REST UP OR REP FOOTY!

Next weekend's bye gives clubs an opportunity to take a breath and reflect on their season so far. Across all sections I am delighted with the competitiveness and last Saturday's round of upsets enhanced this.

At the beginning of the season, Sportscover fund a \$10,000 Pick the Premiers competition for our clubs. Each club gets two picks and this week I had a quick look through them. Most clubs selected teams that are currently not on the pace!

While the competition has a rest to recharge the batteries and give our officials and players some family time, the VAFA representative teams are playing matches in three different states.

VAFA representative football started in 1925 when the Big V was worn for the first time. The VFL used the jumper for their match and have done so ever since. That first match stood the VAFA apart from the rest of the competitions in Melbourne and so it does today as we our program is the envy of every other football competition not only in Melbourne but around the country.

The VAFA Board has well and truly backed the concept of representative football. We have questioned the expense at times, but believe it is well justified because of the great experience it is for our young men. Be mindful that it is not just for the best 22 players in the Association, but the best players from each subdivision who represent the total VAFA community. Next weekend we have three outstanding fixtures against quality opposition.

On Saturday, we have the Under 21s playing against AFL Queensland. This match has been played for three years and we have played an Under 19 side against this team and have been beaten on each occasion. This year, we have decided to play against this team on level footing to ensure our competitiveness. An AFLQ player has been drafted from each of these games so it really plays an integral part in the development of football in Queensland. That competition has seen more players

drafted than either the WAFL or SANFL over the past 5 years.

On Sunday we have two matches, one in Perth where our Under 23s will take on the West Australian Amateurs, and the other in Barooga where the C – D4 take on the District competitions of the VCFL.

No doubt the toughest of these matches will be the C – D4 match against the country. Approximately 15 clubs will be represented in this match from teams across the sections. One could do a lot worse than a trip to the Murray River combining a game a golf, a trip to the wineries and watching your club star in a rep match against the country.

The trip to Perth for the Under 23s is a highlight in a footballer's career. These are the junior stars of our competition and hopefully this is a team that our Under 19s and 21s are aspiring. These matches provide opportunities not available elsewhere in metropolitan and country leagues.

An All-Australian team will tour Ireland again at the end of next year and the touring party will be selected from the Under 23 matches over the next two seasons. From last year's Ireland squad, we have seen Ben Dowd, Peter McGettigan and Brendan Iezzi become leaders at their clubs and also represent the Big V in their win against the EFL Bushfire match. Woodrow medallist Jack Watts will return to bolster the Blues line up later in the year whilst Andrew McGuinness is giving his dream of playing in the AFL one last shot at Box Hill.

Representative football is one reason why the VAFA is the best football competition in the land. Once a Vic, always a Vic. If you pull on our Big V just once, you're a member for life, and the very best of luck to all those who will pull it on next weekend.

PS A Big V luncheon will be held at the RACV club on July 10 with special reunions of the 59, 69, 79, 89 and 99 teams.

A SECTION

by Michael Fitzgerald

Round 6 is behind us and now we know that it really isn't over yet. Lights go out, walls come tumbling down, as the Style Council let us know back in the 1980s. At the top, the Tigers tumbled and from the cellar, the Bombers and Eagles both soared.

Pretty sights are regularly seen at the Beach, but none easier on the eye of the Tonners' faithful than their team taking down the league leader. No matter the scrappiness of the affair, the Beachies' effort on six days rest was a strong one. It was a tense afternoon, with indifferent goalkicking costing each team valuable opportunities. The Beders got back within striking distance midway through the final term, but then the home team straightened up and put the result beyond all doubt. The Brighton defence did a top job against a team that knows how to kick a score, and usually does.

Meanwhile, De La continued to march at the Dustbowl. Born-again **Ben Corin** may not have the speed or the hair that he had in his prime, but his roaming forward work is ripping out opposition hearts. Collegians ran them tight, but never took charge, and the Sallies exploded in the final term to win it going away. The Purples' performance, particularly at the end, disappointed. De La, a real force in the U19s over the past few years, is now a contender again in A Section. Six weeks ago, we expected them to packing their bags like those folks used to do on Big Brother, just in case Gretel Killeen announced that it was time to go. Going away, they're not.

Marcellin perhaps had not even bothered to unpack, so brief was their stay expected to be in the top tier. Last Saturday, they beat Blues under the spires and two wins on end has hauled them from the red zone. Form, like fame, is fleeting, and the Varsity having beaten De La, pushed Xavs and St Bede's, lowered its colours to a team it should have beaten. The Blues have players to bring in later in the campaign, but the cavalry needs to arrive before the door slams shut.

Old Essendon's victory celebration after five losses could not have matched the devastation in the Old Ivanhoe rooms. The Bombers were fired by **Dan Cooper**, who has regularly been among the Dons' best. His seven goals set them on their way in, according to those who were there, easily their most impressive outing thus far. There has understandably

been less noise coming from **Chelsworth**, where pre-season expectations are in smithereens. The return of **John Stevens**, who had quietly warmed up in a Club XVIII game a fortnight before, did little to inspire the Hoers, who are winless since R1 and will face the weeks ahead with some trepidation.

The clash between traditional rivals Old Scotch and Old Xaverians took place under cloudy skies, with the warm breeze hinting of spring. With **Will Slade** making his debut for the Cardinals, hopes were high of a return to the winners' list. Their optimism produced early results. Xavs looked tired, like they were playing a fifth quarter from the previous week. But all that changed soon enough. A five goal burst late in the second and another five early in the fourth was enough to have red-capped heads shaking again in utter disbelief. Quite frankly, it's time the United Nations passed some resolution against such cruel and usual punishment.

This week:

Old Ivanhoe @ Old Scotch: Given that the first aim in V.A.F.A. football is not to be relegated, this is a critical game for both. Red > Brown.

De La Salle @ Marcellin: Two teams on a roll. The Eagles might have the game to foil the Sallies on spacious Bulleen fields. Going for an upset.

Uni Blues vs Old Essendon ('Wick, Sat): Sportscover Arena is hardly the Dons' field of dreams. Blues were ok here second last start and should have enough.

SBMT @ Old Xavs: Game of the year? Will be hard to beat last year's 40+ goal shootout. This will be a tighter affair, with the winner being the defence that doesn't crack. Bede's by a whisker.

Marcellin Old Collegians Football Club would like to congratulate **Tim Money** on playing his **100th game** last weekend v Uni Blues. Reserves captain for the past 2 seasons and also now a committee member, 'Barrel' has become a real cult figure at Marcellin. Playing mainly as an onballer, 'Strauchanie' is a constructive leader and real team player. Not shy to get up and belt out a tune or two at club functions, everyone at Marcellin congratulates him on reaching 100 games. Well done Timmy

The **Old Brighton Grammarians** this week recognise the achievements of **Blair Mason (100 games)** and **Cal Buckley (50 games)**. Blair made his debut as a schoolboy in our Under 19s Premiership side in 2004, and has since applied his prodigious talent in a number of positions in the Senior side. His deceptively laconic style and trademark raking left-foot are features of his entertaining footy. Blair is developing his game to the point where in his 99th match against the reigning Premiers, he not only snagged the winning goal, but also shut down a talented Tiger opponent.

Since arriving from Sandy, **Bucks** has become a crucial part of the Tonners' tough on-ball brigade. Cal is a brave, aggressive footballer, whose versatility allows Old Brighton to use him in different roles each week. Both men are popular members of our side, Blair maintaining a calm low profile, while Bucks knocks down brick walls in his spare time. Well done both men!

George Dick plays his **50th game** this week against Old Xaverians. George, who is 21, is a talented player of the type we would have called 'utility' in the old days. He can play up forward, and kicked 10 goals in a reserves final a couple of years ago. He is a very accurate goalkicker. He can also play in the midfield or across the half-back line, where his pace and dash are evident. You will often see him setting up attacks after running out of the backline with a couple of bounces.

Round 7

On yet another beautiful day for footy B section lived up to it's billing as the most even in the VAFA. 1 win now separates the finals from relegation.

No game better illustrated the point than Carey first win of the season. Fresh from knocking off the undefeated table topping SKOB, the Bloods squared up to an improving OC outfit. With a few significant outs Hailbury were not able to get into the contest all day leaving the Bulleen boys to sing the song with a little extra gutsu notching up their first win. For the victors Reid was inspirational, booting six after having his finger ripped to the bone and having stitches early in the second while Skipper Tank Evans & Grant Baldwin were their usual brilliant selves. Farooq Mahommed and Morrison were good for OH but had few friends. With player due back & the kids starting to click things may be looking a lot rosier soon for OC.

It was a dirty day for Blacks out at the 'pit. The Snowdogs reasserted their premiership credentials with a 10 goal first term that blew the match for the Blackers. The rest of the game was reasonably evenly fought out and did feature several minor comebacks, most significantly in the second quarter. For all that the winning margin bore a striking semblance to the quarter time difference.

For the winners Alex Jolley continued his great run of form. This youngster represents the future of the Snowdogs and the future is bright.

Uni can thank Loxley for preventing a blow out. Good money now coming for this chap in the league B & F betting.

Following their win against the all conquering OMs the wheels have started to wobble at Gunn Reserve. Old Trinity travelled out to the Graveyard intent on continuing the Monders misery.

After an even first term Ormond kicked six goals in a row and went out to a 38 point lead mid way though the second term and look the winners for all money. However some simple skill errors proved costly for the home side as the Ts responded with the next seven. Ormond tried

valiantly to slow the momentum but visitors where never headed from the point running out 14 point winners.

Matt Martinov and forward partner Matt Robbins kicked 8 between them for Ormond. While for OT Jack Osborn continued where he left off last week and ominously for the competition Brendan Iezzi was back to his very best. When going there are few more talented player in the VAFA; look out B section.

In a seesawing encounter at Boss James Reserve ladder leading the premiership favourites took to the last quarter to shake off a determined HRAFC. Following a trademark flying dark blue opening the visitors held a 24 point lead at the first break. After another OMs goal after the break Hampton hit back dominated the second half of the quarter to tie things up at the long break. The third quarter was an arm wrestle, OMs looking the stronger combination but Rovers refusing to concede; the game was still in the balance at ¾ time. Unfortunately for the home side an 8 goal final term demonstration put paid to the challenge. For the victors Tom Paule was excellent with 4 goals, and Charlie Wilmoth and Steve Greene provided plenty of drive through the middle. Anton Duddy, Luke Dallas and Thom McCarthy all served Rovers well.

Out in Kooyong SKOB should have been inspired by the Sonny & Dog show in the early game but it was the Wellers who started the better. Using the ball more efficiently going forward Camberwell took a well deserved 3 goal lead into half time. After the break it was a completely different story as the SKOB took over. The St Keys midfield of Mahoney, Simpson & Dowd dominated the stoppages and gave the forward line enough opportunity put the score on the board. SKOB running out 5 goal winners. For the visitors Kingsley dukes were good all day while Hendrie was immense when on the park. The tri-colours were given great service by ex-skipper Duggan. Tim has had the sort of luck with injuries you wouldn't wish upon your ex-mother in law. With his body at, Dugs will be huge pain in the neck for the comps forwards.

Previews

Snowdogs to salute at GB
Ormond to win the local derby at the Badlands
Blacks to bounce back at the pickets
T's to make in 3 on the bounce at the playing fields
In the MOTD, toss of the coin....SKOB to utilise their home ground advantage.

M I MILESTONES N E S

Andrew 'the Monk' Torney will play his **100th game** for **University Blacks**. Torns is a very popular bloke at the Blacks, first playing U19s in 2000. He has played in both seniors and reserves over the last three years. A great player on the field, he is also an active person behind the scenes, whether it be organising footy trips or working behind the bar. He is a great asset to the University Blacks footy club. Congratulations!

Old Trinity congratulates **Max Burgess** who played his **100th game** for the club last Saturday. Max commenced with the club in 2003 direct from the school and after playing with our under 19s has been a regular in the reserves side ever since. Trouble with groin injuries over the years Max has finally thrown them off and is enjoying an excellent season. Well done Max.

*PERFORMANCE *RECOVERY *AGILITY
COMPRESSION ZXU

01 SUPERIOR FABRIC
 Circular knit construction for equal 360 degree stretch, anti-microbial treatment durable 50 Denier Lycra/Polyester/Vinyl.

02 IMPROVED RECOVERY
 Therapeutic ribbed fabric provides greater pressure and recovery benefits leading to faster muscle repair.

03 IMPROVED CIRCULATION
 Fabric warms up and improves oxygen circulation. Encourages blood to the muscles and flushes products away.

04 REDUCED DAMAGE
 ZXU muscle containment can reduce soft tissue damage in contact and intense sprints.

05 REDUCED FATIGUE
 Reduced muscle vibration (linked to muscle fatigue) thereby improving muscle endurance and strength.

COACHING MYTHS
LEIGH MATTHEWS – www.afl.com.au

In the eyes of the fans a coach is only ever as good as his last month. Overall the coaching function is largely misunderstood and the coaching analysis mostly uninformed.
 The coaching myths and the coaching realities are poles apart.

Coaching myth number one
The coach of the best team must be the best coach
 Allan Jeans summed it up well when he would often say that he didn't want to be the best coach, he wanted to coach the best team. So let's get it right. The most important element in being a successful coach is having a talented group of players to coach. Good recruiting and strong development is the lifeblood of any team. A successful team is 80 per cent playing ability and 20 per cent what a coach does with them. Of the coach's contribution, nine tenths is getting the basics right and one tenth would be devising a game plan that maximises your strengths.
 Judging the effectiveness of that coaching 20 per cent is very difficult for even club insiders which is why win/loss ratios and finals records are what all coaches will eventually live or die by. The problem is that mostly the only observable part of the coaching week is the two hours of match play.

Coaching myth number two
During a game the coach by his actions can have a significant bearing on altering the course of the match
 Occasionally yes, but mostly no. While the game itself is the obvious make or break in terms of winning or losing, and length of coaching tenure, it is a small proportion of the week-to-week, month-to-month coaching role.
 Players will attempt to play as they have been trained, what they are drilled to do and what is constantly reinforced in the performance feedback sessions. For example, if players don't practice their tackling

technique during training then there is little chance they will do it well during a game.
 Coaching is like the tap dripping water on a stone. Sometimes it takes a thousand drips before the stone is marked. Repetition and persistence to keep pushing the key themes is a necessity.
 Convincing players to perform their role within the team plans is a fundamental of the coaching art.
 For the Brisbane Lions in 2001 a specific game all of a sudden made this cloudy concept crystal clear. In round seven of that year Carlton inflicted a massive thrashing. It was a humiliating loss.
 During the post-game review we were able to pin-point that the Blues' lesser lights that day played a crucial role in supporting the Carlton stars, tagging and harassing our prime movers, blocking, shepherding and clearing space for their initiators. It was like switching a light on in a dark room.
 The commitment to each player focusing on and performing their assigned role became a foundation theme of the Lions' premiership era; none more than Alastair Lynch and Craig McCrae. Lynch knew his job was to provide a front-of-goal-square target for the long pressured kick forward. McCrae knew his job was to give ground-level crumbing support to the Lynch marking contest and then work his butt off to chase and tackle if the opposition won possession.

Coaching myth number three
Coaches can be poached by opposition clubs
 My belief is the senior coach must be the epicentre of the team-comes-first philosophy. This can only be ingrained through a coach living this ideology in everything he says and does. Any coach who bails out on one club to join another is betraying this most basic coaching commandment, of always putting the team interest first.
 Maybe it is just me, but seriously considering a job at an opposition club is just not what a coach does.

C SECTION

by Johnny Aitken

Spurred on by NFL punter Trevor Bromely, Oakleigh were the headline story of week six as they thrashed the previously undefeated Caulfield to swing wide the race for C Section supremacy. "He's worried! You cut him! You hurt him! You see? You see? He's not a machine, he's a man!"

AROUND THE GROUNDS

First, we head out to Central Reserve where Mazenod and Beaumaris were aiming to bounce back after both succumbing to their first defeats in round five. The Sharks suffered issues thirty seconds into the match when **Mark "Twang" Ensor** injured his hamstring and with Mazenod's dominance of the centre giving their forward ace **Tim Bourbon** plenty of teat precision, the home team looked superior. **Scott Gower** at the other end was back to his best but a three quarter time lead for the Noddors proved too difficult to reel in late as the Sharks went down swinging, losing by ten points. Bourbon with six was instrumental for Mazenod while **Gower's** bag of seven was complimented by veteran **Brayden Haynes** effort in the midfield for the Sharks.

Just down the South-Eastern Arterial, Monash Blues got the dreaded monkey off the back with a hard fought four point nail-biting win over fellow relegation battlers Old Geelong at the University. **Justin Waldron** and **Kade Collins** were pivotal for the Sky Blues along with **George "Fanta Pants" Smythe**. The Como Boys has their usual suspects in **James Bell** and **Tom Lyons** in their best but will be ruing a virtual eight-point game that could have given them some mid-season breathing space.

On the Nepean Highway, the surging Unicorns came into the clash with Vultures with injury concerns, little rover **Rhys "Marathon" Limbrick** being the notable omission from the side that toppled Beaumaris. Man-on-man football made the game not particularly aesthetically pleasing for the Gerry Green crowd as both teams waged war at the stoppages. Parkdale full-forward **Matt Boland** was the sole target for the Vultures with the MHSOB turning to mini-mouse **Ray Ternes** to provide some offensive impetus. Back to back goals early in the last quarter gave Parkdale the lead but with **Adam Killing** breaking the lines from half-back, the Unicorns steadied the ship and wrestled back the lead to run away with a 34 point win.

Ajax and their convoy of supporters arrived at Ted Ajani expecting a win against the struggling Bulleen-Templestowe. Ten goals to none at quarter time, the fat lady had already sung, thrown nine dim-sims down the gullet from the canteen, and made her way to the Manningham for some "frothies" as the Bullants looked in complete disarray. **Gary Blieden** had the ball on a string and with skipper **Jason Ritterman** on fire; Ajax extended that margin to 84 points at the main break. The Bullants worked hard in the second half as the Jackas suffered injuries and lack of hunger, with state representatives **Paul**

Fiorance and **Matt Bain** tireless for Bulleen-Templestowe. In the end however, a twelve goal loss added another chapter to the nightmare that is 2009 at Ted Ajani, with relegation to D1 just about a formality.

Finally, we head to the scene of the upset of the year. Backed by the forward pairing of **Trevor Bromely** and **Tim Edwards**, who kicked eleven goals between themselves, Oakleigh hand delivered Caulfield a timely reality check as they led all day at Scammell Reserve to run out huge 53 point victors. With **Andrew Slevison** struggling to shake off a Friday night session on the 'turps', Caulfield lacked any attacking weapon with baldheaded **Ben Carboni** also catching the contagious quiet flu that spread around the Caulfield team. **Jon Rutter** was in everything as the Krushers made their September aspirations known to the wider football community with an awe-inspiring performance.

ROUND SEVEN PREVIEW

Beaumaris (\$1.04) v Bulleen Templestowe (\$11.00)

This looks to be an Ivan Drago versus Apollo Creed matchup on paper. Beaumaris will be chomping at the bit to get back on the wide expanses of Shark Park where they can implement their free flowing ball movement. "They're going to have to stop this fight before somebody gets killed". The Sharks by plenty.

Mazenod (\$1.60) v MHSOB (\$2.30)

The MHSOB bandwagon is starting to reach capacity and after three stirring wins in succession, they get to test where they really stand with a trip out to Central Reserve against the league leaders. The twin B's of Bourbon and Bogar might be too much to handle for the Unicorns however. Mazenod by three goals.

Monash Blues (\$1.90) v Parkdale Vultures (\$1.90)

Another key game for the Sky Blues to start gaining momentum and bust away from the relegation zone while Parkdale look to be limping at the moment and desperately need big **Darren Rochford** back to aid **Matt Boland** in the forward arc. Winning form is good form, Monash at home to win by five goals.

Caulfield Grammarians (\$1.80) v Ajax (\$2.05)

This is the Makita match-of-the-round, with two of the league's heavyweights ready to cross swords at the Racecourse. Late injuries to Ajax saw them limp to victory over Bulleen-Templestowe while Caulfield surely won't let **Steve Lawrence** down two weeks running. Caulfield to bounce back by a couple of kicks.

Oakleigh (\$1.22) v Old Geelong (\$3.75)

Two weeks on the road for the Como Boys is the worry here

and after laboring to lose at Monash, they need to somehow find an extra 10 goals to beat a Krushers team that is in top gear. I'm expecting the \$1.22 to be snapped up here, Oakleigh by ten goals with Tim Edwards to kick more than Trevor Bromely.

Bet of the Week: Cosmic Rumble to win in heat one of the Peter Mosman Classic at Wentworth Park tonight. Went around in 29.80 seconds for the 520m trip in a trial there last week, jump in the queue material.

M I MILESTONES E S S

Two of the huge names at **Monash Blues Football Club** have played their **150th game**:

Andrew Hickey : The Scalpel brought up his 150 against Old Geelong last week and put in a typically skilful and tough performance to lead the team to victory. Over the last 9 seasons, Hickey's powerful and precise left boot has only been matched by his unparalleled tackling ability – often running down players from nowhere to lift the team. Missing 3 games in 9 seasons with not one bad game amongst them, this is an exciting milestone for a terrific bloke and an outstanding footballer.

George Smyth : Smyth is one of the great footballers in recent times at Monash Blues Football Club. C-Grade B&F winner in 2005 (and going close again in subsequent seasons) and three Senior Club Best & Fairests (2002, 2004 and 2007) make him one of the elite players going round at the Blues. His speed and ball-carrying ability have been a highlight of Saturday afternoons at the Frearson Oval over the last 10 years, as has his curious fashion statements. George has led the Blues as club captain and is one of the icons of the Club. A match winner and a top bloke. Congratulations Smyth!

Andrew Spence was recruited to the **Beaumaris F.C.** from the Sandy Dragons by the Collins family in 1998 and started in the U/19s under Mick Deaton. He quickly graduated to the seniors in 1999 and with his penetrating long kicks from the half-back line he was soon an entrenched member of the team and was a key member of that great 2003 premiership team. Andrew and his family, Graham (Dec), Christine & Laura have been terrific assets to the Beaumaris F.C. and we congratulate him today on playing his **150th VAFA game** – we know Dad would be very proud.

FOR THE LOVE OF THE GAME...

AFTERGLOW OF THE SPOTLIGHT

It was good to concentrate on footy again after a week of stories about off-field activities. However, it was interesting that all three of the VFA's regular columnists, Max McGraw (Mondays, pictured) and Jonathan Horn (Wednesdays) on vafa.com.au, and in these pages CEO Michael Sholly, had plenty to say about the issue.

Fitzroy Football Club President Craig Little also penned a fine piece for the Age about the value in our community of VFA football.

"The VFA has led the way in making our game more appealing to families and the community in general. As one example, consider the fact that at the season's launch Association president Nicholas Bourke stated that the banning of alcohol during games was the best thing the VFA had done.

"To go to an amateur game and see the number of families who support the game and the spirit in which it is played is to see the true role football plays in our culture and why it is at Melbourne's heart.

Well written Craig. Couldn't not have said it better ourselves.

U18 COMP. TOMORROW'S CHAMPS TODAY

When the VFA conceived the idea of an U18 competition, it was with the hope that this would provide clubs with additional pathways for their players. It was to be hoped that eventually some of our U18 players would eventually push through to the seniors. The word from the Scatters out at the Snakepit is that it happened last week.

Mitchell Church & Michael Sullivan (pictured) made their senior debuts for the Snow Dogs on Saturday. Mitch, who came from Westmeadows this year after doing the pre season with Calder Cannons, does not turn 18 until August. Michael, who is the eldest son of former Premiership player Maurie and a product of the Bernies' junior pathway having played since U12's, turns 19 in July. Both have played in St Bernard's U18's this year.

Both lads made impressive debuts with Michael kicking a goal with his first kick in senior football, finishing with 4 goals and being named in the best, whilst Mitch's second

touch resulted in a goal. What a great ad for the U18 competition, which is in its first year.

CLUB PROFILES

Since the appearance of our first club profile a few weeks back, we've been inundated (we use that adverb liberally, as a trickle is considered a pounding at the Amateur Footballer) with information from other clubs. Thanks to those who have submitted already. A few more this week will see us full for the season.

ELSTERNWICK IMPROVEMENTS

Patrons at Sportscove Arena will now be able to use the pavilion to catch sporting action on the newly installed wide-screen television. Come in and have a latte while watching the big meet from Eagle Farm. Afternoon tea will now be served upstairs. We are sure that Ian Munro will direct you to the appropriate room. Downstairs looks so inviting that a local couple dropped by the VFA offices to ask if they could hold their daughter's 21st there.

TRINITY AND THE AFL

Over the past two years, Trinity Grammar School has been represented on many occasions by five AFL footballers playing in the same round - Luke Power (Brisbane), Sam Power, Todd Goldstein & Josh Gibson (North Melbourne) and David Mackay (Adelaide Crows).

Only Luke Power has played with Old Trinity this far, but the club certainly hopes that the others will do likewise when their AFL days are over.

Meanwhile, the Green Men's Clint Hillas, who suffered a badly broken wrist in a seemingly innocuous pre-season incident, has retired from football following his appointment as North Melbourne Captain /Coach in Premier cricket next season. Three Trinity Old Boys will captain a District XI in 2009/2010. Quiz question: Name the other two.

GREAT NEWS FROM OUR SPONSORS

2XU, leaders in compression garments, have recently stitched up deals with Swimming Australia and more recently entered into a partnership with the Australian Institute of Sport. Old Haileybury's Brett Voss, who is one of the powerbrokers at 2XU, says that the company will have a range of products available for next week's representative teams, and at very good prices too.

DINING AROUND

Guest speakers at club lunches come from a wide variety of backgrounds and speak on a range of topics. Last week

we heard the Uni Blacks man Dr Tony Costello speak at St Bernard's about men's health and in particular, prostate issues. It was a good initiative from the Bernies and Tony made it clear that all men should start getting checked from age forty. We hope that everyone will heed this advice, but we are sure that no-one will need reminding of his "two glasses of red every night" advice. Bernies identity Peter Nathan won third prize in the raffle, which was, not coincidentally, an envelope containing a voucher for a prostate check-up and a rubber glove.

BERNIES' MILESTONES

Ben Jordan, a regular rep player who returned to Bernies after four years away, played his 100th and Justin Evans, a great servant of the Snowdogs, his 200th as Bernies rolled over Uni Blacks. Please submit any milestone photographs for publication.

OLD PHOTOS?

Old Xaverians' Nick Serafini this week demanded that vafa.com.au change the photo of columnist and former A

Section scribe Jonathan Horn (left) for something a little more recent. "I've seen that bloke out on the tiles and that must be a snap from the last century," said the forever-young utility player.

Reader poll: Is this pic out of date?

DON'T LET THE BIG V DOWN

The Queen's Birthday weekend means rep football and we wish all of our players who are chosen to wear the Big V all the best. The Big V is the best uniform in sports and it originated in the Ammos. It is our Guernsey and if you ever see an AFL sponsored team wearing it (white shorts please!), just remember they have borrowed it from us. In fact, for many years, VFA secretary Jack Fullerton used to write to the then VFL seeking royalties. We think it's time they paid them.

DAN: DISTRICT AMATEURS NETWORK

In 2008, the Reds Foundation proposed a strategy to support the District Clubs within the VFA. Nearly 20 clubs expressed strong interest in the concept. The DAN is intended to enhance the performance of District Clubs on and off the field of play.

The first meeting of the DAN will be held at VFA headquarters on Wednesday 10 June at 6:00pm.

Secretaries of the 28 District Clubs will be invited to send 2 club representatives to the meeting. Contact the DAN Convenors Peter Hille (0407 177 457, phille@iprimus.com.au) and Steve Earl (0432 685 173, steve@harringtonearl.com.au) for further information.

WILL YOUR CLUB SUPPORT THE CYSTIC FIBROSIS CHALLENGE?

The Cystic Fibrosis Challenge is on again in conjunction with the Cystic Fibrosis Cup between the VFA (C-D4) and the VCFL (Districts), which will be staged in Barooga on Sunday June 7th commencing at 1pm.

Last year over \$8000 was raised during the campaign and we are hoping to better that mark this year. Collection Tins have been distributed to all clubs and if every club were to raise \$100, then together with the match receipts, we will better that mark. All clubs raising over \$100 will go into the draw to win a set of training or alternative jumpers from Lyon Sportswear (valued at \$1000).

Anyone wishing to travel up to watch the C-D4 side take on the VCFL (Districts) outfit will be well rewarded with a superb exhibition of rep football (although the VCFL finished comfortably ahead in the end last year). Why not venture up a day early and take in one of the fantastic golf courses of the area.

Please make sure your club supports the challenge as CFV desperately needs every generous donation it can muster.

ROUND SIX REVIEW

Pass me a Bex, we've got the close one Harry! Districts started well with a 19 point lead at quarter time, but an OM six goal burst in the second secured a one point lead at the major break. A vacillating third term saw a couple of late South goals, giving them a 14 point lead with seemingly unshakeable momentum on home soil. And just as an early South goal in the fourth had everyone starting to think about dinner, those rapacious Panthers delivered a juicy three goal punch to stun the home side into submission. An excruciating exchange of behinds (points that is) saw the Panthers desperately hold on in a one-point heartstopper, retaining fourth pozzie. **Rowan Ball**, **David Teasdale** and **Sam Hecker** (3 goals) raised the colours for Old Mentonians, while **Adrian Lane** and **Paul Cheevers** (4 goals) were amongst the best for Districts.

Looking to make a statement at Bennetswood, Werribee put on a fast-paced goal kicking display, devastating Emmaus St Leos with a 20 goal drubbing. As prolific and free-flowing as they were in attack, the Tigers were miserly and unrelenting in defence thanks largely to **Mrs Taylor's boys**, **Aaron** and **Matt**. The midfield combined effortlessly, conveying the pill into the forward line and the waiting hands of **Ross Fastuca**, bagging nine. Carey and Beluszar held their heads high for Emmaus, who are still to find some consistency in D1.

At Toorak Park Prahran started well, keeping NOBSP to a single first term goal (but WHAT a goal! **Bryar** slotting an impossible falling-out-of-bounds kick that curved and dribbled through the big sticks a la Daniel Motlop). However, the two blues squandered a healthy 26 point lead blazing away into the forward line with wasteful delivery. NOBS hit back through **Dullard** and co, wrangling a two goal lead at the main change. Don't know what NOBS did in their rooms at halftime, but they came out flaccid and goal-less in the third as Prahran piled on a seven goal spree. A fairly even final term saw the margin

stagnate, as Prahran ran out easy 32 point victors. Amongst Prahran's best were **Damien Stewart & Adam Baker**, with mentions to Richard Citroen and Matt Keown of NOBSP.

The Friars played host to the Roy Boys out at Donvale, scoring a comfortable 33 point win despite inaccuracy. Meanwhile Rupertswood sang the club song for their sixth consecutive, following a routine disposal of home team Aquinas. Sitting comfortably at the top of the table in their 25th Anniversary year, Rupo is proving to be the quality finisher in the field with an average winning margin of ten goals to round six. Their upcoming round 9 clash with second-placed Werribee should be a cracker, as momentum builds for the Tigers with a number of resounding wins since their round 2 reality check against the Panthers. This one may get switched to the MCG.

ROUND SEVEN PREVIEW

Looks like the home teams should prevail in each game this round, save for NOBSP who'll need to find an even four quarters to hold off the Roy Boys at Gillon Oval. South Melbourne Districts too strong for Emmaus St Leos at Aughtie Drive, Aquinas may give Old Mentonians a shake, but the Panthers to prevail. Friars will be given their marching orders from Soldiers Reserve, and Prahran predicted to have a really, really long drive home from the Sunbury Festival.

Please submit your match summaries to dilangton@bigpond.com by Sunday evening. Welcome also any recipe ideas, fashion tips and juicy goss.

M I M I L E S T O N E S

Old Mentonians congratulate **Justin O'Brien** who plays his **100th game** for the club this week. Justin was a member of the Reserves premiership team in 2006 and is a past winner of the Reserves Best & Fairest award. Justin is a versatile player who has played in the backline, on the wing and has even been called upon in the ruck on occasions. Well done Jussie!

UMPIRES CORNER

by Steve McCarthy & Leah Gallagher

If the cap fits

Remember to check your bag before leaving for the game just to make sure all pieces of your uniform is present. Goal umpire **Bernie Hoare** did all this; however he overlooked one piece of his uniform to complete the ensemble, which would be the piece that sits on top of his head. Most goalies do not carry a spare cap so a quick fix was required and that would have to be a borrowed one from the reserve goalie, which sort of looked white but not quite the VAF A issue. No one noticed the difference except for our Director of Umpiring Operations **Benny Goodman** who was observing the game. Knowing **Bernie** as we do, we're pretty sure he wouldn't have forgotten to pack that "special" thermos that goes in his bag each week. Shouldn't someone who works in Emergency Services be a little better prepared?

Congratulations

Congratulations and well done to **Michael Hooper**, who after a few years of climbing up the ranks sees himself umpiring in **A Section** this weekend. Well done **Hoops** – all the hard work has paid off. Enjoy the day and we're sure you'll be there for a while.

Representative games

Congratulations also go out to the umpires named to represent the VAF AUA in next weekend's representative games. These were announced during the week after we went to print. On Saturday we'll have two field, two boundary and two goal umpires appointed to the VAF A U21s vs Queensland U21s at Sportscover Arena. On Sunday we'll have one field umpire going to Perth to umpire the VAF A u23s vs the Western Australia U23s at Fremantle Oval. Also on the Sunday we'll have one field, one boundary and one goal umpire jumping on the bus and heading to Barooga as the VAF A C-D4 team takes on the VCFL Districts. A great opportunity for these ten umpires to experience representative football at a high level. In a few more weeks we'll also have two other games when the Senior representative and U19 teams take on the VCFL at Sportscover Arena. These appointments are usually a good form guide for the big ones in September.

Big Quote

A big quote from one of our umpires to a player "you're lucky to get me, I'm usually a C grade umpire". Just maybe a more diplomatic response should be required from our secretary **Alan Stubbs**.

Benny's Rule of the Week

15.2.1 In possession of the football

A player is in possession of the football if, in the opinion of the Field Umpire;

- (a) The player is holding or otherwise has control of the football;
- (b) The player is in the act of bouncing the football or
- (c) The player dives or lies on top of or drags the football underneath his body.

15.2.5 Diving on Top of the Football

Where a player is in possession of the football by reason of diving on top or dragging the football underneath his body, the Field Umpire shall award a Free Kick against that player if he does not immediately knock the football clear or correctly dispose of the football when Correctly Tackled.

Social

After the success of last weekend's International Beer Night we look forward to the next big thing which is the Trivia Night on the **13th June** at the umpire's rooms. Table bookings are required with a cost of \$10 entry fee. Get your tables together NOW!!!

Website

Don't forget to keep up to date with all the news and views (as well as your appointment) by regularly checking out the VAF AUA website at <http://www.vafaua.asn.au/> Let Leah or Macca know about any upcoming milestones and we'll make sure we give it a plug.

RESPECT THE UMPIRE – RESPECT THE GAME!!

by Caillin O'Shannessy

It was the same old story for Glen Eira last weekend, again kicking what would be a winning total most weeks, but once more falling short. In this case well short, as Old Paradians booted a massive score, kicking 32 goals to win by a comprehensive 90 points. The Saints are consistently unable to impede opposition attacks, and despite functioning well when they have the football, will be unable to post a victory without improving their defence. It was an extraordinary game of football, there was no wind to speak of and yet an inexplicable scoring end produced 31 goals in the first three quarters, resulting in an old fashioned shootout. **Stefan Krull** was good for the Saints, and **Thomas Paterson** kicked five, they will need to be far more frugal in defence this week if they are going to take advantage of a good opportunity to notch up a win. The Paradians will take plenty of confidence from this win, especially **Peter Brabender** after a bag of seven, and **Joseph Seneca**. This week will provide a good challenge for Old Paradians against the top of the ladder, but they will probably not be good enough at the end of the day.

Williamstown are absolutely flying, their only hiccup this season so far being a shock loss to rival Eltham. Last week saw Williamstown CYMS take top spot on the ladder following a percentage boosting 95 point win over Ivanhoe. The visitors took the game right up to their more fancied rivals in the first half and at the 20 minute mark of the third quarter the mistake riddled CY's led by just one straight kick. However from this point on the game undertook a remarkable turn around as Williamstown kicked 15 of the last 16 goals to totally dominate a tiring 'Hoers' combination. For Ivanhoe **Daniel Patience** and **Nathan Pye** were good. Amongst Williamstown's better players were Nick Walsh, who after a slow start completely took over on his wing with strong marking and hard running, and **Ben Gray** who continues to show great form whether in defence or attack. **Steve Barlow** provided a focal

point up forward where his clever leading, strong marking and straight kicking saw him bag 7 goals for the day. Williamstown's quest for a top two finish was helped further when ladder leader Therry Penola was defeated at home by third placed Banyule allowing the CY's to assume top place and toppling Therry to fourth.

A scoreless second quarter was Therry's demise on Saturday. Both sides played attacking football but Banyule was able to convert more of their inside 50's. **Jarrod Egglestone** across half back was Therry's best, and was well supported by full back **Dan Madden** and **Brent Kenny**. **Corey Bannister's** usual swag of goals was not enough to defeat a well-oiled Banyule forward line, who operated very well as a team. Banyule join Williamstown on the top of the ladder, but will have to prove themselves again this week against third-placed Peninsula.

The Eltham Collegians were no match for Peninsula at Mt Eliza on Saturday. Three goals just before half time had kept the turtles just in touch, however a 7 goal to nil third quarter from the pirates blew the game apart. **Shane Maher**, **John Galvin** and **Luke Austin** tried hard for Eltham. But after once again being blasted by coach **Mark Glenn** at half time for allowing Eltham a sniff of victory, Peninsula got going. Captain **Shaun Payze** lifted the team with hard leading from Centre Half Forward providing many opportunities for the other forwards as well as two of his own. Ruckman **Nick Claringbold** was moved to the forward line kicking 2 goals contesting hard, providing opportunities for the on-ballers and half backs to kick goals. The Pirates played strong accountable football kicking a further 7 goals whilst keeping Eltham goalless. The forwards were able to benefit from the pressure applied by the backline led by **Nick Fisher** & **Brett Brisbane**. This week Eltham will

be desperate beat old Westbourne, and will prove a strong force back at home.

After beating Banyule early on, Old Westbourne have been underwhelming. Currently sitting in sixth position, last week should have been a win to keep them in touch with the top four. However Yarra Valley finally posted their first win for the season, which would have been a massive relief after coming close but falling just shy numerous times. Yarra Valley have a great opportunity to make it two in a row against Glen Eira this week, although the Saints will no doubt fight tooth and nail for their first win.

M I MILESTONES B S

This week **Yarra** celebrates two of its club stalwarts **150th games**. **Michael Wines** came to the club in 1997 and played in the clubs inaugural under 19's premiership a year later. Since then 'the extractor' has been a regular member of the senior on ball brigade and has made a name for him self diving into packs and getting the ball out of them.

Sankey Seabourne has been the face of two's football at Yarra for 12 years. Like Kevin Bartlett and Gary Ablett Snr 'Shaker' is now playing career best football well into his thirties, a testament to this was the 2008 Richie Armstrong Medal.

Jarrod Mizzi joined a select group at the **Eltham Collegians**, becoming only the fifth turtle to reach the **150 game milestone**. Christened 'Junior' when he commenced at the club as a 17 year old in 1997, the name has stuck despite him now being the old man of the team. He has been a senior B&F winner and captained the club before heading to the UK for 3 seasons, returning last year to be part of the club's finals campaign. A fierce competitor respected by all at the club.

Julian Gilbert brought up **100 games** for the **Eltham Collegians** last week. Jules joined the club in 2002 and has been an integral member of successful reserves sides, including premierships in 2005 and 2007. A great clubman, congrats from all at the club.

... Retrospective

by Geoff Reilley

5 YEARS AGO – 2004

Was the final four already determined in **A Section**? **Old Trinity, Marcellin, Uni Blues** and **St Bernards**, all on 5 wins and 3 games clear of the rest! Unusual for this to be the case in A Section and less than a third of the way through the season. Old Haileybury were the closest to challenging and had the opportunity in this round to narrow the gap; they lined-up against Old Trinity. Well, the top team started strongly, led by three goals at quarter time but then applied the pressure to Haileybury and shot to an 8 goal plus lead at the main break. The Bloods' **Paul Corrigan** had gone down with a knee injury and this was a blow to his side. As we know, it doesn't take much to cause a turn around and it was Trinity's turn to suffer injuries. Led by **Michael Barker, Mark Corrigan** and **Sam Langford-Jones** in particular, Haileybury stormed back with 9 goals to 2 and only 5 points down at the last change. The difference in the last quarter – straight kicking by Trinity and heaps of misses by Haileybury. Haileybury's **Mark Secull** was said to have 8 shots on goal for only one conversion whereas **Brent Walsh** (5) and **Andy Cultrera** (4) were deadly and **Andrew Ramsden** turned the tables on **Brett O'Farrell** in the ruck. Final score Trinity 20.5 to Haileybury 15.14 and the margin between the top four and the rest had become greater. Best players – **Ramsden, Williams, T Van Der Venne, Andrews, Walsh, L Deane-Johns** (Old Trinity) and **Barker, S Langford-Jones, Trollope, Geister, Ford, White** (Old Haileybury). **Wayne Hinton** and **Tim Sutcliffe** were the "men in white".

Milestones recorded the retirement of **Old Xaverians'** veteran, **David Landrigan**. David played his **255th** and final game as pre-season injuries, business and family commitments brought his wonderful career to an end. Joining the Old Xavs from school, David played in six **A Section premierships**, represented **Victoria** on **three occasions**, was chosen in **Phil Stevens' "Team of the 90's"** and was second only to **Andrew Dillon (282 games)** for the Xavs. (Dave is currently back coaching the Xavs' Reserves).

Heartbreak for **Mazenod Old Collegians** in **B Section** as they just fell short of **Collegians**, 13.9 to 11.22, therefore staying at the bottom of the ladder without a win. The game was not without controversy as the scoreboard was all over the shop in the dying minutes, confusing players and supporters alike. Collegians remained in second place and in truth had almost kicked themselves out of the game with 11.22. Best players – **Fry, Wooley, Harris, Lockett, Dixon, Nisbet**

(Collegians) and **D Maskell** (5), **Beard, Dunne, Stanley, Veltman, Appollonio**. The Field Umpires were **Luke Holmes** and **Simon Stokes**.

10 YEARS AGO – 1999

The **Big V Amateur Squad** was announced by **Chief Executive Officer, Phil Stevens**. Phil reminded everyone that the 36 players would be eventually trimmed to 22 to play the **South Australian Amateur and Metropolitan Football League** in two weeks time. The squad was **Cam Aubrey, Cameron Eabrey, Arren Nayna, Michael Hazell** (Old Melbourne), **Simon Lethlean, Michael Blood, Ben Coughlan, Andrew Dillon, Adam Jones, David Landrigan, Dan Richardson** (Old Xaverians), **Stephen Collins, Josh Kitchen, Luke Hawkins** (Old Scotch), **Luke Mahoney, Andrew Lamb, Marcus Dollman, Sam Lowerson, Ben Garvey** (SKOBS), **Ashley Hilton, Mark Secull** (Old Haileybury), **Ben Jordan, Daniel Tonkin** (NOBS), **Simon Lennox, Matthew Jackson** (Old Brighton), **Andrew Pickering** (Mazenod), **Andrew Ramsden** (Old Trinity), **George De Crespigny, Gil McLachlan** (Uni Blues), **Denver Artz** (Hampton Rovers), **Ewan Thompson, Dan Woodley** (MHSOB), **Ben Mannix, Paul Cooper** (De La Salle) and **Nick Mitchell, Adam Herrington** (St Bernards).

Old Melbourne continued to set the standard in **A Section** and disposed of **Old Ivanhoe** fairly comfortably 16.9 to 10.8. Old Ivanhoe led narrowly at quarter time but the ladder leaders exerted their superiority in the final three terms. Best players – **Thompson, L Bunn, L Boyd, Eabry, Ellis** (9), **Campbell** (OM's) and **McKie, Tully, Knight, Jenkins, Toovey** (4), **Veal** (OI).

Closest game in **B Section** saw **Hampton Rovers** account for **Ormond**, 9.15 to 9.12 and it had been really tight all day. The win enabled the Rovers to maintain touch with the top four. Best players – **Anderson, D Artz, Parkinson, Browne, Davey, Woods** (Hampton Rovers) and **Turner, Jobling, Miller, Abrahams, Egan, Bailey** (Ormond).

20 YEARS AGO – 1989

In **A Section**, **North Old Boys** consolidated their place in the top four with a comfortable win over lowly

placed **Kew**. It was only in the second half that **NOBS** broke clear and they increased their 17 point lead at half time to 88 points at the bell. **Steven O'Rourke** was in outstanding form in the middle for **NOBS**, defender **Michael Hedley** continued his fine form and **David Baher** played his best game for the season to date. **Warren Keighran** was great up back for **Kew**, **Tony Peric**, his team's strong man, battled hard in the ruck and **Gino Kalak** was excellent on his wing. Other best players submitted to the record – **Atkinson** (5), **Booth, C Hibbert** (NOBS) and **Cavanagh, Jenkins, Ryan** (Kew).

The top two teams in **B Section**, **Old Brighton** and **De La Salle**, met at the D's ground and turned on a real thriller. After an even first quarter, there was a slight advantage to De La at half time and it was set up for a great second half. It was De La who jumped away in the third term with their forwards converting 9 times to provide a 20 point lead at "orange time". Old Brighton went into top gear at the start of the last and kept banging it forward but the D's were holding strong. Gradually wearing the home team down, the Tonners drew level and with both teams going full bore the timekeepers sounded the end of the game with both teams on 18.12 to share the spoils. Best players – **Touhy, M Greene, Nash, Connelly, Kinsella, Watts** (DLS) and **Barber, Woff, Tonkins** (6), **Pryor, Tragaskis** (OB).

30 YEARS AGO – 1979

A huge turn up in **E Section** as bottom placed **AMP Society** handed out a notable beating to top four team, **Bulleen United**. Although the Bulleen boys kicked poorly throughout the match, AMP fully deserved their victory and jumped two places on the ladder. Final scores in favour of AMP, 15.6 to 7.16 and best players – **Vickers, Pottenger** (5), **McKinnon, Crottie, L Taylor, I Henderson** (AMP) and **Lachmund** (5), **Armitage, Wilson, Pidutti, Flint** (Bulleen United).

Clear ladder leaders in **F Section**, **St Pius**, hosted bottom of the ladder **Footscray Tech Old Boys** and could not break away from the cellar dwellers, all square at quarter time and FITOB holding a 14 point lead at half time. St Pius responded in the third term and there was only 1 point in it at the final turn. In a great last quarter, with the defenders of both sides holding firm, St Pius struggled to hold the determined Footscray boys but talent prevailed in the end and the Saints were very pleased to take the match by 5 points, 11.12 to 10.14. Best players – **Addamo, J Daniel, Wade, Pilkington, M Wade, Coyle** (St Pius) and **Brophy** (4), **Carr, T Baird, S Baird, C White, G Fincher** (FITOB).

Dominic Devola played his **100th** game for **Hampton Rovers** having started with the Juniors at Roverland. Dom's commitment to the Rovers and his happy

disposition was greatly valued by his club. **Neil "Crazy" Emmett** played his **100th** game for **Footscray Tech Old Boys**. Crazy by name and crazy by nature, Neil had stuck with FIT throughout the bad years and was delighted to reach his milestone.

Ormond Senior Coach, Mike McArthur-Alen, in his debut as coach of the **A-B Representative Team** against **South Australia**, rallied his troops to record a 22.16 to 13.10 victory. It was one of the toughest encounters for many years. Best players for the VAFA – **Tony Cahill** (NOBS), **Richard Furphy** (Uni Blues), **Phil Kingston** (Ormond), **Steve Moloney** (NOBS), **Paul Considine** (NOBS) and **Gary Phillips** (Old Haileybury). **Paul Schuhkraft** (Ormond) kicked 5 goals.

40 YEARS AGO – 1969

Ormond met **Collegians** in **A Section** with Collegians looking to arrest the two game losing streak. Ormond on the other hand wanted to consolidate in one of the top two spots. Ormond started strongly with the skilful **Alan Graham** complimenting the aerial advantage of **Roger Wood** up forward creating a real challenge for the Collegians defence. In the second quarter Collegians fought back to get within a goal before Ormond increased the lead to 9 points at half time. Ormond's talented forward line proved too much for Collegians in the second half and Collegians suffered their third successive loss while Ormond consolidated second place on the ladder. Best players – **Joakim, Graham** (4), **R Finlayson** (3), **Wright, B Finlayson, Bourne** (Ormond) and **Williamson, Munn, Pryor, Fox, Day, Skinner** (Collegians).

A Section coaches were **Jim Malone** (University Blacks), **John Wilson** (Caulfield Grammarians), **Ted Farrell** (Ormond), **Graham Calverley** (University Blues), **John Booth** (Old Paradians), **Peter Falconer** (Collegians), **Alan Salter** (Coburg), **Peter Kanis** (MHSOB), **Sam Birtles** (Monash University) and **Vin Williams** (North Old Boys).

50 YEARS AGO – 1959

The training squad for the **Victorian team** was announced with the **Amateur Carnival** to be played in **Perth** in a month's time. **D Wright** (Alphington), **M Rush, J McDonald, G Daff** (Collegians), **K Aldred, M Lewthwaite** (Ivanhoe), **L Wakeling, N Pivetta** (Old Paradians), **A Morris, I Law, M Russell** (Old Scotch), **G Keogh, P Slattery, T Callan** (Old Xaverians), **A O'Connell, B Mau** (Ormond), **N McNeil, C Strachan** (State Savings Bank), **L Eldering** (Commonwealth Bank), **W Pearson, G Gill** (De La Salle), **D Hinchcliffe** (Geelong), **N Stokes, I Mort** (Kew), **J Nelson** (MHSOB), **W Colenso, A Pinkus** (Old Melbourne), **B Evans** (Bellfield) and **L Grant** (Power House).

Ever lost a game of footy by 334 points? Believe it or not the record shows one side did on the weekend in Under 19's. I think I coached a side to a loss of about 200 points. Felt dreadful. As we were gone after just five minutes the conversation between my assistant coach and me revolved more about what was on that Saturday night and the potential standard of hot dogs at half time. But is it better to lose a game by just a kick or so, feeling like you did your very best but again walking away with no points?

We had teams that could relate to close losses in round six. Results that may come back to haunt them, may just be a speed hump in the marathon season. Ferndale Park was our first witness of an absolute ripper of a game. As discussed on Inner FM early Saturday one what was to be a warm and almost sultry day suited to high scoring this one would go down to the wire. In the first term the X Men knew they were in for a fast and furious day with St Mary's Salesian playing there small ground well. The score at quarter time was a slender seven point lead to the home side. For the visitors **Pabts** in the ruck was well on top and **Russo** was playing his usual hard running game. But from there **Darren Hill** started to convert great work into goals and the home side might have run away with it. Coach Lenders pleaded with his players for one last effort with the game still up for grabs, and the X Men responded well. The class of **Dimakopoulos** was just not enough to see the visitors through, who succumbed by twelve points. St Marys Salesians had great service from **Liam Kelly** in backline and **Col Ryan** being influential off the bench. Both sides are serious contenders in 2009, however it is a worry for the away side that they rely possibly on too few to get the job done. **Darren Hill** is an interesting injury for SMS who will improve again. Close also at **Ross Gregory** which hasn't seen a lot of the beloved Powerhouse in 2009. Home wins for them are vital as sadly, for the past few seasons their home ground has been a place where visitors have excelled. It had the trimmings of being close all day. Adam Collett finished well last at Benteleigh, this week was even better again from the mercurial forward with six majors. Wes Old showed some form of days past at home and the 'House were slick all day moving the ball forward. But the magpies were equal to them all day and at times, it looked like they would break away. Saker had a really big influence with his run and disposal and we know that Anton can finish the work off clinically. **Grieves** was probably best a

field in the game but the Piranhas got the vital four points that keeps them very much in touch for the fourth spot, perhaps they can roll even higher.

If that was close, then this was ridiculous. One does get the feeling that Uni High are worried. At the top end of the list there is some serious quality. From an attacking point of view **Kirk** has delivered about 26 goals, the back six have been OK and they work their absolute socks off each week. But the wins are not coming and you just have to ask: What's left in the tank for the rest of the year? They made the road trip to Doveton knowing full well they would have to hang tough all day, minute by minute and ensure that it's tight and tough. They did that but just fell short on the scoreboard. **Rohan Scott** was accurate all day for the Jocs and booted home a winning score whilst **Bourchier** returned to some early season form.

Then the big one at Rathmines road, where the home side needed some luck to win their first game of the year. They got that in the form of the team sheet that showed no **Smith** or **Hunter** for the 'Wicks. But the away side had some great in form players still from seven days prior and would have been extremely yet quietly confident. The key to the day was the Hawks solid and accurate start. Eleven goals and two behinds at half time set them up for the day here. This element has simply been missing from them all year, laying a foundation for a winning score and moving the ball fluidly. But let's face facts. **Matt Collins** is a star when he has little opponents and is getting fitter. A clearly dominate player all day who is enjoying footy again. **Scott Grace** produced his usual magic and bagged six majors, (I think he could kick goals a la Daniel Motlop he is that good at it) and **Craig Mahony** just could not get the job done alone. For the Hawks they need to raise a rhythm yet again. This week too!

Our only game that had a serious margin was at Benteleigh where the home side ran away from the Gryphons. Absolutely no problem with the effort of the Monash side here with their ethic and commitment for each other but as Peter Garrett has said many times a facts a fact. There were 13 of our 22 from Saturday who were under twenty years old, so it is literally men playing the boys. And kudos to them for getting together a young side who can only learn from the **Robbo's** and **Magnifico's** of this world.

A quick update on the sharp shooter sees Darren Hill lead on 27 goals one ahead of Kirk and then back to Anton on 22 goals.

TIPS –

Mega round. Not one bigger in 2009. And yes, going for another five straight wins like last week.

SFX host Benteleigh. Want to say the home side but just got the nagging feeling Benteleigh want this game badly to really test themselves. Under ten points to the away side. Powerhouse at home to St Johns, but simply impossible to be confident. Piranhas but by a similar margin to the week prior. Elsternwick usually suited at home but perhaps not against St Mary's Salesian. Away side by twenty points. Hawthorn have to but can not entertain them with confidence. Tipping a draw there. Uni High just to steal the points from the Gryphons but that should be close too.

I can safely say this round is a cliff hanger. Get the pop corn and settle in to any game happily!

ROUND 6 WINNER JARROD REID (OLD CAREY)

Jarrold Reid capped his fine early season form with a match-winning six goal performance against Old Haileybury last Saturday.

Chris joined Old Carey as a schoolboy in 2007 after playing TAC Cup with Oakleigh Chargers, playing some U19s before graduating to the seniors.

Reid, a member of the VAFA U21 rep squad, has already become part of the leadership group at only 19. With his great hands, fantastic physical presence and on-field leadership, Reidy has quickly become one of the top players in the competition.

This year he has kicked 21 goals, and showed his courage and leadership skills last Saturday by kicking six goals after having to have stitches to a badly cut hand.

Congratulations, Jarrold.

U19 Coach of the Month – May Matt Campbell – Old Westbourne

When OW AFC was unable to field an Under 19 team in 2008, Matthew approached the committee announcing his commitment to resurrecting the side for the 2009 season.

He has done so with great success so far having built a team from scratch and now sitting second on the ladder after 6 rounds. Matthew has a fantastic understanding of and relationship with the players who are playing with a positive and attacking style of play. His influence on the playing group and willingness to develop players for future senior football will no doubt prove to be a great asset to the club in the years ahead.

D4 SECTION

by Duncan Palmer

Last week we focussed on the young guns, the rising stars of the competition, and some of them were prominent again on Saturday. This week we jump to the other end of the playing spectrum by looking at some of the durable veterans still starring in senior football. Every club has a player who wears his hair in a ponytail, apparently still living in the 80s when he first played, or has no hair at all when photos on the wall show flowing locks: The player who pulls out his dentures rather than putting in a mouthguard or takes half of the entire team's physio time for a rubdown. They might not move as quickly any more, but their nous, skill, strength and leadership are invaluable. Some of these 'D4 vets' are not only still key players within their own team, but are some of the dominant players in the competition.

One of these senior citizens is Ross Bennett at Chadstone. At 39, he leads from the front, literally, as skipper, and despite the drag from his ponytail, still manages to line up on the ball and was in the best again this week.

Afrim Odza a triple best and fairest winner at Box Hill North is another. This season he is dividing his time between the super rules team and the seniors, and when he is available for the seniors the improvement is obvious due to his evasiveness and quick hands.

Captain Cam Twaddle at North Brunswick is a man amongst boys in a young team. Originally from Terang, Cam brings a driving left foot kick to the green and gold forward line. Cam provides leadership in the true understated 'country boy' manner, and inspires teammates to greater acts.

Other names that figure regularly are Craig Horne, Jeremy Freeman, Justin Kane, Ben Prior, James Sutton and more.

Last week goal umpires suffered again from RSI of the neck as Albert Park, Kew, Latrobe, Mt Lilydale and Richmond all booted cricket scores. The close game was at Chadstone where Manningham just edged out the Synners courtesy of a blinder from David Edebohls. Ross Bennett who was mentioned earlier was fantastic for Chadstone, who cannot be too far from a win. After an even first two and a half quarters, the Horne-less Bears drew away from the Razorbacks to record a relatively comfortable victory. Michael Manning will donate to the end of season trip with a best on ground performance for Swinburne, however Jeremy Fultheim was the catalyst for Kew who also had another veteran Brian Cullen kicking

goals for them. It is scary to note that there was no Horne, McDermott, Phipps, or Thorp playing for the Bears. The Sharks started brightly with Trent Silvers working hard. However with Justin Kane and Shaun Hayes dominating off half back and instigating many attacking forays, the Falcons took complete control and feasted on Flake for the rest of the day. Will McIndoe flexed his large biceps and reeled in the catch, as Sean Allan finished with six. Frank Varga and Ryan Rantall were far too mobile for North Brunswick who never gave up but were outclassed and outsized. Young Corey Hall provided some hope for the green and gold with a polished performance. South Mornington found another top two team to be beyond them, as Latrobe opened up with a seven goal first quarter and never looked back. Ben Price tried to lift the tigers, however Uni were too strong in nearly every position. Last but not least, Box Hill North put in a far better performance, with Justin Howarth holding Nathan Nuske well, and Afrim Odza finding plenty of the football. As good sides do though, Richmond found other avenues to goal and the Andrews and Daniel Pike scored twelve between them to lead the Snakes to another victory.

Round 7 Previews

Match of the Round

Richmond v Latrobe Uni

The Snakes only just fell to Albert Park in round 1, and would be very optimistic about their chances against Latrobe. With Nuske, the Andrews, Liddie and Pike, they have formed a potent offensive line-up. Latrobe hasn't put a foot wrong and with Patten, Sheldrick, Coffey, and McMaster, also have a plenty of class in their side. With no real feeling of which way this game may go, I will take the home side by 2 points.

South Mornington v Mt Lilydale

South would be devastated with their performances against top sides, and with the Rams looking ominous again, would have to be at the top of their game; Mt Lilydale by 18 points.

Nth Brunswick v Box Hill North

One of these sides will break the duck, and both will be fired up for a big game. I think Box Hill North are still a few shy of a full side but having Dan Penny back makes a huge difference; Demons by 4 points.

Manningham v Swinburne Uni

There was a big sigh of relief down at Koonung Reserve as the Cobras notched up their first win. The Razorbacks were well beaten, but not shamed against Kew. I am not sure the home side have someone who can go hard with Yaman, whereas Prior, Ashton and co will work hard on Fradkin; Swinburne by 6 points.

Albert Park v Chadstone

I am sure Chadstone will give their all as they have every game this season; however this will be ugly Falcons 111 points.

Eley Park v Kew

After a bright opening against Albert Park the Sharks fell away, fast, and they will need to lift quickly for another big challenge. The Bears however are travelling very nicely and seem to add another string to their bow each week with Chad Watts a perfect example this week; Kew by 48 points.

Reserves: SM, NB, Lat, Swin, AP, Kew

MILESTONES

Luke Maslin from Old Carey plays his 50th game this week in B Section. Luke with his pace, and his driving left foot is a handful for any defence. A member of our C grade premiers side, Luke's dash and ability to take a big grab are invaluable. We hope Luke can play many more games for Old Carey

Nick "Berger" Ritchie today plays his 50th game. A massive coup for the club when he was poached from the Diamond Valley in 2005. Berger made his name as a floating zoning backman with a huge punch and the most awkward, but effective, kicking style in the comp. His most memorable moment at the club was having a chest off with a very senior figure of the Cobras. Nick's favourite player/most looks to for inspiration is Simon Minton-Connell. Well done Berger.

Joe's Jargon

3 out of 4, pretty standard in the old tips. Let's see how they fared after Round 6...

Last Week

In the Northern Derby, Therry went to St Bernard's with a huge sniff of their second victory of the year. Both sides were eager to impress after coming off substantial beltings the week previous. An even affair through out with more lead changes than the Tour de France peloton, St Bernard's were staring down the barrel at Three quarter time but lifted with a 4 goal to 1 last quarter; getting home by a slim 8 points. **Monello** kicked 6 to add to his tally with Helenius in good touch. **Damo Ractliffe** dished 3 sausage rolls and had a good day with **Gumley** also contributing strongly.

In the heavily anticipated clash of the titans, heavyweights, top two, etc etc, the Oaks were not up to The Bullants as the juggernaut had a comfortable 32 point win and added further ink to their stamp on the competition. The Krushers jumped the Bullants with the first 3 goals of the game but that was all she wrote as the Bullants led throughout after quarter time. **Cole** was good in the ruck with **Moustafa** capitalising on his tap outs. For the Oaks, Hunt is in great form and **Costigan** added 4 more coffee scrolls to his sharpshooter tally.

Old Camberwell finally broke the duck with a comprehensive 71 point victory over a disappointing St Marys. The word out at Ferndale is the lads just aren't gelling together and need some extra bonding. Perhaps some ten pin bowling or mini golf during the week Coach? Better players for Camberwell were **Bennett** and **Boyal**. For the Saints the Big Bombastic had his best hit out for 09 with **Brett Gatehouse** also winning plenty of footy, sorry Scotty he made me do it!

The Tigers met a determined UHS at home and were pushed heavily but eventually held on by 17 points in a low scoring affair. Although having a slow start, the tigers lifted and stuck to their game plan, running the ball at all

costs, with **Falkiner** and **McMahon** winning plenty of the footy. Although the likes of **Habel**, **Everist** and **Asir** pressed hard the Uni boys just fell short.

This Week:

St Marys / Salesian v SBMT

The Tigers at Elsternwick should be much too strong. SBMT by 28 points.

Oakleigh v St Bernards

Oakleigh at home. Tough trip for the snow dogs in the early morning. Krushers by 52 points.

Therry Penola v UHS – VU

UHS – VU just, Therry are always tough to beat in these sort of games. UHS by 4 points

Northern Bullants v Old Camberwell

Camberwell will be brimming in confidence, but are not up to the class of the Bullants. Northern by 34 points.

Any match reports, information, banter related to my column and correspondence will be most appreciated. Please send by 5pm Monday. Don't be shy. Please email to joe@vafa.com.au

U19 Premier - Round 6 Review

I've searched through the VAFA's scribes code of conduct and found that us scribes are not bound by the usual journo's code of reporting facts rather than being first to break the story and are actively encouraged to spread large amounts of mayonnaise on our reportages. Too bad I didn't know this last week when I was neither first or factual when reporting on the monumental battle between Xavs and Scotch that finished in favour of the Claret and Stout after shot on goal sailed wide after the siren at the Old Scotch end. I'm sure plenty will be said next time those two sides meet as they are sure to figure in the end of season action we love to call finals.

Speaking of finals, De La Salle (Blues) are looking very ominous again handing Rupertswood an even 100 point smashing out at Sunbury. Enjoying the road trip Stephen Muller snagged a lazy 14 goals as the De La midfield went nuts and supplied that much quality ball the young #10 went home with a serious bought of leather poisoning. Better contributors for Rupo were Troy Karaitiana and Jorden Braddy however they could not match the firepower of Fort-Williams, Parker and Jordy Pollard for De La. Old Xavarians also dished out some harsh treatment to their opponents in St Bedes Mentone Tigers, cruising through the day to run out comfortable 12 goal winners. Shining lights for the Tigers Dale Foley and Michael Locco while the lid has been shut so tightly at Xavier Nation no one knows who starred!

Toast of the town for the Blue half of Parkville this week is Jack "man about" Townley who shattered Uni Blacks hopes of a much needed victory with an accurate kick after the siren to give Uni Blues their second win for 09. 40 points down in the second quarter Blacks turned it on in the second half outscoring Blues and leading when the siren sounded to end the game. Sadly for Blacks the Blues goal scoring machine had the ball in his hands with a nervous set shot to be the last play of the day which he duly slotted for the win. Jack Maxwell was also excellent for Uni Blues while for Blacks Shane McNamara and Boden Alexander were exceptional.

The Bulleen Rd Derby proved to be a cracker as the T's launched out of the gates and really should have put an end this game as a contest by quarter time. 13 scoring shots to 2 in the first quarter and you'd think you were watching some sort of sick Geelong vs Port Adelaide groundhog experiment. But with only 3 of the 13 shots majors Marcellin were left with a sniff managing to stay in touch until finally gaining the acendency in the final stanza to pinch win number 2 at home. Ned Hunt and Steve May were great for the T's while Nick Crosbie and Matt

Gasparini got the job done for the Eagles.

Old Scotch suffering from their narrow loss the previous week and now missing their skipper travelled to Shark Park to check how the highly rated Beaumaris went about their business. In a cracking game The Cardinals held Beauy at bay (pardon the pun) all day and with a super effort from their back 6 were able to strangle the hard running Shark's forward thrusts. It was an even team performance that got the job done for the Cards while the punters at Beaumaris were very impressed with Michael Globan and Matt Hinds.

U19 Premier - Round 7 Preview

Uni Blacks vs Beaumaris: Both sides lost winnable games last week and on paper not a lot splits these two. Uni teams we know start to hit their straps as the semester rolls on and this week I think Blacks will be cherry ripe for a win. Blacks by 2 goals

Marcellin vs Old Scotch: The Cardinals on the road again will head to Oval 2 at The Eagles nest with confidence and if Marcellin offer a similar start to last week then this will get ugly early. The spread of talent in red will be too great for the Eagles to cover this week. Old Scotch by 6 goals

Old Xavarians vs Uni Blues: As I've mentioned, we know the Uni sides will be getting their A game together by now so what better time to take on the undefeated flag favorites than now. At home or away Dino's "Dino-mites" are on song and won't drop this one however, the result will be closer than many punters would expect. Xavs by 2 goals

De La Salle vs St Bedes Mentone Tigers: The Grand Final rematch has lost a fair amount of its allure with the Tigers struggling and De La doing as they please. With that said St Bedes are only out of the 4 by percentage and should offer plenty of resistance, it may be hard to convince the punters after last weeks shocker though. De La Salle by 4 goals

Old Trinity vs Rupertswood: This is the week for Trinity, at home after a strong showing last week the T's go in against an opposition that was blown to pieces on there own goose paddock last Saturday and should be good enough to grab the 4 points. Old Trinity by 1 goal

DAMO'S BALL

Round 6 Review - North 1

In the closest match of the round, Old Carey has stolen the four points over the Sharks, winning by 2 points. The lead changed through out the day, but Manningham pushed out to a 3 goal lead at 3Q time, before a 4.5 to 1 behind quarter comeback sealed it in the last for OC, however Manningham had their chances, finishing with more scoring shots than OC, the final scores 6.14.50 to OC's 7.10.52. D. Di Bartolomeo and D. Tibaldi were in the top 6 for the Sharks, whilst M. Dawson and C. Jones helped OC get over the line. Old Camberwell smashed Bulleen Temp at home, 23.20.158 to 4.6.30. Bulleen only managed 4 goals for the day, which all came in the third quarter, whilst OC kicked 20 of their 23 goals after quarter time. Sam "Killer" Killworth booted another 6, whilst Tom Byrnes again earned his spot as OC's best player.

Down in Heidleberg, it was St Bernards who destroyed the home team by 62 points. Banyule were just run over by a better team, and Andrew Van Meel can take much of the credit, booting 6 goals in a best on ground performance.

And in the biggest pumping of the year, Fitzroy have sent Aquinas their 6th straight defeat, none bigger than this one however. The 'Roys kicked 53 goals to Aquinas' 1, and was really a "men vs boys" clash. Fitzroy dominated from the outset, and the result has boosted their percentage by 140%. R. Angiolella kicked 13, and a bag of 9 from C. Evans were standouts on the scoreboard.

Round 6 Review - North 2

Rupertswood have suffered their 6th straight loss, this time at the hands of Old Westborne, who have now moved into second spot on the ladder. The half time margin stood at only 5 points in OW's favour, but an 11 goal blitz to none in the third pushed the scoreline out of Rupertswood's reach. That third quarter cost them dearly, and it was Brent Swallow who tried to stand up for the home side.

La Trobe soundly beat Fitzroy on the weekend by 47 points, the 'Roys still waiting for their first win in 2009. Joseph Meiklejohn was superb for La Trobe, booting 6 majors in a best on ground performance for the away team, whilst Nikita Pattugalan was the best for Fitzroy.

Old Geelong have now pushed clear on top of the North 2 ladder, knocking off challengers Therry by 8 goals. The lack of tall options up forward has cost the Lions dearly, as they now fall third on the ladder behind OW. Bags of 4 each to Alastair Price and Ben Skelton shone through on the scoreboard.

And in a tight tussle down in Ivanhoe, the home team got up over Old Xavs by 23 points. The O'Brien boys tried hard all day for the red and black, but the game finished up in a similar result to what it did in the Semi final last season. Ivanhoe are now just out of the 4 on percentage, and it will come down at seasons end as to which team struggles to hold their spot, with what seems like 4 teams contesting for

the 3 spots. Old Xavs must win next week, and then against Therry if they are to make the 4.

Round 7 Preview - North 1

Aquinas will be dreading each week for the rest of the year after last week's result, and will be looking forward to the week off after this week's match against Old Essendon. OEG have had the week off, and although it usually doesn't work in the team's favour, Aquinas are really struggling in North 1. TIP: OEG by 48 points.

St Bernards take on Old Camberwell in what will be an enthralling top of the table match. Both teams are undefeated, and in my match of the round, I reckon they'll both still be undefeated. TIP: Drawn match (OC to lead through out, St Bernards to come back late).

The two "B" teams, Bulleen Temp and Banyule will face off this week, and with both teams stuck on 1 win, neither team looks more favourite over the other. TIP: Bulleen Temp by 23 points.

And in the last match of the round, Fitzroy will travel to Donvale to take on the Sharks. Fitzroy absolutely smashed Aquinas last week, and should have high spirits after that performance, whilst the Sharks will still be ruing last week's 2 point loss. TIP: Fitzroy by 75 points.

Round 7 Preview - North 2

In the last round before the midyear break, Therry Penola take on Ivanhoe in a do-or-die game. Both teams are on 16 points, and are looking to push clear, and whilst Therry may have a better line up on paper, they are out of form at the moment. TIP: Ivanhoe by 12 points.

Emmaus play host to a winless Fitzroy, and St Leos will be expecting to win here, with a result that will keep them in the four. TIP: Emmaus by 45 points.

In the top of the table vs bottom clash, Old Geelong host Rupertswood at the Como Park. This will get ugly, as OG continue their unbeaten form. TIP: Old Geelong by plenty.

And La Trobe take on Old Xavs, and as I said before, the season is on the line here for both teams. They both sit a game out of the four, and the losing side will struggle to make up ground later in the season. My match of the round. TIP: Old Xavs by 20 points.

U19 South 1&2

South 1 Review:

Very one sided round of football this week as we kick things off with a 136 point demolition to the Noddies handed by an inform De La Salle. With a bag of 6 from N. Fyfield and plenty of drive from L. Williams & A. Papamiliades the De La boys were just far too good and now sit 2 games clear in 4th spot, travelling rather nicely.

Wasn't expecting the 14 goal drubbing handed to the fielders this week, but the St Kevin lads just turned it on and showed some breath taking passages of play regularly. T. Marchesani jagged 4 whilst C. Semetas & A. Balestra ran a muck around the ground.

Collegians had a monster win over the Haileyburans with the final margin resting at a whopping 84 point victory. J. Wood & M. Allen booted 10 between them and were very well fed by J. Kamener. This was certainly a very memorable way to notch up your 1st win in season 2009, well down to the lads at Collegians and lets hope this form over the week end sparks a late charge in the second half of the season.

The Melburnians remain undefeated still after 6 rounds and look very solid. Whilst the Brighter's put up a gallant fight they still remain a solid unit and will be hard to budge at this point in time. The goals were well spread for the Burners while A. Steel & Y. Rous gathered plenty of prune. A Dewar tried his guts out for his side, but it just wasn't enough to bring home the bacon.

Oakleigh again failed to get a side on the park this week which let the Monders have the week off to prepare for Old Brighton this week.

South 1 Preview:

De La Salle vs. Old Melburnians: De La will have a real crack but the Burners look the real deal, Melburnians by 5 goals
Old Brighton vs. Ormond: The Monders had the week off to refresh get some homework done, shave moustaches or support their seniors and will prove far to strong for the Brighter's this week, 6 goals.

Mazenod vs. St Kevin's: St Kevin's by plenty
Old Haileybury vs. Caulfield: Fielders to bounce back well, 10 goals+

Oakleigh vs. Collegians: Collegians.

South 2 Review:

Parkdale where have you been? Huge upset this week as the Vultures took it up to the Mentonians to have their 1st loss in season '09. A. Coles jagged 4 whilst M. Graham & S. Rzek played outstanding games to pull off a historic win and get the Vultures season back on track.

Beauy kept the Blue Baggers to only 1 goal for the game, as they defeated Prahran by 63 points. L. Kivi was the only multiple goal scorer with 4 and was fed well by A. Edmondson & J. Schultz. Beauy now find themselves in equal 4th spot, and although their poor percentage is hurting them, if the wins keep coming it will count for very little.

Monash felt the full force of a fired up Hampton Rovers this week, going down by 109 big ones. M. Innes 5, N. Fallon 4 proved a real handful up forward whilst R. Howe & E. Turner went on to really dominate around the ground both edging the 30 possession mark. The HR's look well placed early this season as they sit in second spot with a healthy percentage. Ajax are really stamping their authority over the competition with a shellacking over MHSOB, as they remain undefeated after 6 rounds. A wide spread of goal kickers did the damage for the Jackers whilst J. Lancman & M. Selzer were named among the best.

A tight contest between Peninsula and Bentleigh had the crowd on the edge of their seats over the week end, as the

game was neck and neck until Bentleigh booted 3 goals & 10 behinds in the final term to out point the Pirates by 1 kick. B Morrison was simply unstoppable booting 9 of the very best whilst for the pirates T. Cox & S. Howard tried their best but just wasn't enough.

South 2 Preview:

Hampton Rovers vs. Peninsula: Hampton in rare form. Too strong. 70+ points.

Bentleigh vs. Beaumaris: Good game this one. Wouldn't be surprised with a Beauy win but ill go with Bentleigh, 3 goals.
Parkdale vs. Monash Blues: Monash out of form Parkdale in form, Vultures by 5 goals.

MHSOB vs. Prahran: Prahran 4 goals.

Old Mentonians vs. Ajax: Match of the year so far, Jackers going well but the Mentonians looked solid until last week, gut feeling is the home side to bounce back by 4 goals.

CLUB XVIII SECTION

by Norm Nugent

Round 6 matches, which were played in near perfect conditions, provided the usual quota of surprise results, which in turn altered the top four positions in each Section. My success rate remained at 66%.

Review of Round 6.

Section 1.

Prahran showed a welcome return to the form of seasons past when they defeated Old Scotch by seventy seven points. Dual Mason Medalist, **Jason Storer** gave "an awesome display" according to my source.

Old Xaverians had a day out against St Kevin's, who had no answer to the "Crocodile" power. The one hundred and sixteen point "Crocodile" margin reflected their dominance. Their best were: forward **Joe Rush** (ten goals), **Tom Byrne**, **Daniel Molan** and **Daniel Russian**. For St Kevin's; the stalwarts **Tom Collins** and **Andrew Kearns** as well as fellow scribe **Will. McCann** and **Pat. McInerney** were best.

Leaders, Collegians consolidated top position by defeating St Bernard's by ninety three points.

Old Xaverians 2 outplayed University Blues, although the "Ménage" margin of twenty three points was lessened by their inaccuracy.

My theory of the reward for the winner of the De La Salle/ Old Melburnians match was proven as through their fifty four point victory, Old Melburnians moved to fourth, a position they now hold by a clear game.

Section. 2.

University Blacks remain the only undefeated side after their sixty six point win over Mazenod.

How does anyone predict the outcome of a game featuring Old Camberwell? After three weeks without success, the "Wellers" bounced back with a thirty three point win over North Old Boy's/ St Patrick's.

Old Trinity played well throughout their game against Fitzroy, before winning by twenty two points.

In the closest result of the round, Monash Blues defeated Marcellin by two points in a thrilling and high standard game in which the lead changed often in the tense last quarter as Monash Blues came from behind to wrest the lead. Ironically the tried and true boot of veteran "Eagle", **Gary Petroff** failed him when a straight kick for goal would have brought Marcellin victory. Best for Marcellin were: **Sam Ayoub**, **David Armstrong** and **Leigh Hanson**. For Monash; **Keith Perry**, **Simon Officer** and **Steve Zarifopoulos** were best.

In the afternoon match, a strong Old Brighton overwhelmed Whitefriars, who conceded seven unanswered goals in the first quarter, which set up the Brighton victory. Their winning margin was one hundred and seven points. Best for Old Brighton were; **Ewert** in the ruck, the **Jackson Three** and **Maguire**. Whitefriars were best served by: **Trigwell**, **Shaw** and **Cunningham**.

North.

In the early morning match, Therry Penola outplayed North Old Boys/ St Patrick's and won by twenty four points.

Banyule entered the top four when they beat Kew by twenty eight points.

Leaders, Old Ivanhoe were largely untroubled to defeat Werribee by eighty six points.

Whitefriars were rewarded for their long journey with a fifty five point win over bottom side, Old Westbourne.

Old Essendon Grammarians had a day out at the expense of Bulleen Templestowe, who lost by one hundred and seven points. Old Essendon farewelled Ash Nowland, whose five goals were a highlight. Others to do well included: veterans **Brett Papal** and **Peter Philpott** (three goals)

Old Carey confirmed their top four status with a thirty one point win over Williamstown C.Y.M.S. Carey's eight goal burst in the last quarter put paid to any chance of a Williamstown victory. **Simon Abela** and **Cameron Matthews** were best for Old Carey whilst **Simon Frazer** and **Greg. Shine** stood out for Williamstown C.Y.M.S.

South.

Ormond defeated Old Geelong by twenty three points. Caulfield Grammarians entered the top four through their massive one hundred and eighty one point win over South Melbourne Districts.

Leaders, Old Melburnians overpowered St Mary's/ Salesian and won by one hundred and thirty one points.

St Bede's/ Mentone Tigers defeated Oakleigh by sixteen points.

In the afternoon game, Old Scotch were runaway winners by one hundred and thirty points over Hampton Rovers.

Preview of Round 7.

Section. 1.

University Blues face a danger game at St Bernard's. A loss could end the Blue's hopes of defending their title in August. This promises to be a really close game from which I favour the more talented Blues to narrowly defeat the more determined home side.

In a potential final's rehearsal, Old Xaverians 2 meet Old Melburnians in Albert Park. I select the Xaverians because their record this season is the better in both for and against.

De La Salle should defeat Old Scotch and maybe regain fourth place.

Old Xaverians play leaders, Collegians. If the match is played on Koonung Park, I believe the Xaverians will win because they are much more familiar with its strange lay out. Play at another venue will enhance Collegians' chances; however I will stay with the Old Xaverians to win.

Prahran, who seem to have "turned the corner" in several ways, should defeat St Kevin's in the afternoon game.

Section. 2.

Old Camberwell and Monash Blues meet in an early game, which could provide a preview of a final. Monash have settled in to their customary top four position, whereas the Camberwell form has been erratic of late. I select Monash Blues.

Marcellin should possess sufficient talent to defeat neighbour, Old Trinity.

University Blacks should continue on their winning way by defeating Whitefriars.

Old Brighton should maintain enough talent to enable them to defeat North Old Boys/ St Patrick's.

The enigmatic Fitzroy should have the talent to defeat Mazenod at McHale Stadium.

North.

Old Ivanhoe and Old Carey will test each other's strength today. At home I must select Old Ivanhoe, who really have stood out in this competition.

The tyranny of distance for Werribee to travel could see Whitefriars win this game. I know Whitefriars need to improve but then again Werribee have not shown much form either.

Bulleen Templestowe should be able to halt their slide into Sectional oblivion by defeating the determined but undermanned Therry Penola.

Old Essendon will find their running game restricted on Victoria Park against Kew. Nevertheless, I believe Old Essendon will win.

Out west in a local derby, Williamstown C.Y.M.S. should defeat bottom side, Old Westbourne.

Banyule should consolidate fourth position by defeating North Old Boy's/ St Patrick's.

South.

Ormond should comfortably defeat South Melbourne Districts.

St Bede's/ Mentone Tigers should triumph over Old Geelong on Como Park.

The evenly matched, Old Scotch and Oakleigh should provide a closely fought game. Without any confidence, I select Old Scotch, whom I am informed. are playing well.

St Mary's/ Salesian should rejoin the winning list at the expense of bottom side, Hampton Rovers.

In a possible final's preview, leaders Old Melburnians play third placed Caulfield Grammarians. These teams are the two highest scorers in the Section. However the Old Melburnian defenders have the superior record. This should tip the odds in favour of the O.M.'s, who should take the points.
