## WELCOME TO AUGUST

It has been a hectic month in the VAFA and with finals fast approaching, it is an ideal time to run a quick ruler over our competition. August is always the most intriguing month for amateur football, with almost every game possibly impacting on finals and relegation. This year's home stretch promises some intriguing struggles in all sections.

Where to start? Choose any Section and find a story or two to fascinate. In D3, with only one team going down and three coming up, the battle at the bottom is extremely tense. One match and only three percent separate the bottom five clubs. The first three teams have finalised their positions and the fourth is still up for grabs. This is a Section where one week can mean a fight to avoid relegation and the next a moonshot for the four.

The three teams to be promoted from D4 will battle for those spots via a final five. The top team gets a bye in the first week, and Albert Park and La Trobe are in pitched battle for that prized minor premiership. Five teams are still chasing the other three finals' spots. The double chance beckons for the best of that quintet.

Some B section sides that appeared to in a relegation fight four weeks ago are now mounting a finals assault. St Bernard's, Old Melburnians and St Kevins are slugging it out for the top two spots and two of them play today. Old Trinity, Blacks and Haileybury hammer away for fourth spot. Ormond oscillate between relegation and finals and indeed need another couple of wins to ensure their survival in the Section. Old Carey seem to have their big guns all firing and could yet finish off the season in a flurry.

Rupertswood barnstormed the competition, going directly from Clubbies to C Section. There they stalled, were relegated, but have this year regrouped and are the only undefeated team in our twenty-three divisions. Werribee and Whitefriars are vying for second spot whilst Fitzroy, Old

Mentonians and NOBSB are in a ding-dong tussle for the final slot.

Seasoned VAFA watchers agree that C Section is our most competitive. Caulfield have been brilliant this year under rookie coach Steve Lawrence and they are headed for Sandringham.

Beamaris, MHSOB, Mazenod, Oakleigh and a depleted AJAX all are fighting for the remaining places.

Peninsula seem safe atop the D2 ladder while Banyule and Williamstown contend for the second spot. The latter is trying to avoid looking over its shoulder to the threatening Old Westbourne, Therry Penola and Paradians.

Finally, it has been a watershed year in A Section. The top three - Old Xaverians, De La Salle and St Bede's Mentone Tigers - all play a similar aggressive running brand of football and the next month will reveal plenty as they vie for the double chance. The fourth seat has changed regularly and currently it's Uni Blues in occupation. They face two of the top three in the next fortnight and should they beat at least one of these, should secure that position.

At the other end, it doesn't look good for Old Ivanhoe or Old Essendon, but there may yet be bit of fight left in them. The latter spent years trying to get into our premier division and is not going to go away easily. Both teams are tough to beat and shouldn't be under-estimated.

All that said, we are less than a week away from Club XVIII finals. So it's time for clubs to get busy securing double chances, finals' spots, avoiding relegation and even planning for next year. It's also time for the VAFA administration to get even busier to ensure that our competition, Melbourne's finest and strongest community football league, even further enhances its excellent reputation.

Round Thirteen, unlucky for one – Collegians - who twice appeared beaten by De La but twice clawed their way back, only to fall short after the last scrappy minutes yielded them nothing. They had their chances, but their kicking let them down, as it had through the afternoon. **Michael Duggan** was the difference, booting six and setting up others. It was a masterful performance from the left-legged speedster, who seemed to be invisible in his yellow clash jumper, but only to opponents. But for his efforts, De La would certainly have tumbled from second place on the ladder. **Nick Reis** kicked four and was best for the Lions, who were dogged all day but for their indifference to Duggan. They appear to have a game that is well suited to Sportscover Arena, but their loss makes it more a return there this year seem unlikely.

Woodrow Medallist **Jack Watts** returned to the Uni Blues lineup, though much of the chatter was about the man who had suddenly departed after an oh-so-brief cameo with the Varsity, **Al Neville**. The former Trinity star headed back to NYC to investigate job offers and may yet return before the season is out, but he is a key loss for Blues. Happily for them, they shot the lights out early at Marcellin, putting nine through the big sticks before they missed. The Eagles' start was quite the opposite, devoid of radar correctly calibrated for the windy conditions. When they stomped off to the sheds at the half, they had one more shot than the visitors, but trailed by 27 points. That was enough. With **Andrew Lowcock** and **David Paton** both dominant, the Blues were able to hold out the home team the rest of the way to win by five goals. Marcellin, whose loss might spell trouble later, were best served by **Mark Bortolotto** and **Dallas Jarred**. The win vaulted Blues a game clear in fourth position.

The odds-makers rated Old Ivanhoe a fair chance to end its horror run at East Keilor, but it was not to be. Inaccuracy cost each team a chance at real ascendancy early but when the 'Hoers straightened up in the third, they looked to be a prospect. However, Old Essendon rolled away in the last to record a 21 point win. **Dan Flaherty** slammed home five goals for the Dons in a match-winning effort, ensuring the Bombers' quest for eighth spot (or better) remained viable and that the hapless Old Ivanhoe remained chained to the cellar floor. **Trent Skurrie** got the nod for the home team,

while **Stuart Low** was best for the Browns, who had no joy at all since Opening Day.

Old Brighton headed to Brindisi Street hoping to repeat their early-season victory over St Bede's Mentone Tigers. Kicking with a gale in the last, they were still a chance, as the Tigers led by just 23 points after scoring 1.12 in the third (with the goal coming just before the break). The home team, however, had other ideas and snuffed out the threat just minutes into the final term. The Tonners appeared too big and too stationary on an afternoon that seemed built for the smaller, quicker folk. Despite the wind, big **Matt Smith** performed well for the Redlegs, as did **Andrew Edge**, but it was **Brett Collins**, **Sam Anstey** and **James "Taxis" Tyquin** who did much of the damage for the Combine.

Two years ago, **Tim Clarke** torched Old Scotch with ten goals on the Roche Oval at Xavier College in one of the finest lone-hand performances ever seen on a VAFA ground. There was no encore performance, but the midfielder did manage five goals in a slashing display that proved too much for the plucky but undermanned Old Scotch. With **James Byrne** prominent and creative early, the Cards opened well in a gusty cross-breeze that the league leaders found tricky. They edged further ahead early in the second term with two quick goals, but Xavs had the next eleven shots and led by five goals at the long break. Scotch took control briefly in the third stanza, but by then the result was not in question, and the Red and Blacks slid away again in the final term. While **Chris "Sparky" Larkins** was by consensus best afield, three big defenders played enormous games – **Nick Wynne** and **Andy Bowen** for the victors – and Scotch's **Adam Routledge**, who brilliantly blunted the threat from the home team's tall forwards.

## TODAY'S A SECTION MATCHES

OLD IVANHOE	v	COLLEGIANS
OLD SCOTCH	v	MARCELLIN
DE LA SALLE	v	OLD ESSENDON
OLD BRIGHTON	v	OLD XAVERIANS
UNI BLUES	v	SBM TIGERS

## OUTLOOK:

With five rounds left, there is still ample time for some ladder action. We haven't had a draw and real barn-burners have been rare. Perhaps August will bring shocks.

Old Xaverians and De La Salle cannot be dislodged from the four, and SBMT can clinch with a win today. The Tigers have yet to play return games against either of the two above them.

Mathematically, every other team bar Ivanhoe is still a possibility for the finals, but all others, including Uni Blues, are yet to secure their place in A Section for next year.

## THIS WEEK:

**Collegians @ Old Ivanhoe:** A year go, the Hoers were on fire and a threat to all contenders. It's still not too late to find some of that elusive form, but as the weeks slip by, such discovery appears less likely. Purples in a tussle.

**Marcellin @ Old Scotch:** The Eagles have more incentive in the short-term, but the bad news for them is that the injury clouds over Camberwell are slowly dispersing. They'll win this and might yet make a late run for September.

**Old Essendon @ De La Salle:** Was that a chink in the blue and gold armour last week or just a speed bump? Either way, it's hard to see the Dons showing the four-quarter full-court press they'll need to win.

**Old Xaverians @ Old Brighton:** The Tonners were the hottest team in football in R18 last year when Xavs beat them at the Beach. The Red and Blacks are better than they were a year ago, but we can't say the same of the Redlegs.

**SBMT @ Uni Blues:** Blues have done well against stronger teams and will push the Tigers, who had better leave their wayward kicking at home. Blues love to run, but might just lack the extra class in the closest contest of the day.

## Review:

13 rounds in and by my reckoning we still have 6 genuine contenders left. Unfortunately for newly promoted Os their fourth successive loss has made finals more mathematically possible than realistic.

The Snowdogs have built a fortress out at West Essendon and although Ormond won the toss and kicked with the aid of a strong breeze St Bernards kicked the first three goals. To their credit Ormond rallied late in the quarter and went into the first change with a ten point advantage. The second term was a dour affair and at the main break St Bernards led by just nine points. A close first half gave way to a absolute whitewash; Ormond stuck by injury were helpless to defence the ladder leaders onslaught. Bernards pressing the premiersip claim running out 93 points winners. OMs trademark flying start doused any thoughts Carey had of a boilover they need to get them out of the relegation.

The Redlegs moved the ball quickly and accurately from the first bounce giving their forwards many opportunities with great delivery.

With the game effectively over at ¼ time Carey did attempt to mount a comeback, however bad kicking (1 goal 8 Behinds) took the sting out of the surge.

OM running about comfortable winners and maintain their double chance spot in the lead up to a massive game top of the table, who is premiersip favourites game against Bernards.

The visitors will be upset they didn't go harder earlier as wins are now what is needed. Encouragingly Rowe made a welcome return and his inclusion will no doubt be welcomed in weeks to come while son of a gun Stevie Greene continued his awesome form for the winners.

OH and Blacks met in the match of the round. The

result would have huge consequences for both teams with the Bloods looking to consolidate their top 4 and Blacks once again staring down the barrel for season 2009. A few personal changes would have no doubt pleased the Students with the crowd favourite and spiritual leader **Matt Kempton** backing up from his comeback game to add some bite to the midfielder now missing the travelling **Lacey**.

When all was said and done Blacks bounced out of the blocks and set up the game with their best quarter of the year kicking away to an 8 goal lead. The game was pretty even from there on in, particularly in the last half when OH pegged back the lead a little and were much more competitive.

The Uni midfielders were good all day; the fore mentioned Kempton providing goals and strong man **Scotty Hissey** continuing in great form getting the hard nut. They were ably supported by the flying Dutchman leading the way down back.

Out at the playing fields Trinity took their turn to pummel Camberwell. The days of **Paul O'Shaughnessy**, **Ryan Hobart**, **Ryan Chard** & premiersip glory must seem a very distant memory as 2009 is quickly becoming a year to forget. While there are still plenty of chances to get out of jail, coach Loats would be well advised to get on the blower to his ex AFL chargers; none of whom front on Saturday.

The match was as one sided as the scored suggested, only a few cheap goals saving OC's blushes.

Backing from his rep duties **BI** was in his usual untouchable self while **Jessop** continues his B & F form. No doubt Trinity would have enjoyed the tune up for a massive game out at **Righetti**. Hampton Rovers and SKOB have spent their seasons as different ends of the ladder but when the last met it was less than a kick that separated

them. In fact I believe the Rovers got closer to a victory at the Rat Cage than anybody else this season.

A strong first half, which saw Hampton Rovers unable to use the breeze gave St Kevin's a big lead at the long break and although Hampton got to within 14 points at ¾ time utilising the breeze then got the first one of the last quarter it never looked likely. A five goal last quarter to St Kevin's saw them run out comfortable winners.

Young SKOB **Antony Keely**, more renown for his prowess with the bat & ball, was BOG playing across half back. The victors will also be pleased with the return of Ben Hilfenhaus look-alike **Dan Mahoney**, if his hamstrings are OK, there is a bag around the corner for the kid.

**Guy Martyn** was the continued his goal kicking for the Rovers with four goals to bring his tally to 16 in three games.

## Previews:

Blacks to continue their run at the finals with a strong victory over the now struggling Ormond. Huge match out at GB. I fancy OC to topple the Camberwell. Look for some big inclusions. Bloods to win and win well. Although Hampton would be pleased the school boys will keep **Loewe** busy.

Hard to tip against SKOB at home but Trinity will take some beating. SKOB to continue their quest for a double chance.

Redlegs vs. Snowdogs. In an East side vs. West side battle. The young Bernards will have their hands full if they want to stay top of the pile. I fancy the bigger bodied OM to win and once again confirm premiersip favouritism.

## RISING STAR DAN SARGENT (OLD BRIGHTON)

Old Brighton's Dan Sargent is this week's winner of the Club Warehouse Rising Star Award.

Dan was named best for the VAFA's U19 team that took on Vic Country two weeks ago.

Despite his small stature, the blond nineteen year-old is good around the packs and has pace to burn. He is also a good finisher.

Dan was recruited from Brighton Grammar via Hampton Rovers and has this year established himself as a regular and an important member in Old Brighton's senior lineup.

Congratulations Dan.

In the month of July, the Old Essendon side has moved from 4th position to 2nd position having knocked off both 3rd (Fitzroy) and 2nd (St Bernards) in consecutive weeks. Frank places a strong emphasis on positive and constructive reinforcement and is looking forward to seeing many of his charges running around in the Bombers jumper for many years to come.

## AROUND THE GROUNDS

Out to the greens of Como Park firstly, where Old Geelong continued their resurgence with a game showing against top flight Beaumaris. Easy in the betting, the Como Boys stuck to the Sharks for the first three quarters as the breeze off the Yarra River wreaked havoc with Beaumaris' possession brand of football. Into the last quarter, Old Geelong launched at the youthful Sharks and taking a mark right on the siren, 15 metres from goal, their 6 point deficit looked likely to turn into the year's first draw. Unfortunately for the Como Boys, the shot was wayward and the Sharks held on to score a narrow victory. Beaumaris and VAFA state rover **Robbie Cathcart** filled in for a quiet **Scott Gower** with a bag of five while veteran midfielder **Brayden Haynes** was pivotal in the middle for the Sharks.

One bus stop down Alexandra Road, MHSOB were having similar underdog issues with Parkdale arriving off the 11.48am Frankston line in a mood to unsettle one of the league heavyweights. With the wind blowing to the 4 Yarra Street end, Parkdale's forward combo of **Matt Boland** and **Darren Rochford** got plenty of opportunity early as the Vultures slipped ahead. With big Unicorn ruckman and league B&F favourite **Roger McIntyre** off the ground injured, the MHSOB midfield force was momentarily stemmed as Parkdale held the Unicorns at bay to score an upset 32 point win. **Matt Boland** was the toast of Parkdale, kicking a massive bag of eight goals and brother **Tim**, again excellent in defence for the Vultures. The opposing **Hamilton-Ho** brothers were brave for MHSOB along with **Luke Campbell**, who isn't tall enough to ride the Scenic Railway but worked tirelessly at the bottom of the packs all day.

By the Albert Park Lake, Ajax was fighting for its finals dream against ladder leaders Caulfield in windy conditions at Garry Smorgan Oval. It was a sad day for Jackas fans, with **Slevison** and co. in devastating form as Caulfield held control all day to stroll away with a demoralising 111 thrashing. "Double D" **Darcy Daly** was impressive all over the park for the Fields along with the likes of **Zach Parsons** and **Michael Breen**. It was also encouraging to see Caulfield jet **Ben Carboni** on the field after he was felled nastily a couple of weeks previously. For Ajax, the wheels on the bus have officially fallen off with injury, suspension and Maccabiah Games playing mayhem at the selection

table. Even with long sleeved **Rapaport** back in the seniors, they returned a paltry three majors for the day.

Over in the suburbs, the bottom placed Bulleen-Templestowe had a sniff of an unthinkable upset at the odds of \$11.00, kicking with the wind in the last and only 14 points in arrears of Oakleigh. Even the No-Xplode Goal of the Year by Krusher **Alex Pound-Gow**, a mercurial six pointer kicked while he lay on the turf of Scammell Reserve, couldn't alleviate the nervousness around the Oakleigh huddle at orange time. Stepping into the last quarter, the Krushers were able to jag two quick goals into the breeze to stop the Bullant run and they ran away with a hard fought 34 point victory. **Tim Edwards** and **Trevor Bromley** kicked nine between themselves for Oakleigh while **Paul Florance** crept into \$1.01 for the Bulleen-Templestowe B&F with another dazzling four quarter effort in the guts for the visitors.

Finally, it was a grim day out at Monash University with Mazenod running riot, piling on 25 goals for the afternoon as they registered a 108 point walloping of the Sky Blues. **Chamath Jayaweera** saved his best of 2009 with a haul of seven goals spectacularly complemented by the return of midfield dynamo **Michael Chamberlain** with a best on ground performance. Not much to come from the Monash camp, with **Jordan Bell** best on a dirty day for the relegation bound team.

## PREVIEW

### Beumaris (\$1.70) v MHSOB (\$2.10)

The battle for 2nd place and the double chance, home & away clashes don't come any bigger than this in the VAFA. With the sun expected to shine, Shark Park will be standing room only as MHSOB look to stop the Beaumaris danger pairing off **Gower** and **Cathcart**. Unfortunately for MHSOB, most of their starting XVIII are on the sidelines. Beaumaris by 3 goals.

### Mazenod (\$4.00) v Caulfield Grammarians (\$1.22)

Back in the groove, Mazenod get to test where they really sit in the scheme of things against a white hot Caulfield. Mazenod's 100 plus point thrashing of Monash Blues will count for little against the Fields;

*Good call, bad call? Excellent call Gary, insightful call. Caulfield by 8 goals thanks to Nissan.*

### Monash Blues (\$2.50) v Ajax (\$1.45)

Two teams that are playing well short of their expected capacity and probably with their 2009 fate already known; the Sky Blues looking at relegation and Ajax, staring at another year in C section, penning a return to the higher grades. Was going to get down to this game but have a 1.30pm booking at Dorsia, great Sea Urchin ceviche. Ajax by 3 goals.

### Parkdale Vultures (\$2.00) v Oakleigh (\$1.72)

The Battle of the Burbs, Don King would do well looking into getting this onto Main Event with both teams very impartial to a heavy contact game of football. **Boland/Rochford** versus **Bromley/Edwards** should ensure this a high-scoring shootout. Pen in the upset multi takers - Parkdale by 2 goals.

### Bulleen-Templestowe (\$3.00) v Old Geelong (\$1.33)

The two newcomers to C Section in 2009 greet each other in desperate circumstances. The Bullants need to win here to keep alive their very thin hopes of playing C Section football next year. It is however hard to see fairytales coming true in this bleak winter. Old Geelong by 5 goals.

## SLEVISON'S RACE FOR 100 GOALS

Currently sitting on 71 goals, the Caulfield Grammarians forward ace has had an amazing year, averaging just over 5 goals a game and needing only a further 29 to tip the 2009 scales with 100 for the season.

**Round 15: v Mazenod** (A), tricky clash against finals competitors – 5 goals (predicted return)

**Round 16: v Old Geelong** (H), this could be Kevin Bartlett stuff – 9 goals

**Round 17: v Beaumaris** (H), perhaps a grand final preview – 4 goals

**Round 18: v Bulleen-Templestowe** (A) – needs 11 to kick the ton – 12 goals

## MILESTONES

100 – Chris Evans, Michael Wilson (Beaumaris)

# FOR THE LOVE OF THE GAME...

**John Jess** of Aquinas debuted in the U19s in 1998 before accepting the captaincy role the following year. He quickly adapted to senior football and became a consistent finals performer, with his loyalty, tenacity and leadership qualities. Club captain since 2008, he has become a highly admired and respected club stalwart. Injuries have stalled his career at times but recent successful shoulder surgery has seen him return to career best form, with his hair apparently achieving similar rejuvenation with the help of Rogaine. Congratulations, JJ!

Devastating news from the South Melbourne District with its senior co-captain, **Andrew Hannan** diagnosed with cancer. Andrew has a tumor in his abdomen and is undergoing a course of chemotherapy and surgery to beat this disease. Andrew and his doctors are positive that he will make a full recovery and the VAFA community stands behind him during his ordeal. His club will wear yellow armbands in the home game against Aquinas at Lindsay Hassett Oval in Albert Park. The Club will also run various other fund raising activities. Anyone wishing to help out, please see Ross Mitchell or Maureen McGee at the club.

**Richard Carey's** 150 game career with Old Xaverians has seen him play in seven premierships, the first of which was with the Under 19s in 1999. His career highlight was the 2003 A Section flag, where he played an integral role, filling the big shoes of Michael Blood who retired the previous season. During his time as a regular ruckman in the seniors, he clashed regularly with Trinity's Andrew Ramsden, with whom he now works at Honan's Insurance. In 2005, Rich had the unusual distinction of playing in all four senior teams at Xavs. While modestly describing himself as a workhorse, he has been a valued contributor over a decade at Toorak Park.

The annual VAFA Life Members Lunch was held at Sportscover Arena last Sunday and the great servants of our Association were treated to another dissertation from former VP John Bell, who along with **Ian Munro** and **Norm Nugent** know more about the VAFA than a thousand others. The day got off to a rocky start, however, with the lock broken on the front door, a water main bursting in St Kilda Street necessitating a dash to the supermarket for water, and a power outage in the canteen that threatened supply of 'Wick Burgers. All was resolved before things got out of hand.

In 1993 two young boys, **Chris Evans** and **Michael Wilson**, were playing U/9 football together with the Beauy Sharks and now 16 years later they are still together and play their 100th VAFA game only a week apart. They were part of a very successful junior team, along with St.Kilda footballer, Leigh Fisher, that won five premierships at U11, U12, U13, U14 & U17 levels. In 2002 they joined the U19 squad together and played finals footy each year, with Willo leading the U/19 team for two years. In 2005, they were both part of the Reserves C grade premiership group and now, after being away overseas for two years, they will play in their twelfth finals series together with Beaumaris. Is it too much of a stretch to presume the two are good mates?

**Tom Brain** always gets to the heart of the argument. His radio partner-in-crime **Steve McCarthy** was commenting on SBMT's woeful accuracy in the third quarter when they managed 1.12, but Mr Brain, who has been known to frequent Brindisi Street on occasion, came to the defence of the Tigers. "Wait a minute, Steve," Tommy piped up, "One-goal-twelve is as good as three goals." Add mathematics to Tom's list of strengths.

Former Old Carey skipper **Andrew Kent** notches his 100th this week. Kent is a very talented cricketer (880 runs at 50 last year in district cricket) and this has probably stopped him playing many more games in his football career, which has been a dazzling one. A best and

fairest winner, club leading goal kicker, a two-time state rep, Andrew's drive from the middle as a goal kicking onballer has been crucial to many wins for the Panthers, and in their recent climb up the grades. Well done, Kenty!

Old Geelong held a Pivotonians lunch last week with **Anthony Ingerson** as guest speaker. Ingo spoke on matters MFC, Jim Styne and the big financial rescue mission, while many in the room were still feasting on the prime rib and crème brulee with brandy snaps. The OG Reserves timekeeper managed to secure a plate for his Beauy counterpart, who couldn't believe his luck. It's not often you can go to South Yarra's most exclusive restaurant and watch the footy at the same time. The clock ran out, but the Beauy clock man hadn't been shown the bell, but the Old Geelong President came flying across the room to ring the siren, promptly putting an end to Ingerson's talk.

The widely and wildly popular **Travis Ruyg** notches his century with Xavs after arriving there in 2002 from Donald via North Ballarat. Ruggy finally got a premiers' medal in 2005 after playing in no less than ten losing grand finals in the country, in the VAFA and even in London. Ruyg is a magnificent contributor on the field, but does some of his best work from the sideline where he continually cajoles teammates to better efforts while waiting to re-enter the fray.

In response to demand, there will be a half-price concession offered for finals to those holding a student concession card. Age pensioners and those under 16 will still be admitted free, and those students with cards and those with health care cards will get in for 50s of the price. All others pay full-price, unless of course they purchase a season ticket for \$40, which guarantees free entry to a lot of finals on Friday nights, Saturdays and Sundays. Call Jess on 9537 6777 if you want one!

Bulleen-Templestowe's Manningham Club Family Day on 18 July was a resounding success with many families coming along to enjoy the suburban feel of local footy. This annual shindig was heavily promoted through all the local schools, community get togethers and other local groups and has become a real focal point for the BTAFc community. With Jumping Castles, Face painting, Animal Farm, Auskick at halftime of seniors, sausage sizzle, raffles, cake stalls, games and firetrucks, it is was fun for all kids of all shapes and sizes, as our pic would indicate. Unfortunately for the Bulleen Templestowe club, they had a loss, but this was tempered by the faces of all the kids filled with joy and merriment (and braving the icy winds) who made it to the ground.

**More Big V Fathers and Sons:** E.G. Dahlenburg 1925, G.W Dahlenburg 1955 (both Uni Blues); E.P. (Ted) Cordner (OMs) and E.B. (Ed) Cordner (Latrobe University); J.P. (John) Cordner (University Blacks) and R.I. (Ian) Cordner(OMs); Peter McDonnell (DLS) and James McDonnell (Old Xavs).

There are some interesting machinations going on in D1 with just four rounds remaining. There's the mysterious departure of Rupo spearhead (and pace bowler), **Leigh Brennan**, who leads the competition goal kicking with 55 but hasn't been spotted on Aussie soil since round 12. Werribee lynchpin **Nathan Addamo** has made significant comeback strides following that nasty Rep game injury, and big Friar forward **Michael Mirabella** returned from injury in round 13 only to receive a holiday for the next three. Numerous other examples, too, of key position players coming in and out of sides at this crucial stage of the season – and the impact this has on team balance and the basic ability to win games. But will the toll inflicted by injury, suspension or gypsy wanderlust have a meaningful impact on the flag? Take the enigmatic Brennan for example. In pretty much any other team, the absence of the club Full Forward of the Decade – with only four games to go before finals – might be met with just a little panic and a bit of rhythmic rocking in the corner. And it still might, but it's probably unlikely considering Rupo's embarrassment of quality options in **Pretty, Phillips, Takacs** and most recently, **Jess Rush**, who can stretch a nice taut canvas over the gaping Brennan hole. Besides, Leroy may just come back this week. Then again, maybe not.

#### ROUND FOURTEEN REVIEW

There was a strong wind favouring the Burwood Highway end at Bennetswood, Emmaus St Leos gradually took advantage of the wind and with it an eight point lead over Old Mentonians at quarter time. A sluggish, bottled up start to the second quarter, and the Panthers peppered away for minors until accuracy was finally restored; taking a handy 20 point lead into half time. The third quarter was a closer encounter as ESL hit back, the two sides traded goals as it looked like the game might go to the wire. OMs finally managed to get on top with the last five goals of the game as **Sam Hecker** registered a bag of seven. Other notables for the Panthers were **Graham, Norton & Chicken Palmer**, while **D'Amico, Hickey, McCann** and **Ellis** (3) were standouts for the Animals.

North Old Boys/St Pat's defeated Prahran by 28 points at Gillon Oval. NOBSP were immediately attacking, scoring from the very first clearance and from there the Prahran defence was under siege and disoriented by a (stoppable) bounced-thru goal off the boot of **Scott 'Silver Fox' Sleep** from 65 out. By quarter time NOBSP

were 30 points in front and resolute in defence setting up multiple attacks from the back half, their lead stretching to 40 points at the half. The Two Blues were finally able to outscore the home side in the third, but only reduced the margin by a goal. Three goals to start the last quarter saw the gap reduced to 16 points, before NOBSP steadied and recorded a comfortable 28 point victory. Best for Cobbers were **Brady, Hosking & Adams** (3) and four goals to **Michael Barker**, while **Chapman, Stewart** and **MacDonald** flew the Two Blues flag.

Aquinas travelled to Sunbury full of determination; the first half of every quarter was an even arm wrestle until the Rupo running game eventually kicked in and they went on to record a very impressive 98 point win through the fine form of **Rush** (6), **McPhee** and **Bradley** together with the clever forward work of **Murphy**. Aquinas were well served by **McPherson** down back, **Aver** up forward with some fine grabs for 3 goals, and the Hyphen, **Morrison-Storey**, who stuck to the task all day.

Whitefriars coach **Greg Feutrill** knows all about list management as he executed five changes against South Melbourne Districts. With **Mirabella** missing from the wide expanses of Friar Park, **Daou** was the lone tall forward and he was amongst it early, as was first gamer **Dylan Robson-Long**. Friars had a commanding seven goal lead at the main change, and a powerful display early in the third saw a relentless forward surge via midfield nexus **Dave 'arthouse' Arthurson**, another newbie. Cruel fortunes for **Paul Stagg** however, who reinjured his knee after returning from a reconstruction. Friars won all four quarters despite a brave final term from South kicking five. **Daou** (6), **Woods** (5) **Brosolo** and **Marchesi** were standouts for Frairs, while **Cheevers** (4), **Aquilina** and **Wardlaw** were amongst the best for South Melbourne Districts.

Fitzroy showed up at Soldiers Reserve and found a sluggish, wasteful Werribee who missed opportunities kicking 6 straight behinds before scoring a major. Fitzroy took far better advantage of the breeze in the second term and made the Tigers pay with a 38 point buffer at halftime. An almighty spray from coach Kirk got the desired result from the home team, the Tigers

came out roaring in the third to kick 5.5 to 1 goal and trail by just 6 points at the last change. A couple of injuries didn't help Werribee who were unable to gain the ascendancy, Fitzroy winning by 30 points with **Baker** exceptional in defence, mentions to **Dullard** (4) and **Polidoras** (3). Werribee disappointing overall, aside from the excitement of **Shibecki, Purton** and **Bellegante** as they remain in second spot on percentage.

#### ROUND FIFTEEN PREVIEW

Aquinas travel to Lindsay Hassett hoping to repeat their round 2 win, but on home soil I'm tipping SMD will find something other than gloom as they stare into the murky relegation abyss. In fact, South's run from here isn't that hideous; it's possible they could stay put. Well, it's *possible*. Prahran host Old Mentonians and the Panthers must win this one if they're serious contenders, as they face Rupo, Werribee and NOBSP in a killer final straight. Ouch! Whitefriars at home should comfortably account for Emmaus as Feutrill continues to tinker with his list ahead of Rupo and Werribee in the final two rounds. If injuries haven't stricken NOBSP their clash with fourth-placed Fitzroy at BSO will be a beauty. The Cobbers are coming off a massive purple patch with a strong scent of finals in their nostrils, but the Roys will hang on in a nailbiter. Equal match of the day has to be Rupo hosting Werribee, with the opportunity for both clubs to lay down the September gauntlet. Rupo for mine, with or without Leroy.

# UMPIRES CORNER

by Steve McCarthy & Leah Gallagher

### Name a Berger

Last week as we announced the arrival of **Craig Brajtberg's** new daughter, **Craig** had yet to give his daughter a name as we went to print but now it's official and we welcome **Kaylee Eden Brajtberg** (nicknamed **Junior Berger**). Make sure you put flags and not nappies into your umpiring bag **Berger!**

### Pre-Finals Dinner

We can announce that our guest speaker for this years **Pre-Finals Dinner** at the MCG on **August 24th** will be **Sam Kekovich**. He is well known for his controversial behaviour, both on and off the field, and is also well known for his satires as spokesman for Meat and Livestock Australia (MLA) to promote lamb.

A previous star player with North Melbourne and Collingwood, **Sam Kekovich** was a fine contributor to North Melbourne's first Premiership victory in 1975. **Sam** started his career with the North Melbourne football club in 1968. His brilliance was displayed only in flashes as he seemed to put more effort into other non-football activities, including soccer, trampolining and posing naked in the "Truth" newspaper. However, he did play a role in the club's breakthrough premierships win in 1975. After playing 125 VFL games for the Kangaroos he moved to Collingwood in 1977, but only played four games.

During **Sam Kekovich's** playing days, controversy surrounded him as he had several running battles with his icon coach **Ron Barassi**. During his career, which extended over 10 years, **Kekovich** participated in over 150 games, won a Club Best and Fairest and represented Victoria a number of times. His short stint as coach of Camberwell in the old VFA could possibly be explored by one of his former players in **Simon Stokes**.

Since **Sam Kekovich's** playing days he has "turned himself" into an entrepreneur and media identity. He has carried his flamboyant style into the media sector, being most notable for his rants on the ABC show *The Fat* and a breakfast show on Melbourne radio station 3AK. He also appears on Triple M's pre-match AFL coverage and is on ESPN. As usual we look forward to our "night of nights" and yet again we are sure it will be memorable.

### Temp's Tour

All good things must come to an end and **Graham Templar** rejoins the umpiring ranks this weekend after his little bike ride around France. Here's his last instalment from the Tour De France.

"The tour has been decided and we've been to some magnificent places. The weather is warmer and today the wind is blowing hard.

Le Mont Ventoux is something else again. The Tourmalet was

really tough but when you get above the tree line on the Ventoux, into what the French call "La Lune" (the moon), the level of difficulty with the heat and wind increases 10 fold. A really tough day. The trick now the riding has finished is to back off on the medicine. Dream on!

Rode the Champs Elysées this morning at 7am. The road was closed to traffic and there were just a few of us on bikes. A real buzz, even if there was no crowd to cheer us on. The cobbles are much rougher than they look. Returned this afternoon to watch the race but with zillions of people lining the route, twelve deep, it was hard to see unless you climbed something ie post, tree or another person. Nevertheless, it was great and the atmosphere was electric. A real carnival that is hard to match. It's been a fantastic experience again and who knows, maybe again in the future. See you Thursday.

Au revoir,  
GT."

### Sponsor

Just a little mention of our VAFUA sponsor "**Personal Mortgage Managers**". If in the market for housing finance look no further than "**Personal Mortgage Managers**". Call on **Anthony (AD) Damen** of "**Personal Mortgage Managers**" for advice and the right price, remember "**Personal Mortgage Managers**" for housing finance, (sounds like a Bev Marks Aust ad.)

Whilst mentioning **AD**, a big pat on the back to him for his organization and coordination of the inaugural VAFUA Fundraising Poker Night. With **55** players, along with many other supporters it was a fantastic night. Congratulations to **Rob Sneddon** who edged out **Craig Arnol** on the final table to take the crown.

### Benny's Rule of the Week

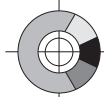

**FREE KICKS RELATING TO POSSESSION OF THE FOOTBALL**  
 15.2.1 In possession of the football

A player is in possession of the football if, in the opinion of the Field Umpire;

- (a) The player is holding or otherwise has control of the football;
- (b) The player is in the act of bouncing the football or
- (c) The player dives or lies on top of or drags the football underneath his body.

Where a player is in possession of the football by reason of diving on top or dragging the football underneath his body, the Field Umpire shall award a Free Kick against that player if he does not immediately knock the football clear or correctly dispose of the football when Correctly Tackled.

**RESPECT THE UMPIRE – RESPECT THE GAME!!**

# D2 SECTION

by Caillin O'Shannessy

The season may be coming to a finish but the drama is not, with more surprising and telling results making the run home even more interesting.

Therry Penola's inexplicable form slump continued on Saturday with its fourth loss in a row, this time against late bloomers Glen Eira. The Saints pressure was too much for Therry, who made errors all over the ground and are completely lacking in confidence. **Corey Bannister's** goalkicking award might be the only silverware Therry Penola can realistically hope for in this form, as they flirt dangerously with fifth position. This weeks game against Eltham sees their last chance to return to form, as a loss would probably end their finals hopes. On the other hand, Glen Eira's recent form should quash any speak of tanking, and Andrew Demetriou can surely rest easy. The Saints have continued to improve this season and have finally got that winning feeling, a word of warning for Banyule this week: take Glen Eira lightly at your own peril.

Of course Banyule will be ready to go this Saturday, after a disappointing performance against an impressive Williamstown side last weekend. Beating Williamstown at home has proved an impossible task thus far in the season, but this close to finals Banyule would still have been disheartened by such an uncompetitive effort. Williamstown burst out of the blocks aided by a five goal breeze and led by five goals at the first break. It was up to Banyule to respond in the second, however Williamstown played a fantastic quarter and stretched their lead out to eight goals through fierce attack on the contest. This proved to be enough and the CY's ran out comfortable victors and gave themselves a good chance of snatching second spot and a second chance in the finals. Williamstown had many strong contributors over the course of the day including captain **Carson McNamara** with a strong display in the ruck and around the ground. He had plenty of support from **Julian Hatfield** who won a lot of contested possession and set up attacks with his long and penetrating left foot disposal.

The scoreboard probably didn't reflect the difficulty Peninsula had overcoming Eltham last Saturday, to put the Turtles out of the finals race. It was a very notable win for Peninsula, playing away on a large ground, against a team with everything to play for with a large crowd behind them. The Peninsula boys

were not overwhelmed in the slightest by the situation and again started the game where they left off the week before. It was a ridiculously long second quarter, which saw Eltham claw their way back to level the scores, and then Peninsula open up a gap again in what was a real arm wrestle. Not to be done away with easily at home, Eltham made another charge after half time, but Peninsula's cream rose to the top and they were able to hold onto a lead. The first goal in the last quarter was to be a crucial one and it was Peninsula who got it, and were able to run out 11 goal victors eventually, but the scores don't tell the real tale. If it wasn't for a collective lift from Peninsula's guns **Tom Rees, Al Wood** and **Nick Claringbold**, it may have been a different story. As it was, Peninsula had too much class and have ended Eltham's finals hopes. No doubt this will not deter the Turtles from wanting a moral victory over a vulnerable Therry Penola this weekend.

Old Westbourne are really coming home with a wet sail and despite sitting in fifth position look like they could be the form side come September. Of course, they must first make the four, and after leaving their run very late, must rely on other results. It seems likely that Westbourne's only chance of making finals would be for Therry Penola to lose to Eltham this weekend, a distinct possibility. In the meantime, they can only keep winning, which they did comprehensively against Yarra Valley last weekend, and must against Old Paradians this Saturday. Paradians are not without a chance against Westbourne, coming off a good win against Ivanhoe.

# STOPPING THE ROT

MARK WILLIAMS – AFL.COM.AU

With the season shaping up the way it is, percentage is going to be very important and I think it's interesting to try to analyse the best way to shut down a game when momentum is going against you. Coaches are searching for the best method to halt an opposition's momentum and no one method is correct every time.

You have to be prepared to chop and change to come up with a consistent response, so I thought I'd look at some of the methods teams use to stem the tide of goals.

One method is to slow the play down and take all the momentum out of it. Most teams try and play fast from the start so slowing the play down can be frustrating for your opposition. The time in possession increases in your favour and the opposition can't get their hands on the ball, which can create a change in mindset.

This method usually requires playing closer to the boundary line. Some teams, like Collingwood, play close to the boundary most of the time anyway working on the premise that, if they turn the ball over, the opposition are further away from goal and have to kick from a tighter and more difficult angle to hurt them. Teams like Collingwood and the Sydney Swans might move the ball up the line with a series of deliberate, short kicks. They're still trying to advance the ball and score, but it's more measured than the chaotic approach of going through the centre corridor and mucking it up, which creates a turnover and allows the opposition to score back over your head.

Traditionally, another method has been to put a player behind the play and that worked okay when teams actually kicked long inside 50 and you knew where the ball was going to land. It's very difficult these

days when teams have three or four different targets in their forward line. You're never sure which player they're going to kick to and one extra defender doesn't help much.

Another tactic is to take a small forward off and replace him with a defender, so that you're actually playing seven defenders. If the game continues to work against you on the scoreboard, you can then put one or two more players from your forward line or midfield in the back line to try and clog up your defensive 50. At that time though, you have to understand that the ball is going to be down the opposition's end a lot and that can increase the mental pressure on your players. When you actually get the ball you must also make considered movements, so that you're not just kicking it to an empty forward line or straight back to the opposition's spare players.

Another approach would be to change from a zone to a man-on-man defence and there's a lot of merit in that. Man-on-man defence holds players accountable unlike a zone where players guard space and, if an opponent gets past them, they don't always know whether it was their man. In man-on-man you know it's your man and when you get beaten everyone knows it.

The final and least palatable method is to flood and send all your players behind the ball. It's not your first, second or third preferred option, but with the season being so close all of these approaches will be used over the ensuing weeks.

Some of these methods don't look particularly nice and the players can get frustrated too, but in the end all you're trying to do is stay in the game and not get blown away in one particular quarter.

**5 YEARS AGO – 2004**

In very trying conditions there were some 'turn-ups' in **A Section** the first being **Old Xaverians** arriving at **Melbourne University** and promptly demolishing the Blues' plans for a strong run into the finals. It was only the Blues' second loss for the season but they maintained top spot. It was 2.1 each at quarter time, each kicked a goal in the second and neither scored a major in the third. In the final term, the Blues were again goalless while Xavs kicked 1 six pointer to give them victory 4.3 to 3.7. Best players – **Oeckleshaw, Purs, Howard, Ford, Johnston, D Walsh** (Xavs) and **Lowcock, Nailon, Young, Penny, J K Brook, Torney** (Uni Blues).

**Old Trinity** congratulated **Tim Cade** on playing his **100th** game. His journey to the century mark had been severely hampered by injury but **Tim** had won two reserves' best and fairests and had been elevated to the senior leadership group along the way.

In atrocious conditions, **Collegians** welcomed **Mazenod** to the Harry Trott Oval in **B Section** and only two goals had been scored up to half time, 1 to each team. However, Collegians' 12 behinds to Mazenod's two gave the home team a clear advantage in the mud. At siren time Mazenod had outscored Collegians in the goal department but not the overall points with Collegians winning 2.16 to 3.7. Best players – **Nisbet, A Baxter, Harrison, McCaughan, Lockett, D Holst** (Collegians) and **D Kelly, Parry, J Dunne, Castricum, D Dunne, Murray** (Mazenod).

**Mazenod** congratulated one of their finest players, **Mark Murray**, on his **250th** game having commenced straight from college in 1989. Mark spent two seasons in the U19's and was an integral part of the **Junior Section 2** premiership in 1990. In 1991/92 Mark transferred to **De La Salle Old Collegians** enjoying a successful time in **A Grade** senior footy. He returned to **Mazenod** in 1993 and played in **two senior premierships** (1993 and 2000). Mark had also been a multiple trophy winner including **two senior best and fairests**. Mark did not leave his skill out on the ground but also contributed strongly to the social success of the club. **B Section** senior coaches were – **Mick Lovejoy** (Beamaris), **Pat Hawkins** (Collegians), **Mike McArthur-Allen** (Mazenod), **Garry Foulds** (North Old Boys), **Jarrold O'Neill** (Old Brighton), **Frank Dunnell** (Old Essendon), **Gerard Sholly** (Old Ivanhoe), **Sam Assetta** (Old Paradians), **Russell Barnes** (St Bedes Mentone Tigers) and **Dave Murray** (St Kevins).

**10 YEARS AGO – 1999**

In **E Blue Section**, **Chirnside Park** proved too strong for

**Elsternwick** who would not enjoy the trip back after losing 22.16 to 12.11. The Wicks were never really in it despite the fact that both clubs were level on points before the game commenced. Best players – **Del Giudice, Thomas, M Pemberton** (6), **Westmore, Caminiti, V Piccioli** (Chirnside Park) and **Murphy, C Mahoney, Messaglia, Lee, Walker, Daniels** (Elsternwick).

In **E White Section**, **Hawthorn Amateurs** came close to upsetting premiership aspirants, **West Brunswick**, but the Westies lifted in the final few minutes to record an 11.19 to 11.8 victory. Best players – **Cartlin, Smythe** (4), **Lewis, Cannane, P Hamilton, Keys** (West Brunswick) and **P Avery, Parker, Ryan, McDonald, Carter, Orchard** (Hawthorn).

In **F Section**, **Eley Park** 'kicked the sweep' with 36.33 accumulated in the four quarters. One would suspect that their opponents, **Brunswick**, may have scored very sparsely, but no, they kicked 17.12 which would suggest the respective defences had a few holes! 13 goals in the final term by Eley Park saw them all lining up and maybe this team could genuinely challenge the two teams above them in the coming weeks? Best players – **Lenarcic** (10), **Psaltopoulos** (3), **Drane, Bowen, Robbie** (4), **Trotter** (Eley Park) and **S Moore** (7), **Bullock, M Lovett, McRae** (5), **B Moore, McBride** (Brunswick).

**E Blue Section** senior coaches were – **Stephen Jones** (Chirnside Park), **Brett Robinson** (Elsternwick), **Gary Ryan** (Monash Gryphons), **Chris Moore** (Oakleigh), **Brett McIlwraith** (Peninsula Old Boys), **Peter Turley** (Salesian), **Dean Higgins** (St Johns), **Shane O'Connor** (St Pats Mentone), **Evan Evans** (Swinburne University) and **Peter Henderson** (Syndal Tally-Ho).

**20 YEARS AGO – 1989**

In **C Section** it was first versus second with the extremely talented, undefeated **Old Haileybury** outfit considered almost unbeatable. Second placed **Banyule**, coached by the astute **John Simpson**, really wanted the opportunity to disprove the general opinion of Haileybury's infallibility. Old Haileybury's playing coach, **Simon Meehan**, confident as usual, ensured that his team came out pumped but Simmo's boys, with maybe a bit more to play for, led at quarter time, 7.1 to 2.4 – game on! Haileybury made little impression in the second quarter, both sides missed numerous opportunities but Banyule held sway, 9.6 to 4.10 at half time. Both teams lifted their efforts in a fantastic

third term, Haileybury scoring 5.4 to Banyule's 6.5. It seemed Simmo's boys had no intention of relinquishing their control of the game. The final quarter was tough, relentless stuff with both defences refusing to fold under the strain and the margin that Banyule had created in the first three quarters was sufficient to win the game, 16.13 to 11.15. Perhaps there were some more fierce battles ahead for these two combatants. Best players – **Turnbull, Adams, D Williams, Pyers, Holt, Ladd** (Banyule) and **Carty, Byrns, Bingham, Connell, Tanner, Baxter** (Haileybury).

In **D Section**, **State Bank** managed to stave off a determined challenge from **Power House** therefore retaining their prized fourth position on the ladder. Power House were now three games out of contention but had shown plenty of fight in this game. The Bankers had held the advantage for the whole game although the House kept coming and only fell away in the final 5 minutes. Final scores – State Bank 17.16 to Power house 14.15. Best players – **Dervan, Buy, Rolfs, Hargraves** (6), **Cloke** (4), **Wallmeyer** (State Bank) and **Hansen, Stewart, Hall, Flaherty, Desler, Stone** (Power house).

Some outstanding milestones in this round – **Powerhouse** legend **Peter Dakin** played his **300th** game, **Ian Rogerson** **200** for **Hampton Rovers**, **Jeff Inglis** **350** games for **State Bank** and **Neville Schmidt** became the first player to record **250** games for **Old Haileybury**.

**30 YEARS AGO – 1979**

In **C Section**, **Hampton Rovers** kept their finals' aspirations alive with a strong victory over top four team **St Kevins** at Hampton. The Rovers made their move early and were almost 6 goals up by half time with their goals shared around. St Kevins narrowed the gap in the third quarter but still had plenty of work to do with a quarter to go. With some quick goals, SKOBS were determined to not surrender their place in the four but the Rovers' resolve was stronger and they finished well on top, 19.18 to 16.14 when the bell tolled. Best players – **Rowston** (5), **Malone, McPherson** (4), **McSperrin** (3), **Kelly, Slattery** (Hampton Rovers) and **Duffy, Walker, Randles, B Campbell** (5), **Cross, Coonan** (SKOBS). St Kevins dropped to fifth spot only one game ahead of Hampton.

In **D Section**, **Old Carey** pushed themselves into final's contention after trailing **St Bedes Old Collegians** in the first half. Carey had a terrific third quarter and were three goals up at three quarter time, enough margin as it turned out with an even last quarter. Best players – **Skilbeck, Kellaheer, Smith, Loader, Hounslow, Hogan** (Old Carey) and **John, Powell, Pope, M Bowdern, Dunne, Cavenough, Reinehr** (St Bedes).

**Russell Knight, Ivanhoe's** clubman extraordinaire, finally joined the **200** club. Whether it be on field or off field, 'Knighy' was a fantastic clubman and had contributed in so many areas to the benefit of his club. Another **200**

**milestone** was achieved by **Rick Sykes**, one of Powerhouse's favourite sons. Having started with the U19's Rick went on to captain his club for 5 seasons with one of the highlights being his attacking role from centre half back in the 1973 **C Section premierships**. Transferring in later seasons to the forward line, he kicked 100 goals in 1978.

**40 YEARS AGO – 1969**

In **E Section**, two of the top four teams, **ANZ Bank** and **Glenhantly**, met at Glenhantly in an important contest. Wasteful kicking for goal by ANZ did not help their chances in the first half and they trailed 2.9 to 4.3. Glenhantly went further ahead in the third term with Williamson a real handful up forward for the struggling Zedders. ANZ made a concerted effort in the final quarter and drew within a kick before Glenhantly steadied to win 11.7 to 8.14. Best players – **Rose, Bristow** (3), **Tidd, Williamson** (6), **K Nolan, N Valle** (Glenhantly) and **Laird, Pitts, Hewins, Spencer, Wilson, Treleaven** (ANZ). Interesting note from the tribunal results suggested the **Elsternwick Runner** had caused a disturbance in the game against **Fairfield** as two Fairfield players were suspended for striking him! There were no details of a charge being laid against the runner except that he was suspended from acting as a runner or trainer for the remainder of the season! Guilty by association?

**50 YEARS AGO – 1959**

Match of the round in **C Section** was between undefeated **Power House** and **Uni High School Old Boys** with a win vital for the UHS lads to keep their place in the top four. The House started confidently with 3 quick goals and were 17 points ahead at quarter time. In the second quarter, UHS had more of the ball but wasted their opportunities in front of goal and Power House remained 3 points in front. An even third term saw the House increase their lead to 8 points. Outplaying Power House in the final term, UHS eventually hit the front although still missing vital opportunities to be further ahead. Just when they looked to have the game one, Power House kicked a goal in the dying moments and their unbeaten record was in tact. Final score in Power House's favour 10.4 to 8.15 and UHS were now out of the four on percentage. Best players – **Egan, Gordon** (3), **Abbott, Grant, Hughes, Kellock** (PH) and **Foster** (4), **Shearn, Leigh, Froelich, Harmer, Turner** (UHS).

In **D Section**, **East Malvern** made the most of their first quarter with the wind and a dry ball to convert 5 times and, in a low scoring game against **Melburnian Blues**, placed their opponents under the threat of relegation. Only 7 more goals were scored in the match, the final margin 9.6 to 3.6 in East Malvern's favour. Best players – **G Levingston, Leary** (3), **Copeland, P Randall, Davies, Crome** (East Malvern) and **Bryan, Wainwright, Cant, Kent, Vance, Campbell** (OM Blues).

# D3 SECTION

by Stephen Clarke

I am not sure why they do it. Just sometimes footy teams click into gear and everything that you have preached for weeks, months happens in a blink of an eye. Forget individuals. The team is the focus now. 'Who kicked the last one?' To which coaches and committees silently think 'who the heck cares, it's happening!' Always in every season at varying times to varying sides it happens. The magic.

The trick with the magic is you have to believe. You have to be a hard core fan or die hard assistant or helper at a footy club and look through all the dramas that regularly unfold. You look past the injuries and you for a second just dream. Then when the unlikely hero comes along you wear it like it was meant to happen. The magnet on the white board might have seemed like to just fall into place but it all happens for a reason.

Let's review this week's wizardry. I'll fly my broom stick to East Caulfield Reserve where at three quarter time things looked grim for our Gryphons. They had in very recent times enjoyed a lovely record against Hawthorn. But this week the clouds over head had got dark and windy at the last break and no rainbow was in site. Big **Alex Rowell** had recently found the magic and was displaying it again for the brown and gold and the visitors who were going to enjoy a last quarter breeze were 19 points to the good. Coach **Naumoff** looks to the sky and perhaps he never looked at Pete Rutherford and actually asked for three last quarter goals but they were delivered in style. The goals were delivered in spades. Whilst the Gryphons roared, the Hawks wings had been clipped. All of a sudden the University side had lifted themselves from a foot our table and are genuinely back in the game! We have spoken about this side playing a lot of kids and establishing a balance with some great veterans. I fancy them to survive this grade. The Hawks will be shattered but they get their chance at home this week. They must persevere and this is now a brilliant test for the coaching genius of **Murray** and co.

I think at **McAlister** a visit by Mr Potter from Hogwarts college had occurred as they could not officially do a thing wrong against a stunned Elsternwick side. All supporters pray the kicks for goals are accurate, you know, a lucky magical bounce or the gust of wind to be on song and ensure the pig skin transcends straight through the tall sticks. Ten straight majors and the Magpies were skyward here. They surely could not be

stopped after such a start. Sam Thompson should be doing time for his theft of the ball in the first half, he was everywhere and dictating terms. The scores in the first three terms were dictated by the breeze but the pleasing aspect was the strong last quarter by the black and white soldiers as Elsternwick limped home with injuries and a power of work to do if they want finals exposure. **Patterson** and **Thriff** had good days for the hosts whilst **Cameron** and **Ash Quinn** were serviceable and played good games.

The scene was set for a magical mystery tour back in time at Ross Gregory where the veterans gathered to watch a replay of a 1959 VAFA Grand Final. Powerhouse form of late has been very dubious and they would have been hoping for some inspiration by some former club and arguably great VAFA legends. The fact remains the number one supporter at the club, **Peter Hutchinson**, has a VAFA trophy collection anyone would be envious of. I am not sure how **Hutchy** would feel about season 2009 though. This is a side that boasts an away win, the only win, against Benteleigh so far. But the wheels are off now the bus and you get that mental picture of a bus jacked up on bricks at four points. This week just one lonely goal was scored. In fact when the three quarter time score read 16 to 8 you'd think the 'House and Uni High had been playing in **Mordor** and **Gandalf** was nowhere to be seen. I am not sure how to rank the conditions but the last quarter the shackles were broken and the defences tested in true Orc like battle. The mighty **Sean Debois** has been in form of late and was colossal here and his leaders **Watts** and **Cracknell** weren't more than length behind him. The Piranhas were running round like headless chickens at games end, overcome with the emotion of the gathering of elders and the fact they are in serious strife to remain in D3. Their run home is what you might call somewhat sticky.

If you wanted to see two kids on a see saw all day you had to venture east to Thomas Carroll where the 2nd ranked St Mary's Salesian took on 4th placed St Johns. This was on all day and said to be a genuinely entertaining affair. Big names play the big games and it was here that **Al Dwyer** and Gatehouse emerged for the visitors and stamped their credentials to be finals players with expectation on them now. The hybrid team has so much flexibility and dynamic about it you just

wait for another rabbit to be pulled from the hat. Not that St Johns should be perturbed by their excellent effort. To be fair and accurate their performances this season against the three really good sides above them have been consistent and never are they far away.

I think if I hosted a travelling show with a couple of guys to make potions I would employ **Sharp** and **Robbo** methinks. Benteleigh, when having to host SFX, turn to their guns and ask for results. Did they deliver? Obviously. This was a shootout of excellent standards and it was nice to see a possible final preview played in such high spirits. All the big guns here were on show like Lenders and the Van Dams who tried their hearts out but could not lift them like Francis Xavier himself to see a victory delivered back to Beaconsfield. Nine goals to three in the second half ensured Benteleigh maintain their ultra smart record and they are still flag favourites. They have a splendid run home after this week so expect them to rotate some players accordingly.

### TIPS –

It's got the makings of a classic. St Mary's Salesian host Benteleigh. I am going for the home team here to inflict lose number two just on the top side. Five points only the margin. The Magpies and Gryphons clash. What form lines they bring. Home side just. Elsternwick should beat Uni High as their faint finals hope flickers again. Hawks have the 'House visiting and it is a game to avoid relegation. Home side though should win here. Finally the X Men and St Johns ensure the top four play again for the second week in a row. X Men by 10 points.

With four weeks to go, the top five are not yet settled, whilst the first and third spot, both important with double chances, are also yet to be finalised. Richmond Central took the first step in consolidating their finals spot, whilst Mt Lilydale and Swinburne missed golden opportunities to do the same. With some very interesting matches to finish the season the final make-up of the five may come down to an exciting final round.

My match of the round concept has received a breath of life with the match-up this week between Swinburne and Richmond Central vindicating the status for the second week in a row after a few blow-outs earlier in the season.

With **Ryan Carpenter** putting a lock on **Attila Yaman**, the Snakes collected the first ingredient to their recipe for roasting the Razorbacks, the next was to add some goals to the menu, and this eluded them initially as they peppered the big sticks unsuccessfully. As the game continued they found their mark though and gradually put a reasonably comfortable buffer between themselves and Swinburne. **Zac Scrase** continued his recent good form for the home side, and gave them a sniff when he set up two early goals in the last, but with **Trent Woodberry** and **Brad Glass** steadying the ship across the back-line, Richmond Central notched up a crucial win by two goals.

Albert Park aptly demonstrated the currently big gap between the first two sides and the rest of the competition with their second big win over South Mornington. After jumping out to an eight goal lead in the first quarter, the Falcons kicked four more in the second against the breeze to almost match South's five. **William McIndoe** was having a fantastic battle with outstanding young ruckman **Scott Smith**, but Falcon **Tim Wilson** provided the home side with a huge advantage in the middle, winning many clearances. With injuries multiplying as the game progressed the Tigers battled bravely in the second half, however with Irishman **Adrian McGill** and **Stuart Maunder** booting eleven goals between them, the Tigers were unable to stop the flood of goals in the second half as Albert Park grabbed a small percentage break at the top of the ladder.

Manningham finally gave us our first big upset of the season as they celebrated **David Trinch's** two-hundredth game in style. For possibly the first time this season the Cobras put together four quarters, applying persistent pressure to the Ram onballers, and running hard through the midfield. Mt Lilydale persisted against the flow of play, and led by **Kevin Maniscalchi** threatened to snatch the

game in the last, however **Ryan Daley** and **Jason Laurence** who had been brilliant all day, lifted again, to lead the Cobras to a famous victory.

A high standard battle between North Brunswick and Box Hill North saw the green and gold making better use of the wind, and with big **Kane Shaw** providing a welcome target were able to break away to a seven goal lead. Cameron Liston was getting his hands on the ball first for the home team, however with **Robert Santacroce** sharking many hit-outs, and **Jarryod 'SOD' Dimarco** busy up forward North were able to hold off a late charge from the Demons. **Stephen Harrison** showed again how dangerous he can be up forward for Box Hill North and if he can iron out those yips, may be the difference in the last few games of the season.

Eley Park again showed their ability to take the game right up to more fancied opponents. Enjoying their home venue, the Sharks were well served by **Chris Brown** as they stayed in touch right until the end of the third quarter. A lapse in concentration from Eley Park and a surge from the Uni saw **Stuart Patten** kick a couple of quick goals, and with **Brad Van Ooi** again prominent, Latrobe finished far stronger to eventually run away with a relatively comfortable victory, that possibly flattered the league leaders.

Kew relished the chance to try a few combinations as they welcome Chadstone to their home ground. As evident all season the Synners are determined and never stop trying with **Mark Johns** playing his best game for the year and **David Barry-Macaulay** again in good form. With **Brian Cullen** in dangerous form and with **Tim Bagnall** and **Heath McDermott** marking everything the Bears were just too strong all across the ground and they built up some important percentage points.

### Round 15 Previews

#### Match of the Round

#### South Mornington v Swinburne Uni

The loser of this game can almost say goodbye to finals football, with tough games to come for both sides, as a result we can expect an intense battle all day. The ability of Razorbacks defenders to hold **McConville-Brain**, **Wilson** and **Mottram** will be crucial as they attempt to reverse the result earlier in the season, as will be the Tigers endeavours to stop the Swinburne runners. I think the significant home

advantage will help see the Southerners home; by 10points

### Nth Brunswick v Eley Park

This battle intrigues with both sides threatening to take a big step forward this season without fully delivering. Both sides pack potent on-ball divisions, and I favour the home side to just edge out the Sharks in this one; North by 3 points.

### Manningham v Richmond

It will be interesting to see if the Cobras can continue last week's form into this one, as they have a habit of testing Richmond each time they play. I feel the Snakes have too much to play for, however so too did the Rams last week. I'm going to go out on a limb and tip a draw.

### Latrobe University v Box Hill North

Missing several on-ballers, the Demons spirit will not be enough against the classy University outfit; Uni by 47 points.

### Chadstone v Mt Lilydale

Mt Lilydale cannot afford to slip up again and will not; Rams by 63 points.

### Kew v Albert Park

This game was also a potential match of the round, and with the Bears having not lost at the cemetery for possibly three years, a tough job is ahead of the Falcons. Albert Park just seem to be at the top of their game though and may break this hoodoo; Albert Park by 13 points.

**Reserves:** NB Kew, MTL, LTU, Man and SM to be victorious in the reserves in the week

# Under 18s

by Joe Morsello

### Joey's Jargon

Four rounds to play in the inaugural season of Under 18 football in the VAFA. Has the competition been a success? Majority of the eight sides have had strong junior bases in the past with five sides having Under 19 sides either this year or last year. The competition has provided three clubs in particular a junior side and hopefully a solid base to build on. UHS/Flemington, St Marys/Salesian and Northern Bullants have all established sides to build on into the future and for that very reason in my opinion the competition has been a success to the clubs and to the VAFA for now and into the future for all parties concerned. Let's see how they fared this week.....

### Last Round:

**Oakleigh v UHS/Flemington:** I tipped a close one here but unfortunately for UHS after quarter time that could be nothing further from the truth. The first stanza saw both sides play quick paced footy with an even scoreboard. But Oakleigh went on to score 11 goals to 1 for the remainder to keep a firm grip on top spot in a dominant team performance. Pappon and Corfe relished the conditions under lights for the Krushers. Moore was in amongst it as per usual for UHS/Flem.

**Old Camberwell v St Bernards:** St Bernards travelled to Camberwell in yet another must win clash to keep in touch with the four. The snowdogs led throughout to record a 16 point victory with Camberwell's strong last quarter putting some respectability on the scoreboard for them. It was the major goal kickers for both sides who led the way with Overman kicking 3 for St Bernards and Birtles for Camberwell matching his efforts.

**St Marys / Salesian v SBMT:** The Saints caused upset of the round toppling the well placed tigers at Glen Iris and capturing their biggest scalp so far. St Marys led at every change with the big Bombastic sending down a few bombs to kick 3 for the saints and handy contributions from Mitch Opt'hoog and the cassette player. For the Tigers, Shippies continued on in good fashion giving his best with Patounas

also battling hard.

### Northern Bullants v Therry Penola:

Therry took it right up to the Bullants but it was for only a quarter with the Bullants putting their foot down after quarter time and to be brutally harsh, teach Therry a footballing lesson. With the Bullant big dogs up and firing it was always going to be difficult for the bottom side with strong efforts from McCrae and Curran doing their best to stop the Bullants.

### This Week:

**St Marys / Salesian v UHS/ Flemington:** UHS may not be too comfortable in the morning travel to Glen Iris; I'll tip em, but only just with the Saints new found confidence a major plus for them obviously. UHS by 2 points.

**St Bernards v Northern Bullants:** Snowdogs will be desperate but lack the class of the Bullants. Bullants by 63 points.

**Therry Penola v Oakleigh:** Genuine 1 v 8 clash, you do the math. Oaks by plenty.

**St Bedes/Mentone Tigers v Old Camberwell:** Tigers to bounce back at home and prove they just aren't making up the numbers in the four as it looks at this stage, Tigers by 42 points.

Any match reports, information, banter related to my column and correspondence will be most appreciated. Please send by 5pm Monday. Don't be shy. Please email to [joe@vafa.com.au](mailto:joe@vafa.com.au)

### U19 PREMIER Round 14 Review

We guessed last week's round would be a cracker and the punters weren't disappointed. At Banksia Reserve only a point could separate St Bedes Mentone Tigers and Beaumaris at the first change. In what was a crucial match in the context of the top four punters were treated to a tight, hard fought contest through the middle quarters until The Sharks superbly led by Scott Kendall and Luke Slater (4 goals) broke the shackles in the final term to run out winners by 27 points. The win sees The Sharks replace The Tigers in fourth and also allows Old Scotch to retain their 1 match buffer in third despite their loss to Old Xavarians.

Playing at Toorak Park The Cardinals were set to test Old Xavs who have set the bench mark in the defensive half of the ground this season, but the wide open spaces on Orrong Rd looked to me to suit Scotch's free wheelin' game style however it wasn't to be with the Claret and Stout shutting down The Cardinals run and controlling the game for 100 minutes eventually winning by 20 points. Oliver Hay and Cam Hummerston were shining lights for The Cards on a dark day while for Xavs it was the usual suspects in an even team performance.

Rupertswood hit their straps last week taking an undermanned squad down to Melbourne Uni in their must win clash against Uni Blacks. The Woodsman who were well served by Matty Heywood, Dave Morrice and Mat Medcraft (3 goals) found Crawford Oval to their liking as they set about gaining the required wins to keep themselves out of the drop zone while at Blacks one gets the feeling that with relegation a non issue and finals out of reach they are going through the motions with one eye already looking forward to 2010.

Things are different at Uni Blues, with a realistic chance of still pinching a spot in the finals they traveled out to Bulleen Road to take on a Marcellin outfit struggling in the lower reaches of the ladder. Through the great efforts of Oliver Robertson, Dan Gurnley and Tyson Day (5 goals) The Bluebaggers handed The Eagles an old fashioned touch up that sees The Blues hitting some decent form in the run home. For Marcellin, Jaques Augustin and Lachlan Phillips continue to show their class and will no doubt regroup with their team mates to record some more wins this year.

Things went according to the script out at Waverley Park with Stephen Muller back in his De La Salle gurnsey this week helping himself to 8 goals as our ladder leaders beat a battling Old Trinity. The T's remained competitive through some great work from the Hunt brothers and

Thomas Fogarty but De La had too many firing including Ed Murphy at his best for Old Trinity to match them on the scoreboard.

#### Round 14 Review - North 1

Old Camberwell has continued their winning ways on the top of the North 1 table with a thumping win over Manningham. The Sharks will now struggle to make the four, whilst OC have all but secured top spot with four games to go.

Fitzroy recorded a handy win over Banyule by 38 points. Borg pitched in with four goals for the losing team. The win puts the Roys in 3rd position with St Bernards' loss to OEG. They went down by 51 points, as OEG look to secure second spot on the North 1 table. Hinkley again played a ripper for the Grammarians, along with a bag of four from McCann. In the other match, Old Carey has stuck with the four with a comfortable win over Bulleen

by 34 points. Cambridge with four majors and De Leijer around the field helped OC towards the win.

**Round 14 Review - North 2**

Emmaus have all but crushed Old Xavs' hopes of playing finals, knocking them off by 28 points. Emmaus kicked on after a slow first quarter and never looked back, securing 4th spot with the win. Therry Penola recorded a good win over Ivanhoe by 23 points. Ben Ratcliffe was the standout by far, dominating the match all day. The Hoes slip into 5th whilst the Lions sit 2nd behind OGS. They smashed Aquinas by 108 points. The season can't get much worse for last year's premiers, who still sit winless on the bottom of the ladder. Fitzroy recorded their third win of the season over La Trobe by 19 points. Manoli kicked three, whilst Covelli was named best on ground for the day. Old Westborne kept their third spot with a percentage boosting 110 point pumping over Rupertswood. Rompel led the way for OW with five majors.

**Round 15 TIPS - North 1**

**Round 15 TIPS - North 2**

**Review:**

We kick things off this week with a trade in places between Old Brighton and De La Salle in the fight for 4th spot as the Brighters put on a dominant performance to run out victors by 67 points. A terrific even spread of goal kickers and around the ground dominance from A. Dewar and L. Nicholls led the home side to an important win.

Ormond at home this week had a real spring in their step as they pumped Old Haileybury by 21 goals. S. CLEMENTS and C. McCarthy booted 9 between them and were extremely well fed from M. Oaten. The Monders now move a game clear in 3rd and only percentage keeps them from owning second spot.

The Burners yet again proved why they are on top of the ladder as they went about dismantling a disappointing Caulfield line up. T. Healey jagged 5 and plenty of football was gathered by A. Armstrong and P. May as the Melburnians ran away 62 point victors.

Collegians had a bye this week and Mazenod may as well had the week off also as the boys from St Kevins ran an absolute muck. The Kev's booted more behinds than Mazenods full score and then adding the other 26 goals on top of that it just spells MAULING. St Kevins are sitting comfortably in the 4 and 2nd due to a terrific percentage and would now be preparing for the upcoming month.

**Preview:**

Mazenod vs Collegians: Collegians by 8 goals.  
Caulfield vs Ormond: Ormond with too much on the line 5 goals.  
Old Haileybury vs Old Brighton: Brighters by 50+ points.  
Old Melburnians vs St Kevins: game of the year, Melburnians at home too strong 3 goals.

**Review:**

The final 4 is set in South 2 in season 2009 as the chances of a change are 1 million to 1. To get things started this week we'll begin with the absolute belting handed to the MHSOB by a professional Bentleigh outfit to the tune of 175 points. J. Hind booted 11 and A. HENDRY jagged 9 which caused an absolute thorn in a disappointing High School side. Bentleigh are ones to watch very closely as they are in some great touch at the right time of the season.

Next we have an absolute thriller between the Beauy Sharks and the Hampton Rovers as the Rovers just edged out Beaumaris by 1 straight kick. For Beauy D. Davis played a blinder but just wasn't enough to stop R. Howe and T. Youl as they led Hampton to a nail biting victory.

The Mentonians defeated Prahran by 5 goals as they were in cruise control for most of the day. J. Twirdy battled hard for the home side but it was the likes of J. Lumsden who snagged 5 and E. Macquire who gave the Toners some real drive around the ground.

Monash decided to have a crack at the ladder leaders this week but just fell short as the Jackers ran out victors by 15 points. For the Blues A. Mulligan and E. Flanagan gave their all to keep their finals chances alive but it wasn't enough to stop B. Caplan for the home side who ran a muck all day and proved to be the difference.

Peninsula made the most of being at home this week as ran out 52 point victors over the Parkdale Vultures. For the home side A. Bouten booted 7 and P. Coldrey simply dominated general play.

**Preview:**

Monash Blues vs Prahran: Monash at home will be a tad too strong 5 goals.  
Parkdale vs Beaumaris: Parkdale 5 goals.  
Hampton vs Ajax: Hampton in an upset 4 goals.  
MHSOB vs Peninsula: MHSOB also another upset 3 goals.  
Old Mentonians vs Bentleigh: Bentleigh by 6 goals.

# CLUB XVIII SECTION

by Norm Nugent

Today marks the end of another home and away season, three of the final four placings already decided and a major upset required for the North Section four to be changed. However at least five of today's matches will be finals' previews and most (if not all) of these fixtures could be repeated in next week end's semi finals.

Round 14 results, while largely as expected, did provide some surprises, when leading sides went down and lowly sides recorded big wins. My success rate was 80%.

## REVIEW OF ROUND 14

### Section 1

In the mid morning fixture, leaders, Old Xaverians 2 were big winners by one hundred and thirty eight points over Old Scotch. The Ménages were well served up forward by **Altis** (5 goals) and by **Guirguis** (4 goals) each of whom scored more than did Old Scotch.

St Bernard's recorded a fifty point victory over winless St Kevin's.

Old Xaverians continued on their winning way with a six point win over Collegians, who slipped to second as a consequence.

In a game marred by winds, the inaccurate University Blues defeated the equally inaccurate Old Melburnians by thirty seven points.

De La Salle defeated fellow Darling Park tenant, Prahran by forty nine points in the afternoon game.

### Section 2

After an evenly contested first quarter, Old Trinity gained the ascendancy and defeated North Old Boy's/St Patrick's in a game shortened by a late finishing A.G.S. match. Trinity had a star in **Chris. Armatis**, who dominated up forward where he kicked four goals. The lightly built **Torpey** again did well for the "Shamrocks".

By showing their best form for many seasons, Mazenod surprised with their sixty six point win over Old Camberwell, whose season has been one of mixed fortunes. For the first three quarters, the game was competitive but in the last quarter, Mazenod added nine unanswered goals to give them their big win. Good players for Mazenod were: half back, **Joel Miller** and midfielder, **Simon Fisher**. Old Camberwell's best was **Ryan Whitehead**.

In the clash between university based sides, leaders, the Blacks defeated Monash Blues by thirty four points. The Blacks, led throughout a game of a good standard despite the strong wind. Monash Blues were well served by: **Joe O'Dwyer**, **Lachy Smith**, **Perry** and **Costello**.

Old Brighton cemented fourth place by inflicting a rare defeat

on Marcellin. After an even opening quarter, Old Brighton through utilizing the wind advantage took the lead and maintained it until the end. Brighton's winning margin was twenty six points. Their best were; **Powell**, **Sheehan**, **Phayer** and **Sest**, who kicked four goals.

In the closest game of the Round, Fitzroy withstood a fast finishing Whitefriars and won by three points after a tense and physical match. Fitzroy's best were: **Jamie Hughes**, **Craig Moore** and **Joseph Phelan**. For Whitefriars, the consistent, **Hagen Shaw**, **Ben. Piggott** and **Daniel McClellan** were best.

### North

Leaders, Old Ivanhoe were largely untroubled to defeat Werribee by seventy one points.

Despite inaccurate kicking for goal, Whitefriars defeated North Old Boys/St Patrick's by four points. In many respects, the "Gryphons" accuracy kept them in the game

Banyule showed their strength when they repulsed Williamstown C.Y.M.S.'s quest for fourth place with an eighty two point victory. Banyule had multiple goal kickers in **Brad. Willmore** and **Butterworth**, who each kicked five majors.

Old Essendon comfortably defeated Bulleen Templestowe by forty two points.

Kew scored only once against Old Westbourne, who "romped" home to win by forty two points. Westbourne's Goodrem with three goals singularly trebled the Kew score.

Third placed Old Carey continued on their winning way by defeating Therry Penola by thirty three points.

### South

Ormond scored an eight point win over Old Scotch, whose inaccuracy may have cost them victory.

St Mary's/Salesian just defeated Oakleigh by the narrow margin of four points.

Old Melburnians suffered their first loss when third placed Caulfield Grammarians defeated them by eight points.

The widest winning margin in the Section was that of St Bede's/Mentone Tigers, who defeated Old Geelong by twenty six points.

Hampton Rovers had the bye.

## PREVIEW OF ROUND 15

### Section 1

Fourth placed University Blues, with many injured players, face second placed Collegians on the Crawford Oval. Simply because of the Blues long injury list, I select Collegians, whose form has tapered off of late.

St Bernard's welcome Prahran, many of whose players will be making their first visit to the "Snake Pit". Prahran's season has been disappointing and I have a hunch, St Bernard's will finish their disappointing season with a victory.

Old Melburnians should finish with a win over St Kevin's. Old Xaverians will relish the opportunity to tune up for their annual final games on Sports Cover Arena, when they play Old Scotch. The "Crocodiles" should win this game comfortably.

Old Xaverians 2 should secure top place by defeating De La Salle.

### Section 2

In the early morning match, Old Camberwell should salvage some prestige from their inconsistent season by ending it with a win over Whitefriars.

Monash Blues should possess enough talent to defeat Old Trinity and renew their confidence for next week's semi final.

Form side, Old Brighton journey to Clifton Hill to endeavour to defeat Fitzroy, who won their Round 5 match by twenty points. Currently the form side, Old Brighton could carry all before them over the next four weeks. Today, I believe they will add Fitzroy to the list of teams they have defeated so that all nine opposing teams will have lowered their colours to Old Brighton this season.

The Marcellin versus University Blacks match will be a dress rehearsal for next Saturday's second Semi Final. Each team has lost to Old Brighton over recent weeks and will be anxious to gain the ascendancy over the other. Marcellin's forwards, have proven the best in the Section whereas the Blacks have the best defenders. Home ground advantage will favour the "Eagles" and the Blacks could take a time to adjust to the winds in Bulleen Park. Even though the Blacks have been the pacesetter, I select Marcellin to win narrowly.

The afternoon match between North Old Boys/St Patrick's and Mazenod should provide a spirited encounter. Mazenod, who did well last week, should be able to defeat the lightly built "Shamrock" players who lack nothing in endeavour but who have found difficulty finishing many of their forward thrusts.

### North

Therry Penola could end their season with a win as Whitefriars will find the Fawknor Reserve subject to prevailing conditions unlike most in the competition. I select Therry Penola.

Banyule should comfortably defeat North Old Boy's/St Patrick's and in so doing tune their game for next Sunday's semi final.

Way out west, the battle for eleventh place will be fought between home side Werribee, (the incumbent) and Old Westbourne the visiting challenger. Without any confidence, I select Old Westbourne, who won so well last Round.

Today's opponents Old Essendon and Old Ivanhoe will meet again next Saturday in the Second Semi Final. The best forwards (Old Ivanhoe) are pitted against the Section's best defenders (Old Essendon). At Keilor experience tells me, Old

Essendon will hold a marked home ground advantage, which I believe will greatly assist them attain a hard fought victory.

Third placed, Old Carey should prove talented enough to defeat Bulleen – Templestowe.

Williamstown C.Y.M.S., who should end their initial season with a comfortable win over Kew, must rely on a big Banyule loss to give them any hope of finishing fourth.

### South

Hampton Rovers should finish with a win over St Mary's/Salesian especially at home.

Caulfield Grammarians should defeat Old Scotch and in so doing give themselves a greater chance of gaining the double chance.

It is difficult to select the winner of the Oakleigh and St Bede's/Mentone Tigers clash because each of the sides has displayed erratic form, largely due to fluctuating player ability. At home I select Oakleigh without any confidence.

Old Melburnians should return to the winning list by defeating Ormond in what could be a preview of next Friday's Second Semi Final.

Old Geelong has the bye.
