## Volunteers – Lifeblood of the VAFA

As we come to the end of National Volunteers Week (NVW), it is appropriate time that we recognise all of the men and women who give of their time to ensure that the VAFA's 120 weekly matches are played.

NVW is the largest celebration of volunteers and volunteerism in Australia, and provides an opportunity to highlight the role of volunteers in our communities and to say thank you to the more than 5 million Australians.

Volunteers make an extraordinary contribution to Australian society. If you are a player or a supporter, then this week could provide you the motivation to consider how you can contribute more to your club. Each club handles their volunteer appointments differently, but there are an extraordinary number of tasks that are performed by your football club and everybody could find a role.

At the new Presidents information evening held last month, it emerged that one of the biggest issues facing clubs was getting the support of their community to fill all these roles. AFL Victoria has published a job description for each of the volunteers required at any club – all 38 of them, from sponsorship manager, trainer, team manager to football director.

The value to the VAFA of volunteering is immense and irreplaceable. One of the best ways to demonstrate the importance of volunteering to the Australian community is to ensure volunteers' contributions are recognised, valued and accounted for.

The theme for this year's NVW is Volunteers: Everyday people, extraordinary contribution.

This theme carries the message that everyone

has something of value to offer and that every volunteer's contribution, no matter how big or small, is extraordinary because that person cares enough to give their time for no financial reward.

I believe volunteering in the VAFA is so much more rewarding, as all club people are doing it for the same reason – for the love of the game and for the benefit of players and supporters and families who also love their club. In the VAFA, our commitment is deeper than financial, it is about personal growth.

At the VAFA headquarters we too require an enormous number of volunteers.

We have 15 volunteer Board members who not only attend the monthly Board meetings but sit on various sub-committees and attend matches every weekend.

We have over 30 members of the tribunal and investigation panel, 15 weekly contributors to the Amateur Footballer, 4 administrators who pour over the weekly teamsheets and paperwork, Nancy McTaggart compiling all the scores on a Saturday afternoon and Liz Wilson assisting with administration on Fridays.

For representative football, we have 5 senior coaches who enlist approximately 30 assistants and runners and another 15 medical staff and trainers. If these people required payment then our whole representative program would be shelved.

Volunteering is critical to the survival of sport in Australia. Sign up today – volunteer with your club. Think about it!

We are already done with four rounds and the picture is becoming more apparent. Let's not get lax, however, as we now approach that time of year when strange things begin to happen, when solid favourites go under and longshots get up on the line. VFA football is predictably unpredictable, as we will all find out again soon enough.

However, we have learned some things already. De La is truly, truly for real, or so it seems to me after their comfortable win at Chelsworth Park last Saturday. The Sallies set up their win with a great first half and while the Browns lifted after the break, they couldn't close the gap at all. Old Ivanhoe is 0-2 at home and needs to halt that skein now. Success in the top tier has been a long time returning for the Dees, but they may have rediscovered a formula to make other fancied clubs struggle. You can be sure that Xavs, Scotch and now Old Ivanhoe will not be under-estimating them the second time around.

The Tonners might have had jitters at their home opener, but **Max McLaughlin** appears to have sorted out his recruits and has them playing better now. Still, they had more trouble with their goal-shooting against Marcellin. Are the goals in the wrong place? Are the Brighton radars correctly calibrated? Bad kicking is bad football but it's become a way of life, a self-imposed handicap for the Beachies when playing at home. Marcellin was more accurate and **Cam McLaren's** six goals kept them in it, but not for long enough. **Brett Sinclair's** second Michelle in as many weeks steadied the Brighton ship.

Collegians, who felt the savage sting of St Bede's Mentone Tigers thrice last year, copped it again last week at the Trott. The reigning premiers are runaway premiership favourites and it will be a mighty team that will stop them. The Tiges have a deep list that is dripping with talent and combine better than any team in recent memory. With grand final replays, teams often scope warily for a while before the action begins in earnest. Not last week. Only wayward kicking from the Beders kept the Lions in it, but they themselves frittered away chances. Finally, the expected deluge came as it always does and the Purples went down by 53 points.

Old Essendon came in to Camberwell hoping to break its duck but ran into a determined Scotch outfit. There have been so many questions about the Cardinals that might have considered donning the green outfits of Batman arch-villain the Riddler instead of their blinding red strip. The Bombers, still feeling their way around the A Section floor might have hoped to take first steps, and while their luck kept them alive into the final term, their luck ran out. For the second week in a row, **Lachy Thompson** was named best for the Red Men, an indication that the big fellow is in career-best form. **Licuria** debuted for the Scotsmen

The Xavs clashed with Uni Blues on the already-yellow hues at Toorak Park and as is so often the case when these clubs collide, it was a tense affair. The Red and Blacks were clearly the better team for most of the afternoon, but could not shake the Varsity until the time-on period of the last quarter. Many of the local partisans feared that Xavs might inevitably pay for their lack of scoring dividends – three posters didn't help – but they had not figured on the fine defensive efforts of the two young **Nicks, Wynne** and **Dimattina**, who showed poise and confidence in the back half and thwarted many promising Blues' attacks. **Andy Bowen** shaded **David Paton** in an interesting duel.

### THIS WEEK:

**De La @ Old Essendon:** a month ago, you all had it for the home team. Well, you've scrubbed that one, haven't you? Close, but it's the Sallies here.

**Old Ivanhoe @ Collegians:** you all thought that the

'Hoers were the goers and Colls bound to sink. What now? This will be a beauty, but Colls to win.

**Old Scotch @ Marcellin:** Eagles improving, but Cards apparently back on track and might kick a score.

**SBMT vs Uni Blues (Sportscover):** Bede's will be furious that they didn't beat Blues here last year. (That they didn't play them here is quite irrelevant). Tiges too strong.

**Old Xavs vs Old Brighton:** (Sportscover, Sunday): Many things have changed since Xavs crushed the Tonners here twice in September 07. Expect fireworks, a close tussle and a win to the Beachies.

## M I M I L E S T O N E S

**De La Salle's** living legend, **Ben Mannix**, plays his **250th** this week against Old Essendon and all things being equal he will play his 200th senior game in three weeks. The enigmatic forward once described by ex Pies player Rupert Betheras as the best player he had ever played with, started his career with De La in the U19's in 1992 and has been a Club Champion, VFA representative and in 2008 was honoured with Life Membership of the Blue and Golds. His opponents at the VFA's top level are still reminded each week of his uncanny ability to take the 'ungettable' grab, kick the 'freak' goal and for his 'look away' kicks, handballs and marks. His clubmates and supporters at De La are thrilled that he has achieved this wonderful milestone and look forward to the 34 year old's ongoing career which looks like continuing for some time yet.

**Old Essendon** would like to congratulate **Daniel Ryan** on his **150th game** at the Club. Daniel a former Senior B & F winner, after being an on baller in his early years has settle back nicely into the OEG backline. Playing in our inaugural U/19 side in 2000, the same year he made his Senior debut Daniel has played a major part in OEG's rise through D, C, B and now A Grade. Daniel's hard, uncompromising attack on the football makes him one of OEG's favourite son's -- a true champion on and off the field. We wish Daniel all the best in his 150 th game.

**Old Essendon** would also like to congratulate **Chris Goulett** on recently playing **50 games** for the Club. **Chris** is a key mid fielder in our senior side, a hard and under type player we look forward to seeing **Chris** play many more games for the Club.

## Reviews

Once again the weather gods were kind to all and round 4 was played in perfect conditions. As the season unfolds it continues to throw up upsets and make a mockery of some pre season predictions (That is my excuse anyway).

Hampton Rovers and Carey have both been putting in several brave performances without reward, leaving supporters, much like those of the Chinese Democratic party, asking "how about 4 points?". In overcast conditions on the deteriorating Boss James Reserve surface Rovers delivered just that. HRAFC won 3 of the 4 quarters to record an all the way 49 point win. OC again fought hard all day, making a run at the home side in the 3rd quarter to get within 3pts just before the break but injuries to key players once again thwarting a comeback.

Best for the Carey were **James Courtot** in his first game while the **'Big Ship' Laidlaw** gave great service. Leaping **Leeroy De Boer** continued his stunning season with BOG game for the home side and topped it all off with an absolute screamer.

Without putting too fine a point on it the wheels have fallen off at Old Trinity. St Bernards put the sword to an ultra disappointing Ts outfit out at the Pit. In a second quarter that both won the game and announced to the comp that there is a new contender in town the Snowdog piled on 9 of the best. In what has become a worrying trend Trinity soldiered on to actually win the second half. It was too late however as the horse had well and truly bolted by that point.

For the vanquished the teenaged **Sam Leatham** led the way. While son of a gun **Liberatore** was BOG for the victors; he gave great supply to **Harris** who continued his form in the resses last week with 7 majors.

A common saying down Righetti way is "we never lose on May Day Ball" and so it proved. SKOB continued their

winning ways with victory at the Graveyard. After an even first quarter and a half, the Tri Colours put in a ten minute 5 goals display to take a 31 point led into the main break. This eventually proved too much for the young Ormond side to pull back; St Kevs remaining unbeaten at the final siren.

The Os faithful would have enjoyed the continued form of the Beast from the East **Matty Martinov**. While St Kevin's mean defence, with its distinct west side flavour would be pleasing Coach **Powell**.

Out at the Junction the premiers favourites bounced back like a good side should. Nine shots at goal and a 31 points lead had the Bloods reeling at the first change. To their credit OH battled on manfully for the remaining part of the game but never really threatened; mostly due to some woeful kicking in front of the big sticks in the second stanza.

Spearhead **Davies** has had a cracking year and Saturday was no different while St Kilda old boys **Brown** and **Voss** shared 9 goals between them.

The Wellers continued on their good form from last week to record a solid win playing between the picket fences. In a close match throughout it was straight kicking and Kent Kingsely that proved to be the difference between the two sides. With the match in the balance going into the last quarter **Lacey & Co** were unable to win enough of the ball to give Bolton a chance to make himself a hero. OC running out 27 points winners to even their ledger for season 2009.

## PREVIEWS

Blacks to take care of the Monders on the wide expanses of the University Oval. In the match of the day the Red Legs to end the Snowdogs unbeaten start.

Ts to get back on the winners list when they play host to winless OC. Unfortunately for Carey they have clearly offended a higher power and have an injury list to prove it.

St Kevin's to keep on their winning ways against the Bloods. One hopes the match is as exciting as last year's epic.

Wellers to continue their winning ways at GB.

## M I M I L E S T O N E S N E S

**Old Trinity** wishes to congratulate **Joel Aitken** who played his **100th game** for the club last Saturday. **Joel** came from the school and began with the under 19s in 2002. In 2003 he won both the club under 19 B&F and the VAFA B&F and has since been a valuable contributor to both the senior and reserve sides. Congratulations **Joel**.

**Chris Jenkins** The **Old Melburnians** would like to congratulate **Chris "Jerker" Jenkins** on playing his 250th game this week. Chris joined OMFC in 1995, and won a Reserves Best & Fairest in 1998. Now captaining his beloved Rezzies, Jenks is looking for that elusive premiership to cap off a fine career at OMFC. He joins a select group of just a handful of players to have played 250 games at the OMFC. All at OMFC congratulate **Jenks** and wish him well this week.

Two **Old Haileyburians** play their **50th game** this weekend - **Ben Hampton** and **Jordan Elliot**. **Ben** was Captain of the U/19s in 2007 and V/Capt of the Resrves last year. Renowned for his enthusiastic approach and sense of humour, **Ben** is a great clubman and is already a stalwart of the club.

**Jordan** commenced playing for the Bloods in 2005 and has been an integral part of the club ever since. A transition a few years ago has seen **Jordan** play more regular amd consistent football for which he should be acknowledged. His family also play an integral part as his mother **Mary** has been timekeeper for the club since **Jordan's** first game. Congratulations to both players from all at Old Haileyburians AFC.

## A WEEK WITH COLLINGWOOD FC

AFCA/VAFA Scholarship recipient Christian Stagliano gives his account of his week at Collingwood

The day finished with more individual video and skill sessions, the younger players in the development squad at one point almost lining up outside Bevo's office looking for time to view their tapes or get some extra touch work.

**MONDAY:** The AFCA/VAFA coaching scholarship partnered with the Collingwood Football Club provided me with a unique opportunity to see the inside working of an AFL club, a great experience for any coach especially one that's a Collingwood supporter! I was lucky enough to be assigned to observe and work with the most successful coach in suburban football in the last three years and new Collingwood Development Manager Luke Beverage. Arriving at the Lexus centre early Monday morning I was given a tour of the facilities by Luke, an amazing place! After playing Round 1 at Yarra Valley and just being able to squeeze all the players into the away change rooms standing up, it was funny to think that the altitude room at the Lexus centre was bigger than those away rooms!

**THURSDAY:** Thursday began with another two meetings, seems there are meetings every day, some really informative with specific information being given to the playing group for the upcoming games. The senior squad for the upcoming game then proceeded to train together, this session lasting no longer than an hour.

Straight from the tour I sat in on the VFL team's review of the game against the Bendigo Bombers, a really educational detailed analysis with a definite emphasis on teaching the players with constructive interactive feedback. On a cold windy Monday morning it must be a luxury to be able to have an indoor training session with goal kicking on the sprung floor! Quickly I realised how busy Luke's schedule was he then raced off to facilitate a meeting and recovery/training session with the senior forwards. This, after attending the seniors at the MCG on Saturday, assisting coaching the VFL side in Bendigo on Sunday, completing an edited package of the VFL game with 155 edits Sunday night taking 7 hours before work on Monday morning and all ready to present at 8.00am Monday morning to the players. The set up inside the centre, the amount of staff in the football department and how hectic the morning was being the biggest eye opener!

Returning to the Lexus centre lecture theatre for the VFL meeting regarding their upcoming game against North Ballart before their afternoon training session, the listed players were joined by those on the VFL list. The squad then headed out on the track for their final session of the week. Coaches Gavin Brown, Paul Licuria and Luke Beverage attending their second training session for the day after attending three alternate meetings; these guys are constantly on the go! Participating in this training session was one of the highlights of the week, similar to a session at a local club with only 3 coaches present and a couple of support staff instead of the huge entourage involved in the senior session! It was refreshing to hear calls of follow your kick, get to the fall of the ball, work hard through to the next contest bellowing across the oval, even at this level players need constant reminders of the messages constantly heard every Tuesday and Thursday night across Melbourne at local level!

**TUESDAY:** Monday was busy but Tuesday required far more concentration. Tuesday was used for individual feedback/training sessions for the players. The individual player tapes providing an invaluable teaching tool, watching the players' edits and discuss areas to improve upon with specific examples gave the players real targets to work on during the week and in the weekend's upcoming game! From a coaching perspective viewing 7 or 8 of these individual tapes back to back required a surprisingly large level of concentration.

### FRIDAY NIGHT GAME v North Melbourne

Friday night, I attended the game against North Melbourne and sat in a box with the players in the squad who were not selected. These players were given the task of reviewing their peers on the ground to specific criteria designed by the coaches. These peer reviews were to be discussed with the players participating in the Friday night game early next week. Elements of the game were discussed at times with Luke, specific contests and decisions made on the ground highlighted and debated upon, whether or not the correct decision was made, with this providing a good insight into the players thought process. It would be good to be able to do this week every week! Collingwood won so all are predictably happy after the game!

Senior training followed mid morning with entire squad training together out on Gotch's Paddock, not as close to the Lexus centre as I thought. Walking along the path between the new stadium being built at Olympic park and the freeway in the club apparel, it seemed every 3rd car driving past had something interesting to say as they drove past! Not sure the players enjoy the walk!

With two days inside the VFL coaches' box on match day to follow, the fantastic experience can only get better. I feel extremely fortunate to have experienced and viewed the workings of a professional football environment. I would like to thank AFCA/VAFA, the Collingwood Football Club and Luke Beverage for the experience. Luke's willingness to discuss his coaching experiences and eagerness to assist in my coaching development was another unexpected bonus. Discussing theories scenarios and challenges faced by a coach at local level with Luke proved to be of great assistance, and hey we won on Saturday! Thanks to all involved!

With a short week between the ANZAC day game and the Friday game, training was not overly strenuous or long and the players were all aware of the drills and expectations of the session following a brief meeting before training in the lecture theatre. All coaches, assistances, development staff, conditioning and fitness and medical staff were in attendance at the session, with this group itself almost equal in numbers to the number of players at a mid June Tuesday night session at a suburban club, again reinforcing the privileges players at this level are afforded. Before long the sharp session was over with players seemingly completing it without drawing upon too much energy. Anyone who thinks these guys are not extremely fit are sadly mistaken!

# C SECTION

by Johnny Aitken

Season defining round for the ten C Section teams here with an early grand final preview between Caulfield and Mazenod sure to erect the full house sign at the Racecourse. The powerhouse forwards of the competition in **Scott Gower** and **Andrew Slevinson** continue at 100 goals in a season pace while poor Bulleen Templestowe may have just had the curtain shut on their C Section survival hopes.

## AROUND THE GROUNDS

Match of the day down at Shark Park was a tight affair early with Beaumaris lucky to stay in touch at half time. Ajax had ten more scoring shots yet with the ball being sprayed around in the Port Philip wind, they couldn't go into the main break with anything more than a 15 point buffer. After half time, **Rob Cathcart** in the middle for the Sharks started to get plenty of the pill, finding "Wilgrip" Gower on the teat and the gun forward duly converting his good work to finish with a bag of seven. Such was Ajax's capitulation that they failed to kick a goal after the main break, with **Jeremy Dukes** the sole resistance factor as Beaumaris extended away to a 42 point triumph.

Old Geelong celebrated Captain **Steve Lansdell's** 150th game at Como Park, with the nuggetty back pocket becoming the equal longest serving captain of the club. On the field however, the man of moment was playing fetch as Mr. Benchpress **Anthony Cassell** relived the halcyon days by popping major after major through to steer the Unicorns to a huge early lead. Much of the same after half time with tiny **Luke Campbell** enjoying his day in the greasy conditions as MHSOB inflicted Old Geelong with its fourth consecutive loss of the year.

Down at Monash University, Oakleigh unveiled a new forward weapon in **Trevor Bromely**. In his first game of the year, **Trevor** helped himself to nine as the Krushers kept the Sky Blues winless for 2009 with a 37 point margin at the final siren. Usual suspects in **McKenzie** and **Bartram** were the best for the Sky Blues who face no respite with a daunting trip to Ajax and the probable conclusion they will be zip – five by 5pm on May 16. Daniel Zula shone for the Krushers who now have the **'Trevor & Tim'** show bound to steal more headlines in 2009.

Across to the Nepean Highway where league leaders Mazenod faced a danger game against Parkdale at Gerry Green. It was a case of déjà vu for Vultures coach

**Steve Kennedy** who again ripped into his team at half time after a scoreless second quarter left them 56 points in arrears. They responded with some newfound vigour but once Man-Mountain **Darren Rochford** limped off injured, it was all in vein as Mazenod maintained ascendancy at the top of the table with a 53 point victory

Finally to the Racecourse where a mismatch of sorts turned into what many had foreseen - a blood bath. Caulfield and Bulleen Templestowe traded blows early to be level at quarter time with **Jarrold Prior** full of running for the Bullants. After quarter time, it turned ugly as Caulfield pumped on 30 goals with **Andrew Slevinson** contributing eleven to sit just one behind the Sharks **Scott Gower** on the goal kicking leaderboard. Youngsters **Axais** and **Nelson** were in everything as the Fields pumped up their percentage with a 180 point walloping. Things worsened for Bulleen Templestowe after their full back was rushed to Epworth Hospital with whiplash after watching 34 goals sail over his head.

## PREVIEW

**Caulfield Grammarians (\$1.95) v Mazenod (\$1.87)**  
It doesn't get any better than this with a top of the table clash between the heavyweights of the C Section competition. Mazenod have a seemingly endless stream of goal kickers with **Bogar** and **Jayaweera** pivotal to their success. Masterchef **Ben Carboni** and **Slevinson** are the equal for the Fields in what will be a shootout of epic proportions. Caulfield by a nose.

**Old Geelong (\$1.90) v Parkdale Vultures (\$1.90)**  
With big **Darren Rochford** on the couch eating sausage rolls rather than scoring them on the field, the Vultures lose their 'X' factor and become very vulnerable. This is a crunch game for the **Como** Boys and on their natural amphitheatre by the Yarra, they will get win number one in 2009.

**Ajax (\$1.12) v Monash Blues (\$4.50)**  
Back to their home deck with their throng of supporters cheering every Israelsohn run down the wing and every goal kicked by young sensation **David Fayman**, Ajax can immediately turn around a dismal showing late against Beaumaris. Monash are staring at a fifth straight loss here, Ajax by plenty.

**MHSOB (\$1.90) v Beaumaris (\$1.90)**  
On the tight confines of the Woodfull-Miller oval, Beaumaris will need to adapt their game plan here of 'Mifsud to Gower' if they are going to breakdown the Unicorns. Wayne Arthurs look-alike **Josh Richmond** may get the job of standing **Scott Gower** and if he can limit his effectiveness, MHSOB can give the unbeaten Sharks a real shake. MHSOB by two goals.

**Bulleen Templestowe (\$7.00) v Oakleigh (\$1.05)**  
"I wish I could tell you that Andy fought the good fight, and the Sisters let him be. I wish I could tell you that - but prison is no fairy-tale world". Neither is C Section for the Bullants and with the play the kids policy in full swing, they will outmuscle by a slick Oakleigh and their twin pronged attack highlighted by my man **Trevor Bromely**.

# FOR THE LOVE OF THE GAME...

## PREMATURE CELEBRATION

Still worn out from all those celebrations last year of the 150th birthday of Aussie Rules? Well just hang on a minute. The big party was a year too early. According to renowned historian Gillian Hibbins, the real sesquicentenary of the foundation of our game is today, 17 May 2009.

Gillian, who is the wife of Collegians legend Lex Hibbins and mother of current coach Mark tells us, *"Four men walked up through the gum trees from the small MCG pavilion to the Parade Hotel, now the MCG hotel next to the Hilton in East Melbourne, and quaffing a few cold ones, wrote ten rules for a football code on 17 May, 1859 and provided the basis for Australian Football Rules.*

*They were James Thompson, Argus journalist; Tom Smith, classics teacher; William Hammersley, cricketer and gold-digger; and young Tom Wills, Victorian cricket captain keen to keep his cricketers from getting fat in the winter. They were a sort of sub-committee asked to sort out some rules for the Melbourne Football Club which had begun apparently only three days earlier.*

*They did not want English rules. They had a look at some but used their own experience and the Victorian climate to guide them.*

*Of course there had been football games of various kinds in the 1850s. The publicans were fond of setting up two teams to play for a wager and, of course, to drink in their pubs afterwards along with the spectators. An Old English Sports to be held opposite the White Horse Hotel in Bourke Street on Boxing Day, 1850 advertised "A grand Football Match" along with pig racing, sack racing and climbing the greasy pole. And there were others as the population sky-rocketed with gold diggers from football teams in Scotland and England.*

*Jerry Bryant, publican of the Parade Hotel, was particularly keen. He had supplied a football and advertised the possibility of a kick nearby back in 1858. Scotch College had played Melbourne Grammar at the same time and drew one goal each. They were not playing Aussie Rules either, not yet.*

*And so it was that it took until after the 1858/1859 cricket season was over that the four men discussed and set out the ten rules which form the code that has evolved to become the code played today.*

## REAL SESQUICENTENARY WEEKEND

The VAFA will celebrate this 150th anniversary of the codification of Australian Rules with a Saturday-Sunday A Section twin bill at Sportscover Arena.

Today, it's the reigning premier St Bede's Mentone Tigers tackling Uni Blues and tomorrow, Xavs against Old Brighton.

You can pay at the gate or buy your season ticket for \$60, which is a great deal because it includes all games at the 'Wick and all VAFA finals.

## YOUNG GUNS

The VAFA's under-age competitions produce the stars of tomorrow and this year's first four rounds have seen the emergence of some fine young talent.

### U19

In the Premier Section, the Marcellin duo of Stuart Kemp and Michael Viney are on fire. In North 1, Pierre Seale (Old Carey) and Jake Truefeldt (Banyule/Viewbank) have been catching the eye. In North 2, Tom Foreman (Emmaus St Leo's) and Tristan Parker (Old Xavs) have begun the year in style. In South 1, Zachary Parsons (Caulfield), Rhys McMurray (Old Haileybury) and Panayioti Karageorgiou (St Kevins) are vying for the votes. In South 2, Wade Sanson (Peninsula) and Ed Turner (Hampton Rovers) are burning it up.

### U18

Among the standouts in the Ammos' newest Section are Dean Calcedo and David Le (Northern Bullants) and James Robinson (Old Camberwell)

## RYAN? EYE-IN?

Old Xavs' legend David Landrigan, who has taking up the Reserves coaching reins at Toorak Park after stints at OMs and Caulfield Grammarians took particular delight in reading out his team last Thursday night. "From the backline: D Ryan, P Ryan, A Ryan," he began. It got a good laugh, but the humour was spoilt when D Ryan pulled out before the game injured and the Xavs were beaten by a point.

Our A Section scribe absolutely swears he played in a game years ago where the half-back line had two

flankers who were both blind in one eye. The CHB however, was the one that copped the sledging from the opposition team – he had two eyes and wore glasses, and was heckled unkindly as "four eyes".

"Get off the ground, you goose," was a refrain heard on Saturday at the U19 game between Rupertswood and Uni Blues. In fact, the game had to be stopped because a gaggle of geese had invaded the playing arena. In our picture, umpire Sean Scully Sr. has just penalised the geese for prior opportunity and is attempting to pull them back 25 metres for over-demonstrative behaviour. The Uni Blues coach in the foreground shows his delight at the interruption. Thanks to Matt Embling for the pic.

## CAREY CLUB RECORD

Old Carey's Kelvin "Shrugger" Shrivess will break club legend Ian England's games record for this weekend against Werribee. Shrugger will run out in the black gold and blue for the 326th time after first pulling on a woollen jumper in 1987. Kel has long been a fixture in defence for Old Carey; renowned for his uncompromising attack on the ball and his regular dashes from the back fifty. Recently he has seen action on-ball and up forward, where his trademark intensity is still a feature, unlike the flowing locks that have long disappeared. Shrugger is one of those indispensable individuals who forms part of the heart and soul of Old Carey, having filled many official and unofficial leadership roles over the years, including 1997 E Grade Reserves premiership captain, and Carey look forward to him being part of the club for many more seasons.

We here at FTLOTG join everyone at the club in congratulating Kelvin Shrivess on his great achievement and look forward to his next 326 games.

## NO COUNTRY FOR OLD MEN 2

Ormond's Matthew McConvill, the 250+ game veteran who turns 39 during this year's finals and played rep footy as far back as the 1980s gained a new fan last week. His 97 year-old grandmother attended the club's lunch and saw him play for the very first time.

At the junior end of the scale, there are 16 players on the VAFA books who turn 16 this year. Then again, these records are only as good as the data that is input by the clubs and a glance through the lists reveal several registered players who are due to be born as late as 2080. This is either a case of wishful recruiting (difficult given the signature requirement) or data input entry.

## SNAKES AND LADDERS

D2 is only section without an unbeaten team. B is the only Section where all teams have points. In C Reserve, Mazenod has a whopping percentage of 415.38 – close, but no cigar: Caulfield is even better at 418.46

## REP SQUADS

Initial squads for the VAFA's first round of representative football on the June long weekend have been named and can be found at [vafa.com.au](http://vafa.com.au)

They will appear in the Amateur Footballer next week. The coaches of the respective squads this year are: Senior: Dean Anderson; C-D4: Mark Lowe; U23: Mick Dwyer; U21: Ben Robertson; and U19: Murray Browne.

## DINING AROUND

VAFA board member Tommy Brain reports that the Mother's Day Lunch at St Bernard's was extremely well attended. He adds that the ladies were enjoying themselves so much and making so much noise that Bernie's President Mick Overman had to go downstairs to borrow an Acme Thunderer to whistle them to attention. After a few shrill blasts, he introduced former Bernie's premiership player, football broadcaster and author Paul Daffey to speak about his new book, the A-Z Almanac of Football. Daffey also writes the VAFA piece in Monday's Age.

## ROUND FOUR REVIEW

After an even first quarter at Soldiers Reserve, Werribee took the game by the scruff of the neck, eventually overwhelming Aquinas OC by 105 points. It was industry rather than flair that set the tone for the Tigers, with ruckman Darren Morrish and defenders Nathan Addamo and Matthew Dean creating plenty of opportunities for the likes of Andrew Taylor.

In the clash between two of the pre-season fancies, Fitzroy put in another excellent all-round performance to defeat Old Mentonians by at Brunswick Street Oval by 33 points. Each team had their period of domination, with the Panthers gaining a break, only for the Roys to respond and restore parity to the scoreboard. Fitzroy opened the final term with the first five goals, and despite the visitors rebounding with three quick ones of their own, the Roys steadied to clinch an important win.

Whitefriars picked up a crucial victory over fellow early season strugglers Prahran, securing the match by a 38 point margin at Donvale. The performances of ruckman Adam Sleight and wingman Josh Chapman, along with Blayne Dempsey's four goals from centre half forward, were the main highlights for the Two Blues. The Friars' Ben Janson, in his 150th game, was a driving force for the home side.

In other matches, Rupertswood continued on their merry way with a comfortable 46 point win over St Leos Emmaus at the BSG, and South Melbourne Districts' efficiency in front of the sticks got them over the line by four points against NOB/SPC at Lindsay Hassett Oval.

## ROUND FIVE PREVIEW

NOB/SPC host Werribee at Gillon Oval. Despite their narrow loss last week, the Cobbers would have been heartened by Michael Barker's half dozen goals in his first game for the year, and will need to serve up plenty more to give the home side a strong chance against a Werribee combination who have adjusted quickly to this level of footy. More heartbreak for the Cobbers unfortunately, Tigers to win a close one.

At Keysborough, Old Mentonians take on Whitefriars, both teams sitting 2-2 and fourth and fifth respectively. So far, it's a case of déjà vu for the Panthers, much like their indifferent start to last season, so they will not want to leave their run for a top two position too late in the season. The Friars will be reasonably encouraged

by their start so far, and a win here may well see them catch fire. Panthers for mine.

South Melbourne Districts make the journey to Sunbury to challenge the might of high-flying Rupertswood. Both sides have plenty of firepower up forward (Jack Cronan and Marty Costello for the Bloods, Leigh Brennan and co. for Rupo) but Rupo simply look too classy across the paddock. Rupo it is.

Two of last season's D1 strugglers, Prahran and Aquinas OC, meet at Toorak Park. Prahran look to have continued on from last season, while Aquinas, after an impressive start, have taken a couple of batterings and returned to the pack. The Two Blues may well see the Bloods as the perfect opportunity to break their duck, likewise the visitors may perceive Prahran as the ideal opponents to play themselves back into form. Compelling reasons to pick one team or the other, but using my special two sided flat disc issued by the Royal Australian Mint, I'll take the Bloods today.

Brunswick Street Oval is the scene for the match between Fitzroy and Emmaus St. Leos. Isaac Hughson has been a useful presence up forward so far, and the Roys will be well placed at the end of the season if he can continue getting three or so goals a week. Chris Meighan, not previously renowned as a goal kicking threat, will be looking to bother the scorers for a third consecutive week. Roys to win.

## CORRESPONDENCE

In order to meet publishing deadlines, please submit your match summaries by Monday 5pm via email to theqwill@hotmail.com (milestones should be via jess@vafa.com.au). It would be great to get a response from every club, each week, as I am interested in giving each club equal time.

## M I MILESTONES

Werribee Amateurs congratulates **Andrew Tedesco** plays his **150th game** of amateur football with the club today. "Teddy" a former junior of the club played under 19's in 2001 before moving to the senior side in 2002 a hard on baller, two time best and fairest winner and premierships player. All the best to "Teddy" for today and the rest of his career.

All at **Whitefriars OCFC** congratulate **Ben Janson** on playing his **150th game** for the club last week. Since his debut in the under 19s in 2000, Ben has displayed the speed, skill, courage and consistency that have made him a legend at the club, culminating in him winning the **Senior Best and Fairest** for the past three seasons. Well done, BJ, we all look forward to many more appearances in the blue and gold and white.

**Old Mentonians** congratulate **Rowan Ball** who plays his **150th game** for the club this week. Rowan started with the club in the under 19s about a decade ago and quickly showed he was going to be a long term Senior player. Rowan is one of the more experienced players at the club and is a **Vice Captain** this season. Playing across the half back line and the wing, his penetrating kicking has provided us with plenty of drive over the years. Injuries and an overseas sojourn have delayed his career at times, but he will be relieved to reach this significant milestone. Well done Ballsy!

**NOBSPC** congratulates club **Captain Chris Hosking** who plays his **150th game** this week. The Stawell boy started at North in 2001 as a forward, though he soon became one of the VAFA's finest defenders. He's been the back-bone of the senior side for several years, with a **B&F** and the honour of **state representation** sitting comfortably by his name.

# UMPIRES CORNER

by Steve McCarthy & Leah Gallagher

### Autumn

Gotta love this time of year when the leaves change colour and fall to the ground. Well the leaves are not the only thing to fall to the ground. In the umpiring family, **Peter Anglis** while umpiring last week at Old Brighton came a cropper during the game and found his backside firmly planted to the turf wicket in the centre. Nothing unusual about that, we all have a fall, but **Peter** couldn't help himself and had to fall another three times during the game. **Peter's** blaming the rise of the turf wicket but the strong southerly coming off the bay might have helped.

### Umpires 1 v Players 0

**Tom Windlow** now has a headache after colliding with an Old Haileybury player last week. After a field bounce **Tommy** backed out into a player, a clash of heads resulted and blood was everywhere. **Tom** had his head cut open and the player lost two teeth, finally it was a blood rule on the umpire and **Tom** was whisked off the ground for treatment. Partner **Tim Sutcliffe** ran the game on his own for a little while hoping that **Tom** would return to the field. **Tom** returned with a head bandage, clean shirt and a couple of Panadol, we thank the trainers for looking after him and hope the Old Haileybury player asks Santa for two front teeth this Christmas. See photo right.

### Mothers Day

Last week most clubs would have had a function for Mothers Day in some shape or fashion. **Richmond Central** went another step and after the clubs wins they put all the mums inside the team circle and got them to lead the team song. Then they were treated to some good old fashion champers for the rest of the night.

### Thank you

**Anthony Damen** would like to thank both the **Elsternwick** and **St. Johns** clubs for the gracious way they helped in celebrating his **400th Vafa game** last week. A very memorable moment and much appreciated by Anthony as both teams lined up giving him a guard of honour as he walked onto the ground. This left him speechless (which we know is a rarity) and a little emotional to start the game. The Wickers presented **AD** with the match ball at the after-match as a great keepsake for him to remember such a great day and fantastic career, which is absolutely nowhere near the end. The after-match was packed and it was a great example of what it's like to belong to the Vafa "Family".

To both clubs thanks, and to **AD**, 500 is not too far away. See his interview with **Joel Morrison** (and interesting photo) at <http://www.vafaua.asn.au/milestonesandpromotions09.html#mp04>

### First Milestone

Congratulations to **Sig Sokolowski** who steps out in his **50th Vafa game** today. **Sig** has and continues to umpire in many other competitions around Melbourne and whilst not new to umpiring is relatively new to the Vafa. He regularly doubles-up and usually rushes from a morning junior game to a senior game in the afternoon. A little known fact about **Sig** is that his past life was that of an elite athlete. He was an Australian champion as a 20km walker, but for those who have seen him on the training track or during a match will agree that he is no longer pedestrian.

### Benny's Rule of the Week

#### THE ADVANTAGE RULE

#### 17.3.1 Paying Advantage

Where the Field Umpire intends to or has signaled that he intends to award a Free Kick to a player, the Field Umpire may, instead of awarding the Free Kick, allow play to continue if the Field Umpire is of the opinion that doing so will provide an advantage to that player's team.

#### 17.3.2 Recalling the Football

Where the Field Umpire has allowed play to continue instead of awarding a Free Kick to a player, but having done so, it becomes immediately apparent to the Field Umpire that allowing play to continue did not provide an advantage to the player's team, the Field Umpire shall stop play and award the Free Kick to the player where the infringement occurred.

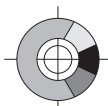

**It should be noted, that should a player obtain a play on advantage call and through a skill error by that player the Field Umpire would not recall the football.**

### Social

**International Beer Night at Elsternwick on May 23rd.** See **Leah** for details and keep your eye on the website [www.vafaua.asn.au](http://www.vafaua.asn.au)

Another website to check out is [www.southernfm.com.au](http://www.southernfm.com.au) hit the "Live Stream" icon at the top at **9:30 on a Sunday morning** and you'll be lucky enough to hear **Tommy & Macca** on **Vafa Sunday** as they look at the weekend's games usually in an irreverent manner.

## RESPECT THE UMPIRE – RESPECT THE GAME!!

# D2 SECTION

by Caillin O'Shannessy

Therry Penola pulled off a miraculous win against Peninsula last Saturday, with a goal after the siren sealing a victory by the narrowest of margins. The win sends TP to the top of the ladder, while knocking Peninsula out of the four. The hard fought contest became a shootout, with both teams hitting the front at different times throughout the day, and the lead changing five times in the last four minutes. **Ben Harding** in the ruck was Therry's best, he was well supported by **Mark Tsitonakis** and **Dan Madden** through the midfield. In this form Therry Penola should beat Paradians this week. The Pirates will not be too disappointed with such a gallant loss, and have plenty of positives to take from the game. The fine debut by **Jarrold O'Connor-Price** and the effort of **Brett Brisbane** at full back will generate plenty of optimism for this rounds clash with Ivanhoe.

Eltham avenged their 2008 Grand Final loss in the rematch against Williamstown last week, in a very solid team performance. Williamstown were unable to keep

up their winning streak out at Eltham, falling short in a 34 point upset. The loss knocks them off the top of the table, but expect the CY's to bounce back quickly this week against Yarra Valley.

After two quick goals from Willy, Eltham took control and booted seven goals straight in a blistering first quarter. Williamstown were never able to bridge the gap, and Eltham proved once again that on their day they are as good as any side. **Reece Bux**, **Matt Crooks** and **John Galvin** in the midfield were amongst the best in a very even team performance from the Turtles, who face another challenge in Banyule this week.

Westbourne's first home game for the season against Ivanhoe was a lackluster affair, such was the poor delivery coming in to the respective forwards for most of the match that it was a battle of rebounding defences thanks to swirling winds. The Warriors dominated the

second and third quarters, outscoring the 'Hoes eight goals to one. To their credit, Ivanhoe did not give up, causing a scare in the slumbering Westbourne camp and coming within 14 points in the last. However it is hard to see Ivanhoe overcoming Peninsula this week, who should rebound strongly. **Frankie Pavez** and **Charlie Hunter** were good for Westbourne, who should win comfortably again this weekend against Glen Eira.

Banyule have crept into second spot, going about their football in a workmanlike manner and frequently getting results. Glen Eira remain winless this season and it was another long day at the office for the Sainters, who could not get closer than about three goals all day, despite the best efforts of **Andrew Spink**, **Thomas Paterson**, and **Chris Massis**. The light at the end of the tunnel for Glen Eira is round seven, when they will face off against Yarra Valley. Until then, the path remains dark. Banyule versus Eltham this weekend will be an enthralling contest, with each side as capable yet unpredictable as the other.

Yarra Valley is the only other team without a win this year, after snatching defeat from the jaws of victory yet again last weekend. After leading the Paradians all day YV fell at the last hurdle, dropping another winnable game and bringing their season into crisis. The news gets no better for Yarra Valley, facing Williamstown this week who will be keen to get back on the winners list. Paradians sit comfortably on two wins two losses, but also face a challenge this week against the in-form side in the competition, Therry Penola.

# ... Retrospective

by Geoff Reilley

## 5 YEARS AGO – 2004

**C Section** Scribe, **Glen Harrison**, reported on the **Caulfield Grammarians** versus **Glen Eira** game having tipped the Fields to win comfortably. It looked as though Glen was right on the money as Caulfield played an excellent first quarter only to let Glen Eira in with a couple of late goals. The Fields increased their lead by half time, 6 goals up, and relentlessly wore on in the third term to have the game completely under control. They lifted the bar further in the last quarter, scoring 8.8 to 1.1 and Glen /Eira looked to be in for a long season. Best players – **Kendall, Fagan, Baxter (7), Guyett, B Sinclair, Sharpe** (Caulfield) and **Clements, Taranto (4), Pryde, Chandler, S Diamond, Fossey** (Glen Eira). **Ken McNeice** and **Lionel Katz** were the field umpires.

**C Section Senior Coaches** were – **Phil Davis** (AJAX), **Merv Keane** (Caulfield Grammarians), **Phillip Bassis** (Glen Eira), **Brett McIlwraith** (Hampton Rovers), **Dave Skinner** (MHSOB), **Jon Edgar** (Monash Blues), **Michael Sigalas** (Old Camberwell), **Tony MacGeorge** (ParkdaleVultures), **Darren Turner** (Emmaus St Leos) and **Chris Bye** (Therry Penola).

**Ormond** destroyed **Yarra Valley Old Boys** to the tune of 17.15 to 8.7 and their 10 goal opening quarter was the main difference. With multiple goal kickers Ormond had all the answers to any challenge that the Yarra Valley boys could devise. Ormond now shared undefeated status with Uni Blacks. Best players – **Wells (3), Beckett, Cook, Keleher, Russell, Palling** (Ormond) and **Stevenson, Cooper, Valoppi, Yeo, A Laing, R Drew** (Yarra Valley).

**Old Mentonians** welcomed a new member to its **200 game club**, **Chris “Wombat” Dwyer**. Wombat had been a tremendous servant of the club and had won multiple reserves best and fairest awards. He had forged a great career with his hard running and determination plus being in the right place at the right time!

**D Section coaches** were – **Steve Bell** (Aquinas), **Greg Whitcroft** (Banyule), **Graham Burgen** (Fitzroy Reds), **Peter Russo** (Old Mentonians), **Adrian Connolly** (Ormond), **Julian Sill** (Peninsula Old Boys), **Leigh Stafford** (Prahran), **Peter Turley** (Salesian Old Boys), **Anthony Parkin** (Uni Blacks) and **Tim Kilworth** (Yarra Valley Old Boys).

**Leah Gallagher** and **Steve McCarthy** were writing the

## “Umpires Corner”

column and were pleased to confirm the arrival of the white goods that would make the kitchen in their clubrooms fully functional. They were also pleased to report that their Annual Trivia Night continued to grow with well over 100 participants. **Dom Napoli’s** family finally broke through for a win after trying valiantly for the past 4 years.

## 10 YEARS AGO – 1999

In excellent conditions at Elsternwick Park, **C Section’s Prahran** and **St Leos Emmaus** staged a very even first half in an important game to keep clear of relegation. Prahran held a slight advantage at half time but increased the pressure in the third term and their big guns made sure of victory in the last quarter; final scores 18.18 to 13.9. Best players – **W Walford, D Putamorsi, P Putamorsi, Kiley, Aitken, A Pitts** (Prahran) and **Vaughan (5), McKenzie, Ronchi, Brown, Bonnici, Dincolantonio** (St Leos).

In **D Section**, the **Monash Blues** versus **Old Camberwell** was a great contest and Monash left it very late before rattling on some quick goals to “take the chocolates” 15.15 to 11.16. Best players – **Gregory (5), McLelland (4), Caldwell, Smith, Logan, Furnell** (Monash) and **Bryson, Inkster (5), Imberger, Young, Bryson, A Hanson** (Old Camberwell).

**D Section Coaches** were **Rick Marks** (AJAX), **Andrew Crosby** (Aquinas), **Paul Nigro** (Bulleen Templestowe), **Geoff Reilley** (Caulfield Grammarians), **Serge D’Angelo** (Kew), **Dave Rogers** (Monash Blues), **Matthew Hanson** (Old Camberwell), **Glenn Taylor** (Old Carey), **Gavin Keane** (Old Essendon) and **Jon Sculley** (Parkside).

**Norman Elliott** played his **100th game** for **Whitefriars Old Collegians**. Norm was an excellent Clubman and the Friars looked forward to many more games and years of service from him.

Down at **Peninsula Old Boys**, there were three “centurions”. **Steve Parson**, a relentless tackler and attacker of the ball, **Sam Claringbold** whose versatility enabled him to play at both ends of the ground and **Anthony O’Neill** were all congratulated by their club.

## 20 YEARS AGO – 1989

Continued dominance by **Old Haileybury** was evident in the **C Section** match of the round against **Banyule**. It was a classic display with 49 goals kicked between the two teams but Haileybury proved to be the stronger and were now undefeated. They had raced away to an early lead before Banyule fought back to take a slender lead at half time. A highly entertaining third quarter saw Haileybury only 2 points ahead but with an 11 goal final quarter they fully deserved their victory. Best players – **W Phillips, Connell, Baxter, Carty, Gerny, Seccull** (OH) and **Adams, Holt, Ladd, Dale, Gibson, Fraumano** (Banyule).

Another entertaining game took place between **Powerhouse** and **State Bank (D Section)** at the Harry Trott Oval. 11 goals were scored in the first term, 7 of which were from the Bankers. Gradually increasing their lead the Bank looked to have it “in the bag” at three quarter time with a 6 goal lead, and, so it proved with the final scores 18.19 to 12.16. Best players – **Beare, Beer, Aumont, Cloke (5), Gneil, Goldsmith** (State Bank) and **Newland, Hansen, Miller, Stone, Hollowood, Stafford** (Powerhouse).

**Gary Rosewarne**, **Elsternwick’s** living legend, notched up his **300th game**. “Lumpy” had commenced with the Wicks in 1970 and his record was very impressive. **Senior Coach** (1981-88), **4 time Best & Fairest**, 3 times Runner-Up in the Best & Fairest, **Club leading goal kicker**, **Competition leading goal kicker**, **State representative** and **Club Life Member**. Elsternwick were extremely proud of all that Gary had achieved in his illustrious career.

## 30 YEARS AGO – 1979

The **1979 Carnival Training Squad** had been announced - **Halassa, Groves, Beddoe, Dunne, Bourke** (De La Salle), **Shepherd** (Ivanhoe), **Welch, Wilson, Dillon, Borcich, Wigney** (North Old Boys), **Brown, I Cordner, Pisarski** (Old Melburnians), **Tallent** (Old Scotch), **Naylor, Bourne** (Ormond), **Wade, Aughton** (St Bernards), **C Cordner, Costello, Perrett** (Uni Blacks), **Yeo, Trumble, Sleeman, D Curnow, Davies, Dobbie** (Uni Blues), **Rice** (Collegians), **Marchesani** (Marcellin), **Houghton, Paul** (Old Haileybury), **Nelson** (Geelong), **Blay** (Kew), **J Priestley** (Old Brighton) and **White** (St Kilda CBC).

In **A Section**, **Old Melburnians** recorded their first win for the season against ladder leaders, **Uni Blues**. With an abundance of talented players representing both teams, they turned on a fine display and only 5 points separated the combatants at half time. OM’s made their move in the third term kicking 6.6 to 1.6 and seemed to have the game

sown up at three quarter time. The Blues had other ideas and made a charge but errant kicking cost them a real chance of victory as OM’s finished in front at the bell, 18.13 to 14.18. Best players – **Yeo (8), Morphet, Murray, J Thomson, Brown, Mitchell** (Old Melburnians) and **Cortese, Trumble, Tyquin (6), Sleeman (3), Whitehead** (University Blues).

In **B Section**, **AJAX** came from behind at three quarter time to run out winners against **Marcellin**, 14.17 to 10.11 and stay in touch with the top four in a very even competition. Best players – **H Ritterman, M Ritterman, Korn, Kaye (4), Aarons, Fayman** (AJAX) and **Aloisio, Holmes, Denning, Toomey, Butler (4), Gartner** (Marcellin).

## 40 YEARS AGO – 1969

**Old Carey** gained some comfort from their defeat of **Old Melburnians** in **C Section** 7.11 to 6.8 and hoped this would be the catalyst for continued improvement. It was ‘nip and tuck’ all day as both defences held firm. Best players – **Sharp, Raymond, Cornell, D’Ambrosio, Watson, Johnston** (Old Carey) and **Brown, Gillespie-Jones, Orchard, R Thompson, Hallo, Urquhart** (OM’s).

In **D Section**, **St Pats Old Collegians** stormed home in a fluctuating match to take the four points against **West Brunswick**. This win enabled St Pats to grab a spot in the top four and hopefully consolidation for the season ahead. Best players – **Thrum, Ziebell, Brady, Chaplin, Fry (3), Murray** (St Pats) and **Fedati, Lewis, Martin, Morris, Murray, Ryan** (West Brunswick).

Two **State Savings Bank** stalwarts recorded milestones – **Ian Reade** notched up his **200th game** and **Barry Coghlan 100**. **Ian** played his first game in 1957 and was known for his consistency. **Barry** was recruited from **Dimboola** and both lads enjoyed similarities with interstate selection and **Club Best & Fairest awards**.

## 50 YEARS AGO – 1959

Despite a brilliant third quarter burst by **Hampton Scouts** in the **Junior Section**, **Alphington’s** clever play-on football and physical strength enabled them to run out decisive winners, 20.23 to 11.10. Best players – **Emselle, Humphries, K Harris, McCormick, Wylie (4), Fuge** (Alphington) and **McGregor, Wilson, Smith, Bear, Currie, Warren-Smith** (Hampton Scouts).

In was all one way in the **Old Scotch** versus **Bellfield Junior Section** match with the Cardinals kicking 33.33 to 2.2. The goals were well spread for Scotch. Best players – **Tindale (3), Law (5), Humphrey, Christensen (5), Sneddon (6), Ensel** (Old Scotch) and **Barlow, Bate, B Bloomer, Newman, Dunne, Eldridge** (Bellfield).

# D3 SECTION

by Stephen Clarke

Change happen very quickly in VAFA footy. It seems not long ago that Old Carey played Yarra Valley in a Section D1 final. Now Old Carey face B Grade opponents whilst heading our way (possibly here to Section D3) is Yarra Valley who are winless this season. That's taken three seasons for two teams to be four grades apart. The final was close . . .

St Francis Xavier is a club in a hurry. I was listening to Inner FM radio on Saturday and was surprised by no mention of this club and their early VAFA exploits. I have to say I like this outfit a lot. They ventured to East Caulfield reserve last week and were short favourites against a depleted Monash Gryphons side. Yes, they should have won. But they won easily. **Glenn Pearson** slammed home eight goals, a new club record. **Jess Mathers** impressed everyone again this game. The team seem to have the required class in the key areas on the field. Monash do not. But they worked hard all day and **Jono Watson** enjoyed game number 100 with some flashes of brilliance. On the flip side, the X Men Reserves side is without a win so do we question their depth if the injury plague strikes them like it has the Gryphons? But then again, we are talking hypothetical's, which I tend to think coach **Lenders** doesn't do.

It was a bit ugly at Brunswick but Bentleigh were good enough to get the chocolates and go to a sound four zip start. They have a dominate midfield, and the red and blue side use the ball very well. West Brunswick worked hard at the stoppages all day, and **Jarrod Sudholz** provided a good forward target, but there weren't enough other positives to be found for the Magpies. **Adam Ferris** continued his excellent form here for the away side and would be figuring in competition votes for a best and fairest.

Three years in to this role and I miss my Elsternwick match reports. Please send me something! I liked the home team chances this week even if **D Smith** was a notable absentee, but in the second half St Johns got down and dirty with some party tricks to inflict a solid home loss for the 'Wicks. A great start helped the Jocs get away to an early lead and again came out firing in the 3rd quarter to kick 7 goals to just the 1. **Matthew "Fanny" Phaendonos** had a great day to celebrate his **100th game** with St. Johns OC. Young **Glenn Costas** from the U18's played his first ever senior game and delivered three good goals.

I also thought at Ferndale Park things might have close between the 'House and St Mary's Salesian. Incorrect. **Darren Hill** kicks eight goals on **Edwards** and Go and it was all over early. It is now obvious that the men in yellow and black are happy and humming with a near full strength squad. **Cameron Armstorng** continues to produce his own Sherrin and runs amuck for the home side. **Whelan** and the little general **Sosic** were brutally honest for the Piranhas but simply not good enough.

Finally to Brens Oval where the 'financially' responsible Uni High have inflicted more pain to a Hawthorn campaign that has officially derailed now. I remember sitting here last season telling you all about this great Hawks offence. They had three behinds at half time. Not much more can be said. **Rhys Kirk** had seven goals himself for the game to have twenty now for the year. **Halliday** had a great day also.

Next time you are at Brens get involved in the 'Individuum' Sharpshooter Goal kicking Comp'. There is money to be won and I am assured this is a sound financial product suitable for generation Y. I myself will get the adidas hero's on for the day and drill the ball with the usual unreliable left boot to see what damage I can cause to a young spectator. Get involved!

### TIPS –

Four last week. But some might say this is the biggest round of the season for many reasons

St Francis Xavier will all but end the season for the Hawks with a crushing defeat. St Johns can do likewise to the Gryphons. I can not entertain upsets here. Uni High in what appears to be close against Elsternwick might just fall in. Really big game for two sides in the middle cluster wanting to progress north up the ladder. University by seven points. Bentleigh to make it five on the drive against the Piranaha's by five goals. The big game at McAlister where the Magpies must produce an amazingly disciplined and team orientated performance to beat St Marys Salesian. I think it could be close if things get going early. St Mary's by a single goal.

## M I MILESTONES E S

**Bentleigh** congratulates **Jamie Vlahos** on **50 games**, Jamie cam to the club and played early senior footy before injury returned him to our under 19's, Jamie possesses great pace and delivery to teammates, recently back in the senior side we all wish him well and good luck.

### 100 Games - Monash Gryphons

All at Monash congratulate **Jono 'Rubberman' Watson, Vaughan 'Milkin' Coffey & Jason 'Bluey' Harrak** for notching up **100 games** this weekend against SFX. **Jono's** trademark 'high marking' has been a welcome return to the Senior team after a couple of seasons overseas. **Vaughan** has shown great leadership over the years and is serving his second year as reserves skipper with superb valour. While **Jason** is one of the Gryphons true 'hardmen'. An 'in & under' utility who has played a host of positions in recent seasons, but seems to be finding his niche as a senior onballer. Well done to all.

### 50 Games - Monash Gryphons

**Ben 'Ethereal' Rose** brings up his **50th game** for the Gryphons this weekend. **Ben** has been a catalyst for many recruits to Monash over the past four years and we commend him for his service and loyalty to the club.

**ROUND 4 WINNER  
 SCOTT GOWER  
 (BEAUMARIS)**

Scott Gower of Beaumaris is the **Club Warehouse Rising Star** for R4. He has been sensational in Beau's first four games, kicking 23 goals and providing a great target for the Sharks. Scott's mild and placid manner belies his attack on the football. As well as scoring goals himself, he is a very good team player who brings others into the game. From his early practice form in 2008, Scott showed he had potential not only for the U19s, but for the senior side. Scott's performance at last year was very promising and he held his own against bigger and more experienced opposition. Over the summer months, Scott increased his body strength and fitness and the results are evident.  
*Congratulations Scott.*

**Coach of the Month**

Every month during the 2009 seasons, one coach from the Senior sections and one from the U19/U18 sections will be selected as the Coates Hire Coach of the Month. These awards recognise the achievements of coaches throughout the ranks and not always the coaches in charge of teams at the pointy end of the ladders. Clubs are welcome to nominate coaches for these awards and nomination can be sent through to Jeremy Bourke ([jeremy@vafa.com.au](mailto:jeremy@vafa.com.au)). All coaches selected will be invited to the VFA's Coach of the Year function and potentially selection as a finalist/winner in the Victorian Coach of the Year Awards announced in November.

AFCV/VFA would like to again acknowledge and thank Coates Hire for their continual support of the Coaches Association and their awards.

The season is starting to take shape now with seven teams drawing ahead of the other five. The Falcons and La Trobe are still undefeated, and do not face each other until round eight. With seemingly only Richmond Central standing between the boat racers and a clash of two undefeated sides in that round, there may be a few more one-sided clashes in coming weeks. From round eight on though we will start see how good Albert Park actually are with matches against the Uni, Kew, Richmond Central and Mt Lilydale. In fact with all the top sides playing each other over that period, there may be the opportunity for a South Mornington or Eley Park to sneak above some of these more highly rated sides and put themselves in the driving seat for a finals berth.

Albert Park appears hell-bent on making a mockery of the match of the round fixture (in fact I may never allocate them again after another belting of a highly rated opponent). The game was all over at quarter time as **Brendan Murnane**, with nine goals for the match, helped the Falcons pile on ten goals to the Razorbacks one. The absence of a few key players could not have helped Swinburnes cause, however even Mal Michael's biceps would not have been large enough to repel Albert Parks multipronged forward line. **Michael Manning** worked hard to no avail as Swinburne fell before the Falcon juggernaut. At Elgar Park, La Trobe once again almost mirrored the Falcons, with a ten goal to two first quarters against the Demons. The efforts of **Joshua Tambakis** were in vain as **Stuart Patten** with ten goals, and the in-form **Leigh Coffey**, led the rout. My information from this game was scant; however I understand that **Padraig McCormack** played his best game for the year for Latrobe.

Richmond Central is shaping (with their 'matching jumper' colleagues) as the big improvers of season 2009 and at this early stage appear to be genuine premierships contenders. The loss of the big fish appears to have had little impact with more players putting up their hand, more space for **Nathan Nuske**, and well, more goals. This week North Brunswick bore the brunt of the Snakes fury as **Nuske, Roo**, and **Adam Fiske** set about dismantling the northerners. First season player **Josh Dimarco** was good

for the losers, who will improve. I know I keep saying this, however they have a very even list, and it will take time to work out the best 22.

Kew also jumped out of the blocks against the Synners, and despite some inaccuracy was able to set up a ten goal buffer at half time. **Craig Home** belied reports of injury with nine goals, whilst the return of ruckman **Greg Bell** from groomsman duties, gave the Bears first use of the ball. Chadstone again showed improvement in the second half, but need to start better to win games. **Andy Ryan** was very strong for the Synners with five second half goals.

Both Mt Lilydale and Manningham have suffered from injuries over recent weeks, and both were determined to fight hard for the four points at the mountain college. What ensued was a tough, 'no holds barred' arm wrestle as both sides fought hard for ascendancy. The first half see-sawed with first the Rams drawing clear, then the Cobras evening the score as half time beckoned. The second half was goal for goal until **Justin Roberts** and 'best on ground' **Jessie Pulka** helped Mt Lilydale sneak over the line. In the 'section of sharp-shooters' **Tim Fradkin** booted nine for the Cobras while big **Terry Young** was impressive in the ruck. South Mornington were determined to bounce back from their drubbing by the Falcons, and did it in style with an eight goal to one first quarter setting up their big win over the Eley Park. **Scott Smith** continued his fine form in the ruck for the Tigers, and with another of the sharpshooters, **Rhys McConville-Brain** converting well, the Sharks were quickly swamped. **John Alexandridis** worked hard to drag Eley Park back into the match, but it was to no avail as South Mornington returned to the winners list, and left **Ken Schwab** with some head scratching.

### ROUND 5 PREVIEWS

Unfortunately tipping this week appears very simple with possibly only one game looking to be a close encounter. Eley Park and Manningham hopefully may prove me wrong, but I think there may be some ugly scorelines on the weekend.

#### Match of the Round

**Swinburne Uni v Mt Lilydale:** This shapes as a key match for both sides, with the winner staying with the top five and the loser probably dropping two games out. Both sides have shown sparks of brilliance whilst not quite converting how they would have liked. The return of **Haydn Moyes** will buoy the Rams who may just upset Swinburne at the pen

unless the playing super-Prez, **Jeremiah**, can lift the home team; **Rams** by 7 points.

**South Mornington v Box Hill North:** Five games against the top five teams is anybody's nightmare and I cannot see the Demons waking up from this one yet; **Tigers** by 68 points.

**Nth Brunswick v Albert Park:** The green and gold have also had a similarly tough draw and do not have the players to hold **Maunder, Murnane, Dallas** and co., despite some close encounters over the years; **Falcons** by 44 points.

**Richmond Central v Chadstone:** The Snakes seem to be sneaking under a few radars, with the very close loss to Albert Park in round one largely ignored when premierships contenders are being discussed. Richmond's on-ball division is particularly impressive and Chadstone would need to start well to be any chance; **Centrals** by 56 points.

**Manningham v Kew:** This builds as a bit of a local derby with some rivalry stemming not only from locality but from several players having represented both sides. The Cobras will give a good account of themselves, and Kew will have to be very careful or there could be an upset. I think they may just account for the home side by 11 points.

**Latrobe Uni v Eley Park:** The wide open spaces will suit the Sharks runners, and they will be determined to atone for last week. I feel the boat racers have a bit too much class across the lines but an upset would not surprise; **Latrobe** by 28 points.

Please submit Reports by midday Monday. Thanks again to all contributors. Next week I would like to run an article on rising stars, so please submit names, age, and playing position of your club's rising star to [deejaypalmer@bigpond.com](mailto:deejaypalmer@bigpond.com)

## MILESTONES

**North Brunswick** would like to congratulate the following players: **100 Games - Trevor 'Axe' Ackland** Well done to **Axe** on reaching **100 games**. A no nonsense attack the ball at all costs player **Trevor** has become one of the most popular players at North. With his deadly left foot and deft side steps he is a vital part of any team he is picked in. **Trevor** has become one of the leaders of the club and all players young and old have plenty of respect for his dedication to the Green and Gold cause.

### 250 Games - Ange Sammartino

Also well done to **The Wiz** on reaching **250 games**, a former coach of the club he has shown how dedicated he is to North Brunswick by doing another exhausting pre season and fronting up for another season. Although his body keeps telling him enough is enough he has said 'Not Yet' and continues on. Having held various positions on the committee as well as coaching he is North Brunswick through and through. A popular person right through Amateur ranks he is well respected by all his peers.

# Under 18s

by Joe Morsello

### Joey's Jargon

As I awoke Sunday morning, I raced to the kitchen table with not only the thought of whether I should have scrambled or fried eggs for breakfast, but also the eager anticipation of reading through the VAFA result pages in the back sport section of the Herald Sun to find the Under 18 scores and how my tipping fared. My first thought in seeing the results was; Northern Bullants are the side to beat 09. With a tight close knit group and without the continued changes to the side that other U18 clubs experience with Senior / U19 teams to pluck their players, they will provide very stiff competition for anyone they come up against. My second thought was that due to clubs having to deal with the ins and outs of players playing in higher grades, that this section of footy is of a very even standard and to use an old cliché, any side on any day can win.

### Last Week

The early premiership favourites (Sorry Bullants, I'm taking the lid off) travelled down the road to Brens to take on a Uni High side that gave a little bit of cheek for the first half and went in only 5 points down at the main break. But the skills of the Bullants were on show after that, with an 11 goal to 1 second half seeing the Bullants continue on their merry way, recording a 68 point victory. UHS were served well by **Moore** and **Russell**, and for the victors **Dal Santo** had his best hit out for 09 with **Gatto** slotting 3 sausage rolls. The bus left Ferndale Park at 7.30am on Saturday morning as St Marys / Salesian travelled to West Essendon to take on a St Bernard's. An even contest from start to finish saw the Snowdogs hang on for a hard fought 5 point win. **Monello** had a blinder in a best on performance seeing him kick 5 of St Bernard's 8 goals for the day. The Saints had a solid contribution from the Kitchen brothers who were cooking up trouble all day for the Snowdogs. The Krushers remain undefeated if only just, after they took on an Old Camberwell side that took it right up to the Oaks. The Oaks were luckier than a four leaf clover to come away

with the points after Old Camberwell pair **Byrnes** and **Sharp** won plenty of the footy. **Costigan** kicked 5 large for Oakleigh with Hunt best afield.

Therry caused upset of the year so far downing SBMT by 8 points at Oak Park. The late ground change and extra travel had some sort of effect on the Tigers, but it may just be that Therry might be clicking. **Campisi** turned it on for his best performance this year with **Ned** also winning plenty of the prune (**Ratcliffe's** and **Ractliffe's** will now be referred to on a first name basis to avoid confusion and in order not to disappoint parents). **Seeber** (3) and **Ary** (3) tried their best for the tigers.

### This Week

**SBMT v St Bernards:** This week we will see Friday night footy at Sportscover, Tigers by 27 points, confident – ish.  
**St Marys / Salesian v Oakleigh:** Oakleigh will win, can't see tables turning. Oakleigh by 42 points  
**UHS – VU v Old Camberwell:** Match of the round. Draw.  
**Northern Bullants v Therry Penola:** Bullants by 56 points.

Any match reports, information, banter related to my column and correspondence will be most appreciated. Don't be shy. Please email to [joe@vafa.com.au](mailto:joe@vafa.com.au)

### ROUND 4 REVIEW

The Eagles took the road and headed to The Crawford Oval at Melbourne Uni where Uni Blacks were waiting. With Blacks caught sleeping Marcellin jumped to an early lead going to the first break a little under 2 goals up. Uni Blacks then hit the gas for a 9 goal to 1 second quarter and were 6 goals up at the half. Marcellin dug deep and won the third quarter to give themselves a sniff at an upset victory only to see Blacks steady and cruise to victory. A large spread of goal kickers has been a feature of the Eagles game over the past 12 months and the trend continues with 9 different players scoring. Stuart Kemp and Michael Viney amongst the best for The Eagles.

Beumaris find themselves 4 points adrift of the four after going down to Old Xavarians at Kew. In a low scoring affair it was Sam Lees and Shaun Cross who were cutting it up for the Claret and Stout while for the Sharks, Sam McBain was on fire. The Xavarian defence were dominant, closing Beauy's avenue to goal however The Sharks backs also did a great number on Xav's goal machine Dan Noonan holding him to 3.

Old Trinity served up a first quarter to put a smile on the punters faces out at Bulleen Rd holding the more fancied St Bedes Mentone Tigers goalless while piling on 5 big ones of their own. The trend reversed in the second sending both teams back to sheds at the half time break with 1 point separating them. The second half was an even arm wrestle that saw the Tigers prevail by 11 points. Oldfield, Piccolo and Tinney were great for OT while defender turned goal kicker Luke Barnhoorn (4 goals) did the damage up front for the Beders.

Uni Blues allowed Rupertswood 25 minutes grace in their first quarter out at Sunbury. The Rupo boys slotting 8 goals to 2 in the first could have put the Bluebaggers away but Bling's boys were good enough to claw their way back to go in only a couple of goals down at the major interval. A strong second half from the local lads snuffed any chance of an away win for Uni Blues who were well served by Jack Maxwell and Jack Townley. For Rupertswood Aaron Smith and David Morrice were outstanding along with Brendon Grech who added another 5 to his 2009 tally.

In the match of the round De La Salle put an end to Old Scotch's winning streak in emphatic fashion, the 2008 runners up never headed as they cruised to a 52 point victory. With Aaron Kneebone going beserk and Shane Griffin also amongst it The Golds out played The Cards in most areas. Ash Lim and Brenton Morley kept De La honest and played excellent games however it was De La's day this time around.

## ROUND 5 PREVIEW

### Beumaris vs Rupertswood:

This shapes up as a great contest with plenty to play for, the winner stays in touch with the four while the loser takes a body blow that may prove hard to recover from. Beauy have been good at home so I'll tip them to win a tight one by a goal.

**SBMT vs Marcellin:** Marcellin are struggling to find a win and they will struggle to find the space to operate in at Brindisi St this week. St Bedes Mentone

Tigers were pushed all day last week and will be better for that run. In the cozy surrounds of home The Tigers will win by 6 goals

**Old Scotch vs Old Xavarians:** Punters had penciled these two into a second semi berth after only 3 rounds but after Old Scotch's hiccup at De La Salle last week it is The Claret and Stout who are the lone frontrunners. Back at home though I think The Cardinals will hit back and give Dino's boys their first pain of '09. Old Scotch by 2 goals.

**Uni Blacks vs Old Trinity:** Old Trinity travel back to The Pavvy for the second time in three weeks and will find a Uni Blacks outfit starting to hit some form. Old Trinity pushed St Bedes all day last week and punters can feel confident that the boys in green and gold are starting to click. In a tough one to pick I'll take OT to open their '09 account, just.

**De La Salle vs Uni Blues:** Uni Blues travel again this week, this time out to Waverly Park to meet De La Salle who are also hitting there straps after a slow start to the season. With the form lines still evolving for this season Uni Blues are not without a chance however at home again after a terrific win last week I can't tip against the Gold and Blue. De La by 4 goals

## U19 NORTH 1 AND 2

### DAMO'S BALL

#### Round 2 Review - North 1

Fitzroy have continued their dominance in North 1, this time smashing Old Carey by 84 points. It started from the first bounce, and the lead kept jumping out until a win was out of OC's reach. Michael Lee and William Pickering continued to shine up forward, whilst Michael Cussen had a great game for the Reds.

The Sharks have got their first win on the board, upsetting Banyule by 30 points. The game was very even during the first half, Banyule with their noses in front at the half time interval, but a 6 goal to one 3rd Quarter set it up for Manningham, running out the game 16.15.111 to 11.15.81. Jake Truefeldt was absolutely superb for the Bears, booting 4 goals, whilst Tom Woodman and Chris Howgate starred for the Sharks.

In the clash of the round, St Bernards ran over the top of rivals Old Essendon to win 12.17.89 to 7.12.54. The game was fairly even in the first half, but a 4 goal 3rd quarter from the forwards, and a goalless quarter at the other end, St Bernards went into the final change with a handy lead. James Reid kicked 4 goals and Mitchell Church was the best a field for St Bernards.

Aquinas continue to struggle in North 1, this time going down at the hands of Bulleen Temp. The Ants blew away after quarter-time, belting the Old Collegians by 63 points, the final scores 15.11.101 to 6.2.38. John Natoli kicked 5 of Bulleen's 15 goals, whilst Oliver Schmidt played an awesome game.

## ROUND 2 REVIEW - NORTH 2

Old Geelong made a meal of Emmaus at home, smashing them 13.10.88 to 4.6.30. OG lead from the start, and the game was done and dusted by half time. Ben Skelton was best afield, slotting through 3 majors and playing a BOG performance, whilst Tom Foreman tried to lift Emmaus, continuing his outstanding form so far this season. The result puts OG on top of the North 2 ladder, knocking Emmaus out of the 4.

In a tight tussle, Ivanhoe managed to get the points against a struggling Rupertswood outfit. It wasn't the best game to watch, with neither side able to break the game open. Ivanhoe lead by only 2 points at 3 Quarter time, but kicked 2.9 in the last whilst keeping Rupertswood scoreless to finish up victors by 23 points, 6.18.54 to 4.7.31. Gareth Lindquist was again in the best for last year's grand finalists, whilst Steven Vandenhurk has dominated for Rupie after his first 2 rounds in the seniors.

In other matches, Old Xavs have bounced back after last week's lost, to knock of Fitzroy by 34 points. Jeremy Corby again finds his name among the best, whilst Nicholas Brown continues to push his name up on the goal list after kicking 4 for Fitzroy. Tristian Parker maintains his status as Old Xav's best player week in week out, with another dominant performance on the weekend. Old Westborne have continued their form this week, smashing La Trobe by 78 points. Wade Leighton was OW's best for the day, as they extended the margin at every gap to have the scoreline finish up at 14.18.102 to La Trobe's 3.6.24. Wade Leighton (number 12 everybody!) continues to go unnoticed by OW's opposition each week, tearing apart La Trobe last Saturday.

## ROUND 3 PREVIEW - NORTH 1

Aquinas take on Old Carey at home, but I can't see how their going to get a win this season. OC on the other hand went down to Fitzroy last week, and they'll be looking to bounce back. TIP: Old Carey by 46 points.

In what will be an interesting match this round, Old Essendon play host to Old Camberwell. OC are desperate to hold top spot on the ladder, whilst OEG is desperate to stay in the four. It's a huge game for both teams, but OC are the form side at the moment. TIP: Old Camberwell by 35 points.

In my North 1 match of the round, St Bernards take on Fitzroy, in what will be an enthralling battle of skill and determination. Both teams are undefeated and in good form, but I must stick with my premiersip tip. TIP: Fitzroy by 14 points.

Manningham Sharks take on Bulleen Temp, in what will also be an eye opener as to who can produce the goods in North 1. Both had good wins last week, but I'm going to go with the Sharks who upset Banyule last week. TIP: Manningham by 24 points.

## ROUND 3 PREVIEW - NORTH 2

Therry are off to Burwood to take on St Leos in what will be a one-sided affair for the Lions. Emmaus are out of form and desperate for a win to get back in the four, but they'll have to wait one more week. TIP: **Therry** by plenty.

La Trobe Uni play host to Ivanhoe, and with both teams out of form, don't expect an exciting game here. TIP: **Ivanhoe** by 30 points.

In my North 2 match of the round, Old Xavs take on Old Geelong, two proud clubs who are high prospects to play finals at the end of the season. Both teams had good wins last week, but OG are looking the goods for this clash. TIP: **Old Geelong** by 40 points.

And the in form Old Westborne will take on a winless Fitzroy outfit this week, in what will be another one-sided affair for the North 2 division. Fitzroy may have to wait for their clash with La Trobe next week if they want to sing the song in '09. TIP: **Old Westborne** by plenty.

## U19 SOUTH 1 AND 2

### South 1 Review

De La Salle continued their good form with a solid 5 goal win over Collegians and find themselves one game out of the four. It's a bit early to be talking finals but I'm going to anyway because that's just how I roll, and I believe they are a real chance for some finals action in '09. N. Fyfield snagged 4, D.Hutchinson and D.East had plenty of prune to bring home the win for De La.

Mazenod hit rock bottom this week; that is if they hadn't already the week before, but after a 243 point beating at the hands of the Monders you really would be in a dark place at this point in time. For the Monders it was S.Clements who had a day out booting 10 and being named best a field,

however he was well helped by J.Holdsworth snagging 6 and M.Farthing who fed the forwards all day. WHATTTT.....???? The Melburnians have arrived in a big way.

I respected the Melburnians and wouldn't have been surprised to see them win but they won so convincingly. The Burners led all day, and strong performances from H.Webb and S.Dunell proved that they had a touch more class than their opposition.

St Keeeeeeee...vin's are still (like the Melburnians) yet to be defeated and travelling rather nicely at this stage of the season. The saints had a 6 goal second term which did the initial damage but holding the Brighter's goalless in the last term as well was a terrific effort. W. Russell and P. Karageorgiou were rumoured to be strong candidates for this weeks supercoach trades.

Welcome to the winners list Old Haileybury, who defeated the Krushers by 4 goals. The difference between the two sides was N.Broadhead who destroyed the Krushers hopes of having their first win in 09.

**South 1 Preview**

**Old Brighton vs. Collegians:** Old Brighton by 100+

**Ormond vs. Caulfield:** Ormond at home 5 goals.

**Old Haileybury vs. Mazenod:** Haileybury by 50 points

**St Kevin's vs. Old Melburnians:** What a game, I find it hard to go against the Saints but they are yet to be tested. Old Melburnians will give them a run for their money. Old Melburnians by 2 goals.

**Oakleigh vs. De La Salle:** De La Salle 3 on the trot, 60 points.

**South 2 Review**

Well tipped, as the Jackers did the job yet again comfortably to find themselves still undefeated and sitting on top of the ladder on a very strong percentage. M. Nissen, R. Hill, and J. Gocs caused headaches for the Vultures throughout the day.

Bentleigh find themselves in unfamiliar territory this year and are starting to look like finals material after a 77 point smacking over the Prahran lads. B.Morrison had a day to remember jaggng 8 of the very best, while N. Porebski and J. White fed the ball down to the forwards on more then several occasions.

Beauy just keep plugging along nicely with their second win on the trot over MHSOB. With targets up forward for the Sharks, it was J.(pay your bill's) Billings who came out on top booting 4 after being fed the seed all day by L. Kivi and M. Sigmont.

Game of the year so far in South 2, as the result went down to the wire with the Mentonians getting up by 5 points. The Hampton Rovers battled hard all day and had gallant efforts from Turner and Ivory but it was the likes of J.Lumsden who kicked 4, and M. Myers-Snyders and N. Boyd who helped the Mentonians remain undefeated thus far.

Disappointing loss to the Blue Baggers this week but a gutsy win by the Pirates who have re opened their finals chances with a win not many would have expected. Skipper D. (Pooped em) Brogdan battled hard for the blues but players such as W. Sanson, J. Stock and T. Scarpella (kicking 6) proved to strong on the day.

**South 2 Preview**

**Beaumaris vs. Monash Blues:** Monash to bounce back. 5 goals

**Prahran vs. Parkdale:** Parkdale by 5 goals

**Hampton vs. MHSOB:** Hampton comfortably 6 goals

**Ajax vs. Bentleigh:** Good game, but Ajax at home to strong. 5 goals.

**Old Mentonians vs. Peninsula:** Peninsula's great win will be short lived as the Mentonians will demolish the pirates, 50+ points.

# CLUB XVIII SECTION

by Norm Nugent

A week did prove to be a long time in football as several Round 4 results were the unexpected as big winners in Round 3 became big losers in Round 4 to add further intrigue to the ladder positions. My success rate was 76%, the same as in the previous Round.

## REVIEW OF ROUND 4

### Section 1

Selecting against Old Xaverians is fraught with danger as I found when the "Crocodiles" found the form to humiliate the inaccurate University Blues, who had looked so good the previous week. Inaccuracy did not help the Blues, who trailed by a single point at half time, and by twenty one at the last change before going down by fifty two points to the dominant Xaverians. Ruckmen, **Nick Reid** and **Duncan Parry** as well as key forward, **Joe Rush** were best for the winners. For the Blues, **Michael Weston**, **Troy Auld** and Captain **Tom Granleese** were best.

Old Xaverians 2 moved to second place when they defeated St Kevin's by thirty points.

New leaders, Collegians defeated De La Salle by nineteen points.

The accurate Old Melburnians defeated Prahran by forty six points in a match where each team had virtually equal scoring shots.

In the afternoon game, Old Scotch, despite inaccuracy, overcame an early St Bernard's lead, to win a high standard game by twenty six points. Best for Scotch included: **Richard McCann**, **Tom Harkness** and **Daniel Nelson**. St Bernard's best were: **Sinclair Johansen**, **Adam Salemm** and **Tristan McGlade**.

### Section 2

Old Brighton finally clicked as a team when they overcame a determined Mazenod to win by thirty seven points. Brighton's best included: **Betts**, **Ewert** and **Matt Jackson**, who kicked four goals from his wing.

University Blacks continued on their winning way when they completely dominated against Old Camberwell, who lost by one hundred and nineteen points.

Marcellin set up their thirty nine point win over a persistent Fitzroy with a six goal first quarter. From then the match produced a fairly even contest.

Marcellin were well served by; **Nathan Armstrong**, **Sam Ayboud**, whose goal from the boundary line was reported as being "outstanding", **Edward Weekes** and Coach, **Dustin Cracknell**. For Fitzroy, **Steve Graham**,

**Tim Wilson** and **Nick Johnston** were best.

In an afternoon game, Monash Blues pulled away from Whitefriars and won by sixty four points. Only the first quarter provided an even contest. Among Monash's best were: **Costello**, **Woods**, **Johnstone** and **Coughlin**.

In another afternoon encounter, North Old Boys/ St Patrick's defeated Old Trinity by nineteen points.

### North

Bulleen Templestowe's unbeaten run continued when they defeated Whitefriars by forty points.

Leaders, Old Ivanhoe continued on their winning way with a ninety eight point victory over Kew.

In the closest result of the day, Old Carey defeated Banyule by a solitary point.

Old Essendon defeated Therry Penola by forty four points.

Williamstown C.Y.M.S. were too strong for Werribee, who lost by seventy two points.

North Old Boys/ St Patrick's were untroubled to defeat Old Westbourne by eighty four points.

### South

St Bede's/ Mentone Tigers scored a seventy three point win over South Melbourne Districts.

A very accurate Oakleigh defeated Hampton Rovers by one hundred and eighteen points.

Ormond defeated Old Scotch by thirty six points, in a game which provided a contest closer than the score indicated. Best for Ormond were: **Aryah Friedman**, **Brett Schwab** and **Damian Cleary**. Scotch were well served by; **Richard Hummerston**, **David Logan** and **David Proud**.

Caulfield Grammarians continued with their impressive form when they defeated St Mary's / Salesian by fifty points.

In the early game, leaders, Old Melburnians were eighty four point winners over the yet to win, Old Geelong.

## PREVIEW OF ROUND 5

### Section 1

Old Melburnians are my selection to defeat St Kevin's. Which University Blues team will turn up to play Collegians? The stars of the first three rounds or the insipid group, who capitulated so easily in Round 4? In

any case after what I saw at Koonung Park, I select Collegians to maintain their unbeaten record.

There has been little consistency displayed by either St Bernard's or De La Salle, so it is difficult to select the winner. I will go for De La Salle on the grounds of their better early form.

Old Xaverians2 should win against Old Scotch.

In the afternoon match, I select Old Xaverians to again defeat Prahran, who did show some form in Round 4. So did Old Xaverians, who were back to their dominant best.

### Section 2

Neither Old Trinity nor Whitefriars has much form to recommend them. Although the match is at Trinity, I select Whitefriars.

Monash Blues have improved each week and should continue on their winning way today at the expense of Mazenod.

I select the University Blacks to maintain their unblemished record by defeating North Old Boy's / St Patrick's.

Old Brighton should make it two successive wins by accounting for a determined Fitzroy on the Brighton Beach Oval.

In the afternoon encounter, Old Camberwell will seek to find the form, which eluded them last week. Their unbeaten opponents, Marcellin, will provide stern opposition. How Marcellin players will react to constant pressure remains to be seen. When under pressure in earlier Rounds, some Marcellin players have lost their composure. Old Camberwell is my selection.

### North

The only two unbeaten sides, Old Ivanhoe and Bulleen Templestowe meet on Chelsworth Park. Little separates these sides and I believe home ground advantage will enable Old Ivanhoe to win narrowly.

Fourth placed, Old Carey travel to play Werribee. The tyranny of distance may prove detrimental to Old Carey, who will be in "unchartered waters". I select Werribee.

Old Essendon should be strong enough to defeat twelfth placed Old Westbourne.

As neither Kew nor Therry Penola has much winning form, it is difficult to select the winner of this match. Kew is my selection, purely because they are playing at home.

Another interesting match, the result of which could effect the composition of the final four is that between, Williamstown C.Y.M.S. and North Old Boys/ St Patrick's. The teams are evenly matched but I believe playing at home will greatly assist the "C.Y.s" and enable them to win.

Whitefriars, at home, are my selection to narrowly defeat Banyule.

### South

Either Hampton Rovers or Old Geelong must break through for a long overdue win (unless they play a tie!) Home ground advantage will, in my opinion, be the determining factor and so I select Hampton Rovers.

The Ormond versus Caulfield Grammarians match could well prove to be a final's preview. As all Ormond teams are hard to beat at home,

Leaders, Old Melburnians face a severe test against Oakleigh, currently lying third. This match could provide a real upset, so I am going for Oakleigh to win.

According to reports, received, Old Scotch are not far from winning form such is their endeavour. That elusive win could well eventuate today against the winless South Melbourne Districts, who have found the tempo of the competition hard to achieve.

St Mary's / Salesian have lost form over the last two Rounds. They will not receive any respite today against the unbeaten, St Bede's / Mentone Tigers, whom I select to win.
