FOOTBALL FEAST

Club XVIII Grand Final day is one of the biggest weekends at Sportscover Arena and congratulations to the four premiers – Collegians, Old Brighton, Old Essendon and Old Melburnians. Approximately 3000 people attended the ground to watch these games and I am sure everyone was sufficiently entertained to mark it in their diary for next year.

That said, this weekend is unique in the VAFA because our clubs can be at once, finishing the home and away season, playing finals and celebrating the post-season.

This weekend is also our most difficult administratively. Our Umpiring Department must arrange field, goal and boundary umpires for 32 finals and 20 A and B section matches. The VAFA hosts all finals and we require volunteers to be ground managers at each of the venues.

Outstanding work by our Football Department has meant that we have been able to secure great grounds including the Junction and Sandringham and in the following weeks, Box Hill, Coburg and Preston.

Whilst this week may present its difficulties logistically, it also provides us with some intriguing matches.

In both A and B Section there are virtual qualifying finals, with De La Salle and St Bede's Mentone Tigers battling for the right to play Old Xaverians and St Kevin's and St Bernard's meeting for the right to take on Old Melburnians in next week's respective second semis.

De La has surprised A Section teams with their brave running and sharing of the ball. No doubt they will need to maintain confidence in their game plan if they are to defeat the Tigers, who appear to be peaking at the right time.

B Section has arguably been our most competitive and this week, each match has significance on either finals or relegation. It is not often you get a true R18 relegation battle and the Ormond and Hampton Rovers clash is, for mine, the match of the round.

This will be cut-throat football at its best and there will be no holds spared at Boss James Reserve. Trinity will need to win against the fast finishing Carey to stave off the Uni blacks' challenge for the four.

With C-D4 finals on us this weekend, four senior teams will be celebrating promotion on Sunday night, while five will be out of the race for 2009. The dual prizes of premiership and promotion makes all these games that much more riveting. Caulfield, Rupertswood, Peninsula and Bentleigh go into the second semi-finals as favourites against MHSOB, Werribee, Williamstown and St Francis Xavier respectively. D4 have final five with La Trobe Uni playing Kew and the winner playing minor premiers Albert Park next week.

Friday night at Sportscover Arena will see another wonderful experience for our junior players with our inaugural Under 18 finals. The two standout teams, Northern Bullants and Oakleigh have met three times during the season, and it's with 2-1 in favour of Oakleigh.

It's a feast of football action that might just be my favourite VAFA weekend? Or does it get even better next week, with preliminary finals on the menu?

Whatever your favourite weekend of VAFA football, I am confident you will need your copy of *Amateur Footballer* at hand to check on ladders, promotions and next week's matchups as the results come flooding in.

THE AMATEUR FOOTBALLER

THE JOURNAL OF THE VICTORIAN AMATEUR FOOTBALL ASSOCIATION

August 29th, 2009 Price: \$2.00 Vol. 09 No. 19

Round 17 was one for the front-running tipsters to tick the favourites with confidence and impunity. Nothing really changed: some teams firmed, others just died a little more. It was the round we had to have, though it looked to be a bit of a yawn, and indeed, was exactly that.

No feathers ruffled, no ripping rags-to-riches yarns, the favourites saluted and the Pick 5 paid \$1.05. That's just the way it was, a rare dead spot in a lively season that has produced drama and disappointment, though it must be said, evolution rather than revolution.

Marcellin had an opportunity to guarantee their spot and end Collegians' fading finals' hopes, but they found trouble early and were pounded late. The Purples had no shortage of contributors as they added sixteen goals to four after a cautious beginning. **Shura Taft**, whose season began just this month, kicked six in a display not unfamiliar to Lions' fans. **Mike Dyer** was again prominent for the Colls, as were the brothers **Baxter**, **Tim** and **Andrew**. The Marcellin names were all too familiar – **Cam MacLaren**, **Dan Cullinan** and **Dallas Jarred**.

Down at the Beach, the Brighton nightmare went another week. This time it was De La who came in to steal the four points from the Tonners. **Leigh Harrison** and **Mick Duggan** got four each, which was enough to match OB's output for the afternoon. **Dan Close**, **Jake Gotch** and **Josh Oakley** were named best in a solid Blue and Gold team effort, while the home team had just few who got the job done, among them, **Andrew Edge**, who worked hard and **Tom Mentiplay**, who kicked three and was its most effective forward.

Old Scotch travelled to Mentone and to no-one's surprise, went down to the reigning premier. The Tigers, however, did not have it all their own way, though the lead they established by quarter time held up. **Lachie Thompson** and **Charlie Tallent** were again standouts in a young Cardinals team, while no-one would have been surprised to see **Sam Anstey**, **Brett Collins** and **James "Taxi" Tyquin** among the Combine's top contributors.

Xavs welcomed Old Essendon, toyed with them for a quarter and then put them to the sword. **Damian Lynch** and **Jon Mercuri** were dangerous, while **Mick Darvell** and **Ryan Colbert** ensured they were never starved of opportunity. **Jordan Leask** and **Trent Skurrie** were best for the Bombers, the latter doing a good job on **Matt Handley**, though the big blond did break free to kick three.

University Oval was the last chance saloon for the Browns, but the Blues were in no mood for upheaval. With **Jack Watts** dominant, the Varsity powered away early, only to be drawn back in by a determined Old Ivanhoe, who won praise from many for their persistence. **Drew Solly** was back to his best for the victors while **Stuey Low** and captain-coach **Brad Thompson** battled away for the visitors.

THIS WEEK:

The clash at Waverley Park between De La Salle and St Bede's Mentone Tigers will decide who takes second slot. The first time around, at Brindisi Street, the Tigers tested De La early with its eighteen man blitz, but the visitors hung in and then gave it back even harder to register a famous win.

Recent form suggests the outcome here will be different, though De La's apparent dip in form has in large part come in games against lesser fancied opponents, Uni Blues excepted. The Mentonians have the twin ambitions of revenge and a second-semi spot, and playing on this foreign turf shouldn't hamper their progress. The reigning premier seems to have hit top form at the right time and are playing with the confidence and the swagger for which they have become quickly renowned.

The big question mark is the weather. Rain, and lots of it, is currently predicted for Saturday, so a wild contest may ensue. Such mayhem will neither suit nor dissuade anyone. The reigning premier is quick, but De La is quicker, but how well can they swim? It's certainly not looking like a day for the high marking forwards, though football punditry is a safer occupation than meteorology. It's difficult to go past **Bede's** in this one – wiser, more experienced, perhaps slightly more talented - though it would not really surprise to see the Dees find their very best when needed and take the massive prize.

TODAY'S A SECTION MATCHES	
OLD IVANHOE	v OLD BRIGHTON
OLD SCOTCH	v UNI BLUES
COLLEGIANS	v OLD XAVERIANS
DE LA SALLE	v SBM TIGERS
OLD ESSENDON	v MARCELLIN

Old Scotch tackle **Uni Blues** (and Collegians will be hoping they tackle them hard). Six weeks ago, this looked a marquee match-up, but recent form has taken some of the shine off the contest. Yes, it's still vital, as Blues need to win to guarantee their booking at Sportscover, it's just that it's hard to say Scotch raising the necessary firepower to steal the points. Their team sheets of late reveal names unknown to us, and the focus is already on the future. By contrast, blues look to regain a couple of stars to add to their mix.

The Purples, apart from hoping for a Scottish revival, also hope they can go with Xavs. Last time, they lost by the even hundred, though no-one expects that to happen on the Troit. Will the league leader rest players, and if so, will it make any difference to the result? Can the Purples maintain their good form against a top flight opponent? Expect a scrappy, low scoring affair with the final siren high up there in the day's highlights.

Old Brighton head north to meet **Old Ivanhoe** in the final chapter of their sorry season. Once again, rain could be the key and the wetter the better for the Browns. All clubs like to finish with a bang rather than a whimper, but a top effort here from either club will merely leave their fans asking "why, why now?" I suspect that the home team will win in what could prove a rather bitter/sweet day at Chelsworth.

Old Essendon had harboured hopes that this final home clash would give them the victory they need to stay in A Section. As things have transpired, **Marcellin** have around fifty-five goals to play with and need only to take the field to guarantee their A Section spot. The 2008 B Section Grand Final that featured both these clubs is but a distant memory.

Round 18 Reviews

1 round to go but so much to still be decided. Round 17 was a girl in a Burqa....it didn't reveal too much. Technically we still have 6 contenders and 4 teams fighting like all hell to stay up although this scribe cant see the light at the end of the Blacks or Bloods tunnel.

I'll start my report with the match of the round out at Marles. The game certainly lived up to expectations yesterday. Uni Blacks rocked by the pre-game withdrawal of Matty Kempton and the big Savage came out of the blocks and fairly led OT a merry dance getting out to a first half leading by 38 points. Much of the dominance attributed to Aaron Rau who seemed to be everywhere.

OT Coach Brett Chandler gave his boys a fair spray that would have made a sailor blush at the long break and it obviously worked with the boys responding with a season defining 3 rd quarter. Six goals into the wind in the third quarter with the timeless Ramsden kicking four all from strong marks on the 40 metre mark.

Still 14 points down at the final change OT had the wind and all the momentum, it didn't take long to over haul the Blacks and the rest is history. The winners have almost certainly booked themselves into the finals. They were best served by Captain Brent Walsh, his brother Tim and the impressive Jessop. However the star of the day was undoubtedly the old stager Rambo with a 7 goals to wrap up the B section goal kicking game.

The other game with massive ramifications was out at Ormond. Carey travelled south east to take on a badly struggling Os outfit. In many long years of watching Amateur Football I can not recall a more stunning loss of form. When the newly promoted C grade champs knocked off OMs you simply could not have imagined that they would find themselves in this position.

To the game, winning the toss and kicking with the aid of a strong breeze Carey was able to keep Ormond goal-less until half way through the second term and took a 15 point advantage into the main break. By the end of the third quarter the game was over as OCs lead extended to 47 points. Ormond fought hard in the last term and finally were defeated by 33 points.

Ryan Martin was best of the Ormond players getting plenty of the footy on the wing and through the middle of the ground. While Howat just racked them up for Carey.

Special mention should be made to Ormond stalwart Matt McConvill who battled hard in the ruck in what was his last game for the club after 20 years of senior football. In that time Matt has won competition best and fairest as well as an Ormond best and fairest and in one amazing year at Sandringham had the distinction of coming runner up in the seconds' competition B & F as well as the Liston trophy.

Just to make sure the Hampton/Ormond clash this week had absolutely everything riding on it OM went through an under strength Hampton Rovers like a hot curry.

The B Section ladder leaders & premierships favourites had a near full-strength side including all four Beaumont's playing together in the seniors for the first time and were far too good. As seems to be the norm, it was again windy, favouring the St Kilda end in the opening term, of which the Rovers had the advantage of. The visitors kicked the opening goal of the game however it didn't take long for the OM's to warm up – they went on to kick five majors to the Rovers two to hold a 16 point lead at the first change.

The second quarter was a repeat of the first, again five goals to two in favour of the home side to stretch their margin to 39 points at the long break. Old Melburnians pace and skill all over the ground was proving to be way more than the Rover could handle.

It was all Old Melburnians in the second half eventually running out 77 points winners and sealing top spot. It was also blowing a gale out west where the Snowdogs took on the Bloods. St Bernard's started like a train kicking to the southern end with a 4 goal breeze favouring the southern end. The Snowdogs went into the first huddle with a tidy lead. Coming out from the break the bloods were buoyed by an early goal to Voss. Four more to OH and two to St Bernards saw the game almost level at the long break. The Premiership quarter proved to be the turning point as the Bloods were able to hold their own against the wind.

The game was the visitors for the taking. When former VSFL premiership player Laz ran an open goal the Bloods looked liked they had sealed the deal. However this Bernards vintage are full of fight and got back into the match looking like they would sneak a win. Alas for the West Essendon boys on 27 minutes mark former B section B & F winner Tony Brown roved beautifully and converted from about 65 metres out. There would be no miracle escapes this time and St Bernards were consigned to losing 2 on the bounce meanwhile for the victors season 2009 lives another day.

Out in North Balwyn SKOB were playing for a potential double chance while Old Camberwell were playing for their skin. With wildly varying motivations it was a game the held considerable interest. For the opening bounce it was all Old Camberwell in the first half, they looking like it should have been them and not their visitor on the cusp of a finals campaign the Home side took a 5 goal lead into half time. Not overly dis-similar to the half time lead the side held in corresponding fixture earlier in the year.

The long trip down to the change rooms bought about a change in the second half. With the game at their mercy and B section 2010 beckoning Camberwell were unable to extend their half time lead despite kicking with the aid of a strong breeze; a 5 goal lead at ¾ time left the door was very much ajar for the fast finishing SKOB.

The barnstorming finish has become somewhat of a trademark of SKOB 2009, this has been required due to the

continued poor starts the Tri-colours like to dish out in equal measure. Round 17 proved to be no different, skipper Ben Dowd led by example, his hard work and courageous acts getting the side back into the contest.

Inch by inch SKOB crawled their way back into the match and finally it was left to 2009 recruit Luke Williams, on a tight angle with a shot on goal to put SKOB in front with minutes remaining. As he did earlier in the season his checkside sailed through the middle and SKOB hill erupted as they hit the lead for the first time since the opening minutes of the contest.

The visitors were good enough to hold on for a win and move into second place while Camberwell, much like Bon Jovi are livin' on a prayer. Results now need to go their way to be a B section side in 2010.

Previews

Well what a massive massive last round of football.

Ill start out at Boss James for the match of the day. Very rarely do sides get the chance to atone for grand final losses but for Hampton here it is. Expect a massive crowd down bayside way to see the loser disappear from B section and the winners go into Mad Monday with some serious gusto. As I said last week it's impossible to tip Ormond given recent form. Rovers by a smallest possible margin.

Carey take on Trinity not knowing if they have already done enough while Trinity would want to make sure there not any freak results that knock them out. Ill take the Ts with Rambo to kick another bag.

OC vs. OH. Camberwell lose and they are GAWN...it's that simply. The Bloods have run into some cracking form and will end Camberwell as a B section jaunt. (Slightly beside the point but OH have a great record against the teams inside the 4, Doubles against SKOB & Bernards)

Blacks take on OMs at the Varsity. Uni actually took the points at their last meeting but I don't fancy a repeat. The Red Legs to put the boots into a desponded Students outfit.

If the blockbuster out at Boss James is the MOTD than the Snowdogs vs. SKOB game is a pretty handy support act. Both side approaches this game two wins from A section. Bernards have struggled of late and will no doubt have their poor finish to last season in the back of their mind. Balancing that will be a great recent record against St Kevs, many Bernards people I have spoken to this week believe they have a mental edge over their east suburban brethren.

In the biggest match between the two sides since the 2001 A section prelim final I'll go for the home side with plenty back to stem the tide of poor starts and fall over the line against a fast finishing Snow-dogs.

Finally I'll be putting together my team of the year this week. Great chance to pump up your favourite player or even yourself. will_mccann@hotmail.com

RISING STAR JESS RUSH – RUPERTSWOOD

This week's Rising Star is Jess Rush of Rupertswood.

After a solid preseason with the senior squad, the 17 year-old Jess Rush has continued to improve and impress his coaches and teammates alike.

On Saturday, the 6'1" youngster booted six goals in the club's win over Fitzroy.

The highlight of Jess's game is his work-rate and use of the football. He has a massive engine that allows him to get to a high number of contests and to assist other players.

Rupertswood is looking for big things from Jess in the finals and in future years.

Well done Jess.

Strange results from Round 18 add mystery to the finals makeup, Oakleigh surging much like Collingwood of recent weeks straight into premierships contention with their dispatching of MHSOB while Beaumaris and Caulfield stumbled against D1 bound Monash Blues and Bulleen-Templestowe respectively.

AROUND THE GROUNDS

Out to Ted Ajani Oval, battling Bulleen-Templestowe welcomed the Caulfield juggernaut, punters happy to take the \$1.08 on offer for the ladder leaders throughout the week. However, alarm bells rang early in the first quarter, the Fields not showing any willingness to match the Bullants hardness around the contests with their pretty football game plan shifting the mismatch on paper into a see-sawing battle. Veteran Bullant **Dean Matthews** was the focal point up forward, his five goals overshadowing century chaser **Andrew Slevison** at the other end. The final siren saw both teams locked on 74 points, a draw meaning a virtual win to Bulleen-Templestowe.

Down to the sand belt, Beaumaris decided to rest several key names ahead of the finals as they met last placed Monash Blues in a game of virtual touch football. 17 weeks too late, the Sky Blues forward Nathan Hicks put on a clinic for the \$4.60 hot dog eaters, his bag of eight majors creating one of the upsets of the year as Beaumaris found little to go down by 33 points. **Jordan Bell** was dominant in the middle for Monash, Sharks **Robbie Cathcart** nor **Brayden Haynes** unable to stop him from attaining the Sherrin at will.

Up Warrigal Road, MHSOB fans were making preparations to leave at half-time, the Unicorns played off the park as Oakleigh went into the main break sixteen goals ahead. The **Hogan** brothers and **Lee Barrand** all brilliant, their efforts complimenting the **Bromely** and **Edwards** show up forward, their

combined return of eight goals capping an excellent home and away partnership. **Heath Taylor** was one of the few Unicorns to win his position, his raw talent pivotal in MHSOB stopping the bleeding, winning the second half but still 82 points adrift at the final siren.

Across to Central Reserve, Mazenod ended the year on a high, **Chamath Jayaweera** snagging six goals while **David Chamberlain** put in a best on ground performance to run out easy 53 point winners over Ajax. For two teams predicted to be heavyweights of the 2009 season, injuries have rendered them just out of the Top 4. Ajax in particular has had a horror run home, losing seven of its last nine games.

Finally at Gerry Green Reserve, Parkdale farewell club legend **Tony MacGeorge** in style, turning around a four goal deficit at quarter time to ease away with a 57 point victory. **Matt Boland** responded to his omission from the team of the year with six goals, sidekick **Darren Rochford** slotting five of his own as the pair got the Vultures Nest rocking. There wasn't a dry eye in the house after the game, **MacGeorge** strolling off the Parkdale turf for the last time ever.

SEMI-FINAL PREVIEW

Both finals are to be held at the historic Junction Oval, fittingly the last two matches of football to be played at the ground which from next season will be a cricket only venue.

1st Semi-Final

Caulfield Grammarians (\$1.70) v MHSOB (\$2.10)

Oakleigh. Caulfield have had the measure of MHSOB so far, but the Unicorns will welcome back a bevy of stars including bohemian ruckman **Roger McIntyre**, that will give it the optimum lineup to thrust it straight into the Grand Final and B Grade for 2010. Much responsibility for the Fields will fall upon full-forward **Andrew Slevison**, nine short of his ton but interestingly has kicked just the seven goals against the Unicorns, 2009 revelation **Andrew "The Glove" Villani** to get the shutdown role on the little dynamo.

Verdict: MHSOB by two goals

2nd Semi-Final

Oakleigh (\$1.60) v Beaumaris (\$2.20)

Beaten in both encounters against the Sharks, failing to kick a combined 100 points in both matches, Oakleigh have sparked up at the right time and head into their elimination final as the side to beat. Boasting the firepower of Bromely and Edwards which will test any team in the competition, Beaumaris' defending ace Mark Ensor will need to be in two places at the same time. It will be fascinating to see how the Sharks fare without their stats van, with no room at the Junction Oval for the Beaumaris brains trust to set up their high-tech operation. No Carey, no North Melbourne. No stats van, no Beaumaris.

Verdict: Oakleigh by five goals

FOR THE LOVE OF THE GAME...

The Umpires' Pre-Final Dinner was held this week and opened a few eyes in the non-arbitrating community. **Luke "Video Killed the Radio Star" Holmes** put in a huge effort producing the audio-visuals and was omnipresent on the big screen himself. Tim Sutcliffe and Rob Mayston received life memberships, but we have to wait until GF week to learn who will win Umpy of the Year.

Old Scotch's reliable **Andrew Quail** rings up his 150th this weekend. Andrew played as a defender for two seasons in the Old Scotch under 19s, but now he usually plays on the forward line as a regular member of the 1st XVIII. Andrew is a popular player with team-mates and opponents alike. He is a good clubman, always participating enthusiastically in the Cardinals' social events and often helping to organise them. **Ash Walsh** also celebrates a milestone with the Cardinals after arriving at Camberwell three seasons ago from Yea FC as part of Old Scotch's policy of recruiting quality country players. He is a quietly-spoken young man with plenty of ability as a midfielder. Ash recently won back his position in the 1st XVIII after playing much of the 2009 season in the 2nd XVIII.

Confucius say "It is unwise to give umpires lip, but downright foolish to give them a microphone."

Bentleigh's Shaun "Kingie" Adaway nails 150 this week and continues to be a great servant of the club. Although regularly giving away height to opposition ruckmen, he usually gives his teammates first use of the ball.

The VAFAUA might be the only body in the world that features the word "Association" twice in its name. Just a thought!

Angry mob scenes avoided at Sportscover last Sunday when hundreds of fans picketed the canteen demanding 'Wick burgers. That big warm bun and huge hunk of meat, the signature dish of the VAFA was strangely unavailable because of a bakers' strike, forcing many to starve during the Club XVIII games or else eat lesser fare.

Elsternwick's Jerome Kaicer finally managed to play his 50th game for the club last week. Jerome joined the 'Wickers in 2005 but was restricted in the number of games he was available for due to work commitments and injury. Playing the majority of games in the reserves, his determination and run off the back line is an inspiration to his team mates.

It was a pretty windy day at Elsternwick last Sunday but it couldn't blow harder than did Collegians' President Wayne Dyer, who performed commentary duties for the Lions' Club XVIII premiership team. Dyer began confidently and called the game in an even-handed fashion – until the Colls broke it open – then all pretense at impartiality went out the window as the Prez went into serious overdrive. With every goal came a bigger yelp. A truly classic piece of broadcasting that would be worth a listen. As we write, the balcony is being checked for sonic damage to its structure.

Scores galore . . . and not. Parkdale Vultures U19s had twenty players line up and twenty players score goals in last week's game. Six of them managed to draw twin calicos in the final quarter. Meanwhile, OM's premiership Clubbies skipper James Newton was thrust forward in the final term to try to get him on the board, but alas, it didn't happen. Didn't happen for the Old Essendon Reserves either, beaten by Xavs 30.30.210 to zip.

Adam Paterson has played his 250th club game for the SBMT brigade recently. Patto first pulled on the boots in the U9s for the Tigers back in 1994. 115 senior games and 135 MSJFL games saw Patto played in the 03 U19's flag and the 07 Reserves winning team.

Fittingly he has won the clubs' Best Team Player on two occasions, as well as receiving the Coaches Award and the most courageous player awards. The fans at Brindisi admire Adam's game, as he never takes a backward step and when coupled with his strong courageous marking, has provided many thrills for those on the terraces.

Finals' Ticket: Still great value at \$40. Gets you into every final at every ground. Call Jess on 9537 6777 to get yours.

Good to see Paul Daffey writing regularly on VAFA football. A links to his Almanackers' column is on the vafa homepage.

Marcellin's Daryl Marson (3 premierships and over 200 games) and **Gianluca Romanin** (3 premierships and over 150 games) are among quite a number of VAFA players who will hang up the boots after Saturday's game. have decided to hang up their boots at the conclusion of the 2009 season. As young and developing players "Marso" and "Gian" were integral components of the Eagles' most successful period between 1997 and 2002, when they won premierships in C, B and A sections. Since then both players have grown into great

Marcellin footballers and have become leaders both on and off the field. They have enriched their club and set the standards for new players starting out in Amateur football.

Cystic Fibrosis Funds Drive Update:

Best performers: The Umpires, Old Brighton, Caulfield Grammarians, West Brunswick, Box Hill North, Old Paradians, Ivanhoe Amateurs, Swinburne University.
Worst performers: the 40 clubs who have not raised one cent between them. T.A.G.H.L.A.Y! might have a bit of space next week to start naming them.

With the Medal Count and Presentation Evening coming up on Monday 14 September, it's time for all clubs to submit video highlight footage as well as nominations for Goal and Mark of the Year. Please get these in ASAP to mfitzgerald@vafa.com.au and avoid disappointment.

I feel really bad. You know when you're so comfy in a relationship that you can just sledge away without fear of reprisal? No matter how ordinary it gets, you're joined at the hip and so self-assured you fling any nasty ol' comment you like, knowing full well they'll still be there at the end, loyal and true. Well last week I was a cow. Sure, performance had not been up to scratch but I just let fly with the stinging barbs like 'abysmal'. And yeah, I might've suggested you were no cert to stay, but as everyone knows, chicks say stuff they don't mean all the time. In a cruel twist you've just up and left and I'm still in a state of shock. Sure, you can blame others, say they were conspiring against us, but we know the truth. Goodbye Prahran, can I have my CDs back?

ROUND EIGHTEEN REVIEW

The middling clash between North Old Boys St Patricks and Old Mentonians could well have been a ho hum affair, nothing to be gained for either except a winning end to a fairly beige season. The Panthers hosted and NOBS dominated for most of the game to take a 33 point lead at the last change and yes, a fairly predictable result was looming. Ooh but wait, what's this? The Panthers showed some serious ginger in the last kicking 9 goals and reversed the deficit, winning by 33 points! Not so tedious after all, and the Panthers' mad Monday was anything but.

Fitzroy hosted Rupertswood at BSO in one of two top-end dead rubbers that brought to mind that weird saying reminiscent of a whacky Led Zeppelin lyric (but I think it's actually from the bible), something about hiding your light under a bushel. The Roys had five outs, noticeably captain **O'Reilly** (who ran the messages), **Kelleher**, **Biggs**, et al and played debutante, **Harbor** who kicked his first goal in senior footy. Rupo had all the usual suspects on the ground, but it was youngster **Rush** who kicked a handy bag of 6 as the visitors cruised to an effortless 41 point win

ahead of today's semi. But gird your bustles and hedgerows; I think they're about to get medieval.

Similar ducks and drakes at Whitefriars College in a somewhat timid affair. Werribee maintained a steady lead throughout the game, notching up a 29 point win and a little payback for round seven ...but without the breakdance fighting. Tigers **Dean** and **Palmington** are in prime finals form, while plenty of well rested Friar Men will push for selection in today's clash with Fitzroy.

South Melbourne Districts took a dramatic final stand at Albert Park, determined to stay in D1 and worked hard from the first bounce. Prahran struggled to move the ball forward, the Bloods taking full advantage and by half time their tenure was secure. The Two Blues' only hope of survival in this section was to reduce the deficit and hope that ESL could do the same against Aquinas - thereby keeping a superior percentage. Unable to make any inroads in the final quarter, however, Prahran's fate was sealed as the shell-shocked crowd was seen scratching its collective head in the eerie blue glow of mobile phone calculators.

Is Aquinas the Steven Bradbury of D1? They were gone. As in GAWN. Even if they beat Emmaus St Leos last week they were still gone. To stay in D1 the planets had to line up just so: they would have to beat Emmaus by HEAPS; they'd have to promise to tidy up their rooms; South Melbourne would have to win; they'd have to wear one sock up, one sock down; and Prahran would have to lose by HEAPS. Well that's what happened and Aquinas literally stood up on the ice with the two arm salute and sailed through the finish line doing a crazy little dance, singing narnee-narnee-nah-nah.

SEMI FINALS PREVIEW

First of all, congratulations to Rupertswood spearhead, **Leigh Brennan**, on winning the 2009 D1 Goal Kicking with 68 majors. Leroy will hope to add to that tally today as the minor premiers take on Werribee in what will be a classic second semi struggle for a GF berth and promotion to C grade. The St Bernard's venue sits halfway between the two clubs, who in their two meetings thus far have each won away. Rupo dropped down to D1 this year from C Grade, adamant it's but a fleeting visit; while the Tigers came up from D2 and would surprise no-one if they kept that momentum going. Both have finished the home and away season in winning form on the road, and would love the week's rest. Werribee is the only team to have beaten Rupertswood this year, and has had more recent finals experience than the Sunbury outfit. It's going to be a close one, however I'm tipping Rupo by 10 points in front of a huge crowd after their Reserves take on Old Mentonians in the earlier game.

The first semi tomorrow between Whitefriars and Fitzroy should also be a ripper as these two old stagers bring out the big guns in a do-or-die at Central Reserve. The Friars have had the wood over Fitzroy on both occasions this year, but through injury, holidays and suspension there hasn't been a full-strength battle to truly test their mettle but both will have a number of significant ins, two teams close to their prime. It'll be an arm-wrestle early, but a three goal margin in the end. Both will be at St Bernard's looking at matchups and tactics for the Preliminary, only one will get to put those thoughts into action. And that will be Whitefriars.

Please email through your nominations for the D1 Team of 2009. Player names and positions please. If I don't receive enough, it may just be Di's Calendar.

Please email your semi final summaries to dilangton@bigpond.com by Sunday evening.

Night of nights

Last Monday the VAFAUA had its night of nights with over 260 people attending the Members Dining Room at the MCG for the Annual Pre Finals Dinner. A fantastic night with new audio visuals all put together by **Luke Holmes** which added a very professional touch to the night.

thief, showering next to him took his towel oblivious to the fact it wasn't his. **Peter** did the good old dog shake to rid of the water (hairy Greek) and was last seen checking his towel for any left behind short and curls.

Still got it

It's great that umpires who have had their time at the higher ranks still run around at lower levels to help out the up and coming umpires. One such umpire in **Mark Jenkins** runs around at U/19 level imparting his wisdom onto umpires that require it. At one U/19 game one club noticed his over the top wisdom on the players, not only is it good to see **Mark** has not lost his skill but he hasn't lost the angry ant attitude. Good effort **Jerker**.

Double-barrelled Gunn

A fantastic effort last weekend by Club XVIII umpire **Jamie Gunn**. **Gunny** was appointed as a field umpire for one of the grand finals which itself is a great achievement. **Gunny** arrived at Elsternwick Park nice and early and put his hand up when the appointed boundary umpire was a no-show in the curtain-raiser. Result – two grand finals in one day. Is this a new record/achievement?

Well done to David Windlow and the rest of the Club XVIII panel.

Benny's Rule of the Week

WHEN TO CALL PLAY-ON

It is imperative that when a player has been awarded a free kick or takes a mark that when they move off their line to play-on we call it quickly and tell everyone in a loud voice why we have called play-on such as – play-on you are round! – Play-on you have moved off line!

Do not get caught calling play-on too quickly if the player has not made a genuine attempt to do so – we must concentrate so we get it right.

The VAFA does not have a time limit as to when a player should be called upon to get the ball moving so we should ensure a player moves the ball on after a reasonable time has elapsed – this is a judgment call and we should take in to account the level of football being played.

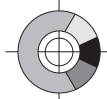

Tim Sutcliffe and Rob Mayston both received life membership VAFA UA

D2 SECTION

by Caillin O'Shannessy

All good things must come to an end, and so it was last Saturday with home and away season 2009 finishing in style. The last round saw many sides giving their all to finish the year on a positive note, and has shaped an intriguing first week of finals for those that are left standing. After eighteen grueling weeks only the super high quality teams remain, and for them the next two weeks will define their season. For those that didn't make it, mad Monday will have helped them forget their troubles and now it's back to the drawing board.

Williamstown were able to overcome a persistent Old Westbourne last weekend to secure second spot and a double chance in the finals. Williamstown seemed the better team for the first half, but Westbourne simply wouldn't go away and were still well and truly in the game. The third stanza saw Westbourne come out with all guns blazing and pile on six straight goals to go into their last quarter for the season with a sixteen point lead. Williamstown then took command in the last quarter and were able to quickly bridge the gap with **Ben Gray** and **Andrew McKay** in good form. To Westbourne's credit they never gave up, but Williamstown with more class and more to play for eventually ran out 22 point victors. This week is a great challenge for Williamstown against flag favourites Peninsula, they should play with nothing to lose and really test their mettle in a pressure situation. For Westbourne the season has ended earlier than they might have hoped, but there have been good signs, especially in the latter stages of the season. The club will no doubt look to 2010 with optimism.

As to the unbackable premiers favourites, Peninsula maintained their winning form and appear set to embark on a successful finals campaign. The Pirates were always in control against Old Paradians last week despite failing to apply scoreboard pressure early on. The Paradians battled hard against the minor premiers and applied fierce pressure all around the ground but were simply outplayed by a better team. The Paradians are another team that would no doubt have hoped for a finals berth, but should not be too disappointed with a season that contained some good wins and much improvement. **Al Wood** and **Tom Rees** lead the

way for Peninsula as they have all year, and the only disappointment for the day was Captain **Shaun Payze's** injury. The Pirate's assault on the finals this year will be hard to stop, and Williamstown have that undesirable task this weekend.

Therry Penola's morale boosting victory over Banyule was a telling one, and could provide a psychological edge as they meet again in the first elimination final. It was a low scoring affair and both teams worked hard into the wind. It was not until the third quarter that Therry Penola was able to open up a healthy buffer that ultimately won them the game. Banyule fought back gallantly in the last but was unable overcome Therry, who produced a good team performance. Jarrod Egglestone continued his impressive year, and they will be comforted in the knowledge they can beat a good side with a relatively low scoring contribution from **Corey Bannister**. Therry Penola at their best is certainly a force to be reckoned with, but when the wheels fall off they can be a shambles. The pressure of finals football will be a good test for them.

Yarra Valley's last hurrah for the year was a valiant effort against Glen Eira. In a high scoring affair both teams were clearly desperate to finish with a win, but it was the Saints who proved they had made much progress throughout the year. Yarra Valley had their opportunities and were wasteful in front of goal, while Glen Eira only needed half a chance to snatch victory. It was a high quality match and both teams can take positives for the season. Glen Eira will look to take another step forward next year and push for finals, while Yarra Valley will take relegation as an opportunity for success and improvement.

Eltham finished disappointingly, losing badly to the relegation bound Ivanhoe. It has been a season of ups and downs for Eltham, but with more consistency they could have a much better season next year. Ivanhoe would have enjoyed finishing the year with such a comprehensive victory.

... Retrospective

by Geoff Reilley

5 YEARS AGO – 2004

In the **C Section** first semi-final, **Monash Blues** met **Parkdale Vultures** at Sandringham. The Blues had the lion's share of the play but could not convert and the Vultures defence was to be commended for applying appropriate pressure as did their on-ball brigade. Parkdale were 2 goals in front at the first change and still enjoyed a margin of 7 points at half time. **De Young, Renton** and **Smyth** were excellent for the Ashers while the **O'Sullivan** boys and **O'Meara** were working hard for Parkdale. With **Rowley** and **Macegeorge** becoming more dangerous as time wore on, the Vultures got out to almost 4 goals ahead at three quarter time while Monash still had plenty of the ball but could not find a secure avenue to goal. With Parkdale's defence working overtime as Monash mounted a huge challenge early in the last term, suddenly the goals started to come for Monash and the Monash defence shut down the dangerous Parkdale forwards. **Craven, Smith** and **Gregory** became really dangerous forwards for Monash and despite a Vultures' goal against the flow, Monash, with 5.8 in the last quarter, ran out winners 12.16 to 11.14 in a very entertaining game. Best players – **De Young, Janssen, Renton Farrar, Craven (3), Smyth** (Monash) and **Dixon, M Sullivan, Rochford, Johnston, O'Meara, P O'Sullivan** (Parkdale). **Mark Gibson** and **Peter James**, two very experienced and former **A Section Grand Final Field Umpires** controlled the game.

The second semi-final in **C Section** saw **Melbourne High School Old Boys** fail to take full advantage over **Caulfield Grammarians** in the first quarter with multiple shots on goal. They still looked in good state at quarter time 4.8 to 4.1. In excellent conditions, both teams had key forwards who were great targets, **Jason Bamert** (MHSOB) and **Brett Sinclair** (CGFC). Caulfield were more accurate but MHSOB increased their lead slightly at half time, 6.14 to 6.1 and may well have had the game sown up. After half time **Brett Sinclair, Mark Liddell** and **Ben Gross** led the charge up forward with majors and Caulfield hit the lead just before three quarter time. In a great last quarter, Caulfield continued their surge with **Thompson, Pertzelt** and **McCully** working overtime for MHSOB but even their efforts could not stop the inevitable as Caulfield celebrated their return to **B Section** in many years, 15.9 to 10.21. Best players – **Fagan, Will, B Gross, B Sinclair, Fallu, Erickson** (Caulfield) and **Cassell, Thompson, Gerner, Suirskis, Pertzelt, McCully** (MHSOB). **Geoff Caulfield** and **Damian Anderson** were the "Men in White".

In **D Section** it was a thriller in the first semi-final as **Fitzroy Reds** overran **Ormond** in the last quarter winning 10.10 to 10.7. Ormond seemed to have had the game in their keeping with a three goal buffer at the final change but the Reds were

too strong and deserved their win. Best players – **Atherton, Meighan, Cianci, O'Reilly, Drury, Rawlins** (Fitzroy) and **Keleher, Miller, Whelan, Robbins, Martinov, Bailey** (Ormond).

It was a very comfortable victory for the highly fancied **University Blacks** in the second semi-final over **Banyule**. The undefeated Blacks continued their charge toward a "champion status" season and were never seriously threatened apart from Banyule's 5 goal to 3 goal second term. With a final winning score of 19.11 to 11.12 few thought the Blacks would be threatened in two weeks time. Best players – **Rawnsley, Batten, Barry, Sibilia (5), M Kempton, A Costello** (Uni Blacks) and **O'Connell (5), D Gayfer, Williams, Demetriou, Brown, P Gloury** (Banyule).

10 YEARS AGO – 1999

Old Geelong ran away with the **C Section** first semi-final and following on from their 5.9 to **Assumption Ivanhoe's** 1.2 in the first quarter, were never pressured. Over 10 goals up at three quarter time, OG went into cruise control in the last and won 17.20 to 8.17. Best players – **Taylor, Higgins, J Wilson (6), Fisher, L Wilson, W Paul** (OG) and **Doherty, Jacka, Lee (3), McFarlane, Chazan, Narkiewicz** (Ivanhoe/ Assumption). Old Geelong's day was complete as their reserves also won 13.6 to 5.7.

D Section, with twelve teams, saw the elimination final won by **Thomastown** over **Old Camberwell**, 9.7 to 7.5. Thomastown led from start to finish. Best players – **Farchione, P Valeri, Godino, Delpapa, Buron, Scott** (Thomastown) and **S Derry, S Hancock, Rowe, C Williams, Spurrirt, Alex** (Old Camberwell).

The **D Section** qualifying final between **AJAX** and **Old Essendon** was a fluctuating affair, Essendon holding the early advantage and AJAX mounting their charge just before half time. The Jacka's third quarter was a telling period and they increased their lead to win 14.17 to 11.8 in a great last quarter (4.6 to 1.0). Best players – **Levin, P Goldberger, Cohen, Gelbart, Halphen, Rajch** (AJAX) and **Goodger, Dragoljo, Doolan, Fletcher, Hunter, Fleming** (Old Essendon).

20 YEARS AGO – 1989

In **A Section**, it was a monumental round 18 game out at Bundoora with fourth place up for grabs for either the visitors, **Marcellin Old Collegians**, or the home team, **Old Paradians**. Marcellin held the first advantage with 4.4 to 3.3

at quarter time in a high standard game. **Joe Amad** and **Matt Getson** were setting the early standard for the Eagles and the **Considine** boys were in the action for Parade. Paradians lifter their work rate and with **Brendan McClements** the main instigator, held a 17 point lead at the main change. Back came Marcellin in the third term with **Origlasso** and **Lennox** firing but a 9 point lead may not be enough with Parade having the scoring end in the last quarter. In a truly great last term typifying the amateur spirit, Marcellin did not score a goal but still held on to a slender lead and finally won by 4 points and looked forward to a first semi-final encounter the following week. Best players – **J Amad, Origlasso, M Getson, Lennox, Zannoni, Battistella** (Marcellin) and **Wood, Heffernan, Angove, M Considine, P Considine, McClements** (Paradians).

Typical of the promotion/relegation pressure of two up two down out of only ten teams, **B Section** held a few more shocks in the final home and away round. **Monash Blues** played a fantastic game against the more favoured **Old Melburnians**, winning 12.7 to 4.9 and therefore avoiding relegation. The Blues were desperate from the word go and their form of the past few weeks had really been 'relegation avoidance' at its best. The OM's remained in fifth place. Best players – **Kiers, Culvenor, J Quin, Hipwell (3), Alexander, Kohler** (Monash Blues) and **Smith, Con, Pisarski, Tyrrell, Nicholls, A Witts** (OM's).

John Kanis played his **200th game** covering his career firstly at **Caulfield Grammarians** and with **University Blues** where he was currently **Captain**. **JK's** dash and ability had played a significant part in the Blues rise back up the **A Section** ladder. (John is presently the senior coach of the Blues – GR)

30 YEARS AGO – 1979

In **A Section**, **Ormond** travelled to **Old Paradians** needing to win to have a chance of replacing North Old Boys in the top four. NOBS were expected to struggle against Uni Blacks but the lure of a possible finals' spot could well change this prediction. Ormond may have kicked their chances away with 3.8 to Parades' 6 straight goals in the first quarter. They did not improve their chances in the second quarter with the scoreboard showing them 10.16 to Parade's 10.2. Paradians jumped to the lead (6 points) at three quarter time as Ormond continued to miss shots on goal (11.22). In what was a complete contrast in sharp shooting, Ormond eventually won the game 16.29 to Parade's accurate 19.5 and the critical news came through: NOBS had gone down to the Blacks and Ormond finished in fourth place. Best players – **Hardham, Naylor, Bourne, Herkess, Buckley, Boyanton** (Ormond) and **C Hughes, Grills, P Wood, McGough (5), B Considine (4), Roe** (Paradians).

In **B Section** **Old Haileyburians** joined **Old Trinity** for relegation to **C Section** as they struggled against top team **AJAX** and lost 9.9 to 17.17. Haileybury put up a reasonable fight until half time but **AJAX** powered away in the second

half. Best players – **Bluzer (3), Zemski, Korn, Lisner, Feldpicer, M Ritterman** (AJAX) and **Code (4), Gerny, Meadows, Paul, Schmidt, Thomas** (Old Haileybury).

40 YEARS AGO – 1969

There would be no changes to the **A Section** top four after round 18 but **Old Paradians** (3rd) may well have been concerned over their loss to **University Blues**, a team outside the four. Paradians were struggling from the start and trailed at quarter time and at half time. A temporary rally in the third term was thwarted when the Blues answered the challenge to win the quarter and won comfortably in the finish, 12.14 to 8.12. Best players – **Owen, Hume, Norman, Barkley (3), R James, Scarfe** (Uni Blues) and **Gordon, Quinlan, Audley, Coghlan, O'Brien, Kendall** (Old Paradians). Paradians would need to lift their game as they were due to face up to an in form Collegians outfit in the first semi-final.

Old Scotch in **B Section** were in a similar position given they could not lose their spot in the top four but went down to **Kew** (5th) in the final home and away game. This was an extremely close encounter for the first three quarters and the scores were all tied up at three quarter time, 6.13 each. Scotch hardly troubled the scorers in the final term and could only manage 1 behind while Kew kicked 4.7 and their season finished on a high note. Best players – (Kew must have been concentrating on their end of season celebrations as they failed to tender their better players!) for Old Scotch, **Anderson, Hiddleston, Sowden, Welch, Whitford (3), Wilson**.

50 YEARS AGO – 1959

In the **C Section** first semi-final **University High School Old Boys** outplayed and outpaced **Glenhuntly** in the first half and did enough to hold on and earn the right to advance to the preliminary final. UHS' pressure caused the 'Hunters to fumble early and their strong backline cleared easily enough whenever Glenhuntly advanced. Glenhuntly made a short comeback in the third term and again in the final quarter but UHS always had the answers and won 11.17 to 10.8. Best players – **Shearn, Master, Leigh, Beissel, Rainsford, Jones** (UHS) and **L Shannon, Bryant, Walker, Moss, N Smith, Davis** (Glenhuntly).

Powerhouse easily won the second semi-final 13.13 to **National Bank** 6.17. Best players – **Bishop, Crane, Pirrie, Thompson, Hutchinson, Chalmers** (Power house) and **Brewer, Wall, Mueller, Dunn, Neale, Daniels** (National Bank).

St Kilda CBC defeated **St Kevins Old Boys** in the **D Section** first semi-final 11.17 to 10.8. Best players – **O'Brien (4), E Riordan, J Healy, Davidson, Sharkey, Sheehan** (St Kilda CBC) and **Presnell, R Donohoe, Chapman, Filgate, Bennett-King, Summers** (SKOBS). AJAX won the second semi-final final 9.17 to FTCOB 6.10. Best players – **Lebransky, D Merkel, Levy, R Merkel, Pratt, Bridgeman** (AJAX) and **Carrall, Broadway, Luke, Kelly, Wardell, M Wildie** (FTCOB).

D3 SECTION

by Stephen Clarke

As I drove home from the footy yesterday in busy Melbourne traffic I had time to reflect on the season and what I had been lucky to witness since April. Our great game means different things to different people but for me it's about people competing fairly and doing their best week in week out with a smile at day's end. I have been lucky to coach a flag, painfully coached some huge losses but it always comes back to the people, your mates, your foes, who make it all worth it.

There was some feeling at Ross Gregory in the last home game for Powerhouse. They needed a win or at least a very honourable loss to survive in the section. Their assignment on paper was brutal, defeat Bentleigh who boasted some 16 wins. Sure they took confidence from the fact they did defeat them earlier on but their good form since has been absent. Bentleigh rested **James Robertson** but had expectations of a good show and inside a minute kicked a great goal. **Luke Forrest** was running from end to end and opening up the hosts but then they gradually started to win some contests and move the ball with purpose. **Rhys Humphreys** was silky with all his first half touches and **Adam Collett** showed his finishing was of the highest standard. Five goals each at half time had the crowd wondering if Bentleigh could come out and simply blast the lesser rated side away. However the 'House continued to work harder and kept their heads about them to score eleven second half goals. **Bahr** and **Driessen** just won so many 'fifty fifty' balls through the day it made the difference. The end of the game saw the end of playing careers of **Damien Boland** and **Darren Cooper**. A changing of the guard at the lake now with these two club champions having said goodbye on a win. The Bentleigh form is not a worry but they were disillusioned with the officials efforts on the day and drove south down the highway refocusing for the finals.

So with that result Monash needed a win and a massive one at that to stay in the section. Their opponent St John's needed victory to grab fourth spot so the interest at East Caulfield was immense. To be successful the Gryphons needed to convert their chances all day and ensure they started, continued and ended well. **Chris Leeton** bought his A game on this occasion and continued his terrific second half of the season. Along

with **'Fergal' Sharkey** they were great targets up forward all day for the home side. At three quarter time coach Naumoff saw his side had registered sixteen majors and missed just three shots. This was an outstanding return. **Rohan Scott** and **Ben Pickering** tried to ignite the visitors in the final term but the gap was too great to close and they missed out on the win and a finals berth. Monash left the field proud of their effort but have gone down to D4 with some six wins. Considering eight wins plays finals you would be shattered. It's their first visit to the lowest grade since 1998 which is amazing. But considering it was the Gryphons who have the youngest senior squad going around, their future is rosy and this demotion might be nothing more than a speed hump in their overall journey.

So with the bottom of the ladder sorted and the top four settled now the attention turned to see who would finish in second or third position. If the X Men were to gain that valuable top two berth they had to gain a win at Elsternwick. At times Dennis Grace's men have started big games poorly and today was no exception. An eleven goal romp from the away outfit in the first term embarrassed the 'Wicks and all but decided the result for the day. The long term coach now was fuming at the quarter time huddle and simply told his side some home truths. Get working. And get it working together. Suddenly the game was even and the goals flowing at both ends. The home side realise that the hard work they do to win the ball is rewarded through the genius of **Scott Grace** and big **Dave Smith**. And it was **Luke Simmons** who got things rolling for the red and black brigade showing great form. The margin had been cut from 79 points early in the 2nd term to just 2 points late in the final term and coach Lenders was urging his men to keep positive and move the ball to their targets in **Pabst** and **Spencer**. They were able to hold on in this epic finish which saw the X Men need all their great players to show true form to take the points away. If this game means anything on form then Elsternwick are very much in the mix to win a final even though they finish fourth with an 8-10 record. Also the X Men would be confident in their massive game against

Bentleigh. We also congratulate Ben Spencer for winning the D3 leading goal kicker award. His total of 61 goals was a fantastic effort considering he played a lot of football during the season in the midfield.

St Mary's Salesian who have been extremely confident of taking this competition for some weeks now had a chance to sew up second spot with a trip to the Zoo and a match with Uni High. Blustery conditions greeted both sides who enjoyed an even first half where goals were shared between **Alex Leach** and **Ryan Stevens**. The visitors were from there inaccurate and wasteful going forward and the ramifications of their actions has sent them into a sudden death final. Eleven behinds was a slight disaster whilst for the home team this was a positive end to a some what flat season.

The West Brunswick Magpies in 50 years have had success but sadly 2009 never hit the really high notes. There were moments like Saturday though when they simply outclassed the Hawks all day to run out big winner son the score board. The Hawks usual fortress that is Rathmines Road reserve is no longer since Peter Tyson left the helm and a new breed of players came to town. They never really held sides to low scores this time round the Hawks and that hurt most games. The Magpies wrapped up with a 70 point away win with **MacGugan** and **Layley** most effective. They may be a force next year as they do take their A Grade on the road often enough.

Huge thanks for the reports in season 2009. Jono Healy at Monash deserves special mention along with Dennis Grace and Colin Page at Elsternwick, Chris Seuren at SFX and Mick Verberne at the 'House

TIPS FOR FINALS –

Coming off zero from five, I make these with a low degree of confidence . . .

Saturday Bentleigh versus St Francis Xavier

Going with the X Men just by just 6 points. Their top five players should adjust well to Scammell in hopefully fine conditions. Their scoring ability has increased and that is the key. Seems ridiculous to pot a 16-2 side but just feel this will be extremely close all day with the lower ranked side to prevail.

Sunday St Mary's Salesian versus Elsternwick

I think this is even tougher. Elsternwick did beat St Mary's Salesian at Ferndale 15 days ago and then the round 18 results firmly should place the red and black unit as favourites. But Scammell is a consideration and the fact that maybe this is where the focus has been for SMS the past few weeks. Say 14 points.

The final round didn't quite serve up the surprises that beckoned, however certainly saw some tight battles as several lower ranked sides took the game right to their more highly rated opponents in an attempt to either make finals or leave one last mark on the competition. Hopefully all the sides that have finished will enjoy the off-season and look forward to a fresh start in 2010. I offer commiserations particularly to Mt Lilydale who missed at the final step, and will rue injuries through the middle of the year. At their best the Rams would have been worthy Grand Final contenders, however sometimes that is the way the cookie crumbles. Exciting times now beckon for the five sides left, with South Mornington competing in their first finals series, Richmond Central returning after many years, Albert Park searching for their first flag, and already heading to D3, and Latrobe Uni and Kew seeking to return to the higher echelons of the past. At the College the Falcons enjoyed first use of the breeze and steadily built a solid 5 goal lead with Tom King continuing his dominant year at centre half forward. On the back of some good running football from Daniel Cerra, in a second term which lasted a remarkable 40 minutes, the Rams struck back with a flurry of late goals > **Justin Roberts** was also prominent as the margin was reduced to a couple of points at the last break. In a tense third term Mt Lilydale defended stoutly and were able to restrict Albert Park to a 3 goal lead at the final change. In the last though the Falcons ran and ran, and you guessed it, ran, with **Stuart Maunder** and **Brendan Murnane** typically creative up forward. At the final buzzer the Falcons had sewn up top spot and promotion to D3, unfortunately for the Rams relegating them from the top five in the process.

In the second game with a significant bearing on the final make-up of the top five, Manningham hosted South Mornington. The Cobras won the toss and enjoyed first use of the breeze. With **Ben Cookson** in vintage form, the home side was able to create a 21pt lead at the first change. Like the Tigers, Manningham managed to kick a couple against the wind, and appeared to be heading into the half-time with an important lead, however elusive forward **Nick Wood**, popped up with a couple of quick goals, including his 50th, and helped South to a narrow lead. In the third the topsy-

turny nature of the contest continued as **Ryan Daley** dominated through the middle for the Cobras, and South were staring down the barrel at ¼ time. **Sam Wright** who had been brilliant all day sparked the Tigers, and with **Colin O'Brien** in his 100th dour in defence, and **Grant Ryan** kicking a couple, South Mornington surged home, and into their first senior finals campaign.

Chadstone were ferocious in the first term, taking the game right up to the Snakes, who were a little shell-shocked initially as the impressive **Kieran Conrau** dominated. Richmond quickly adjusted though and in the second **'Porsche' Poonasamy** revved his engine, and almost single-handedly tore the game open. A tight contest quickly became a rout as **Rury Liddle** also displayed some of his trademark class. In the third the Synners again stepped up their game, but were unable to make the required inroads into Richmond's lead, and the Snakes carried on through the last, with **Chris Crough** finding some important form coming into and exciting finals series.

In a game of contrasting styles, North Brunswick's runners attempted to combat the big marking Bear outfit. In the first half **Jason Harkins** and **Adam Jeffrey** showed their counterparts a clean set of heels, and with **Ben Williams** kicking accurately an upset was well and truly looming. Kew to their credit tightened their defence in the third quarter holding North top a solitary behind. **Greg Bell** took control on the ruck, and **Heath McDermott** controlled the air. At the final change the Bears established a two goal lead. In the last North threw everything at Kew, however with the all important double chance beckoning, the Bears held on. **Andrew Dehnert** was fantastic all day for the victors, whilst **Sandy Famulari** was impressive for North Brunswick.

Eley Park notched up their third win on the trot to finish of the season as they comfortably won the battle of Box Hill. After a good first quarter from the Demons, led by Cameron Liston, the Sharks dominated. **Steven Bugeja**, the evergreen **Michael Viola** and **Adrian Pillay** were in everything as Eley Park dominated the second quarter then ran away with the

contest in the third. Only some inaccurate kicking prevented a far larger margin.

After an inaccurate first quarter where they kicked three goals seven, Latrobe Uni tuned up nicely for the finals with a dominant performance against Swinburne. Enjoying the spaces of their huge ground, Latrobe benefited from the run of **Brad Van Ooi**, **Leigh Coffey**, and clever forward **Geremie Ganino**. **Stuart Patten** was in ominous form with eight goals, whilst at the other end, competition goal-kicking leader **Attila Yaman** was starved of opportunities.

I would like to take the time to thank all the press correspondents for the year, and their efforts in improving the articles that you read. It would be fantastic to receive reports from all teams in finals, including reserves, and please keep team of the year nominations coming.

FINALS PREVIEWS

Qualifying Final- LaTrobe Uni V Kew

Two weeks ago Kew sealed third spot with a narrow win at home against Latrobe Uni. This match promises another tense contest as the fleet footed Latrobe runners will attempt to overwhelm Kew. The Bears will be hoping that players like **Craig Horne**, **Stephen Duke**, and **Jarrold Poxon** are fit, or they may find the task beyond them. At the same time **Tim Bagnall** has established himself as one of the premier forwards in the competition and **Greg Bell** continues to be one of the top ruckmen. LaTrobe is a very even side. They certainly have some class players, none less than Coach **Dean Sheldrick**, key forward **Stuart Patten**, and the Pres. **Brad Van Ooi**, but it is their spread of talent that may prove the edge. Garvey Oval is probably more similar to Victoria Park in dimension and may suit the Bears however I feel the **University side** can reverse their round 17 result and move into D3 with a three point victory.

Reserves: North Brunswick

Elimination Final - Richmond Central v South Mornington

Both these sides are renowned for their determined on-ball divisions. **Daniel Pike** for the Snakes and **Sam Wright** for the Tigers are both tough, strong players, that are also endowed with enviable skills. At either end classy forwards in **Nathan Nuske** and **Robert Wilson** are struggling with injury so it may be **McConville-Brain** and **Wood** for South, or **Busby** and the **Andrews** for Richmond who may hold the edge in this game. I expect this game to go to the wire, however **Richmond** have held the edge over South this season and I think they can maintain this with an eleven point win.

Reserves: Mt Lilydale

Please submit reports by midday Monday to deejaypalmer@bigpond.com.

Under 18s

by Joe Morsello

Joey's Jargon

And then there were four. Just another rubbish cliché I have given you this year. Fine effort in Round 18 of the tipping to punch in four winners but more importantly its finals time, and Sportscover Arena Friday night and Saturday morning there promises to be two tight clashes between four deserved finalists. For the big one the bookies have firm Oakleigh into \$1.55 with the Bullants not far away at \$2.45. Plenty of value about for UHS / Flem at \$11 and the Snow dogs at \$14. Let's see what happened in the last round of Under 18 footy for 2009.....

Last Round:

UHS v Old Camberwell: Old Camberwell came out firing for their last hit out for 2009 and although it was all tight at the final turn the UHS boys stuck to their guns and saluted by 14 points to hold onto third spot. It was Habel and Bourke down back who were the key to UHS's victory, along with Allen in the ruck who was a consistent performer throughout. For Camberwell, Benson and Tenace finished on a good note.

Oakleigh v St Bernards: St Bernards made the early trek down the freeway to meet Oakleigh and gave a good account of themselves a week out from the finals. Despite not taking the points the Snow dog lads would have taken some confidence out of this one. Hunt and Scott proved the difference in the midfield and for St Bernards it was Sullivan again showing his class.

Therry Penola v Northern Bullants: The Bullants started slowly but their midfield got on top to run away 42 point winners. Therry tried their best in their last hit out for 2009 but unfortunately lacked the Bullants class. Better players for Therry were Jones and B. Ratcliffe. For the Bullants, Viola and Sutton were the main destroyers.

St Bedes/Mentone Tigers v St Marys/Salesian: Unfortunately for St Bedes they left their run too late as their win was soured with news of them missing the four despite a 64 point victory. Shippies was good again and staked his claim for a team of the year spot. For St Marys Batchler and Docker tried their hardest.

This Week's Semi Final Preview:

Oakleigh v Northern Bullants

This season: Played 3: Oakleigh 2 / Bullants 1.

Battle of the midfields. Which one of them provides the most

pressure will win. The Oaks may have the upper hand with the most dominant forwards in the comp. Big Moustafa will have to step up for the Bullants and kick some sausage rolls to support his goal kicking midfield. The wide spaces at Sportscover Arena have suited the Oaks more so than the Bullants this year. I think the Oaks will be suited by the dewy conditions and the ground, I have them getting over the line by 17 points.

Key Players: Oakleigh: Jetta, Hunt, Scott, Pappon.

Northern Bullants: Moustafa, Simcoe, D. Calcedo, Dalton.

UHS / Flem v St Bernards

This Season: Played 2: UHS 0 / St Bernards 2.

The Snow dogs have had the upper hand on both occasions here. UHS in my opinion have been a more consistent side all year and deserve their finals spot. If UHS can keep Tom Sullivan quiet they may go close to doing enough to win with their midfield's strong defensive pressure which has proved the difference in a number of close matches. On the other hand UHS will have to rely on "Pluggie" Sullivan to keep Henry quiet whose 32 goals have been against some handy opposition. Although they haven't beaten them I believe that UHS's midfield is superior to St Bernards and for mine UHS will get the chocolates by 8 points.

Key Players: UHS/Flem: Everist, Moore, Coombe, Free

St Bernards: T. Sullivan, Overman, L. Sullivan, Kavanagh

It is getting close to that time of the year for the U18 Team of the year side to be announced. Please send through any nominations to me.

U19 Premier

Welcome to the finals. Congrats to De La Salle (Blues) on winning yet another minor premiership and to Old Xavs, Old Scotch and Uni Blues who also join them in post season. Before we have a look at this weeks Semi's a quick look back at round 18.

Uni Blacks traveled to Bulleen Road to meet Old Trinity in their last Premier engagement before returning to North 1 and made life difficult for an undermanned OT outfit. After a lack luster first half Blacks fired into life in the 3rd quarter and then ran away with it to record a solid 10 goal win just to help those end of season drinks taste slightly better. Tommy Cerini was at his best for The T's while for Uni Blacks Tyrann Bell and Shane McNamara got amongst the votes.

An even first quarter in the match between Old Scotch and Beaumaris kept their rivalry bubbling along but The Shark's resistance waned in the second as The Cards slotted through 5 goals 8 to Beau's solitary point in the second stanza. Contrasting fortunes in the third as it was the Scotchies midfield who went to sleep allowing The Baysiders back into the contest with a big quarter however Old Scotch were kicking to the scoring end in the last and ran out comfortable 6 goal winners. Beau can be proud of their efforts finishing 5th in their first season in the top flight while the welcome return to form of Old Scotch is just what the doctor ordered as they look to a 1st Semi Final against Uni Blues.

Finals contenders Old Xavarians squared the 2009 ledger against Uni Blues in their clash at Parkville. The contest was on a knife edge with The Bluebaggers only 3 points down late in third term but Xavs with Hamish Buckley in fine form powered away to win this battle by an impressive 6 goals. Better players on the day included Woods, Cross and Davies in Black and Red while in Black and Blue Vickers-Willis, Robertson and Llewyn Butler got amongst it.

St Bedes Mentone Tigers visited Rupertswood who were playing for their Premier lives and The Woodsman didn't disappoint rolling The Beders by 10 goals. Adam Jones (SBMT) capped off a stellar season with another eye catching performance although it was Rupo's Lachlan McKenna who proved to be the difference smashing in 6 goals on his way to a best on performance that confirmed 2010's Premier sides will be making the trek out to Sunbury again.

It couldn't have got much worse for The Eagles, coming up against our rampant ladder leaders and needing to beat them by a huge margin to maintain their Premier status things got ugly early and didn't improve through

out the day. De La Blues capped off the home and away season with a 20 goal drubbing of Marcellin who no doubt will regroup and be a force in South 1.

1st Semi Final – Old Scotch vs Uni Blues

When these two sides met a few weeks ago it was Uni Blues who took the chockies however my gut instinct is the OS coaching staff may have been reluctant to show their hand. That said though Uni Blues have been flying down the home strait only to come up short against the highly rated Dinomites. Ash Lim and the OS rucks hold the key for mine, if they get on top early Uni Blues will pay however The Bluebaggers have some guns of their own and no doubt the names Townley, Nice and McClure will be keeping Dobby up late Friday night. Old Scotch by 2 goals.

2nd Semi Final – Old Xavarians vs De La Salle (Blues)
Will this be the Muller vs Noonan show or the Murphy vs Buckley show. Read either of the team sheets and you can't help but be impressed with the talent that will run around in this game. De La Salle are an awesome unit and will be hard to top however if anyone can pick a way through the star studded midfield and half back line it's Dino and his boys. Let's hope the Sandy Doctor can stay away until Sunday night as this will be a cracker. De La by 3 goals.

DAMO'S BALL

Round 18 Review - North 1

My predictions last week were spot on as North 1 gets set for a massive week of finals.

Old Carey season has finished on a high, with a massive win over Old Camberwell to secure 4th spot. The top team faulted in their first loss of the season, as Old Carey came back from a first quarter deficit. B. Elzarka was superb in the finals like clash.

St Bernards smashed Banyule Viewbank, but without any incentive for the effort, narrowly missing out on the four due to Old Carey's win. Cooper and Gleeson kicked 7 goals each in their last match for '09.

Fitzroy knocked off Manningham comfortably to secure 3rd spot. D. Di Bartolomeo starred in his last match for

Ross Mitchell

Damien Ractliffe

Justin Waldron

the year, whilst W. Johnson has peaked at the right time for the Roys. Old Essendon walked away 59 point winners over Bulleen Temp, as they look forward to their clash with Old Camberwell. The Drysdales and Ravanello were superb for the Bombers.

Round 18 Review - North 2

Aquinas won their last match of the year over La Trobe by 15 points in front of a home crowd. Aver, North 2's star goal kicker of 2008, kicked 5 in his first game for the 19s this season after a productive year in the seniors. Ivanhoe finished Old Xav's late run, and forced themselves into the 4 in the last round of the home and away season, knocking them off by 7 goals. C. Petricevich was instrumental for the Hoes, booting 6 majors, the key if Ivanhoe can knock off Old Westborne next week.

Old Geelong knocked off bottom side Rupertswood to guarantee form into the finals. Kent, Officer and Price booted 17 between them in a demolition down in Sunbury. Swallow was the best in the last game for Rupie.

Old Westborne secured 3rd spot and bumped Emmaus out of the 4 in their final game, victors by 35 points. A 5 goal to none last quarter snatched the heart out of the St Leos faithful, Turner again turning on a show through the midfield.

And Therry has comfortably matched Fitzroy, beating the Roys by 104 points. Will Dean was a vital contributor with 6 majors, McMahan booted 5, and Cannatelli dominated around the stoppages.

Week 1 finals TIPS - North 1

Can't go past Old Carey, even though Fitzroy was my preseason premiership tip. It will be a cracker of a match, but OC by 13 points.

Old Camberwell are down and Old Essendon are up. Will Old Camberwell bounce back? I close my eyes...OEG to upset by 2 points.

Week 1 finals - North 2

Can't go past Old Westborne, with recent form over Therry and Emmaus in their last 2 games, should be too strong for Ivanhoe, by 30 points.

Therry to continue the hoodoo over Old Geelong and sneak narrow victory, by a goal.

Review:

Yes I've been sniffing for that finals action for some time now and you little Beauty!! It is here!! We have waited 18 long rounds but finally we are there. More on that shortly. Ormond will begin my review this week as they have fallen from grace after being 2nd on the ladder last

week to now finding themselves out of this seasons finals series after the Melburnians defeated the Monders by 21 points. P. May and A. Armstrong were the real danger men for the burners as they aided there side to another win and some good form heading into the finals.

I will keep this one short as De La Salle had a training run against Mazenod this week getting up by just the 31 goals. A. Zaia was best afield after he booted a lazy 8 goals. The battle was won this week by the Fielders who defeated Old Haileybury by 22 points. Best afield for the Fielders was R. Lewis.

Collegians who finished the year off so well would leave season 09 disappointed after an 11 goals drubbing by the Brighters this week. T. Tickell and J. Portelli both booted 4 sausage rolls but it was A. Dewar who was named best on ground.

Preview:

Old Melburnians vs. Old Brighton: Hard to go past the ladder leaders heading into the 1st week of the finals but I am going to tip the underdogs this week. Old Brighton have hit their straps at the right time this season and I believe the momentum is with them and feel they will clinche this one in a nail bitter. Old Brighton by 2 goals.

De La Salle vs. St Kevins: Terrific effort from De La to host a 2nd side in the under 19's competition and make the 4. They have been up against the odds all year and I am not going to jump off the band wagon now. De La by 5 goals in a very tough contest.

South 1

Review:

One word this week people, FINALS!!! You little Rippa. Kick things off this week with two teams that may meet again come finals time as the Hampton Rovers defeated the Mentonians by 7 points. J. Sperring was best for the home side and for the away team it was E. Macquire who battled his guts out all day long.

Ajax find themselves in all sorts a week before the finals as they copped a belting this week at the hands of a rampaging Bentleigh who defeated the Jackers by 4 goals. B. Morrison booted 6 and looks to be Bentleighs real weapon in this years finals series.

In other matches it was Monash defeating the Pirates by 71 points as L.Waldron and D.Hood put on a clinic for the home side. Prahran finished their season off with a thrilling win over Beay and Parkdale finished their season off in style with a whopping 129 point win over MHSOB. For the Vultures it was R. Irvine who stole the show.

Preview:

Hampton Rovers vs. Ajax: Ajax in big trouble this week as the Rovers are a ball of momentum and Ajax are a ticking time bomb ready to self destruct. It will be an almighty upset if the Jackers were able to get up but I can't see it happening. Rovers will triumph by a comfortable 7 goals.

Bentleigh vs. Old Mentonians: Can the Mentonians stop big bustling B. Morrison as he seems the real problem for the Tonners this week. This one could go either way in my opinion even though Bentleigh have been in some sensational form of late, I believe the Tonners may gain some old team members back and could well cause an upset. I will play it safe this week and tip Bentleigh by 6 goals but keep an eye on this one because there could be an upset on the cards.

REVIEW OF 2009 GRAND FINALS

Section 1

Collegians have won their first Section 1 Premiership. This fact and the final score line, giving the "Lions" victory by sixty five points will be recorded in V.A.F.A. annals. What won't be as easily recalled will be the unprecedented last quarter surge produced by Collegians to turn a three quarter time deficit of two points into the huge win. Twelve goals in a quarter is not a common football event... much less so twelve goals kicked in seventeen minute's playing time (plus one kicked by Old Xaverians)

For the first three quarters the game was a closely contested and low scoring one with neither Collegians nor Old Xaverians 2 able to breakaway from the other's persistent pressure. Then came the deluge!

Best for Collegians included; Luke Schnoknecht, who was awarded the King / Landrigan Medal for being named "Best on the Ground", twin co - captains Matt. and Simon Day (4 goals), Blair McDonough, who dominated in the mid field, and left footed flanker, Josh. Heard, who kicked three goals. Naming these players could be considered unfair to so many others who contributed to Collegians victory.

Old Xaverians, who led the competition for most of the season, were overrun and could find no answer to Collegians last quarter heroics. Their better players included; Lynch, Ockleshaw, Lukatis and Morton.

Congratulations go to Collegians, to Jason Storer (Pahran) who won the competition Best and Fairest award for the third time and to Edward Cooper (Old Melburnians), who was the leading goal kicker in Section 1.

Section 2

Old Brighton culminated a seven game winning streak with winning the Premiership by thirteen points over Marcellin. Like the phoenix, Old Brighton surged from the ashes of despair to win over minor premiers, University Blacks, in Round 12 and under the tutelage of rejuvenated Coach, Marcus Barber the players have carried all before them since that July day.

The wind played a big part in deciding the outcome of this game. Old Brighton started with its aid and led by twenty one points at the first change. Marcellin utilized the wind but only led by a point at half time. Old Brighton then were able to build a twenty one point lead by the last change.

The fourth quarter saw Old Brighton mount many attacks to the Glen Huntly Road end only for Marcellin defenders to repel them all. At the other end and in the mid field the superior aerial strength of Old Brighton came into force as they defended stoutly and held Marcellin to a solitary goal, which meant Old Brighton won by thirteen points. Significantly Marcellin's two scoring shots at the Glen Huntly Road end in the first quarter were the only scores there for the game.

Congratulations go to Old Brighton and to Karl Sheehan, who was adjudged "Best on the Ground". Other good players for the Premiers were: Matthew Jackson, Ewert and Alcock.

Marcellin, who were unable to reproduce the form which qualified them for the Grand Final, have enjoyed a successful season in the higher grade. Their better players included; Leigh Hanson, Coach, Dustin Cracknell, veteran Garry Petroff (the leading goal kicker in Section 2) and the Matthews Brothers. Congratulations were given to Monash Blues ruckman, Keith Perry who won the Best and Fairest Award in Section 2.

North

Congratulations go to Old Essendon, who set up their Premiership win over Old Ivanhoe with a dominant opening quarter, when they kicked six unanswered goals. Old Ivanhoe were never able to make up this deficit and by the game's end they had barely passed the Old Essendon quarter time score. Inaccuracy in the second quarter did not help Old Ivanhoe's chances as they trailed by twenty points at half time. Aided by the increasing wind intensity Old Essendon went further ahead in the third quarter and led by thirty six points at the last change. The last quarter saw old Ivanhoe score two goals but they conceded one to their opponents at the Glenhuntly Road end which virtually halted the Ivanhoe advance before Old Essendon ran out twenty seven point winners.

Best for the Premiers included: John Hughes, who was adjudged as "Best on the Ground", Captain Tim. Campbell and Jeremy Williamson.

For Old Ivanhoe Tieman, Delaney, Paine and Golden were best.

Each of these teams deserves commendation for qualifying for the Grand Final in its comeback season.

Congratulations go to Luca Guerra (Old Carey) who won the Section goal kicking.

Elmi Amarch, (Therry Penola), Matthew Shanks (Whitefriars) and Nicholas Everett (Old Carey) tied for the section Best and fairest award. Congratulations go to all three.

South

Old Melburnians again defeated Ormond for the third time in three weeks. In the Grand Final their winning margin was reduced to eighty seven points. Ormond started brightly and against all expectations led by three points at quarter time. Unfortunately their players could not sustain the momentum and Old Melburnians took control and increased their margin as the game progressed. Ormond did not score in the last quarter, which aided the Melburnian's margin.

Best for Old Melburnians included: William Harris, who in addition to being judged "Best on the Ground" also tied for the Section Best and Fairest award with David Logan from Old Scotch. Ray (5 goals), Wright and Phillips also played well.

For Ormond the consistent, Brown, Broadbent, Calvert and Holman were again prominent. Congratulations to Old Melburnians who lost only once for the season and to Ormond who have been finalists in their first two seasons in the section.

Scott Saunders (Caulfield Grammarians) won the Section goal kicking. Congratulations go to him and to William Harris and David Logan for their award.

My thanks goes to my loyal band of correspondents, whose weekly reports greatly help with the writing of this column. I am grateful to our editor Jess. whose tolerance of script errors and tardiness has been boundless. Printer, Gary Sparke has coped with my verbosity with a minimum of complaint. Thanks Gary, I do hear you and do try to meet your requirements! Finally as I lay down my pen, thanks to you my readers, without you there would be no need to write. ... Until 2010 ...
