 to 5.5. Ormond would now go to second from third place. Best players – **Clarkson, Robertson, Connell, Brown Paul McDonald** (Ormond) and **Meehan, Richard Curtain, McClelland, Dann, Warhurst, Mortenson** (Old Xavs).

Collegians (2nd) met top team **Uni Blues** and it was tight all the way before Collegians took control in the final quarter and won 12.8 to 9.8. Best players – **Scott, Wright, Tregear, Bennett, Pollock** (3), **Wallace** (Collegians) and **Wylie** (3), **Furphy, Gust, MacInnes** (4), **C Taylor, McCarty** (Uni Blues). A costly loss for the Blues as they dropped to third place!

The big game in **B Section** was between **Old Brighton** (top) and **Old Melburnians** (3rd) at the Beach Oval. By half time Brighton had taken a valuable 3 goal lead and increased it by 1 at three quarter time. Melburnians finally dropped off the pace in the last term as the Tonners finished on top 19.12 to 12.14. Best players – **Hoar, Fisher** (4), **Burns, Lade, Grant, Tregaskis** (Old Brighton) and **A Witts, Webb** (3), **Tyrell, Nelson, Pisarski, Zarni** (Old Melburnians).

30 YEARS AGO – 1979

In **A Section**, it was a very interesting encounter between **De La Salle** and **North Old Boys** in the battle for second place. At the windy NOBS' oval it was torrid and untidy in the first quarter with NOBS failing to make the most of their opportunities (1.4) but keeping De La scoreless. Although NOBS got the ball forward for a couple of scores in the second quarter, it was all De La Salle as their running players cut loose and broke through the opposition defence to record six goals straight and a three goal lead at half time. In the critical third term, North wasted numerous chances but still scored 7.8 while holding the D's to only 1 behind. It was then up to NOBS to hold De La which they did in the main with De La unable to take full advantage of the wind. Final score – NOBS 9.16 to DLS 9.4 and both sides were even on points. De La were now in second

place on percentage, one game behind ladder leaders University Blues.

In **B Section** it was a great competition with only one game separating 4th from 9th. On top of the ladder, **AJAX** got a fright from **Collegians** who stormed home with a 7 goal last term but AJAX steadied to win 13.18 to 12.8. Best players – **H Ritterman, S Marks, Kalmus, M Hampel, Feldspicer, M Ritterman** (AJAX) and **Balsillie, Wagstaff, Bickford, Hinch, Parsons** (4), **Hibbins** (Collegians).

40 YEARS AGO – 1969

In **B Section**, **St Bernards** continued their winning way at the expense of **Geelong Amateurs**. It was an important game for both clubs and it was Geelong that jumped out of the blocks with a bit more purpose. St Bernards lifted their game and had taken a narrow lead at half time, relinquished it narrowly at three quarter time but played a great final term (8 goals straight) to win 21.3 to 17.8. Best players – **Hannaberry, Hancox, Mahoney** (7), **Considine, J Fox, Dunn** (St Bernards) and **Allden** (3), **Smith** (5), **Wilson, Robins, Marshall, Flucker** (Geelong).

200 games to **Bob Hammond, Hampton Rovers'** popular stalwart. Business commitments had forced "Hammo" to partake in Reserve's games but it had not adversely affected his off-field commitments as a member of both the general and social committees.

Brunswick veteran, **Max Pitts**, played his **200th game** and was the current leading goal kicker in **E Section Reserves**. As one of the most colorful, vigorous and accurate kicks in the Club's history, members hoped Max's association would not be severed for many years to come.

One of **De La Salle's** most consistently good players, **Col Glover**, reached the **150 game** milestone against Kew. Always a regular vote getter De La were hoping for many more games from Col.

50 YEARS AGO – 1959

In **B Section** the top four looked quite safe at this stage of the season – **De La Salle** (9 wins), **Commonwealth Bank, Coburg** and **Old Melburnians** (all 8 wins). Maybe **Kew** on 6 wins could challenge as they played **Geelong** with only three wins. It was an even first half after Kew opened well against a shaky Geelong defence but Geelong got their act together and gradually moved to a slender lead. It was all down to the last quarter with not much separating the two teams but Geelong suddenly went into top gear to score 6 goals in a row and won 16.10 to 9.11. This loss by Kew would probably mean the top four would remain unchallenged. Best players – **Anderson, Redpath** (6), **Norwood, Hinchcliffe, Bent** (3), **White** (Geelong) and **Stokes, Mort** (3), **Brown, Woods, Rogers, Snell** (Kew).

ROUND 10 WINNER ESMOND PROWSE (OLD XAVERIANS)

Old Xaverians' utility Esmond "Mouse" Prowse is this week's winner of the Club Warehouse Rising Star Award.

In just his ninth game of senior football, the twenty year-old played a pivotal role in Xaverians' narrow victory over De La Salle last weekend. After picking up possessions all over the park, the elusive and unheralded Prowse displayed enormous sangfroid with a vital goal in the final quarter, his second for the match.

Prowse is a product of Xavier College where he was Captain of the School. He played in the Xavs' U19s last season after a year away from football. This year he has proven adept at winning the hard ball and getting full value from his disposals.

He is keen to cement a place in the strong Xavs' lineup and to play in the finals. Congratulations, Esmond.

Senior Coach of the Month – June Gavin Kerr – Rupertswood

Gavin Kerr is in his first year coaching Rupertswood in 2009. His playing career was shortened due to a serious leg injury and accordingly he turned to coaching. After successful stints as an assistant coach at Avondale Heights (EDFL) and Jacana (RDFL) he returned to Avondale Heights in 2002. He took the club from a battling B grade team to premiers and champions in 2004. His efforts were recognised with the North West Metro Coach of the Year award. After two very competitive years in A division Gavin retired to turn his attentions to his young family. Gavin has settled into his role at Rupertswood extremely well with the team undefeated in D1 this year. Gavin is a great communicator and teacher which are great qualities when coaching such a young side who are really benefitting from his experience and enthusiasm.

D3 SECTION

by Stephen Clarke

On my phone today and I enjoyed a lively five minute call with a former AFCA/VAFA winning coach. These calls are sporadic yet the small talk seems absent. Today the agenda seemed to quickly head to the 'good culture' at football clubs. And one very strong statement was made from the other end of the phone. It takes a long time to get right, but just a moment to lose it. And if you think about it, it is right. What we are aiming for here, whether it be to win, to enjoy or to do play within the rules and with hard work, takes time and purpose.

So why talk culture. Well if you talk results, some clubs exceeding their potential, others free falling to losses you question culture. We are so lucky in our Section that there are good clubs with great volunteers to support the players. A quick look at our section and the boys from the suburbs in St Francis Xavier stand out having got their culture right thus far. They went to Powerhouse with a tricky game in front of them but very winnable. The Piranhas have got some personnel missing but this is not time to make excuses. Their first five goals were the result of good structure and purpose. The X Men had work to do. No problems. Coach **Lenders** doesn't panic. The message is consistent. Work to your strengths. The better players come into it. They always have a 'new' player on the scene. They run in support constantly. This week they needed goals and sent **Dwayne Scott** to the job. Six goals later. **Pabst** and **Mathers** showed again D3 is not their limit at all. Eighteen goals after quarter time was a great return even if the conditions were sterling to play in. **Paul Edwards** continues to dominate when he rolls forward. If you want to see rep footy standard players then watch him weekly.

Bentleigh went to Elsternwick for mine with a very tricky assignment on the cards. No. Incorrect. At Quarter time they lead by 51 points. You can not give a side like this a big jump start. The final margin ? 51 points. Which really says that when the red and black brigade are rolling they are very good. Bedingfield has taken his game to another level in 2009 and their back half and defensive pressure can be very good. Losing **S Grace** hurt them chasing the deficit but the start was too great. **Chris Sharp** on smaller grounds is dominant and oozes class. **Paul Magnifico** gets a lot of mentions

here simply as his influence on games is strong. Bentleigh are warm flag favourites and their depth is key. Perhaps their work ethic helps too.

Ferndale Park in glorious conditions was going to produce a big score from St Marys against Monash. But thirty two goals was a shock. Boy this is a side with some firepower. **McDermott** with seven and six each to **Stevens** and **Adams** was an absolutely brilliant return. They were ruthless all day and comfortably won all four stanzas. Their home form really is strong and the Gryphons were going into this knowing that is was going to be tough. But never would anyone think they were inferior by such margins in D3. Not sure about them now as I had them surviving in our grade with such determination from coach **Naumoff**. The jury has just been asked to deliberate. Next week for them is absolutely crucial. But they really have stick at it and get numbers on the track. Continue the journey on developing good culture.

Hawthorn had the simple brief last week. Win. Margins, form, flair were out the window for old school contest by contest, minute by minute approach. The problem with that is Uni High thrive on that approach. The visitors here are a side that has matured in close tussles, they have improved their composure with the ball and ultimately found solid avenues to score enough often. But when close games ebb and flow we always look to game winners. **Matt Collins** is just that. Our competition boasts a player that has done well in a half dozen grades above this but his honest approach weekly is truly outstanding. **Rhys Kirk** tired his heart out booting seven goals to take the tally to 42 in ten outings but they fell short by the smallest margin. The Hawks remain alive.

Talk about weekly assignments. The Magpies were in liquorice all sorts Saturday morning. They had to win at home against St Johns and status quo did tip them. And the key to their success would be good clean efficient football, taking their chances. The best thing they did was kick very well all day. Boy it makes a difference in close contests. **Rapheal Touzel** had a super day for the home team along up from the reserves. So too did **Bainbridge** and

Layley. Unfortunately for the visitors they left a lot of work to do in the last quarter but they started that last part in devastating form. Three quick goals and it was all of a sudden close. But West Brunswick steadied and claim four vital points.

There you go. We tipped a close season and it is now coming to fruition. This week again is a mega important round.

TIPS –

Bentleigh host and will dispose of Uni High as their form is irresistible. Margin will be round the 40 points. Powerhouse get a chance on the road against Monash. Have to win to play finals. Should get up. St Johns entertain Elsternwick. Impossible to pick one but Elsternwick do have better form and again, surprise surprise have to win. SFX will beat West Brunswick and pressure the top two sides whilst St Marys get to dent the Hawks finals chances. I think the Ferndale Park hosts can do it the most and win well.

COLLEGIANS FOOTBALL CLUB

Collegians Football Club would like to thank the following sponsors for their outstanding support throughout the 2009 season.

JEFFERSON FORD – JEFFERSON AUTOMOTIVE GROUP	MELBOURNE CITY TOYOTA	EAST MALVERN COMMUNITY BANK
COYNES FREIGHT MANAGEMENT GROUP	ALBANY REFRIGERATION	TREGEAR BAIN TAPLIN

200 Games - Jono Dixon

All at Collegians would like to congratulate Jono Dixon who is scheduled to play his 200th game this week.

Jono has simply been sensational for our club. He has been through the highs and lows, up and down through the grades, played through some serious injury, always leads the way on the track and on the ground, and has become without a doubt, one of the great Collegians over the past 25 years, if not longer. He has proudly represented the VAFA, been a premiership player and leading goal kicker. Regularly courted by clubs far and wide, his loyalty as a player and a friend, and to Collegians and the VAFA has been outstanding. His ability to combine a very demanding professional life with football has been phenomenal. He might not have reached the heights of his father Brian (whom we know is very proud of his son's achievements), but in context and in his own way, his football career has been just as good.

We wish you all the best mate, hope there is a few more in the tank yet.

Review

Eley Park v Swinburne Uni

Swinburne and Eley Park were neck and neck going into the first break, with just 1 point separating the teams. The initial first quarter contest hinted at the arm wrestle that would follow in the next 3 quarters of football, with the score reflecting the ferocity and intensity of the game. With the largest margin being just 21 points in the third quarter, both teams stuck it out to deliver a hard fought and impressive match. Although **T. Silvers** and **L. Jolly** both had stellar games and even with **D. Viola** kicking 6 though the big sticks, it was not enough to get the Sharks over the line, with Swinburne Uni claiming victory by 18 points. Magnificent performances from **M. Westland**, **A. Yaman** and **A. Donaldson** to get Swinburne the 4 points will be crucial in separating the teams during finals time.

Albert Park v Mt Lilydale

On a calm, perfect day for football, Albert Park opened their account against Mt Lilydale strongly, kicking the first 3 goals of the match. A few defensive errors cost Albert Park, giving Mt Lilydale the opportunity to make a late first quarter charge to snatch the lead early in the second quarter, having kicked the last 6 goals either side of the first break. Working hard to get back in the game the Falcons got to within a goal at the main break. An initial see sawing of the lead in the third term made way for the match fitness of Albert Park begin to show, as they kicked the game out to a 4 goal lead by ¾ time, further extending it to a 7 goal victory at the finish. **A. Stewart**, **J. Black** and **L. Hickey** played well for Mt Lilydale, while **L. Brown** and **Hyams** were outstanding on the last line, limiting the contributions of the dynamic duo of **Varga** and **Roberts**. Second gamers **M. Brown** and **McGill** continued to show good signs for Albert Park.

North Brunswick v La Trobe

With ladder leaders La Trobe taking on an in form North Brunswick outfit, a cracker of a game was never off the cards for avid D4 fans. And this match was not one to disappoint. North Brunswick surprised La Trobe early on, coming out of the blocks with some hard fought footy. Inspirational

work from 150 gamer **Sandy Famulari** lifted North to a half time lead of just one point, where after La Trobe regrouped and put on an intense third quarter effort, with a disciplined display of hard running team football. For the Uni, **L. Coffey** and **A. Ross** steered their team home with 10 goals between them. As far as North's effort, they are starting to benefit from some hard work. **C. Twaddle**, **A. Jeffrey** and **S. Hearn** all put in brave performances.

Chadstone v Box Hill North

Coming off the back of two disappointing performances, both teams were sure to be fired up in a match where each was hoping to bounce back strongly. It was Box Hill early, kicking the first 5 goals of the game to stun Chadstone going into the quarter time break. Maintaining the lead until the long break, Box Hill were outplayed early in the third when Chadstone kicked two quick goals to bring the lead back to just 13 points. Box Hill responded strongly though, and put the pedal to the metal in the fourth quarter to win convincingly by 64 points. **Ian Bingham** put in a solid performance for Chadstone, whilst **R. Ball**, **K. Axten** and **B. Pearce** were impressive for Box Hill.

Richmond Central v Manningham Cobras

In a game pitted as the 'battle of the midfielders', this was set to be a fast paced, highly skilled affair. Lifting for the battle of the serpents, the Cobras took it up to Richmond until half time with just seven points separating the two teams going into the main break. The third quarter highlighted the absence of big forward Fradkin for the Cobras, whilst Richmond smashed on a 6 goal quarter to give them a handy lead going into the last. Bags of goals from **N. Nuske** (7) and **G. Andrews** (5) got their team over the line whilst impressive performances from **M. Matthews** (who was instrumental in the victory across the back half) and **R. Carpenter** sealed the victory. Richmond victors by 83 points. Best for the Cobras was big **Terry Young** in the ruck and **Warrick De Vecelli** in the midfield.

Kew v South Mornington

With the South needing a win to stay in touch with the top 5, and the Bears just holding on with a few key players missing, this game looked a ripper. After an even first quarter, Kew blew the game open in the second, putting on an 8 goal show to go into the main break with a 58 point lead. Impressive performances from **C. Horne** (booting 11) and **H. McDermott** (4) stretched out the margin to 104 points. A percentage boosting win for Kew. Best for South Mornington were **S. Wright**, **S. Kemp** and **B. Williams** with **R. Wilson** and **R. McConville-Brain** kicking 4 between them.

Joe's Jargon

Things pretty much went to script this week; with a few blowouts and the smallest winning margin for the round being 49 points, it wasn't a tough one to tip. This weekend we look forward to another titanic clash between the Bullants and Oakleigh with the stage set on Friday night at Sportscover. I'm sure their will be a top crowd at this one.

LAST ROUND:

St Bernards v Old Camberwell: Early morning start out at the Snowdog palace although it didn't create too much of a difference in the first stanza with an even quarter. In the 2nd St Bernards began to pull away and continued on to lead throughout for a strong 49 point victory to keep well in touch with the four and out only on percentage. The Sullivans turned it on for the Snowdogs with Luke's four goals and Tom winning plenty of footy. For an undermanned Camberwell Dean was in amongst it and has had a consistent month.

Oakleigh v St Marys / Salesian: Oakleigh welcomed the bottom of the ladder Saints who after a demoralizing seeing too a week earlier came up this time round against a side who could inflict just as much pain, and did! The Oaks cruised to a 107 point win and with some straighter kicking could have enforced more pain. Valentini and Stamos had days out for the Krushers, and for an undermanned Saints Nick Lees tried hard.

Northern Bullants v UHS/Flemington: Back to the picturesque Preston City Oval for the Bullants as they took on 4th placed UHS/Flemington. UHS started on fire and matched it with the Bullants keeping pressure on them up until quarter time, but that was all she wrote as the sleeping giant midfield awoke, and through Dalton and Calcedo taught the UHS boys a footballing lesson. Bourke and Moore did their best for UHS.

SBMT v Therry Penola: The long trek for Therry was going to be a tough one, and unfortunately that was how

it was with the Tigers leading comfortably at every change to record a 10 goal victory and keep a tight hold on third spot. Unfortunately for Therry they lack the Tigers firepower but will have a chance to grab a much needed victory this coming Saturday. Better players for the Tigers were Wilson and Cuthbert. For Therry, Leroy and Dojcsak tried hard.

THIS WEEK:

Northern Bullants v Oakleigh: The undefeated Bullants will keep their records in tact here. Their midfield should prove too strong. Bullants by 28 points.

Old Camberwell v UHS/Flemington: These two should fight out a close one again. I'll take Camberwell just by 3 points.

Therry Penola v St Marys / Salesian: Both sides will be excited at a great chance to break through here in a winnable clash. Therry at home by 17 points.

SBMT v St Bernards: Tigers should be to strong at home. SBMT by 51 points.

Any match reports, information, banter related to my column and correspondence will be most appreciated. Please send by 5pm Monday. Don't be shy. Please email to joe@vafa.com.au

Round 10 Review

After blowing my word limit well and truly last week this week I'll be brief. Seems to me that some low scores in the mid year assessments have inspired a few performances especially from those fighting for Premier survival, while at the pointy end Old Scotch may have discovered that there is quite a gap between the top half and bottom half of the top four. Old Scotch playing what was the first of 6 home games for the second half of the season were never in the hunt against a rampant De La Salle (Blues). **Lachlan O'Connell** was the main destroyer up forward for the visitors chipping in with a lazy 8 in what was fantastic team effort from De La. **Pollard** and **Clinch** also on fire for De La.

Beauy will be ruing their poor start against the visiting Old Xavs, failing to trouble the scorers in the first stanza then working hard to be in front at three quarter time only to see The Claret and Stout over run them late in the day. In a tight contest which we've come to expect from Xavs it was **James Woods** and **Shaun Cross** who had the Sharks at 6's and 7's while in Blue and Gold it was **Myles Lewis** and **Mike Globan** who flew the flag.

After a harsh mid season assessment St Bedes Mentone Tigers traveled to the pavy determined to prove yours truly wrong and also send a message that they are definitely still up to their eyeballs in season 2009. A resounding away win against Uni Blacks was the result as The Tigers showed they had too many avenues to goal. **Bastion** and **Zagami** again amongst the best for St Bedes while for Blacks Nettlefold and Phelan were shining lights.

Marcellin hit some great form as they showed Rupertswood around The College's number 2 oval. The Eagle's 8 goal win set up by a standout 6 goal performance from **Dan McMahon** will prove very handy as Marcellin settles a game clear of the drop zone. **Coburn** and **Murphy** also amongst the best for The Eagles.

Meanwhile next door it was Old Trinity who also refused to raise the white flag after a less than glowing mid year report. The T's hit the lead early through great work from **Spassopoulos** and **Chadwick** and continued to apply the screws up until three quarter time. A late Uni Blues charge headed by **Jack Townley** was almost enough to pinch the game however the T's prevailed to record win number 2 by 1 straight kick.

Round 11 Preview

This week sees Old Scotch hosting Old Trinity and I'd expect a better showing from the Cards after their disastrous performance last week. With the T's tasting success last week expect a close affair here with Old Scotch getting up by 3 goals. Uni Blues roll out the welcome mat for St Bedes Mentone and will be desperate to correct last week's poor form. The Tigers though are showing great form and have shown a liking for the Crawford Oval. SBMT by 4 goals. Marcellin will look forward to running out at home again against Uni Blacks who are struggling to kick enough score. While Blacks will be more competitive this week I'm tipping Marcellin to continue their new found winning ways and beat Uni Blacks in a close one. Rupo and Beauy front this week disappointed with last weeks form. The Sharks may find this road trip too big an ask as I tip Rupo to bounce back and take the chockies by around 2 goals. In the top of the table clash I'm expecting the comps best forward line to finally break open the comps best defence as De La Salle cruise to a handy win. In what could be a dress rehearsal for the GF De La Blues by 4 goals.

Congratulations to U19 Premier regulars **Stephen Muller** (DLS), **Tom Clune** (OS), **Sam Leetham** (OT), **Daniel Noonan** (OX) and **Ben McClure** (UBlues) on their selection in the A and B section dominated VAFA U19 Rep squad.

U19 NORTH 1 AND 2 DAMO'S BALL

Round 10 Review - North 1

Old Carey's hopes of playing finals were dealt a huge blow top of the table Camberwell on the weekend, losing by 67 points. Old Carey will be forced to make up ground now as they slip to 6th on the ladder. Old Camberwell however are sitting sweetly on top, with **Ben Hart** putting in a best on ground performance for the Wellers. **Bas Simpson** was the best for Old Carey. Old Essendon have started laying the cement for their position in the finals with a big win over Bulleen Temp at home. **Shepherd** and **Troost** were pivotal for OEG

as they stormed out 64 point victors over the struggling Bulleen outfit, who **Daniel Milner** put in a good effort for.

My blockbuster match was turned into a slog fest down at Fitzroy, as the home side ran out victors over the now 3rd placed St Bernards by 108 points. Harbor starred with 5 for Fitzroy, whilst the **Andersons** were superb for The Roy boys. For the Sainters, it was the **Cribbin** duo who put in a good effort.

And in the other match, Manningham have registered their 2nd win in a row with a victory over Banyule. The Sharks caused havoc for the bottom side, with **Massarotti** booting 6, it was a 86 point deficit that separated the teams at the final siren. Arter played his best game in the struggling 17 man outfit, in what is looking like a dreadful year for Banyule/Viewbank.

Round 10 Review - North 2

Last year's premiers received no mercy after their relegation back to North 2, Old Xavs pumping them by 80 points in their first game back. Aquinas had no answers as Old Xavs stole the show from the outset, keeping the Collegians winless. **Lea** was the only highlight for Aquinas, kicking all three of their goals, whilst **Molony** and **Bisset** shone as the stars for the Xaverians.

Fitzroy put in a gallant effort against Old Westborne, but it wasn't enough to drag in the four points, going down by 39 points. The Roys, who only have one win for the season, got within 5 points at 3 QT, but a final quarter burst finished them off. **Novello** played great for the Roy boys, but **Riosa** did all the damage for OW, booting 5 in his best game of the season.

Peter Jones continued his accuracy in front of the sticks this week, booting 7 majors to help Emmaus to a 96 point thumping of Rupertswood. **Swallow** tried hard all day for **Rupie**, but **Jones** and **Tucker** made it hard for the bottom side, dominating play all day, to get their team to second on the ladder.

In a bigger win down at Como Park, it was the top of the table Geelong who stole the thunder, running out victors by 105 points over last year's grand finalists Ivanhoe. The Hoes had no answers after quarter time as **Mackinnon** led the Blacks with 6 majors in his finest game for 2009. They sit sweetly on top, and with the season coming towards the end, they are looking like taking out the minor premiership.

Therry Penola on the other hand are cruising, with their 3rd win on the trot, this time to La Trobe by 103 points. The Lions are having a Collingwood like season, securing their spot in the four for the short term after a string of wins. Farrelly, **McNamara** and **Egglestone** all pitched in with 13 goals between them whilst **Borthwick** was again superb for the La Trobe outfit.

Round 11 Preview - North 1

Old Camberwell will continue their dominance on top of North 1 with a win here over OEG. OEG will still hold their spot in the 4, but a win here would really upset the trend and get them some real confidence heading into the finals. TIP: OC by 45 points.

Old Carey play in a must win match against bottom of the table Banyule. Banyule are struggling, and will struggle all year to win another game, whilst OC must win here if they are any chance to play in August. TIP: Old Carey by 60 points.

After last week's 108 point smashing, St Bernards and Fitzroy face off again due to Fixture stuff ups after last week's relegation of Aquinas. The Reds dominated, and the home ground advantage will play no part in this match. Can you teach a dog new tricks? Not the Saint Bernards. TIP: Fitzroy by 108 points.

And the Sharks can ignite there finals hopes with a win here against Bulleen Temp. Manningham have won the past 2, and have 3 winnable games coming up which they must win to play finals. They will win here. TIP: Manningham by 53 points.

Round 11 Preview - North 2

Fitzroy may be looking for their 2nd victory as they take on the winless Aquinas outfit at home. Last year's premiers vs last year's wooden spooners pans out as a much more entertaining match than expected, but after the Roy's fantastic effort last week, hopefully they can reap the rewards in round 11. TIP: Fitzroy by 42 points.

Rupertswood take on La Trobe in a "nothing" match for both sides. Neither team can make the four, but pride is on the line here, and Rupertswood are still looking for their first win. However, their odds are slim here, as La Trobe look for a victory. TIP: La Trobe by 70 points.

And in a massive weekend for North 2, all 3 other games pan out to be major players in what will set the four. Here's how I see it:

Emmaus will hold second spot with a victory over Ivanhoe by 10 goals. The Hoes will slip to 5th with that loss, as Old Westborne sneak into 4th with a 60 point win against Old Xavs. The Xaverians hopes of making the 4 will be dealt a huge blow as they fall 2 wins behind the rest of the pack. Therry will hold 3rd spot, although the 18 point loss against Old Geelong will stop their momentum as the Blacks secure their position for the minor premiership.

Review

Kick things off this week with De La Salle slotting back into 4th spot after belting Old Haileybury by 58

points. **N. Fyfield** jagged 6 of the best but it was the likes of **D. East** and M. De Luca that provided plenty of prune for the De La forwards who were licking their lips at each centre bounce.

St Kevin's proved me wrong in a big way this week after smacking the Brighters to the tune of 75 points to move a game clear in 2nd spot. **S. Roney** tried his guts out for the Brighters but with a well spread goal kicking list and delivery from **M. Kneebone** and **A. Kerr**, the Old Brighton boys were never in the game.

Well I don't know how to describe a 206 point defeat but WHAMY!! SMACK!! BANG!! Absolutely mauled were the Noddies. Old Melburnians yet again proving what a force they will be come finals time. With bags to plenty of Burner forwards it was **L. Bennett** who stole the show booting 10 and plenty of seed to **M. Marangon** and **T. Healey** helped the burners celebrate an absolute Drubbing.

Big upset down at E.E.GUNN Reserve this week as the Collegians upset the Monders away from home and have kept their slim finals chances alive. **M. Allen** jagged 4 but it was the **H. Apted** show this week as he booted 4 himself and was named best a field.

Preview

St Kevins vs. Ormond: St Kevins found some form over the w/e and will win well at home 5 goals.

Old Brighton vs. Old Melburnians: The Burners in great touch 10 goals.

Caulfield vs. Mazenod: Caulfield comfortably at home 10 goals.

Collegians vs. De La Salle: Collegians in good touch also after a gutsy win but going to go with De La Salle with finals a real chance too strong 4 goals.

Old Haileybury have the BYE

Review:

Easy round this week with all the favourites getting up comfortably. Starting with the Sharks this week who went about their business nicely as they belted the MHSOB by 69 points. Very nice even spread of goal kickers for the Sharks but it was **J. Billing** who booted 4 and stood out for Beauy as he was given the B.O.G honors.

Ajax just keep on keeping on as they belted the Vultures by 87 points. Still undefeated and remain the team to beat in '09. Solid games from both **D. Wollner** and **J. Mendies** ensured the Jackers remained on their game.

Monash away from home had a real crack at Bentleigh but just lacked the class of a **A. Hendry** and **J. Hind** to get the job done as they went down to the tune of 21 points. For the Blues **T. McKenzie** and **M. McCart** played with their hearts on their sleeves but just wasn't enough to get the chocolates.

Hampton Rovers enjoyed another day out and are really looking good in the run home to the finals after giving the Prahran Blues a real Hiding (74 points). **J. Szylkrot** tried hard for Prahran but **J. Goss** booting 8 and being named best afield was far too good for the Blues.

The Mentonians never got out of a canter as they got up by 50 points over the Peninsula Pirates. **J. Kay** jagged 6 for the Mentonians and **B. Johnson** and **S. O'Halloran** were sensational to watch.

Preview:

Prahran vs. Bentleigh: Bentleigh in a Canter 50 points.

Monash vs. MHSOB: Monash to belt the high school by 50+.

Parkdale vs. Hampton: Hampton by 70+ points.

Old Mentonians vs. Beaumaris: Mentonians by plenty 10 goals.

Peninsula vs. AJAX: AJAX by plenty

CLUB XVIII SECTION

by Norm Nugent

When the history of the Club XV111 is written, Round 10, 2009 will be remembered as the one played over four time slots, including the first home and away Sunday match. Results revealed the glorious uncertainty of the competitions and the ability of teams to rebound after big defeats and the failure of others to retain winning form from Round 9. Results yielded me a 75 % success rate.

REVIEW OF ROUND 10.

Section. 1.

Collegians triumphed at St Bernard's, when they inflicted a one hundred point loss on the home team.

Old Xaverians 2 retained their unbeaten record when they defeated Prahran by ten points at Xavier College.

In another afternoon match University Blues returned to form with a vengeance when they doubled the Old Xaverian score to win by fifty one points.

Old Melburnians, too, returned to winning form when they defeated Old Scotch by sixty three points. The Old Melburnians impressed with their four quarter effort. Their best were: William Guthrie, Stuart Wettenhall and Hugo Sampson. For Old Scotch; Alexander Wallace – Smith, William Allen and James Wright were best.

On Sunday, through their eighty eight points win over St Kevin's, De La Salle moved to within two per cent of fourth place and have become a definite threat to the teams above them on the ladder.

Section. 2.

In the early game, Old Camberwell proved too strong for North Old Boys/ St Patrick's and won by forty four points. After a fairly evenly contested first half, Whitefriars drew away from Old Trinity and won by sixty five points. Best for the winners were: defenders, Hagen Shaw and Daniel Tucker as well as ruckman, Ben. Piggott and forward, Michael Oosterwyk.

Leaders, University Blacks continued on their winning way with a sixty four point win over Mazenod.

Marcellin were too talented for Fitzroy and won by sixty four points.

Monash Blues, who fielded a depleted team, were never a serious threat to the rampaging Old Brighton, who led throughout and built their winning margin to eighty points. Old Brighton sharp shooter, Jackson Maguire added another ten goals to his impressive tally. For Monash; Coughlin (three goals), Sheldon and Smibert were best. The win provided a good tonic for Brighton Coach, Marcus Barber, as he bathed in the azure blue waters of Byron Bay.

North.

Bulleen Templestowe outplayed North Old Boys/ St Patrick's in the early Gillon

Oval game and won by twenty eight points.

Old Ivanhoe established an early lead over Old Essendon before the game between first and second developed into a dour low scoring affair, from which Old Ivanhoe emerged victorious by ten points. Their best were: David Madigan, James Delaney and Chris. Roger. Old Essendon were well served by: Sel. Cetin (until injured), Anthony Brazel and Jeremy Williamson.

Although Kew played an away game at home against the homeless Whitefriars, they proved no match for Whitefriars, who won by forty eight points.

Therry Penola scored their biggest win for several seasons when they defeated Werribee by ninety three points.

Old Carey, with a sustained four quarter effort, defeated Old Westbourne by one hundred and fifty two points. This win returned Old Carey to fourth place and gave them a percentage rise of over twenty.

Third placed, Banyule triumphed over Williamstown C.Y.M.S., who slipped to fifth as a result of their thirty eight point loss.

South.

Second placed Ormond overran St Mary's/ Salesian, who finished one hundred and twenty four points in arrears.

Old Geelong, jumped into fifth place as their winning streak continued at the expense of Hampton Rovers, who lost by sixty eight points.

Old Scotch entered the top four when they defeated a much depleted St Bede's/ Mentone Tigers by sixty eight points. Best for Old Scotch were: James Barnett, David Logan and Andrew Bohn. St Bede's/ Mentone Tigers best were: Shaun Burgess, Dean Kelly and Matthew Hecker in his one hundred and fiftieth game.

Undefeated leaders, Old Melburnians overwhelmed third placed Oakleigh and won by one hundred and sixty two points.

The loss sent Oakleigh plummeting to sixth place.

Caulfield Grammarians had the bye.

PREVIEW OF ROUND 11

Section 1

Old Xaverians 2 should maintain their unbeaten record by accounting for tenth placed St Kevin's.

Second placed, Collegians should win again at the expense of Old Scotch, whose playing numbers have been depleted.

University Blues should consolidate fourth place with a victory over St Bernard's.

In the event of Old Melburnians losing to De La Salle, they will face a really tough task to make the final four. De La Salle brings the more consistent form into this game and I select them to win.

Traditional rivals Prahran and Old Xaverians meet in the afternoon game. Even in their best days, Prahran struggled to defeat Old Xaverians, whose superior running fitness often led to their victories. Prahran did well last week whereas the Old Xaverians put in a poor performance. Was this a portent of games to come or simply an aberration? Prahran today can help solve this question. I suspect today we will see the "Crocodiles" find form and inflict another defeat on Prahran.

Section 2

From what I have seen this season, I select Fitzroy to defeat Old Trinity at Bulleen.

Monash Blues should prove talented enough to defeat the determined Whitefriars especially at the Clayton "Farm". University Blacks should win well again against North Old Boy's/ St Patrick's as the "Shamrocks" simply don't have the overall talent of the Blacks.

At home, Old Brighton should defeat Mazenod and stay in touch with the top sides.

The Marcellin versus Old Camberwell game should provide a preview of a final. Marcellin has the more consistent record this season and this coupled with home ground advantage prompts me to select them to win.

North

A revitalized Therry Penola await Williamstown C.Y.M.S. whose players could find the Fawkner Reserve difficult to play on as many other visiting sides have found over many seasons. Nevertheless the "C.Y.'s" have the superior record and they should win this game and keep their finals' aspirations alive.

The Banyule versus Old Ivanhoe game should provide a final preview. Each side is enjoying a successful season and this match should be one of a high standard. Without any great confidence, I select Banyule, whom I suspect have the better recent form as instanced by each club's performance over the last two Rounds against Williamstown C.Y.M.S.

Bulleen Templestowe should win again at the expense of Kew.

Out west, a close contest between the eleventh and twelfth placed sides, should take place. Last week, I felt Old Westbourne showed glimpses of form but these were greatly outnumbered by poor decision making. Even though Werribee has no form to recommend it, on the season's statistics, they have the better record and so I forecast a Werribee win.

Second placed, Old Essendon, with the advantage of playing at home, should prove too talented for Whitefriars. Old Carey should win again at the expense of North Old Boy's/ St Patrick's "Gryphons"

South

Old Geelong's quest for their first final's appearance could well be determined today by the result of their match against Ormond. Winning would be a great result for the O.G.s, however the Gunn Reserve has seen many visiting teams fall over the years and today I forecast another Ormond victory. The loser of the Oakleigh versus Old Scotch match will face a tough task to stay in the quest for a final four position. Although Old Scotch easily defeated Oakleigh in Round 7 by forty three points, it is difficult to predict today's result. Oakleigh's form has varied, largely dependent on player availability. At home they must have a real chance of victory especially as many an Old Scotch team has not played well in outer suburban areas. I will gamble on Old Scotch's greater consistency and select them to win.

Refreshed by their week's rest, Caulfield Grammarians should prove sufficiently talented to defeat Hampton Rovers. It is difficult to forecast the result of the St Bede's/ Mentone Tigers versus St Mary's/Salesian game as each team suffered a big loss last week. I select St Bede's/Mentone Tigers simply because they are at home. Old Melburnians have the bye.

Team Leaders;

Please send me details of your match by noon Monday. Email nknugent@bigpond.com or telephone 9467 2857.
