

Michael Sholly
CHIEF EXECUTIVE OFFICER

The events surrounding last weekend's St Kilda v Hawthorn match were intriguing and have some relevance to VAFA football.

Nearly every club person with whom I speak mentions the extraordinary number of injuries at the club and how each week is a struggle. By nature, the VAFA has a transient population that travels, studies, holidays and gets injured. However there are some solutions.

The systems set up by Ross Lyon and his coaching staff at Moorabbin are applicable regardless of the composition of the line-up. It didn't matter that Reiwoldt, Fisher, Del Santo and others were missing because their system ensures their replacements are able to work within the plan.

The successful teams in the VAFA are those that are coached by people who have systems in place that all players can follow, providing clubs with not just a few interchangeable parts but a whole box of them.

Lacking the time and resources of professional clubs, there are obvious difficulties for VAFA coaches in effectively imparting these methods to the playing group, not just to twenty-five senior players but to the forty or fifty who might be used throughout the season. Attendance at pre-season is therefore critical to the coach and to a player's season.

VAFA people love to analyse and dissect every passage of play and argue for hours about the strengths and weaknesses of players and coaches. We are a challenging group of people who enjoy the strategy of the match. Long gone are the days when one or two recruits into a team would make the difference. I believe the club's most important recruit is its coach.

Getting commitment from Gen Y can be a huge challenge for the coaching staff, but no-one can resist involvement in an organisation when they can see that goals will be delivered. They want to

know that their commitment will be shared by more than just two or three players and also by a strong band of volunteers who will make sacrifices for something that is worthwhile.

Young people question and they want rational, intelligent answers that are credible. They don't want aimless drills that have little to do with the team structure. Coaches only get the players for about four hours a week and these are the most critical in setting up the team and club for the year. During the off season, a number of club presidents spoke with me about the difficulty of getting players to pre-season training. Whilst pre-season is still about getting fit and improving skills, it is more importantly about getting the game-plan in shape. Without the base of the pre-season, the implementation of the plan will never be quick enough to meet the demands of a season.

All players at the club must fully understand the way the senior team will play, as during the difficult weeks of the season, it might well be the performance of players from the U19 and reserves that dictates whether a club makes the finals, stays up or is relegated. All players in all teams in a club must be fully conversant with the game-plan and adhere to it at training and in games. In this way, every player can feel satisfied that he is contributing to the success of the whole club.

St Kilda's win in Launceston gave all its faithful a lot of pleasure because they are all involved. The VAFA coach should involve the whole club on his strategy by engaging all players, volunteers and supporters and the experience of being at a VAFA club will be that much more enjoyable – and successful.

THE AMATEUR FOOTBALLER

THE JOURNAL OF THE VICTORIAN AMATEUR FOOTBALL ASSOCIATION

August 15th, 2009 Price: \$2.00 Vol. 09 No. 17

The one point beyond dispute in A Section every season is that it's never over 'til it's over. With just six weeks left before all players and officials alike hit the fairways or head for the Members' Enclosure at Caulfield, many things are still possible and a few wrinkles more than likely.

Last week might have provided portents of things to come, but we trust in tea leaves, tipsters and tongue-waggers at our peril. We can say with confidence that the upcoming finals' series will be a cracker and we predict with almost the same certainty that the race is down to five, all of whom have line-ups suited to the Elsternwick expanse.

The pundits, however, were correct in assaying the battles at the Varsity and at Camberwell as the games of the day, as both were close things, while the other three games delivered match-ups closer to Muhammad Ali's 1976 bout with pro wrestler Antonio Inoki than to any *Rumble in the Jungle* or *Thrilla in Manila*.

At Beach Road, Old Brighton finally displayed the form that the Tonner faithful thought had been in their Christmas stocking. Old Essendon banged away at it for a quarter and had they kicked straight, might have been in a winning position at the first change. In the second, however, the Tonners got rid of the bride and quickly torched the resistance. Ten goals in each of the second and fourth quarters had the Bombers reeling, as did the form of Brighton's straight-shooting **Brett Sinclair**, who slotted a season-high nine. **Luke Geister**, whose form saw him represent the Big V at U19 level last month, was best for the Dons with four goals.

Old Scotch lost James Byrne before the game but looked to have matters in hand against Collegians in the sudden death skirmish at Camberwell. Leading by 19 points at the half, the Cardinals failed to increase their lead in the third, despite kicking with the breeze. The young Lions, particularly **Nick Bobeff** and **James Kondarovskis** worked hard and got the ball to **Fergus Watts**, whose four goals left them square for the term. Buoyed by this effort, the Purples screamed home in the final quarter, kicking 6.4 to a solitary goal from the home team and keeping their finals' hopes alive.

Collegians' only downer for the day came when they received news of Uni Blues victory over second-placed De La Salle. For the second time this year, the Varsity narrowly trumped its heavily-backed rival, though the game could have been a blowout to either team had the shots at goal in the first half not been so woeful. The Blue and Golds had

the running early but couldn't convert and Blues took over the game in the second but couldn't capture the scoreboard. De La's turn with the light breeze broke it open and set up a probable victory, but it was Blues who dominated the last term to steal the victory. **Sam Chadwick** played his best game under the spires and provided some sweet fruit for his tall forwards **David Paton** and **Andrew Lowcock**, which of course, they plucked. **Damien "Damage" Hale** continued his fine season and was best for De La while Ben McConnell was best for Blues in a tight, tense contest that only added to the confusion about the prospects for each over the remainder of the way. Mid-way through the final term confusion erupted among player and spectator alike when it was discovered that De La had ever-so-briefly nineteen on the field. A count was ordered, conducted, verified, ratified and 25 metres tacked on. The shot missed.

League leaders Old Xaverians took on Old Ivanhoe, with both teams on streaks that began in Round Two. Any thoughts that these streaks would end at the same time and place were quickly dispelled as the Red and Blacks jumped away to a solid start and then put the foot down. With **Damian Lynch** out, skipper **Tim Fleming** assumed a forward role that proved profitable and with **Matt Handley**, provided a scoring tandem that set up the big victory. Old Ivanhoe worked hard but was outclassed, though a five goal final term and the excellent form of **Adrian Delmonte** gave the Hoes some consolation at least.

At Sportscover Arena, Marcellin was no match for the marauding St Bede's Mentone Tigers and went down by the even 100 points. The first quarter was something of a contest with the Eagles moving the ball quickly and booting three without reply in the middle of the term, but as the shadows grew longer, the Tigers took over completely. **Brett Collins** and **Michael Curcio** did much of the damage with twelve goals between them, but it was an even team

performance from the reigning premiers, who have regained their voracious appetite for the big victory. **Greg Cull** and the evergreen **Dan Cullinan** were among the Eagles' best.

OUTLOOK:

With three games left, Old Xaverians are two games clear and look likely minor premiers. SBMT and DLS will battle it out for second and their R18 clash could be the decider. Uni Blues or Collegians will finish fourth, with the former having an easier run. Old Scotch and Old Brighton will finish mid-table, while Old Ivanhoe will go down with either Old Essendon or perhaps less likely Marcellin.

THIS WEEK:

Old Scotch @ Old Ivanhoe: The result will have no bearing on standings. The Cardinals look to be far too strong, though **Brad Thompson** has indeed lit a fire under the Browns.

Old Brighton @ Collegians: While the Tonners won well last week, Collegians successfully shook off a rival. The Purples must keep winning and a loss on their home patch would surprise.

Marcellin @ De La Salle: The Eagles have shown all too rarely that they can play four quarters and they'll need to here to have a chance. De La will be looking for a big win and should have a few handy inclusions.

Uni Blues @ Old Essendon: Week by week, Blues get better by inches. The same can't be said of Old Essendon, but it needs a win somewhere to stay afloat.

Old Xaverians @ St Bede's Mentone Tigers: The game of the year? No, that will take place on 20 September, but this might provide a glimpse of what to expect. Xavs were too good at Toorak Park earlier in the piece, as they were last year in the first round. The Tigers tore them to shreds last August and the Red and Blacks will need to be right on their game to avoid a repeat of that massacre. Tight, hard-hitting, team football is on the menu, but the X Men's streak might end today.

ROUND 16

In a classic round of ammo football the Snowdogs were the only team to convert their ladder superiority. Had it not been for this scribe foresight I might have registered only solitary tip for the week. The end result is we now have four teams in a relegation fight and six premiership contenders; fair to say tanking will not keep Mr. Sholly from a good nights sleep.

I start this week's wrap with Blacks worst performance of the year.

With their backs to the wall and coming off a really bad loss Carey really came out to play. The OC's under-stated midfield missing bad boy Rowe stood up to their more heralded opponents. Andrew Kent clearly inspired by his mate Peter Siddle's performance on Friday night kicked a bag to drag the Bulleen boys over the line and breathe life in season 2009. The Baptists are up for the relegation fight!!!!

For Uni, Adam Pitt continued his great season up forward, taking many contested marks, and Robby Scarlett can hold his head high.

In many ways it was a sad day in St Kilda, as VAFA football was forced to say goodbye to the Junction. I'm sure all B section...and perhaps A section footballers are disappointed that they can no longer look forward to playing on this grand old stage once frequented by stars like Keith Miller. Perhaps the AFL will see the light and look after grassroots footy!!!!

Back to the footy, it was a great game with both sides moving the ball really well. The game was a reasonably even contest throughout but it basically boiled down to OMs being inaccurate and OT kicked straight. Sometimes it's that simply.

Worth mentioning for the winners was the performance of young Jake "The Snake" Walsh. The youngest member of this distinguished amateur footballing family has being plying his trade in the TAC comp but stepped up against the ladder leaders.

Jack Healy absolutely dominated from centre half forward the game and together with Matt Jessop they delivered the T back into the final 4.

Out east Ormond continued their slow march towards relegation going down to a resurgent Old Camberwell.

In a see sawing encounter where neither side could gain a big advantage Ormond took the lead with minutes to go but in the finals seconds Old Camberwell kicked a goal that gave them a four point victory.

For the losers Ryan Martin was excellent on the wing all day kicking three vital goals and Matt Martinov provided a huge target up forward taking many telling marks.

The old VAFA adage applies deep into the season ... teams facing relegation are dangerous and more so at home. The Snodogs would have been wary about a Hampton Rovers side now back into a corner but despite some flat spots and Hampton Rovers drawing within a couple of kicks in the last stanza Bernards kicked away to a six goal lead half way through the last quarter before some late goals to Hampton left the final margin at 23 points. The win sees Bernards re-take the familiar and welcome top spot on the ladder.

For the winners Mitch Church, Ryan Schroder and Ben Jordan led the way along with Luke O'Sullivan, Alex Singleton and Tom Caven.

The last perfect home record also fell on the weekend. The Bloods and SKOB both had more outs than the Red Sea so it was interesting to see how the coaches lined up their troops.

Right from the outset this game only had one winners OH started at a terrific temp having first use of a 3-4 goal wind. Voss was in a dominant mood and the home side could do very little to stop him. His attack on the ball seemed to inspire the Black & Magenta forwards as the gain aerial supremacy that the US Airforce would be proud of. Bloods held a handy four goal ascendancy at the first break.

Given SKOB now had the chance to peg back with the wind the second quarter was going to be important. But it wasn't going to be. After an even start some beautiful duking and even more impressive kicking for goal had Haileybury out by 7 goals at the long break and the game looked over.

And it proved to be the case. SKOB never got a look in and Bloods did what no one else has done by taking a win from Righetti.

PREVIEW

In a massive game out at Boss James I fancy OC to continue on their winning ways. Hampton is now in real trouble after a season that had much promise. This game is simply a must win for both sides.

The in-form OC host SKOB out at the Complex. With a potential double chance available I will take SKOB to bounce back. Worth remembering is the hiding Carey handed out in this fixture last year. This game will be definitely one OC will fancy their chances.

Over the road Trinity will continue Ormond's misery. The Ts now have a big sniff of finals and will not be beaten at home.

I will go for the boil-over at McKinnon with the Bloods to knock off the Redlegs. With a finals carrot dangling I feel Voss and the troops will rise to the occasion.

The Snowdogs to stay top of the table by defeating a Blackers side reeling from last week's unexpected loss.

RISING STAR MITCHELL CHURCH (ST BERNARD'S)

St Bernard's Mitchell Church is this week's winner of the Club Warehouse Rising Star Award.

Mitch began the season in the Snow Dogs U18 side, played six games in the U19s and then moved into the seniors where he has played ten games.

Last weekend, the young tall forward turned in a match-winning effort against Hampton Rovers.

Church, who was recruited from Calder Cannons had ten kicks and kicked eight goals straight. Half of his yield came from contested marks.

Congratulations Churchie, and a happy eighteenth birthday next week.

SUMMARY OF FINALS ELIGIBILITY 2009

(These can be found in Rules 51-55 of the VAFA Handbook)

Senior - (1st XVIII teams) Any registered player with a permit can play finals (except VFL or TAC players with a permit – see below).

Reserve - (2nd XVIII teams) Players must be registered and must have played at least four (4) reserve grade matches and not more than ten (10) senior matches in the home and away games (first round). Where both first and second XVIII's are playing on the same day the reserve grade player must only have played two (2) games in either the seniors or reserves to qualify. For clubs with teams drawn in semi finals on different days of the same weekend (ie. 1st semi Saturday, 2nd semi Sunday) read as above teams playing on the same day).

U18/U19 - Players must be registered and hold a permit. If a player has played 6 or more senior and reserve matches, he must have played 6 or more Under-19 matches during the season. Where a Club is represented in a match in the Second Round of the Senior Grade OR Reserve Grade on the same day OR on the same weekend the 6 match provision above shall not apply. Where a team has (2) U19 teams or is involved in hybrid arrangement, the following shall apply.

- (i) Where a club has two U19 teams, a player must have not played more than 10 matches with the U19 (1) side to play in the (2) team.
- (ii) To represent a hybrid team in the finals the player must have represented the hybrid team in (5) first round matches – not including finals.
- (iii) Under 19 Grade teams obtaining "Top Up" players during First Round matches from another Under 19 Grade team is not considered to be a hybrid team arrangement. "Top Up" players are not permitted in Second Round matches.

Club XVIII teams - Players must be registered and have played in at least four (4) Club XVIII matches (for the team they wish to represent) and not have played in more than a total of eight (8) senior and reserve matches during the first round. Where a club has two or more Club XVIII teams, a player must have not played more than 8 matches with the higher placed side to play in the lower team's finals - if teams are in different sections. Where both Club XVIII teams are in the same section the following to apply:

- (i) A player cannot alternate between teams after June 30. Once he plays with a team after June 30 he can only represent that team for the rest of the season.
- (ii) the player is only allowed to play finals for the team they represent after June 30,
- (iii) to be eligible for finals with either side, a player must have played a minimum of 4 matches with the side they wish to represent and
- (iv) the player must have played more games for the side they wish to represent than the other club side in the same section.

A VFL or TAC Cup listed player must play a minimum of five (5) VAFA First Round matches (i.e. home and away matches) including two (2) matches after 30th June for the team he wishes to represent in the Second Round. An Under 19 player may combine Senior and Under 19 matches in order to be eligible to play for his Senior Grade team in the Second Round. Players cannot combine matches for Reserves or U19 finals.

Two weeks to go yet any last round heroics are unlikely to shift ladder positions as Oakleigh looked to have ensured finals action, they now sit a game plus percentage ahead of Mazenod with a win against Old Geelong ensuring their presence at the Junction Oval in late August. On the flip side, the drop to D1 for one of the VAFA's most famous clubs in Monash Blues is now official, their big defeat to the Unicorns ending their six year stay in C Section.

AROUND THE GROUNDS

Out to Scrammell Reserve, the battle for fourth and last available place in the finals was on in earnest between Oakleigh and Mazenod. Tit for tat early, the Krushers busted the game open in the second quarter with seven goals as forward threats **Bromely** and **Edwards** dominated the attacking fifty. Mazenod regrouped after the main break with a six goal to one quarter, closing the margin back to just three points at orange time, **Caticrum** and **Mann** the catalysts. Standing up when it counts, **Jon Rutter** has been the focal point in the middle for Oakleigh all year, his last quarter displaying his immense talent as he fed **Bromely** plenty of pill, ensuring the Krushers punched in a hard earned 25 point victory to further enhance their wildcard tag leading into September.

By the Albert Park Lake, movie writers couldn't have scripted such fairytales with the bottom placed Bulleen-Templestowe securing the surprise of the year by quelling Ajax's finals aspirations with a 38 point triumph. Up until the 11 minute mark of the second quarter, things looked to be going as planned, the Jackas holding a lead and looking in control with **Mark Blashki** dominating the ruck. However, two late quarter goals from Bullant **Paul Florance** seemed to lift the underdogs; they came out after half time to slam on seven goals to zip, silencing the parochial home crowd. With the game in the bag, it was party time for Bulleen boys as they savoured a win for just the second time in season 2009, singing the song with milestoneers **Bill Torougianis** (150 games) and **Mark Pietryk** (100 games) in the middle of the circle.

Over at the Racecourse, ladder leaders Caulfield hosted Old Geelong in a game destined for the record books. During the opening stanza, neither team was able to get a foothold on proceedings. I wasn't on hand for the **Steve Lawrence** quarter time speech but it must have been one of the most effective in VAFA history, his Caulfield team rattling on an incredible fourteen second

term goals to end the match as a contest. Thanks to the likes of **Andrew Slevison** (8 goals), **Ben Carboni** (6 goals) and **Tom Sundberg** (5 goals), the Fields onslaught continued with a further twenty goals after the main break. Heartache for travelling fans, Old Geelong kissed the canvas on the final siren, the Como Boys suffering a humiliating 196 point thumping at the hands of the red hot flag favourites.

The banner was the talk pre-match at South Yarra, Monash Blues celebrating **James Rosengarten's** 150th game in crepe paper style with a do or die clash against MHSOB, anything but the four points consigning them to D1 for season 2010. Unfortunately for the Sky Blues, even their parents were making preparations to leave at quarter time, the Unicorn freight train storming ahead with a whopping 63 point gap early. The bleeding continued throughout the following terms, **Matthew "Informor" Hamilton-Ho** and **Matthew White** sailing through goal after goal, as the margin extended to 116 points by the final siren. **Josh Richmond** was dominant all day across the half back line for MHSOB while midfielder **Justin Waldron** was again amongst the best for the disappointing Monash outfit.

Finally to Shark Park, the Jetty Surf local derby between Beaumaris and Parkdale failed to provide any great highlights, the Sharks overrunning the Vultures to ease away with a settling 50 point victory. **Scott Gower** found touch with four majors, ably complimented by **Willy Sanchez** and hard man **Trav Woolnough**. For the Vultures, **Matt Boland** kicked four goals to be named the Parkdale Montezuma's Man of the Day. The eyes now flick to Round 17, a crucial game upcoming for Beaumaris, their clash versus Caulfield pivotal to see if they can make any impact at the pointy end of the season.

PREVIEW

Caulfield Grammarians (\$1.50) v Beaumaris (\$2.40)
Relegation bound twelve months ago from B Section, both Caulfield and Beaumaris have been able to quickly turn a losing culture, into consistent success as they both head towards September action. The Fields are playing elite football at present and at home, they'll have too much artillery for the young Sharks. Caulfield by 5 goals.

MHSOB (\$1.50) v Mazenod (\$2.40)

Last roll of the dice for Mazenod if they are to play finals. Favourites for the premiership in the pre-season, their year turned pear shaped halfway with injuries to key names hurting availability. The Unicorns are hitting full strength, forward Will.I.Am Taft's return only bolstering a potent attacking blend. **MHSOB by four goals.**

Old Geelong (\$7.00) v Oakleigh (\$1.08)

Copping the mother of all beatings last week, Old Geelong would have just about preferred to face anyone bar the Trevor Bromely led Krushers. Just how many he can pop into the Yarra is the big question here. Down the other end, **Mark Vickers-Willis** should charge the GameBoy on Friday night. **Oakleigh by ten goals.**

Ajax (\$1.90) v Parkdale Vultures (\$1.90)

The Middle of the Road Cup; this game bears little significance to either's season with Ajax out of the finals race and Parkdale safe from the drop. **Tim Boland** should get the shutdown job on Ajax spearhead **David Fayman** and with him under wraps, brother **Matt** at the other end can kick the Vultures to an away success. Parkdale by five goals.

Monash Blues (\$1.87) v Bulleen-Templestowe (\$1.92)

Coming off arguably the biggest upset in sport since Dandy Andy pinched the 1988 Australian Cup at 125/1 from champion Vo Rogue, the Bullants look to be on the way up as the Sky Blues freefall into bottom of the ladder oblivion. The loser will win the wooden spoon. Bulleen-Templestowe by two goals.

Congratulations to Bulleen-Templestowe hero Dean Matthews on game 300 for his beloved Bullants. An ex-St Kilda player, Dean has achieved all there is to achieve in VAFA football, being the key figure at Ted Ajani throughout the last decade.

FOR THE LOVE OF THE GAME...

Sometime in 1969, between Neil Armstrong walking on the moon and three days of love, peace, music and rain at Woodstock, Nancy McTaggart began her service to the VAFA as a press correspondent, assisting her late husband George with his Ammos coverage in the Sporting Globe. She hasn't stopped serving the Association and its clubs since. These days, she's the voice on the end of the Saturday phone at Sportscover, eager to get those scores from clubs who have failed to enter them electronically. Nancy is a life member of the VAFA and we congratulate her on 40 great years.

Dean Matthews (pictured with father John) brings up his 300th Game for Bulleen Templestowe this week. Dean is as well loved and admired amongst both his teammates present and past as he ever has been, which goes to show the mark of the true champion he is. Deano is a 9 time leading goal kicker, an 8 time state representative, forward pocket in BT's team of the century, a premierships player in 2004 and 2008, best and fairest in 2000 and 2001 and 7 years club captain, as well as captain-coaching in 2001. Many VAFA clubs will be familiar with Dean's off the field as well, as he is the man when it comes to Boag's beer sponsorship.

When **Jono Dixon** played his 200th with Collegians at Brindisi Street, St Bede's officials brought him in to the luncheon, introducing him to the multitude, congratulating him and generally making a fuss over his great achievement. They did everything but

feed him inside, but once he was out on the field, the crowd in the outer gave him curry all afternoon. All in good fun, of course.

200 up for Marcellin's club legend and current Vice President **Damien Theisz**, a courageous and hard nosed backman who never gives an inch and always demands the best out of himself and those around him. He is a vocal leader on the ground and can always walk off at the end of a game knowing he has given 100% for the jumper. A sensational clubman there is no more dedicated, respected or passionate 'Eagle' than DT. His contribution to the football club has been outstanding over a long period of time both on and off the field – as a player, supporter and committee member.

Caulfield Grammarians kicked 40 goals last Saturday in a feat rarely seen in the VAFA's higher echelons. What was also surprising is that no-one kicked double figures, with **Andrew Slevison** leading the pack with just eight, which puts him within striking distance of his century. Mind you, Slevison also handed out about six goals in a BOG effort and thirteen players in all registered twin calicos.

Jeff 'Joffa' Morel chalks up his 200th with De La. Some things might change over the years like his 'Side-Show Bob hair doo' that was on display in the late 90s, but what hasn't changed is Jeff's ability to swoop on the pack in the back half, bounce his way along the 'Dairy Bell' wing and then sneak down for a cheapie inside 45. His silky skills have not been lost on the Club and opponents since he played his first senior game in 1998, following which he has notched up 170 senior games. This places him 13th on De La's all-time list, up there with Club legends such as Dunn, Toohey and Glover.

Club XVIII finals began last week, and as on Grand Final day last year, the late game went into overtime. Teams get 5 minutes each way, and with the breeze blowing hard at Elsterwick, that's five minutes of frayed nerves. As one supporter said Sunday, *"when your team is kicking with the wind, that five minutes races by, but it seems forever when the other mob has the gale"*. No joy for the Old Xaverians' Crocodiles, who dipped their lids to Uni blues in the first semi-final, thus ending a Grand Final streak that extends back to 1991.

Old Haileybury's Reserves captain **Luke Pitcher**, plays his 150th game this weekend. Luke joined the club in 1999 when he played a couple of U19 games and went on to be the U/19 Vice Captain in 2001. He was appointed Reserves vice-captain in 2005/2006 and has been skipper since 2007.

Michael 'Booba' Barker plays his 200th game for NOBSPC this week. Since his debut in 1998, Michael has won the club's senior goal-kicking award on five occasions, leading the C Section goal-kicking in 2007. His unerring accuracy in front of goal and a sure pair of hands have been his hallmarks. Booba has been a wonderfully loyal servant of his club, both on and off the field. As well as the countless goals, he's been runner up in the club B&F and was vice-captain for a number of seasons. This popular member of one of the club's favourite families has also chaired the recruiting committee.

Old Scotch had a brace of milestones last week with **Josh Kitchen** playing his 200th and Lachie Armstrong his 100th. Josh has been a great player for Scotch, as a midfielder and a former member of the leadership group. This season, he came out of two seasons in retirement to play with the Cardinals again. **Lachie Armstrong** has been a very consistent midfielder for Old Scotch this season and in past seasons. Last year he was selected in the VAFA Under 23 squad.

Xavs' **Daniel Higgins** hits his ton against St Bede's this weekend. 'Higgo' has been one of the most consistent players at Toorak Park since coming down from Xavier in 2002. With his fearless attack on the ball and relentless tackling, Higgo has developed into a great leader, and was appointed as vice captain of the Reserves side this year. Whilst having played in the 2006 Reserves Premiership and winning a Reserves Best and Fest Fairest last year, Daniel is still keen to add to his tally of senior games. Higgo is also an accomplished diver and has competed internationally on many occasions.

Old Camberwell's **Alex Mackenzie** played his 200th game recently. Alex first played for the U19s in 1999. A strong close checking backman he gained the tile of Man of Steel in a squad that went on to claim a premiership. He again tasted success in 2001 as a member of the Reserves premiership team. Alex has developed into a versatile player excelling in many positions on the field & has shown strong leadership as skipper of the Ressies for the past 3 seasons. Off the field he has given his club great service in many areas. The Wellers' Damien McGuigan played his 100th game recently. Damien was recruited in 2004 from the Greythorn Falcons JFC. He played U19 in a squad that were gallant in a losing Grand Final. Coming of age in 2006, Damien stepped up to the seniors and played in the 2007 premiership team.

Beaumaris F.C. President of seven years, John Collins, was a very proud man last week when his eldest son, **Tim Collins**, was the first of the Collins' boys to reach the 150 game milestone in the VAFA. Tim came through the junior ranks to join the U19s in 1998 and made his senior debut in the same year. From then on he has been considered an integral part of the Beaumaris senior team and a key member of the backline. Tim played in the '03 & '05 C Grade Grand finals with the premiership flag of 2003 his favorite memory of those 150 games and he is highly respected as one of the leaders and role models amongst Beauy's current senior playing group. Well done Tim!

At a 'Women in Football' function last week, journalist Samantha Lane and Leigh Russell (Essendon's Manager of People and Culture), discussed generational change in modern footy. Female footy writers and *People and Culture* Managers - pretty good examples of generational change right there I'd-a thought, the latter providing her charges with off-field support through education, leadership training and behavioural guidance. Leigh sure had her work cut out in Bomberland last week in the wake of one player's alleged off-field 'possession' ...but as she pointed out, the issue wasn't swept under the carpet like the old days, nope, it's a modern day front-foot-press-conference phenomenon. Gen-Y-ers populate footy clubs now as Gen-X-ers are slowly phasing out. It's an interesting combo and sometimes they blend well, sometimes not, but it's nothing new to local footy club Selectors who draw from both the fresh, fast undies and the steady-headed stalwarts every week (to wit, the three old Harry Highpants on the Bonds boxers ad, laughing at the young blokes exposing their Reg Grundies). Gen-Y-ers are potentially a better breed of footballer than their predecessors. They might be impatient for success, needy and unresponsive to traditional motivational tactics, but they are better multi-taskers, fast thinkers, embrace change and truly believe that anything is possible. It's exciting to watch six foot six running tallies scoop up a loose ball or lay a tackle, but after seeing the wonderfully cavalier Buddy Franklin lose a front fang, for God's sakes fellas, on behalf of your Mums, stick a mouthguard in your gob and pull your bloody pants up.

ROUND SIXTEEN REVIEW

Prahran got a close look at the difference between premiership contenders and also-rans at Soldiers Reserve as they took on giant-killers, Werribee. From the opening bounce the Two Blues were on the back foot as the home side put on seven unanswered goals, three of those to **Cam Lee** who set the tone. Prahran managed to get into gear in the second quarter, matching the Tigers with four goals apiece; but the margin pushed out further as Werribee again dominated kicking to the pavilion end in the third quarter. An eleven goal steamroll in the last sealed the demoralising 130 point defeat. **Adam Sleight** at CHF and in the ruck was one of the few Prahran players to worry his opponent. Werribee co-captain

Matt Keogh enjoyed his 150th game with BOG going to **Bellegante** (2), closely followed by millennial **Shibeci** with **Cam Lee** bagging 8 in his first big attacking game since round eleven. Curious to see where coach **Norton** slots him in the coming weeks.

Although the Rupertswood side travelled 80 kilometres to the Playing Fields, Old Mentonians started the game sluggishly, allowing the visitors 12 scoring shots to four by quarter time and an early lead that was never to be clawed back. However, the valiant Panthers knew this game could end their finals chances, and continued to fight staying pretty much goal for goal in the second. Rupo burst out in the third, kicking three of the first four goals but OMs refused to roll over: **Chris Graham** (4) kicked three for the quarter and forward pressure resulted in goals to **Wilton** and **Hecker**. In the last term the Panthers kicked the final three goals of the game, retaining plenty of respect. A handy two-goal contribution, too, from that evergreen X-er, Chicken **Palmer**. The very youthful Rupertswood side has its winning mojo back, if not the methodical demolition mode we've seen them employ. Best for them were **Plummer** and **Brennan** (6).

Don't write the old blokes off too quickly, as **Scotty 'Silver Fox' Sleep** (3) pulled a best on ground in NOBSP return to the winner's dais at Bennettswood. Emmaus St Leos had a ripper first term taking a three goal lead at quarter time but floundered in the second as the Cobbers clicked into gear and whacked nine majors through. But the young Animals regrouped in the third and easily outscored them, reducing the margin to just seven points at the last. But once again, old heads held true and NOBSP kicked away free and clear in the final term to take a six goal victory, **Harwood** bagging five. Despite their lowly position on the ladder, the Animals are an exciting young group of players, **Ellis** (7) and **McCann** their best.

No surprises At Aquinas College, where the visiting Whitefriars ran out comfy five-goal winners, the Bloods kicking just one straight goal to half time. They finally found their way via **Cardamone** (3),

John Jess (2) and **Cormack** (2) but had no answer for the strong Friar forwards **Woods**, **Allemand** and **Daou** kicking three each, and best afield **Kennedy** with two.

Fitzroy retain the Bedford-Stephen Cup after an emphatic second quarter which put the game beyond doubt. South Melbourne Districts President and sometime-magoos-CHF, **Ross Mitchell**, magnanimously stood down from playing duties in order to attend the pre-game festivities; sounds like a Gen-X with Baby-Boomer tendencies to me. The Royboys have a healthy peppering of teenagers in their midst; **Ross Borland** a standout kicking seven for the second week in a row. **Connor Dullard** (2) is a gem to watch - big and smart - a killer combo. SMD had **Bracchi** amongst it, but little backup for **Paul Cheevers** (6) as they went down by 8 goals.

ROUND SEVENTEEN PREVIEW

It's all about 2nd and 8th spots now. Werribee and Whitefriars will duke it out next week, but if Rupo nail the Friars today and the Tigers dispose of the Panthers, then the 'Bees are a done deal for the second semi berth. But I'm tipping an upset, Friars by a kick, and second pozzie still up for grabs. Fitzroy will be too slippery for the Two Blues, NOBSP too foxy for Aquinas although they'll stay in 8th spot because as the Animals sink to the D2 depths, they'll drown SMD along with them, a la Ava Gardner and Charlton Heston in 1974's Earthquake. Only Baby Boomers will get that one.

UMPIRES CORNER

by Steve McCarthy & Leah Gallagher

Thank you

A big thank you from **Vin Vescovi** to his fellow umpires, the clubs (Old Scotch & Collegians) and others who passed on good wishes and helped him celebrate the milestone of his **400th VAF A game**. Days like this make us all realise how fortunate we are to belong to such a great organization like the VAF A.

Finals time is crunch-time!

With that fantastic footy weather last weekend, it could only mean one thing, **FINALS ARE HERE!!!** Starting last week the Club XVIII teams kicked it off with finals for the rest of us coming shortly, good luck to those Club XVIII teams and umpires.

And finals time is definitely **crunch-time** for lots of reasons. Couldn't have asked for a better start to the series as the second semi between Old Xaverians (2) and Collegians ended in a draw. As we do with finals extra time was played which of course is pretty tough for players and the umpires. Unfortunately one of our umpires made life a little tougher for a Collegians player during the first period of extra time. Field umpire **Jamie Gunn** had an accidental clash with a player as he was backing off and left the player flat on his back. The player had to be helped from the field but **Gunny** had no problem finishing off the game which ended with a 2 point win to Xavs. Just a tip for the rest of the Club XVIII finals series – stay out of **Gunny's** way!

But in the A to D4 section, with these finals on our doorstep, there will be other teams looking for survival and fighting to stave off relegation. Games with teams in relegation fights are some of the better games we will umpire this year, so you umpires relish the challenge, enjoy the game and let them play!

For the love of the game

Good to see **Luke Holmes** featured in "Separated at Birth" in the **For the Love of the Game** column last week. Our spies tell us that a couple more umpires may be appearing in this before the end of the year. Stay tuned! If you've got any you can think of, let us know. We've thought of few, but we might let you guys come up with them so that we don't end up in court. (Yes **Gibbo**, you're on the list!)

Benny's Rule of the Week

Over the past few weeks we have had player counts and if this situation occurs would you as a Field Umpire know what to do?

Rule 5.5 Counting of Players – Page 52 VAF A Handbook

All umpires please read this so the correct procedure is followed, especially 5.5.3

5.5.3 Players Exceeding Permitted Number

Where a Team has more than the permitted number of players on the Playing Surface, the following shall apply:

- (a) a field umpire shall award a Free Kick to the captain or acting captain of the opposing team, which shall be taken at the Centre Circle or where play was stopped, whichever is the greater penalty against the offending team.
- (b) a Twenty-Five (25) Metre Penalty shall then be imposed from the position where the Free Kick was awarded; and
- (c) the VAF A will determine at a later date what happens to the scores or if any other penalty is imposed – note that the offending team does not lose all points scored in the match up to the time of the count.

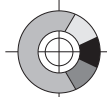

Social

Pre finals dinner, **24th August** at the MCG Members Dining Room, remember to put an annual leave day in for the Tuesday for those of you who will be partaking in the dinner aftermatch (**Jayde Daly** this time you are of legal age to come). It's a big, big night. Who will win the awards?

Grand Final Brunch, information will coming shortly see **Rob Sneddon** and/or **Grant Wardrop** for more details.

And of course we can't forget Mad Monday the day after the A section grand final. We're sure that **Brent Woodhead** will come along to help aid recovery from his long-term injury that has kept him off the field all season.

RESPECT THE UMPIRE – RESPECT THE GAME!!

D2 SECTION

by Caillin O'Shannessy

All teams read their scripts before round 16, and the weekend went accordingly. There are five teams with little or no chance of playing finals this season, and all were beaten by the better sides this week.

Old Westbourne have kept their slim hopes alive, but they are in the undesirable position of relying on other teams results, specifically those of Therry Penola. Even after a good win against Eltham on the weekend, Westbourne are all but out of the finals.

After beating Yarra Valley, Therry Penola have probably done enough to be around in September, and will most likely consolidate that this week against Ivanhoe. After an even first half Therry came out after the main break and kicked ten goals to one in the third quarter setting up the victory. **Corey Bannister** is putting Jonathan Brown and Brendan Fevola's 2009 efforts to shame, his goal tally moving into the 90's after another bag of six. He was well supported by **David Rees** with three goals, his brother **Gareth**, and **Mark Tsitonakis** continued his good form through the midfield. **Rowan Thompson** was good for Yarra Valley.

Peninsula continue to prove why they are red hot premiers favourites, with a resounding win over the ever improving Glen Eira Saints. Glen Eira were able to stay with the imminent minor premiers for most of the first half, until a slight lack of discipline and some incredibly stringent umpiring saw the wheels fall off. Not to mention **Shaun Payze** stepping up for the Pirates and dobbing two inspirational goals. Peninsula's hard-running proved too much for Glen Eira in the second half, and they ran out predictable winners in the end. A finals preview this week will see a very interesting contest between Peninsula and Banyule, while Glen Eira take on Westbourne at Packer reserve.

Williamstown CYMS booked a berth in this year's finals competition with an emphatic win over fifth

placed Old Paradians over the weekend. Played in front of a sizeable home crowd and in almost perfect conditions the win ensured that the CY's can finish no lower than fourth and provides for the possibility of a second place finish and the double chance. An undermanned Paradians side succumbed to fierce pressure from Williamstown, and their high possession game fell apart. Paradians remain a mathematical chance for finals but realistically they are not. Their loss on the weekend showed that while they have progressed this year, they would not be competitive in September. Williamstown, on the other hand, had fourteen individual goal kickers on the weekend and displayed an all round team performance in a comprehensive victory. Rest assured the Cy's will not be there to make up the numbers come finals time.

Another team who have booked a spot in September and will have a genuine tilt at the premiership is Banyule, who dutifully dismantled Ivanhoe last Saturday. Banyule's class and pressure was too much for Ivanhoe from go to whoah, and six goals from **Robert Iaconis** was symbolic of Banyule's dominance. **Luke French** and **Luke Giles** also played well. This week will be a good gauge for Banyule against the top side, to see if they really can be a contender come finals time.

ONE SKILL TURNS GOOD PLAYERS INTO GREATS

Many footballers can kick and mark beautifully but are not playing AFL writes NATHAN BURKE.

LAST weekend I went and watched a VFL game between the Zebras and the Magpies. While the conditions down at the Trevor Barker Oval were less than ideal it was an entertaining game of football. Watching the players, a mix of fresh faced rookies and seasoned veterans, I couldn't help but be impressed by the endeavour and skill on display. Watching the game got me thinking about the difference between these players and players currently playing AFL. They can all kick, mark, handball and tackle; so why are they in the VFL and not the AFL? From what I saw a few of them can kick better than AFL players, certainly some of the marks taken were very impressive, so presuming all of them would rather be in the AFL, why aren't they?

It's a hard question to answer and probably there is a different reason for each player. From over the fence you can't tell the character of a player or whether their work ethic is up to scratch. These things can only be known by being around the players for some time. Therefore we can only judge them by the level of skill we see them display and by the way they are seen to push themselves. Even here it is very difficult to differentiate between AFL and VFL. I decided to look closely at the midfielders and used a criteria explained to me by Darrel Baldock over 20 years ago.

Doc told me that the difference between a great midfielder and an average midfielder was purely what they did below their knees. He pointed out that there are guys playing at every level of football who can catch the ball when it is chest high and even when it comes at their face. If you decide to get your work mates out for a kick at lunch time you'll find at least a couple of guys who can handle the ball pretty well when you kick it to them. I decided to watch the play closely when the ball was on the ground and what I saw was extremely enlightening. The number of players who could cleanly pick up the ball "in traffic" was not large at all. Sure, once they had time and space they could gather it in, but when the heat was on they made more fumbles than a blind juggler.

It became slightly frustrating to watch as you could see what would have unfolded had the player picked up the ball first time. A clean pick-up and dish off could have set a team-mate up with time and space, and from there the ball should've been in scoring position. But alas, often the ball was gathered on the

second or third snatch and by the time the receiver got the ball he was crunched.

In contrast I went home and watched some of the Hawks game, the Demons game and Saints game. Again I paid close attention to what happened when the ball was on the ground in traffic. The difference was as obvious as the nose on my face. Not only were the payers on the whole better but the difference between the average player and the good player was also obvious. Firstly I watched Sam Mitchell play an enormous role in getting the Hawks over the line. Despite the wet conditions he had the ball on a string and time and time again gathered the ball in traffic and fed it out to team-mates in space. In the end it was this surety when the ball was on the deck that made the difference.

Good players don't fumble and while it has always been an important part of football it has never been more important than in today's game. Simply the pace of footy has never been greater than today. The dry grounds and fitness levels combined with an increased intensity in tackling means that space is a valuable commodity. One second you think that you have time, then in the blink of an eye you are besieged by not one but several tacklers. If you don't get the ball first grab there's a fair chance you won't get another chance at it. Look at the best midfielders of any era - Skilton, Bartlett, Platten Judd, Ablett, Hayes - and the thing you notice is how good they are below their knees. Sure they do a lot of things well but when you are being tagged relentlessly you had better be able to cleanly pick up the ball while moving at pace or you will be too easily taken out of the game.

I read with interest how Dean Jones became a great onside player because as a kid the only way he could score runs in the garage growing up was by playing onside shots. I wasn't much of a cricketer as a kid but I could play one shot well - the straight drive. Why, because if I hit it straight in the nets I wouldn't have to bend down and pick it up for the bowler. My advice to young kids wanting to know how to play at the highest level they can is to spend less time kicking, handballing and marking. Become an expert below your knees and you will not only be a good player but more than likely a great one.

... Retrospective

by Geoff Reilley

5 YEARS AGO – 2004

In **D2 Section**, **Ivanhoe Assumption** clinched their place in the finals with a solid win over **Swinburne University** who remained in the relegation area. It was a rain soaked oval out at Ivanhoe Park and **Doni Valkanis**' 3 goals were critical to the Hoes' control of the game. Swinburne found it very difficult to score all day but did win the final quarter. Final scores 8.15 to 3.4 and best players – **Brown, Harris, Wood, Healy, Frew, Lee** (Ivanhoe Assumption) and **Gelley, Frangiaco, Piotrowski, Liston, Watts, Christov** (Swinburne Uni).

In **D3 Section**, the match between **UHS-VU** and **South Melbourne Districts** would probably decide fourth place, even with one game to go before finals. It was shocking conditions and both teams managed 1.4 in the first quarter in the slog. UHS made a monumental move in the second quarter by kicking 3.2 to a solitary behind and a three goal lead was invaluable as conditions worsened. Only two goals in total were scored in the second half with UHS-VU winning 5.10 to 2.10 and gaining 4 points and already had lot of percentage advantage over the Southerners. Best players – **Cooper, Bell, Madra, Mottram, Tate, Butera** (UHS-VU) and **Aquilina, Washington, P D'Andrea, Cheevers, M Hannan, Merveich** (South Melbourne Districts).

In **D4 Section**, top team **Old Westbourne** made it 15 straight wins when they broke their hoodoo at **St Mary's** confined headquarters. St Mary's were now precariously placed in fourth position with some work to do in the final round to make sure of finals. Westbourne gradually crept ahead in the low scoring game and appeared to have the game won at three quarter time with a 16 point advantage in terrible conditions. The Saints provided some heart for supporters with a quick goal but the Westboundians held on 4.10 to 3.7 and had every right to head toward the finals campaign with every confidence. Best players – **Walker, Huntington, T Edwards, A Leitch, Oldham, Hodgson** (Old Westbourne) and **Schembri, Wright, Wigg, Harrison, Orme, Deegan** (St Marys).

D3 Section Senior coaches were – **Peter Tyson** (Hawthorn Amateurs), **David Keast** (Mount Lilydale OC), **Chris Moore** (Oakleigh), **Brett Devlin** (Powerhouse), **Tony West** (Rupertwood), **Ben McGee** (St Johns OC), **Brendan Moloney** (South Melbourne Districts), **Jeff Bingham** (Syndal Tally-Ho), **Shane Mottram** (UHS-VU) and **Tim Ellis** (Werribee).

10 YEARS AGO – 1999

In **C Section** it was wide open at both ends of the ladder

after the end of round 17. **Old Mentonians** did not have it all their own way against **Prahran** but by eventually winning 11.14 to 6.16, cemented second spot. Prahran's poor kicking for goal (4.14 at three quarter time) really cost them but Mentonians' poise at the right time confirmed their status as one of the teams to beat. Best players – **McKay, Solley, Bournon, Brooks, Stephen, Lean** (Old Mentonians) and **Daly, A Pitts, Thomson, Campbell, Perry** (3), **Bunnett** (Prahran).

St Bedes Mentone Tigers acknowledged **Justin "Dicko" Dickinson** on his **200th senior game** for his Club. Renowned for his courage and commitment, "Dicko" was a fine example for his younger team mates.

C Section Senior Coaches were – **John Simpson** (Banyule), **Paul Beddoe** (Glen Eira), **Doni Valkanis** (Ivanhoe), **Mark Neeld** (Old Mentonians), **Peter Murphy** (Old Mentonians), **Derek Hine** (Prahran), **Peter Geddes** (St Beds Mentone tigers), **Harry Harisiou** (St Leos Wattle Park), **John Toohey** (Therry Penola) and **Des Meagher** (Whitefriars OC).

In **D Section**, **Old Carey** moved into the top five (12 teams in D Section in 1999) with a big win over **Kew**, 23.19 to 8.8 and their percentage gained a healthy increase that could stand them in good stead in a week's time. The result was never in doubt by half time and the C's did as they liked in the second half. Best players – **Costello, Knezevic, Withington, White, M Mudge, Brock** (Old Carey) and **Cullen, Tinetti, C Bradley, Bell, Raffaele, Mascutti** (Kew). **Matt Cohen's** 9 goals were not enough to get him named in Carey's best!

Lots of Milestones in **D Section** – **Andrew Coster** (Aquinas) **100 games**, **Brad Peake** (Yarra Valley) **100 games**, **Anthony Stuart** (Parkside) **150 games** and **Brian Cullen** (Kew) **150 games**.

D Section Senior coaches were – **Rick Marks** (AJAX), **Andrew Crosby** (Aquinas), **Paul Nigro** (Bulleen Templestowe), **Geoff Reilley** (Caulfield Grammarians), **Serge D'Angelo** (Kew), **Dave Rogers** (Monash Blues), **Matthew Hanson** (Old Camberwell), **Glenn Taylor** (Old Carey), **Gavin Keane** (Old Essendon), **Jon Sculley** (Parkside), **Gordon Burrows** (Thomastown) and **Brett Davidson** (Yarra Valley).

20 YEARS AGO – 1989

Out at **Marcellin**, the match of the round was against **Ormond**. The Monds were looking to secure second place

and **Marcellin** could move into fourth. It was a fast and furious first quarter with **Marcellin** looking very dangerous in front of their home crowd but the scores were level at quarter time. Although **Ormond** used the wind successfully in the in the second term, **Marcellin** fought back just before half time to reduce the lead to less than 2 goals. **Marcellin** had the majority of play in the third quarter but kicked 3.8. **Ormond** came home strongly to win 14.6 to 9.12. Best players – **McCooke** (4), **N Cox**, **P McDonald**, **P Cox**, **Russell**, **D McDonald** (Ormond) and **Psoras, Battistella, Origliasso, Zannoni, M Getson, Hewitt** (Marcellin).

In **B Section**, **Bulleen Templestowe** met **Old Melburnians** looking to make amends for their 17 goal drubbing in their first encounter in the season. Bulleen Temps' second half of the season however was excellent and the first half of this return match was a very even affair. With fourth place the prize, Old Melburnians stepped it up in the third term to take a 15 point lead but in a stunning final quarter, Bulleen Temp slammed on 7 goals while holding the OM's to 1 behind and their 16.14 to 12.10 victory allowed the combine to take OM's place in the four. Best players – **Murtic, Puls** (3), **Tsiotinas, Farley, N Cameron, J McInerney** (Bulleen Temp) and **A Witts, Brown** (5), **Nicholls, P Nelson, D Nelson, Pisarski** (Old Melburnians).

30 YEARS AGO – 1979

In **A Section**, **St Bernards** met second team **University Blues** and a win would not give St Bernards any chance of a finals' berth but it would provide plenty of pride and leave them just outside the top four. The Blues could not lose the double chance but were very keen to finish on top; currently they were even with De La Salle. The blues looked very dangerous in the first quarter with their star forward **Karvelis** the main target. In the second quarter St Bernards were really strong at the ball and worried the Blues to the extent the students kicked only 4 behinds and trailed by 9 points at half time. Outscoring St Bernards in the third term the Blues set it up for a great finish but St Bernards roared home with 5 goals to 3 to win 11.9 to 8.13. Best players – **Rackham, Smith, Aughton, M Mahoney** (4), **Drennan, McNamee** (St Bernards) and **Trumble, Morre, Holt, Wood, Tyquin, Schauble** (Uni Blues).

The leading four teams in **B Section**, **AJAX**, **Old Xaverians**, **Marcellin** and **Collegians** all won their respective games but Xaverians had the toughest battle against Fawkner who, had they won, may still have had a chance for the finals. The Xavs looked far the better team in the first half but Fawkner came back strongly in the third term and battled it right out to the end before succumbing 7.10 to 10.15. Best players – **Corcoran, Caleo, O'Hurley, Ryan, Callil, Brimacombe** (Old Xaverians) and **Smith, G Busst, Tymms** (3), **Field, Ralley, Mills** (Fawkner).

B Section Senior coaches were – **Bernie Sheehy** (De La Salle), **Max Condie** (Ivanhoe), **Shane Maguire** (North Old Boys), **Peter McLean** (Old Melburnians), **Brendan**

Danaher (Old Paradians), **Laurie Aghan** (Old Scotch), **Wayne Walsh** (Ormond), **Mick Mahoney** (St Bernards), **Ted Farrell** (Uni Blacks) and **Alan Salter** (Uni Blues). (Great to see **Bernie Sheehy** still applying his weekend trade 30 years on, a true VAFA legend – GR)

40 YEARS AGO – 1969

In **C Section**, **Hampton Rovers** put a severe dent in **Tooronga-Malvern's** chances of staying in the top four when they won comfortably 13.7 to 6.9. Best players – **Cooper** (4), **McNish, McNaughton, Stroud** (4), **Tregear, Wolfe** (Hampton) and **Steele, Cameron, Bean, Cockerall, McGregor, I Downs** (Tooronga-Malvern). The combine were now in third place only one game ahead of three other teams and with a poorer percentage, real danger signs!

In **D Section**, **West Brunswick** almost guaranteed their finals' spot (fourth) when they defeated the ladder leaders, **Old Haileybury**, in a quality game, as expected of two good teams. West Brunswick were in the lead the whole game and whatever Haileybury threw at them, they returned it with interest. Despite Haileybury playing their best footy in the last quarter, the damage had been done and the Westies won 13.8 to 11.13. Best players – **Allen, Bastow, Ivey, Morris, Murray, Tainsh** (West Brunswick) and **Gadsden, Lyon, G Marshall, P Mason, Regan, Williams** (Old Haileybury).

50 YEARS AGO – 1959

In **A Section**, **Old Paradians**' overall strength enabled them to withstand a strong challenge from **University Blues** to win by 11 points. Blues attacked with the wind but could only manage behinds until **Abbott** goaled from a superb mark. **Hickey** kicked the Blues' second goal, Paradians answered through **Manarin** but Blues led by 6 points at quarter time. It was terrific footy in the second quarter and Paradians led by 3 points at half time with **Cahill** and **Pivetta** amongst the goals and providing drive. In the third quarter **Wakeling** was great in defence for Parade while **Johnson** was the same for the Blues. **Pivetta** was outstanding for Paradians in the final term as they looked likely winners and when the Blues surged again, two towering marks by **Jones** saved the day for Paradians who won 9.10 to 7.11. This win lifted Parade into fourth place at the expense of University Blacks with only one round to play. Best players – **Jones, P Booth, Dineen, Wakeling, Pivetta, Martin** (Old Paradians) and **Stanley, Nilson, Johnson, P Rush, Abbott** (3), **W Rush** (Uni Blues).

In **B Section**, **De La Salle** were steadier in a rugged encounter against **Hampton Rovers**. It was an even first half and the third term livened up although 'excessive vigor' was said to have marred the game. De La missed some easy chances but ran out winners, 10.17 to 9.11 and secured the finals' spot. Best players – **Shiells, Watts, Nesbitt** (3), **Compton, Hannaberry, Teague** (De La Salle) and **Noel, Minchin, D Clark, Hammond, Slattery, McDonald** (Hampton).

D3 SECTION

by Stephen Clarke

I am not sure we have seen a division in VAFA footy with such an exciting finish. The final furlong in the race to either play finals or survive the grade reminds me of the 1997 Melbourne Cup, where they were coming from everywhere!

In that version of racing's most famous race the dominant favour was Might and Power. He had toyed with his rivals at Caulfield three weeks earlier and he was something special. Benteleigh are mighty in our grade and have significant fire power. They affirmed their status as flag favourites yet again disposing of West Brunswick in great style at home. A total of 48 scoring shots to 11 proved they were dominant in the forward arcs on his day and this week the hero was **Luke Forrest** who snared seven goals. This side just has so many options going forward and are backing themselves time and time again. It was a tough run for the Magpies here who on the road have been a great side in 2009. Their score less third term meant that the score was always going to get a little bit ugly. Perhaps we could compare them to Sunny Lane who ran 17th in the Cup that year, a good honest performer but in trouble over the staying trip against quality opposition.

If Powerhouse is wanting to ensure their survival in the competition soon they are certainly making heavy weather of it. This was a very tough assignment by the lake in hosting St Mary's Salesian but there was plenty at stake and the four points are desperately required. They started the season well and sat with a 5 and 4 record. Those days are a distant memory. I liken the Piranhas to the former West Australia galloper Crying Game who ran a dismal 21st in the Cup. The former winner of a Derby had claims if everything went his way and like Powerhouse you always held hope for a grand effort. But they just don't have the depth in the list nor the consistency to win games over the day. Only three goal scorers for the day, including four majors from the irrepressible **Paul Edwards** reflect badly on the forwards. St Mary's have little trouble performing week in week out in. You want to back them all the time, their ability to improve as the game goes on, the Doriemus of our grade. **Marc Hill** has in recent runs displayed his class and they coming up to finals in good condition. Been a great year for them thus far, as a promotion terrific.

Uni High hosted the X Men and a win would all but ensure safety. They have been solid Uni this time in

and have improved out of sight. They won't figure in finals but are very much like Linesman all those years ago in the Cup – trying their best but out of the placings. I always think D4 for them next season would not befit their ability to work hard and they have upside. Meanwhile the visitors, the newcomers in St Francis Xavier are like Markham, they are running on hard in the race. **Joel Lenders** continues to press for a competition best and fairest claim and is a super player. He is not alone in talent stakes though with the likes of **Pryor** and the **Van Dam's** also dominant. **Dwayne Scott** proved a great focal point forward of the arc and finished with four goals. They will progress up a grade very soon the X Men, perhaps not in 2009 but soon enough. No doubt they are a club going places.

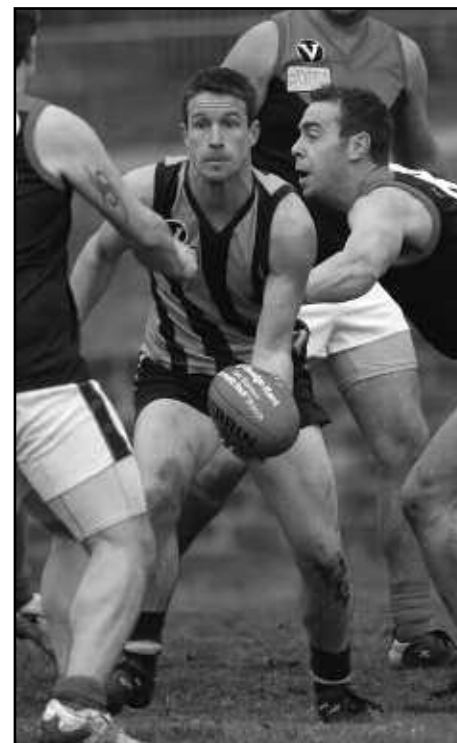

The Hawks didn't start the season with any real purpose. The talent they have on the list is not to be argued with, a terrific group of experience mixed with exciting new comers. Their home form of late has been sound and they went into this contest against St Johns slight favourites given the venue. The clock was wound back somewhat with the evergreen **Dan Lauletta** kicking five goals to add to his overall tally of thousands, plus their were glimpses of form through **Osge** and coach **Murray**. I am not sure we can count them as unlucky per say as opposed to Harbour Dues who should have just about won the '97 Cup, but if they sneak into 4th place they can will a finals. St Johns too may sneak in such is the close race for 4th, but they need to perform on the road. Not sure they have travelled well away and their draw demands at least one more win.

The Murphys Wells Cup was close all day as many of these 'show downs' are. The ball continued to go from end to end with few brilliant passages of play however for ten minutes in the second quarter the Wicks were able to open up what turned out to be a match winning break. Four multiple goal scorers to one also proved the difference here also. Coach **Grace** is very mindful of this squad needing to make finals so they consider this group for the next level of not just making but winning finals in 2010. The opportunity is there for them to run on hard here. The Gryphons also need result. Although they came up short in the big clash their determination to stay in the group for next season might drive them to a good enough result.

TIPS –

So we enter the big fortnight of the season, where the ladder is so unpredictable you couldn't know where we could end up. Benteleigh at home should outlast the Hawks by five goals, whilst St Mary's at Ferndale will beat Elsterwick by the same margin. The Magpies and Uni High will be throwing kitchen sinks in a local Derby all day. I like Uni High here by a kick at the end of it all. The X Men should bounce the Gryphons here by twenty points and finally St Johns at home can atone against the Pirnahas by twenty points.

That leaves the finals race and relegation battle no clearer. Terrific!

D4 SECTION

by Duncan Palmer

There are two weeks to go in the regular season and there are still six sides in the finals mix. With several of the lower sides also finding some form, more enthralling battles await. It was also great to get a couple of team of the year nominations, please keep them coming.

Richmond welcomed fellow finals aspirant South Mornington knowing that a win would virtually sew up their finals spot. South similarly needed a win to keep their finals destiny under their own control. Not surprisingly the first quarter was an arm-wrestle, with neither side baulking, and the Snakes taking a narrow six point lead into the second. In the second Richmond jumped clear on the back of some great centre clearances from **Daniel Pike**. With their forwards proving far more accurate than their Southern counterparts, they established a four goal lead. The third continued in this vein, with South reduced to one on the bench. Skipper **Grant Ryan** was working hard to lift the Tigers, however with **Cameron Busby** proving dangerous for the Centrals, their lead was only reduced by a couple of points. In the last **Michael Heib** kicked the first for South Mornington, and it looked like the Tigers may storm home on the back of a great performance from the hard tackling **Ryan Hines** and the prolific **Ben Price**. Richmond steadied though with two goals, and managed to pull away for a crucial 23 point win.

In a fantastic day for football at Fleming Park, and both sides enjoyed the conditions, with Swinburne employing an open forward line that **Attila Yaman** and **Michael Westland** enjoyed, finding the space to mark and goal one on one. In the third, Jason Harkins moved onto Yaman, and the North on-ball brigade started to strangle his ball supply. With **Ben Williams** and **Kane Shaw** starting to impose themselves in aerial contests, and **Tom Leary** continuing to develop as a ruckman, the home side edged within a point at three quarter time. Two goals to nil in the last gave North the points and ended Swinburne's finals hopes, despite the best efforts of **Michael Manning** who has had a fine season. North Brunswick is suddenly one of the form teams in the competition having won their last four games. After a injury disrupted start to the season, coupled with attempting to shuffle through many new players they have settled and would be wishing the season had six weeks left, not only two. In addition to established guns **Cam Twaddle**, **Robert Santacroce** and **Ben Williams**, they have unearthed stars in **Adam Jeffrey**, **Oscar Baring** and **Stuart Heam**. I sense that North are not far off a Richmond-esque revival (the VAFA club not the AFL), and I think the local basketball courts will be scoured off-season for a couple of 6ft6 key position players, which would be the final step in constructing a genuine finals

side. I do not think they will seriously threaten Albert Park this week, as they lack the height at both ends to match the Falcons physically; however I have no doubt that they will give a good account of themselves and if the Falcons are not careful an upset may beckon. Box Hill North was determined to atone for their capitulation last week, and enjoyed the rarity of winning the toss and kicking with the wind in the first. With **Dan Penny** his dangerous self and Japanese scholarship player **Masaya Nakamura** starring in his debut, the Demons jumped out to an early lead. In the second Kew fought back hard, resulting in a narrow lead at half, time with **Tim Bagnall** providing a headache for Demon defenders, and **Damian Drum** putting in his best performance for the year. In the third **Leon Desmond** provided great run for Box Hill North out of defence, however with both forward lines inaccurate, they could only take a 1pt lead, despite dominating the quarter. In the final term, despite some gallant defence, the classy Bears unit ran over the top of the home side to importantly maintain third spot

Manningham and Eley park locked horns, or fangs as it may be in a battle that seesawed for three quarters. Stevie Sheales' pace combined with Warwick De Vercelli's pack-splitting runs, gave the Cobras fantastic impetus, however **Trent Silvers** was equally as damaging for the Sharks, and neither side took a step back. With **David Viola** enjoying a day out forward, Eley Park were able to kick a flurry of goals early in the last and break clear, despite **Tim Fradkin** kicking six of his own at the other end. Similar to North Brunswick, both these sides have shown considerable promise at stages this season, and can look forward with some optimism to next year. Albert Park was determined to tune up for finals with a four quarter performance against Chadstone. From the outset they tackled hard for their outsized but determined opponents. **Tom King** was outstanding at Centre Half-Forward kicking ten goals for the Falcons, whilst **Adrian Snowden** dominated through the middle. **David Barry-Macaulay** was again best for the Synners with Mark Johns working hard all match.

Again there was no news from either Mt Lilydale or Latrobe Uni in a game that was very tight until, after which the uni side darted clear to hold onto a tight percentage lead at the top of the ladder. **Joseph Mclean** was best for the victors, and **Justin Roberts** was damaging for the Rams up forward.

ROUND 17 PREVIEWS

Match of the Round

Richmond Central v Mt Lilydale

With a finals spot for the Rams, and third spot for the Snakes at stake, this game will be played in a finals-like atmosphere. Both sides are slowly returning to near full-strength and the battle of the midfields will be crucial IT will be important for the Rams to restrict **Daniel Pike**, whilst utilising the run of their fleet-footed runners, **Daniel Cerra**, and **Haydn Moyes**. Once again I think Richmond will just sneak home by 5 points.

South Mornington v Chadstone

As much as I would like the Synners to pick up a win, South are side with too much to lose, and will be too strong, even with a few missing; South by 97 points.

Albert Park v Nth Brunswick

North Brunswick will throw everything at the Falcons; however as mentioned earlier Albert Park will be too big and too strong by 38 points.

Swinburne Uni v Eley Park

This will be another very close match I think, between two teams with contrasting styles of play. Swinburne may just have a little more firepower; Razorbacks by 7 points.

Kew v Latrobe University

This is another huge match with top spot and third spot on the line. Kew played very well against the Falcons at home two weeks ago, and Latrobe will need to be at the top of their game or this will become a preview of the qualifying final in a couple of weeks. I am unsure whether the Bears can match the pace of Latrobe; Uni by 14 points.

Box Hill North v Manningham

This is a very hard match to pick. I am leaning towards the Cobras, though if the Demons can show their determination of last week they could hold sway; Bulleen by 13 points.

Reserves: RC, SM, NB, EP, LTU and BHN to be victorious in the reserves this week.

Please submit reports by midday Monday to deejaypalmer@bigpond.com Please keep those team of the year nominations coming in. It would be nice to receive some from all clubs.

Under 18s

by Joe Morsello

Two to play and with the Tigers out of the four for the first time this year and a game behind it looks as if it may be a tough road back with results needing to go their way. An interesting round in front of us though with 1 v 2 and 3 v 4 playing off in what shapes as a possible Semi Final preview in two weeks time. The Bullants v Oakleigh particularly will have some admirers with the current ledger at 1/1; will both sides show their full hand?

Last Round: UHS / Flem v Northern Bullants

As per the norm for these two sides the UHS boys came out matching the Bullants early on but the class of the Bullants shone through as they got on top in the middle and ran out 80 point victors. Sutton and Calcedo were in amongst it as per usual and for UHS, Free was good in the ruck, along with Saill and Moore.

Oakleigh v St Bedes / Mentone Tigers

Oakleigh dealt the Tigers a cruel blow knocking them out of the four and making their final chances look ominous. A game out with two to play the Tigers have two winnable games but need results to go their way. The Oaks came out firing and never look headed in their 57 point win with Tigers having to rely on a select few to get them over the line. Better players for the Krushers were Pappon and Scott with the Tigers better players McDevitt and Green.

Therry Penola v Old Camberwell

Therry claimed their second victory of the year knocking off Old Camberwell to the tune of 28 points at Johnny Fawkner. Gough and Brendan Ratcliffe were instrumental in setting up their victory with Vassallo booting 4 goals. For Camberwell, Edwards and Le Cerf battled hard.

St Marys / Salesian v St Bernards

The Snow dogs pushed into the four with a strong performance to overwhelm St Marys on their home turf by 33 points. With two matches against sides in the top

four remaining it looks a tough run home for the Snow dogs to hang on to Fourth spot. Better players for St Bernards were Riley and White and for SMS it was Batchler and Reynolds in amongst it.

This Week:

St Bernards v UHS / Flem

UHS will be keen to bounce back after last week. UHS by 3 goals.

Northern Bullants v Oakleigh

Be interesting to see how the two sides approach this having to face each other again in two weeks time to play off for a Grand Final spot. Bullants at home by 2 goals.

Old Camberwell v St Marys / Salesian

It seems that Camberwell are just doing enough to get to the end of the season. St Marys to be strong and win by 22 points.

St Bedes / Mentone Tigers v Therry Penola

The tigers simply must win to keep finals hopes alive. Tigers by 54 points.

It is getting close to that time of the year for the U18 Team of the year side to be announced. Please send through any nominations to me.

Any match reports, information, banter related to my column and correspondence will be most appreciated. Please send by 5pm Monday. Don't be shy. Please email to joe@vafa.com.au

UNDER 19 PREMIER

This year I've tried to steer clear of the ramblings about footy sayings and clichés that littered my articles last season, I've tried to explore other angles on how to report on the happenings around the comp but in doing so I've forgotten the golden rule of football journalism, a saying that footy journos for Melbourne's daily papers have followed with a gay abandon, particularly this year, the year of "The Cousins". The saying is "where there's smoke there is fire". You see, week before last, on a perfect day for footy Beaumaris and Marcellin played a game that had only 10 goals kicked for the day. I should have seen the smoke signals and investigated sooner, I should have searched for the fire that was the source of the smoke. Had I'd done that I would have discovered that a 10 goal game was not caused by two sides fronting up and putting in a shocker but rather caused by the decision of Marcellin to call an end to the match at half time after the already short of numbers team was further decimated by injuries during the course of the match. Eagles coach Craig Tucker decided his duty of care to the players was more important than continuing the match and I apologise to him and his team and to Beaumaris for dismissing the result as just an ordinary effort.

Congratulations must also go to Craig for his team's effort last week. After the disaster of the Beaumaris defeat Marcellin hosted St Bedes Mentone Tigers who were no doubt hungry to avenge their earlier loss to The Eagles and in doing so bounce back into the finals race. The Eagles managed to hold a slender lead most of the day with "Kempy" and Abrahams dominant. While for The Tigers Chris Roggero and James Morris were on fire and late in the day the game was on a knife edge. Marcellin prevailed by just 1 point to remain The Tiger's bogey team and keep their Premier survival hopes alive.

Across town at Salesian College in Sunbury a relegation battle royale was in full swing as Rupertswood, hoping to bounce back, hosted an in form Old Trinity. Many U19 punters had this contest marked as very winnable by the green machine but it wasn't to be as The Woodsman set about dismantling OT early. Goals were flowing for Rupo but for The T's shot after shot sailed wide and the resulting 12 goal lead to Rupo at the half put an end to this one as a contest. To Trinity's credit they found their range and actually won the second half but the gulf was too great to threaten a fairytale finish as Rupo won by 68 points.

Uni Blues' terrific form continued as they took care of business against an Old Scotch side looking to rekindle their hot early season form. Vickers-Willis, Townley and Hartnell (5 goals) were amongst the best for the Uni side while for The Cards gun onballer Ash Lim and half back James Long were flying. The contest was even until the Blues finally broke the shackles with a 5 goal to zip burst in the Premiership quarter and as they say in the classics, that's all she wrote.

Looking to consolidate fourth spot and hold Uni Blues at bay Beaumaris had the unenviable task of taking on De La Salle at Waverly Park. With De La coach Jon Edgar away with business commitments it was Sam Magree's turn to shuffle the magnets and in doing so De La didn't miss a beat in dispatching The Sharks by 20+ goals. 10 goal kickers littered the De La score sheet however it was Ben Humphrey who clocked up the stats and the votes in a best on performance. Better players for The Sharks on a dirty day were Mattingley and Rye.

Looking almost as impressive in their demolition of Uni Blacks Dino's Claret and Stout booted 21 majors to Blacks' 6. On the unfamiliar turf of St James Park, Callum Dipierdomenico, Dom O'Sullivan and Richard Johnson (all 4 goals) found their range early and they built on their 6 goal quarter time lead at every change. For Uni Blacks Justin Gale and Will Gorman were in everything but Blacks just couldn't contain OX as they rev up for a tilt at a U19 premier flag.

This week sees match of the round being played at Banksia Reserve as Beauy welcome Uni Blues. The winner of this will split the deadlock in positions 4 and 5 so expect a torrid affair as both sides go hell for leather. Blues bring better form to the table for mine and will win by 3 goals.

A triple header SBMT Vs Old Xavs carnivale kicks off early with the U19 premier duel slated for 9.30am. In what will be a cracking start to a huge day at Brindisi expect the visitors to wonder what planet they have landed on as Mentone's finest turn out to give the Black and Red some choice advice. Won't bother Xavier nation in the early one though as Xav's will win by 5 goals.

Ross Mitchell

Damien Ractliffe

Justin Waldron

Expect to see Marcellin who "travel" next door to Old Trinity to give a great showing as they play for the premier survival. The Eagles have De La in round 18 so the realists amongst us realize this is The Eagles last chance to earn 4 points. Marcellin by 2 goals.

Old Scotch welcome Rupo and should hit back this week, while The Woodsman showed some great form again last week the road trip to K2 coupled with the home sides desire for a big win will mean The Cards will win by 5 goals.

Uni Blacks host De La Salle (Blues) and things could turn ugly for the home side. De La by 8 goals.

I'm starting to have a look at your sides list with an eye on Team of the Year selection. Bribes can be sent to my attn C/O the VAFA however nominations and info from club coaches, players and supporters carry more weight so please send them to ross26@inet.net.au

UNDER 19 NORTH 1 AND 2 DAMO'S BALL

Round 16 Review - North 1

Old Essendon have stitched up their spot in finals with a 19 point win over Old Carey. Drysdale played well in the ruck for the Bombers this week, setting up plays towards a haul of 5 for Genovesi up forward. Fordham was complimentary for Old Carey.

Old Camberwell has kept their foot on the rest of the competition with a huge win over Banyule. Mitchell kicked 6 in his biggest bag for the year, and also received a hand from Latsas and Bell with 17 more goals between the three of them, a convincing scoreline without Killworth.

Fitzroy has moved back into 3rd with a massive win over Manningham, and thanks to some sharp shooting from Turner the Reds got up by 116 points. Di Bartolomeo again stood out for the Sharks.

And in the final match, St Bernard's finals hopes have been dealt a huge blow on the weekend with a loss to Bulleen Temp. Stellas kicked 10 in a BOG performance that set up the upset, and St Bernards will need a win over Old Carey next week to secure 4th spot.

Round 16 Review - North 2

Fitzroy recorded their 4th win for the season with a victory over Rupertswood. Pattugalan hit back to his best with a great game for the Roys, whilst Gay was the main contributor for Rupie.

Zhang continued his good form to help Old Westborne to a comfortable win over Aquinas. The Collegians had no answers as OW moves to 3rd above Emmaus closing into the finals.

They had a close loss to Therry down in Oak Park, in one of the best matches of the season. The Lions got the chocolates by 7 points, but it was a frantic last quarter that set up the victory. Last quarter goals to W.

Dean and Tripepi sealed Emmaus' fate, as they hang onto fourth spot above Ivanhoe.

The Hoes hold with the top four after a 3 point encounter against La Trobe. Petricevich kicked 4 majors in the tight tussle, while McMeel's efforts were not left congratulated with a hard fought day for the losing side.

And in one of the biggest upsets of the year, Old Xavs has shown North 2 what could have been, with a win over top of the table Old Geelong. 26 scoring shots to 17 summed it up as Parker made the most of the match with 3 majors. Old Geelong hold onto top spot, still one game clear of Therry.

Round 17 TIPS - North 1

Old Carey by 17 points.

Fitzroy by 63 points.

Round 17 TIPS - North 2

Review:

Sniff That!! No it's not last nights baked beans it's finals football. And like you football lovers out there I'm feeling the buzz already. That fight for 4th spot is still very much up for grabs after De La Salle had a very impressive win over Caulfield to the tune of 29 points to all but end the Fielders season but keep the De La wagon rolling. For the home side it was N. Fyfield booting 4 and H. Browning who did all the damage Mazonod copped it BIG TIME!!! Yet again this week as they got belted by 178 points. Old Brighton did the smashing as they are fighting for one of those final spots in the top 4. C. Kennett jagged 9 of the best and was well looked after by S. Roney who like snoop dogg "dropped it like it's hot".

It seems St Kevins aren't to keen on that 2nd chance as of yet as the Collegians created a huge upset this week when they defeated the inform Kev's by 3 goals. Collegians have really caused some terrific upsets late in the run home this season which asks "Where have they been?".

The Melburnians defeated Haileybury by 11 solid goals as they prepare for September action. Best afield for the Burners was W. Hatfield who had a heap of the footy but must have had a fair hand in a few of L. Bennett's 10 big ones.

Monders had the Bye this week.

Preview:

Old Brighton vs. Caulfield: Old Brighton to much at stake 5 goals.

Ormond vs. Mazonod: Monders by 200 points.

Old Haileybury vs. Collegians: Collegians to finish the year off on a high. 7 goals.

St Kevins vs. De La Salle: 8 point game but St Kevins at home may pip this one. 3 goals.

Old Melburnians have the bye

Review:

Well if we weren't there already we are now as the final 4 is done. This years finals series is going to be a belter. Begin this week with a ripping contest between Bentleigh and the Hampton Rovers which saw the Rovers win away from home by 3 goals. For Bentleigh T. Bullock tried hard but it was R. Atkins for winning side who was a class above. I've got a funny feeling these two teams may meet again in September and it may just be at the big dance.

Cop this scoreline!! now hang!! Bare With me!! Ajax 240 to Melbourne High 0.0.0!!! There was bag after bag in the goal status for the Jackers so I'll mention only one and that man is J. Berlinski who booted 10 and was well fed by D. Selzer. Don't live off this one Jackers they don't get any easier then that.

Parkdale are finishing the year off in style as they belted Prahran to the tune of 102 points this week. S. Rzek was B.O.G this week after booting 7 and having plenty of it. Peninsula also finishing off their year in style had a comfortable win over a disappointing Beaumaris side who has found it hard fielding a 2nd side in season 09. Monash gave it a whirl but couldn't take home the chocolates as they went down to the Mentonians this week by 9 points to end their season. They have fought hard the Blues but just lacked the numbers week in week out to make any serious threat on the competition. L. Waldron was best for the Uni but red locks were not enough for S. Ferguson who enjoyed the challenge. Smokies in the finals or pretenders? I'll let you decide.

Preview:

Monash vs. Parkdale: Monash at home 2 goals.

Beaumaris vs. Bentleigh: this could get ugly Bentleigh by 100+

Prahran vs. MHSOB: Prahran by 50+

Ajax vs. Old Mentonians: Ajax by 40 points.

Peninsula vs. Hampton: Hampton by 70 points.

CLUB XVIII SECTION

by Norm Nugent

Semi Final's weekend provided not only top class Australian Football but also the surprise results, we have come to expect in such even competitions. I tipped four winners for a 50% success rate.

REVIEW OF SEMI FINALS

Section 1

First Semi Final : Reigning premiers, University Blues, who led throughout, defeated Old Xaverians by thirty eight points. The game, which was a high standard one, was contested fiercely as the teams strove to gain the right to play in the Preliminary Final. The Blues stormed home with the wind which aided them as they kicked five unanswered goals. The Blues set up their victory by outscoring the "Crocodiles" against the wind, in the first quarter. Tim. McKinley with 5 goals and Thompson with 4 goals were stars for the Blues. They were ably assisted by Callery and Club stalwart, Michael Thomas.

Best for Old Xaverians included: Barrett (3 goals), Hulett and Pedler.

Tribute must be paid to the Old Xaverians, who have contested the past seventeen grand finals, fourteen of which the team has won. Without doubt this team has set the bench mark for all Club XV111 games.

Second Semi Final : This match between Old Xaverians 2 and Collegians, which nearly went to the second period of extra time, provided a high class exhibition of our game.

The scores were close throughout and Collegians coming home with the wind were unable to wrest the lead. The final siren sounded with the scores tied. Extra time was invoked and the "Ménages", with the wind scored three times. It was then Collegians turn and despite desperate efforts they just failed to tie for the second time when veteran, Dave Perkov's flying shot finished wide of the behind post.

Thus Old Xaverians 2 qualified for their first Section 1 Grand Final by the minimum margin. Their best included: Purcell, Chapman, Morton (3 goals) and Ockleshaw.

For Collegians it was another heartbreaking narrow final's loss and the requirement to play this week against the reigning premiers.

SECTION 2

First Semi Final : Old Brighton grabbed the ascendancy in this match right from the start and built their lead over Monash Blues each quarter before winning by forty seven points.

Old Brighton played the more direct football and were rewarded on the scoreboard, whereas when Monash had the ball they moved it too often across the ground and could not penetrate the Brighton defence.

Best for the winners were:

Jackson Maguire (3 goals), Ewert, Sheehan and A. Jackson. For Monash, Captain and 2009 Club Best and Fairest winner, Paul Coughlin, Keith Perry and Jim Sheldon tried hard.

Second Semi Final : For the second successive week, Marcellin defeated University Blacks, who were never in the ascendancy after Marcellin established an early lead, which the "Eagles" built to twenty points at half time. Even the vituperative tones of Black's Coach, Lincoln Merlo's half time address failed to lift his lethargic charges, who failed to score in the decisive third quarter, while Marcellin added five more goals to take a fifty two point lead into the last break. The Blacks added two goals in the last quarter while Marcellin added two goals and two behinds which gave them a fifty four point winning margin and Grand Final entry. Their best player was Leigh Hansen who received solid support from Chandler, Carson and N.Armstrong.

For the Blacks, their defeat completed a black weekend for their proud Club. The Blacks now must face the rampant Old Brighton in the preliminary Final. J.Dunn, (2 goals), Grove, McFarlane and Wood stood out in the Black's loss.

NORTH

First Semi Final : Although Old Carey opened brightly they were clearly outplayed over the last three quarters by a more determined and football smarter, Banyule team. The third quarter effort by Banyule to kick eight unanswered goals was magnificent. Their dominance continued throughout the last quarter as Banyule received only token opposition as they recorded an eighty seven point win. The Playfairs along with Stokes were good Banyule players. For Old Carey Wood, Baker and the two Nicks ... England and Everett tried to lift their team.

Second Semi Final : Old Ivanhoe reversed the result of their Round 15 match against Old Essendon by winning this final by thirteen points. It was Old Essendon, who started the better and who held the lead throughout the first half. At the long interval, they led by eleven points. Old Ivanhoe asserted pressure in the third quarter when their five goals to one set up their ultimate victory. Ivanhoe, who led by eleven points at the last change, held out their opponents, in a low scoring final quarter to win by thirteen points. Old Ivanhoe had good players in: J.Wedde (3 goals), Roger, Delaney, Mansfield and Shields. Old Essendon were well served by; Flaherty(3 goals), Captain Tim. Campbell, Jeremy Williamson, Howard and Overman.

SOUTH

First Semi Final : Old Scotch started well against Caulfield Grammarians and looked like repeating their Round 15 victory. However the Caulfield players persisted with their game plan and aided by their superior fitness, they took the lead late in the game and won by twenty two points after a spirited contest. Best for Caulfield Grammarians were: Cavanagh, Chapple, Dolley and Cunliffe. For Old Scotch; Armit, Logan, Diss and Riddell were best.

Second Semi Final : For the second successive week, Old Melburnians outclassed Ormond. This game, under lights at Sports Cover Arena, was a one sided affair as Old Melburnians won by one hundred and eleven points ... twelve points more than their Round 15 margin.

For Old Melburnians, Klutke with nine goals had a "night to remember", while Zayler, Guest and Harris also played well. For Ormond; Holman, Broadhurst, Calvert and Ashford tried hard.

PREVIEW OF PRELIMINARY FINALS

Section 1

Today' opponents Collegians and University Blues met in Round 5 when Collegians at home, defeated the Blues by fifty five points. I doubt this score line will be replicated today because the Blues will field a stronger side and also they have played twice on Sports Cover Arena for two meritorious wins this season. Collegians go into this game with the knowledge they gave all last Sunday in vain and that their last three finals' games at "Headquarters" have been lost. Attitude could well become the determining factor in this game. In Tim McKinley the Blues have a proven forward, who along with Thompson kicked the Blues to victory last Sunday.

Another titanic struggle should ensue and I select University Blues to win due to their greater running ability.

Section 2

Today's opponents University Blacks and Old Brighton have each won at the other's ground this season. The Blacks won by eighty three points in Round 3 whilst Old Brighton against the odds won by two points in Round 12. This victory was the Brighton watershed as they struggled to field a team and yet they defeated the leaders, who had won ten of their first eleven games. Conversely this game marked the turn of fortune for the Blacks who have lost two of their last four games.

Certainly Old Brighton will appreciate the Sports Cover Arena surface and the degree of support they receive there. On the other hand, the Blacks must bring thoughts of last Sunday and of their two previous Preliminary final's losses on this ground into the game. This week, Black's Coach, Lincoln Merlo must be a psychologist rather than the impassioned pleader of last Sunday to bring his players to a winning frame of mind.

Old Brighton is my selection as I believe their high marking and fast moving players will be too talented for their University Blacks opponents.

Today's opponents Old Essendon and Banyule have only met in Round 1 ,which was the first outing for the team, many of whom had figured their football was in the past. That game also marked the return of Old Essendon after a two season hiatus. Old Essendon won that game by forty six points and since then each team has enjoyed a successful return season. Significantly good players in Round 1 were among the best last week for each team. Gradzki, Tim. Campbell veteran Brett Papal and Day were all to the fore while for Banyule veterans Brad. Willmore and David Williams provided a target up forward as well as marshalling their less experienced team mates into position to receive or trap the ball. Scott Playfair and Stokes were multiple goal scorers and today, the Old Essendon defenders must nullify them.

A problem for Banyule will be the pace of many Old Essendon players such as the fleet footed Fernando, who creates many forward moves

Sports cover Arena will test the player's fitness, which may be to Banyule's detriment. However what Banyule does possess is on field football nous which I believe will be the key to winning this game. Banyule to win ... by a nail biting margin.

Ormond and Caulfield Grammarians met in Round 5 when Ormond won by eleven points. I can't see this result being repeated on Friday night as Ormond has kicked three goals in its last two games and remember Caulfield defeated Old Melburnians in Round 14. Cavanagh and Cunliffe are two potential Caulfield match winners who must be negated. Ormond has received great service from Ashford and Duthie who must again contribute for their Club.

Although all form points to a Caulfield win, Ormond cannot be written off. An early break and they could regain lost confidence and set Caulfield too big a task to catch them.

So much for theory: All form points to a comfortable Caulfield victory.
