RIVALRY ROUND

This weekend is VAFA rivalry Round. With no AFL football on this Saturday afternoon, and no notable horseracing to keep you on the couch, it's time to get to a VAFA game near you.

I am sure you are all keen on improving the numbers who get down to watch your club. This weekend (and for that matter, next weekend too), you should introduce or re-introduce a friend to the Ammos. Those who haven't seen VAFA football recently will be pleasantly surprised by the high quality, intensity and competitiveness of the matches. This week, local rivalries will create that extra tension.

Some games that may be of interest to the wider VAFA community include: the second Umpires Appreciation Day being held at the Williamstown CYMS vs Old Westbourne game; the clash for the Stephen/Bedford Cup between South Melbourne and Fitzroy; and the battle for the Ken Criswick Cup, featuring Beaumaris and Caulfield Grammarians.

This week, the Board made two important decisions which will have an effect on our competition going forward. Firstly, it has been decided that next year, the D3 competition will have 12 teams and D4 only 10. Three teams will be promoted and only one team relegated.

Logically, the two most uneven sections are A and D4. This is because in A Section, the top two can't be promoted; and in D4, the bottom two can't be relegated. The battle to rise from our lowest Section should not be the most difficult. If the 12 teams were to continue in D4 with just two to be promoted, then the dream of progressing would remain a difficult proposition. The VAFA wants its clubs to aspire to higher levels.

During the off-season, a steering committee will be appointed to research the historical competitiveness of each Section, with a view to finding where the 12 team competition should fit.

The second move takes effect more immediately. From next week, Aquinas Under 19s will transfer from North 1 to North 2. The composition of teams in the Under 19s varies each year and trying to best place them is always a tough task for our General Manager of Football Operations, Jeremy Bourke.

One of the key values of the VAFA is to provide all players with a competitive and enjoyable game of football. Having a team consistently suffer major thrashings does not really provide the positive environment we seek for young men to enjoy their sport.

In making this move, we were fortunate that both the North 1 & 2 sections both had an uneven number of teams. The change means the elimination of the bye in both Sections, thus creating an opportunity for an extra 48 players to play each weekend. We thank the teams from both Sections who allowed this change to occur.

A review of the Under 19s will take place during the off-season and I would welcome all opinions regarding composition of the Sections.

I trust the crowds will be large this weekend and that many new fans will be introduced to the great family-friendly and fabulous competition that is the VAFA.

THE JOURNAL OF THE VICTORIAN AMATEUR FOOTBALL ASSOCIATION

June 20th, 2009 Price: \$2.00 Vol. 09 No. 09

I nearly choked on my Sunday breakfast pepperoni and habanero pizza when I read the scores last week. Such huge margins are de rigueur in the EFL, but the match-ups are usually more even in our great competition. Still, it perhaps tells us a little about the relative strengths of our competing clubs. We're eight games in and we are starting to see a pattern, but it's a bit like an Etch-a-Sketch, and one week of can wipe it all away.

Well, perhaps not all of it. I'm willing to aver that De La and Old Xavs won't be relegated, that St Bede's will most likely be in A Section next year too. As for the rest, we really don't know yet. In this league, on any day, bottom can beat top. Not last Saturday, however, as the Xaverian steamroller pancaked the hapless Old Essendon by 121 points. The game was never in doubt as the Red 'n' Blacks piled on eight goals in an opening into-the-wind gambit. By game's end, even newly-married OX coach Simon Lethlean was calling for the mercy rule, having exhausted almost every possible positional permutation, with even his key defenders getting on the scoreboard before time ran out. The Gold Dust Twins **Damian Lynch** and **Matt Handley** posed plenty of problems for the Dons, who were best served by **David Forrest**.

Out at Waverly Park, the Sallies proved they are nobody's patsies. It was a procession for the home team and they cut new boulevards to goal with monotonous regularity. At one stage, they managed ten unanswered majors. Also unanswered are the big question marks that surround the boys from the Beach. It is hard to pin the smashing on a lack of talent and downright dangerous to write it off to a lack of effort. From early days, however, Old Brighton looked a tortured outfit, devoid of confidence and unable to conjure that special moment to send the message. Not that De La was listening. It went about its business in entirely ruthless fashion, stunning even their own long-time die-hards with a monstrous display to win by 111 points. **Sam Pickett** kicked five and was named best for De La, but that honour could have been accorded to any number of them. **Ben Corin** and **Joel Phillips** were constant threats around the sticks, while at the Beachies' end, **Luke Mann** stood up and stood out on his return to senior ranks. For the Tonners, it was a costly loss as their percentage took a 15% haircut.

Reigning premier St Bede's Mentone Tigers jumped

back on to the winners' list with a 65 point pasting of Marcellin at Brindisi Street. The Eagles took it up to the Tigers in a tight first quarter and were still in it at the half courtesy some wayward shooting from the home team. However, they were no match beyond the break as the Combine powered away to another big victory. **Brett Collins**, with four goals, was again named best for the Beders, while their young skipper **James "Taxi" Tyquin**, returning from interstate duty, played a solid and inspiring game around the packs. Other Victorian representatives **Jack Hellier** and **Peter McGettigan** also proved valuable, while **Dallas Jarred** and **Dan Cullinan** were the best for the vanquished visitors.

University Blues travelled to Chelsworth Park, where they traditionally find mud, wind, dark clouds and most often come up empty. Not this time. The weather was fine, the track was good and the parasols were up and the Varsity took the points from Old Ivanhoe. Adrift for most of the afternoon, the Hoers came hard in the last, but couldn't bridge the gap. The big fellows **Hayden Heta** and **Nick Butler** were best in brown, while the Blues were well-served by the under-rated but well-pedigreed **Dan Carmody**; Big V players **Mark McLeod** and **Dan Nicholson**; and the hardened veteran **Matt Torney**. The 16 point surplus was enough to vault the Varsity into fourth spot on a ladder that is getting very crowded in the peloton.

Collegians, who had found old form with their win at the 'Wick prior to the break, were beaten favourites at the Trott. Old Scotch, buoyed by their last quarter deluge a fortnight previous, asserted their superiority in the second stanza and held out for the rest of the way. **Lachie Thompson**, on season's form thus far, must be the Woodrow favourite. He hasn't played this

well, this consistently since he cut up the U19 competition a few years back. **Jack Davis** was back in the side and back in good form. The goals were shared by the Cardinals, always a good sign, while the Collegians' cannons managed just one six-pointer between them. State player **Andrew Scott** was best in Purple. Both of these clubs have found consistency an elusive commodity, which does not bode well with the true tests coming week after week. One senses, however, that the Red Men might have begun their march back and with **James Byrne** getting close, there is a little more colour in the Camberwell cheeks.

TODAY:

Old Brighton faces Old Ivanhoe in a life-and-death struggle at the Beach. If the Tonners don't win here, there will be more questions still. They wouldn't want to underestimate the Brownies, but should win on home turf.

Marcellin welcomes Old Essendon in the '08 B Section Grand Final replay. The Eagles went into that one as massive underdogs, but it is the Dons who wear that mantle today. Again, it's hard to see beyond a home win.

Uni Blues collide with Old Scotch under the spires in a clash that will provide further pointers to the respective destinations of these clubs. Both are going to improve over the coming weeks with some big additions, but neither can really afford to drop an eight-point game like this. Cards, just.

A trip to Toorak Park will not faze the Purples who have won their last two starts there and lost by less than a goal in 2005. The question remains as to which Collegians' team will front. Given their inconsistency, it might be time for another upset. Xavs must be due to drop one soon and it could well be today.

De La will find Brindisi Street and, more particularly, their opponents a tougher task than they've had for a while. The Beders have seen the draw and know that a win on home turf today and a massive percentage boost next week could see them back in top spot. Not that the visitors will surrender this at all. De La is a very good football team, but maybe the streak is over – for now!

B SECTION

by William McCann

A cold wintery day greeted all combatants for round 8. It was another round another leader for B section as SKOB relinquished the top spot for the second time in season 09. The foot of the table started to settle too; the off field rumblings took their toll on the Wellers while Bloods joined the relegation fight.

Out at the Snakepit, The Snowdogs maintained their 8 years hold on the Justin 'JOC' O'Connor trophy. The blustery conditions made it difficult for both sides, with scoring at a premium to the clubrooms end.

There was nothing in it at half time with both sides using the wind to their advantage. However with the game up for grabs the visitors were unable to capitalise on the breeze in the third term - only scoring three goals to Bernard's two. Only holding a slender lead the ladder leaders needed a miracle in the final stanza but it was not to be. A young St Bernard's side full of run slammed on seven last quarter goals, running away with a comfortable victory.

Nick Perrett, Tommy Simpson and Ben Dowd were amongst the best for SKOB while **O'Keefe** led goal scorer with three.

For the winners **Ben Jordan** continued his great form while ex-Skeve **Liberatore** led **Bernards** with pace and passion.

My spies out at the Junction oval were a little quiet. What is clear is that the premierships favorites maintained their unbeaten home record holding the inform Carey to only 5 goals for the day. **Jarrod Reid** was a notable absentee from the scorer's sheet, perhaps suffering from the dreaded Big V hangover. While for the victors little big man **Charlie Wilmoth** and the poly-symbolic **Haralambous** were immense for the Redlegs.

The loss stops a run of wins for Carey and with Ormond and the T's getting the points the 4 slipped just that bit further away.

Further south, Hampton Rovers recorded a memorable win in the local derby over Old Haileybury. After trailing all day the Rovers rose from the ether to score a come from behind to victory at Boss James Reserve.

In spite of the freezing conditions, a big crowd was in attendance at David Street. The Bloods won the toss & started the stronger, kicking the opening goal and going

on to kick five for the term to the Rovers two.

After a promising start, the visitors failed to kick a major in the second with the Hampton Rovers kicking another two to reduce the margin to eight points at half time.

The third quarter saw both teams put on four goals four and at the final change the margin remained at eight points. The Hampton Rovers knew the wind wouldn't win them the game and they had to work hard in the final term to get the four points.

The last quarter was hotly contested throughout, with the clock hitting red time, OH still held the lead. However with the home fans finding voice HRAFC engineered a brilliant goal through "Dogie Houser" MD that put them in front for the first time. A freak goal immediately followed and **Ryan Semmell** then sealed the win with a little icing.

It was a tough old game out at university. Last time these two sides met they were in a desperate fight for A Grade survival; there was almost as much at stake this time around. Blacks are starting to get in the must win the next one mindset and Trinity have started a roll on that could take them all the way back to A Section.

Trinity looked the winners all day but were unable to shake the Blackers. Mainly due to the great work of **Bolts & The big Horse Drysdale**. For the T's youngsters **Matt Jessop, Nick Howell** were terrific and Jumping **Jack Healy** chimed in with 5 big goals. Vitally important considered **Iezzi** and **Cultrera** both missed with the flu (not the swine variety).

Blackers will be counting the days until **Purcell & Kempton** get back on the field while Trinity will be looking forward to a cracking match up with SKOB out at the Playing fields. A match that could potentially put them in top 2.

Out at the Graveyard Ormond squared the ledger at 4 wins and 4 losses by defeating the Wellers.

After a lightning start, OC were 30 points up at the first change. The second quarter saw a massive change with the home side clicking into gear to take an unlikely half

time lead. The Wellers were never in it from that point running out 58 point winners. This continues a worry trend of fade outs for Camberwell and leaves them anchored to the bottom of the ladder.

For the O's "What are you talkin' bout" **Willis** had his best game in senior footy and kicking 7 goals from the forward pocket if you don't mind!!!! While **Hendrie** was the best of the bunch for OC.

Big V Club

The Big V Club's third annual lunch will be held at the RACV Club on Friday 10 July.

The Big V Club is open to all who have served VAFA representative football as players, coaches, umpires, support staff or administration.

This year's function will focus on the achievements of teams from 1959, 1969, 1979, 1989 and 1999.

The lunch is always energy packed, and provides an opportunity to catch up and swap tall stories with others who represented the Big V with pride.

Price for over 60s is \$85 per ticket, while Juniors (Under 60) pay \$95. Please ring Jessica Ware on 9537 6777 or email jess@vafa.com.au to book your seats or tables.

As well as Members, the Big V Club has two special categories, Legend and Champion.

Legends and Champions of the Big V Club are selected on record, ability, integrity, sportsmanship and character. There is no automatic selection of Legends and Champions based solely on number of games played, coached or umpired or years of service, though these will of course be considered. Only those who have retired are considered for elevation to Legend or Champion status.

In the two years since the formation of the Big V Club, nine of its members have been selected as Legends. These are Bruce Bourne; Paul Considine; John Fisher; Robbie Fuller; Geoff Hibbins; Jock Nelson; Jim Peters; Manson Russel; and Shane Murphy.

There are five Big V Champions: Rick Brockwell; Rohan Brown; Ian Cordner; Peter Hutchinson; and Phil Kingston.

Remembering the 1979 AAFC Carnival

by Ian Cordner

Preparations for the 14th Amateur Football Carnival in Hobart began 3 years earlier in 1976. South Australia had just won their third consecutive Carnival and the VAFA Executive, under Chairman, Manson Russel, were determined that it would be a Big V triumph next time.

Sweeping changes at the selection table resulted in emphatic victories against SA in 1977 & 1978, giving coach Peter O'Donohue and his fellow selectors belief that they had the nucleus of a Carnival winning team.

The need to end SA's dominance was impressed upon the playing group at every opportunity and the final squad of 25 players was under no illusion as to what was expected. One sour note was the last minute injury to intended Captain, Greg Wade (St Bern), with Ian Cordner (OMs) taking over the captaincy.

The VAFA contingent of twenty-five players & nineteen officials were headquartered for the week at the Hobart Tower motel in Newtown. Almost immediately upon arrival, timekeeper Stan Kenny and selector Bill Brown took up a position in the Hotel Courtyard, accompanied by an array of cold beverages – this was to be their domain for the remainder of the week whenever official duties were on hold!

A training run on the Sunday enabled the squad to acclimatise, with only a couple of minor injury niggles of concern. The boys were jumping out of their skins to get at WA, whom they would play at Glenorchy Oval following the formal opening of the Carnival by the Tasmanian Premier.

The Vics' opening performance was impressive and after a tight first half, they moved into top gear to record a comfortable 6 goal win.

Post-match, the vast majority of players (and many officials) headed to Wrest Point, which had been opened 6 years earlier and was then the only operating casino in Australia. Its popularity as a social venue saw it dubbed 'the Round House'.

Wednesday saw the Vics easily account for Tasmania leaving it all down to the last game against SA to decide the winner of the Carnival.

The intervening spare days gave opportunity for some sightseeing with trips to Port Arthur and an afternoon river cruise on the Derwent. A second visit to the Round House again saw players come out ahead and quite unable to believe how easy winning really was.

By this stage, the Round house was alternately known as 'the Bank', as in 'Let's go back to the Bank to make another withdrawal!'

Spare evenings from early on in the week had featured much talk, bluster and bravado among teammates, and the self-appointed Social Committee had framed the odds for the Casino Cup.

But now the fun and games were over and it was back to business.

Saturday ushered in the coldest, windiest weather of the week. Clean use of the ball was difficult and tested hand and foot skills alike. It was a dour, rugged affair with scoring at a premium and defenses clearly on top. SA, through pressure and strong tackling, largely succeeded in shutting down the Vics' running game. The Big V led narrowly at the final break with the Croweaters coming home with the breeze. But the Vics' defense stood tall, ably led by fullback, Rick Pisarski, who won the Medal for Best Victorian player.

The celebrations began immediately and continued on at the Presentation Dinner that evening, where the All-Australian team was announced.

The only blight on the day was the reversal of fortune for those players who repaired to 'the Round House' one last time, looking for a final withdrawal. Much of the profit from earlier sorties was surrendered.

Victorians selected as All-Australian were Ian Cordner (Capt), Bruce Bourne, Simon Costello, Bernie Dunn, Rick Pisarski, Frank Marchesani, John Houghton, Michael Sleeman, with Greg Wade and Joe Doolan later inclusions.

The squad comprised: Bernie Dunn, Alan Groves, Simon Beddoe, Richie Halasa (De La Salle); Mick Welch, Geoff Dillon, Mauro Borcich (North OB); Rohan Brown, Rick Pisarski, Ian Cordner (Old Melburnians); Bruce Bourne, Steve McCooke (Ormond); Simon Costello; Rod Lewis (Uni Blacks); Simon Trumble, Michael Sleeman, Mike Yeo (Uni Blues); Ian Rice (Collegians); John Houghton (Old Haileybury); Wayne Blay (Kew); John Priestley (Old Brighton); Greg Neilsen (Geelong Amateurs); Frank Marchesani (Marcellin); Kevin White (St Kilda CBC OB); Simon Tallent (Old Scotch). Peter O'Donohue (Coach), Brian Lauder (Team Manager), Peter Nathan (Asst Team Manager)

Three of these players - Marchesani, Lewis and Brown - would later go on to play league football.

AROUND THE GROUNDS

Firstly to Ted Ajani, where the last roll of the dice for the Bullants produced dividends as the relegation battle changed complexion in just under three hours. Toe to toe for the first half, neither Bulleen-Templestowe nor Monash could breakaway with **Paul Florance** racking up possessions in the middle for the Bullants. A half time bake from **Don Logan** seemed to have the desired effect on the home team - "You are just going to turn this opportunity yes. Yes, yes, yes, yes, yes." The Bullants rallied and with **Matt Bain** slotting his fourth of the match, Bulleen Templestowe lasted to score win number one of 2009, by a nail biting six points. The Sky Blues best were again **McKenzie** and **Waldron** but they must rue what was a chance to put a two game buffer on the relegation zone.

The Oval off Chapel was the setting for the Match of the Round and with Oakleigh travelling one forward light minus **Tim Edwards**, the Krushers hopes rested on the shoulders of **Trevor Bromely**. Gigantic Unicorn **Roger McIntyre** dominated the middle from the outset, giving skipper **Lachie M Evans** plenty of help in the stoppages with the third quarter time siren seeing the home side ahead by five points. In a game crying out for a hero, MHSOB's **Tom Rendall** answered the call, kicking a thirty metre banana late in the day from the boundary line in front of the Krushers Cheer Squad to continue the Unicorns winning run, and end Oakleigh's in the process with a heartbreaking eleven point loss.

Next to the Albert Park Lake and with Ajax controlling their cutthroat battle against Mazenod in cold conditions, first game hero **Daniel Werzberger** started his senior career in ideal fashion as the Jackas were never headed for the entire game, casting the one time flag favourites out of the top four. **Sam Chester** was rewarded for his hard leading up forward with a bag of six goals for Ajax while "Son of Rick" **Nicholas Marks** was a pillar of strength down back. Not too much going right at the moment for the Noddies with **Tim Catriscum** one of few to shine on a miserable Melbourne Saturday afternoon.

Over to Como Park where a mismatch on paper translated into a one-sided affair, with Caulfield flexing their muscle to dispose of relegation battlers Old Geelong by 79 points. With young Fields starlets **Tommy Sundberg** and **Clay Johnston** playing out their skins, **Andrew Slevison** had all the supply up forward to end the match with seven majors, 43 for the season.

Milestone boy **Mark Vickers-Willis** had it far harder up the other end, managing to end the day with three goals as his beloved Old Geelong tread precariously over a drop straight back to D1.

Down the Nepean Highway, the local derby between Parkdale and Beaumaris fizzed as the Sharks piled on an incredible 17 goals to 4 after quarter time to blow away the Vultures by 83 points. **Brayden Haynes** controlled the centre square, providing forwards **Scott Gower** and **Robbie Cathcart** with plenty of opportunity and with **Jason Mifsud** set to return in the coming weeks, the Sharks remain firmly in the premiership mix. No **Rochford** or **Boland** for Parkdale really hurts but club stalwart **Mick Sullivan** continues to give his all, with three sterling goals in a losing side.

Preview

Beaumaris (\$2.00) v Caulfield Grammarians (\$1.72)
Monstrous game of epic proportions with Shark Park tipped to burst with the expected crowd bound to swell into the thousands. The leagues glamour forwards in **Scott Gower** and **Andrew Slevison** will ignite an **Ablett** versus **Salmon** shootout here but the Fields are on top for a reason. Caulfield by a solitary kick.

Mazenod (\$1.90) v Oakleigh (\$1.90)

One time ladder leaders Mazenod have slipped down the table to sixth and with the brothers **Chamberlain** in the Central Reserve Grandstand nursing season-ending knee injuries, even the sight of magical **Jayaweera** won't be enough to stop their rapid freefall. Oakleigh by three goals.

Old Geelong (\$1.90) v Bulleen Templestowe (\$1.90)

D1 2008 Grand Final rematch held in vastly different circumstances. 9th versus 10th and a loss here would make survival from relegation extremely difficult. The Bullants seem to be heading in the right direction and they can deliver their second killer blow to the Como Boys in ten months. Bulleen-Templestowe just.

Monash Blues (\$4.00) v MHSOB (\$1.12)

Not too sure if some of the Sky Blues were missing due to a matinee session of Oh Africa, Brave Africa last weekend, but they would certainly not be pleased to lose to the lowly Bullants and rebound against the raging

Unicorns. Unless a cherry-picker is a late inclusion for the Monash ruckman, **McIntyre** and co. look set to have a field day. MHSOB by plenty.

Parkdale Vultures (\$3.00) v AJAX (\$1.30)

Ajax pack the bandwagon and head down the Nepean Highway looking to end a Gerry Green curse which has seen them never win there before. For the Vultures, coach **Steve Kennedy** would do well to steal a line from the legendary **Jack Dyer** for his pre-match address. "I only have two words for you men - believe in yourselves". Ajax by five goals.

FOR THE LOVE OF THE GAME...

Shaun Cossart-Walsh, who racked up his 300th for the Fielders last week is the fourth Caulfield player to reach the triple century. A tough but fair competitor for over 20 seasons, and a three-time premierships player, Shaun has always been quick to offer advice to the opposition, but has always been just as quick to buy them a beer after the game.

Congrats to the ever-green **Tim Sutcliffe**, who looks much too young to be officiating in his 300th game today. Tim takes his Acme Thunderer to Mentone, where he will handle the huge SBMT-De La clash.

While **Old Essendon** may be struggling a smidge on the field, they are looking pretty strong off it. Last Saturday, ninety people attended their lunch to hear **Sam Kekovich** talk about his experiences in life and football. For half an hour, Sam kept the audience captivated and in tears with his humour. Sam's talk centred on the three Ls that are his motto - *Love, Laughter and Lamb*. In keeping with this theme, the Bombers conducted a raffle and offered as first prize a live sheep, which sat unawares in a cage on the balcony.

An otherwise black day for the Tonners last Saturday was brightened by the remarkable achievement of 41 year old club icon, **Andrew Krzywniak**, who reached his double century with a fine performance in the Thirds' win over Old Camberwell. Arriving at Beach Road from East Brighton eons ago, Krizza was a regular on the wing for a decade and he was a key factor in the Tonners' triumph in their 1997 B Grade Premiership. He hung up the boots in 2003, but astonishingly decided last year that he needed to reach 200 games and that his young son, Michael needed to watch his dad play footy for the Tonners. With Matt Jackson as company from the old days, Krizza is still dashing about and he has set his sights on another finals series.

Lunch at De La Salle is always a pleasant experience and their quiz is always popular with the faithful. The keen committee minds from Old Brighton and De La got together to supply answers on the President's table, but the collective failed to score better than **Ron Wilson**, who also received a birthday cake from the club for his 93rd birthday.

That Renaissance man, the dreadlocked **Michael 'Mouse' Wintle** from the St Bedes / Mentone Tigers

plays his 150th VFA game today. Mouse joined the Tigers in 1999 and has won 2 B&Fs and also finished second to each of his brothers - to Paul in the U19 B&F and to Luke in 2001. In 2004 season, battling serious illness, he won the Ted Turner Award for the club's most courageous player. He also won the Ritterman Medal in the epic 2006 C Section Grand Final, then had a twelve month sojourn in Morocco as a surfing instructor, musician and vocalist, before returning in 2008 to play in the Tiger triumph in A Section.

Apparently one is never too old to learn (or to be lectured), as **Kevin "Chilli" Segota** found out while waving the flags in the recent Rep game at Barooga. The legendary Segota has umpired about six thousand games, first as a field ump, then as a boundary rider before taking up the calico twin set. During a break in the game, an AFL Vic Umpire's Advisor approached the veteran and admonished him about his *flawed* signalling. *"You're bouncing,"* he said, making reference to Chilli's habit of adding a little upward thrust at the end of his downward motion when signalling a goal. **Memo to Umpire Segota:** *Keep on bouncing. Bounce all you like, just continue to call 'em correctly. Memo to Advisor: Get a life (and purchase the optional personality package). Concentrate on the things that matter.*

Ben Garvey reaches 200 today. Garv joined SKOB in 1995 and went straight into the seniors. He played in SKOB's 1996 (C) and 2004 (B) premierships teams and in the 2001 A Section Grand Final side. Hre represented the VFA in 1999 and 2001 and was named in the 2000 All Star Australia Team of the Year. Garv suffered a serious foot injury which limited his games in '06 and '07 but he came back strongly in 2008. Big Ben's biggest assets over the years have been his spring and his strong hands. (Just like the clock, except more versatile!)

It was interesting to note how many Rep players went back to their clubs and made the best player lists last Saturday. Form has known to be elusive in late June for some who have worn the Big V, but it would appear that most returned to their regular haunts and played to their own usual high standards.

Today **South Melbourne Districts** and **Fitzroy** clash at Hassett Oval for the Bedford-Stephen Cup. The Cup is named after Peter Bedford and Bill Stephen who represented South Melbourne Districts and Fitzroy respectively. It was first awarded last year to Fitzroy after they won by a point at Brunswick Street.

Uni Blacks' **Rob 'Moose' Mackie** plays his 150th game this week. He began with the Blacks in 1997. In his first year, he played with the U19s before playing in the Blacks' first senior flag for 23 years. He also played in the club's 2000 flag team. Moose headed overseas and interstate in 2004, but came back in time for the Blacks' first season in A grade for over 20 years.

Well done to **St Bede's Mentone Tigers**, who realised the significant commitment of Rupertswood U19s in travelling to Mentone for a 9:30am start. Post-match, the Tigers turned on hot dogs and other refreshments for all the boys. The players mingled together and swapped yarns, something not often seen in junior levels.

Beaumaris Reserves skipper **Nick Kennedy** today becomes the fourth Shark to play 200 VFA games. Nick played in the A Reserves premierships in 2005, after missing the senior premierships in 2003 when business travel to China cost him a spot in the team.

Monash Blues' **Justin Waldron**, who has recently received much acclaim as an umpire (most of it from himself) took charge of last Sunday's FIDA contest at

Sportscover Arena. It was a brave performance from the little arbiter, who was just two days later diagnosed with the dreaded swine flu. No reports as yet as to how the FIDA kids are doing!

Greg Evans plays his 150 with Aquinas this weekend. From a basketball background, Evos made his debut in 2001 and quickly adapted to backline play. He is well known around the club as a big game performer and thrives on finals football, always putting his hand for the big jobs and turning defence into attack. Aquinas certainly walk taller when he is around.

FAREWELL

The VFA family lost two well-known stalwarts last week.

Rusty Burt was a much loved and respected Life Member of the Ivanhoe Amateurs community. He played 257 games, captained the club for eight seasons and was its president for thirteen years. He was named as IA's full back in their team of the Century and was All Australian full back in 1958. After settling in Rye, he made many trips up to Melbourne to see his old team play. He loved to be involved in the "Big V" lunches at which he proudly wore his Green Blazer. Deepest sympathies to Lorraine, Sue, Jane and Linda.

Peter Meehan was an Old Xaverians stalwart, as a player, committeeman and club doctor. He was in the Xavs' team which lost the 1964 A grade Grand Final to Old Paradians by four points. Greek was a great kick with either foot, extremely determined, perhaps lacking a yard of pace, but a good reader of the play and solid contributor. He served on the Club committee and was Vice President in 1981. During games, he missed a lot of action while attending to shoulders, knees, injections and stitches and taking injured players to the nearest casualty ward. Deepest sympathies to his wife Vivienne and to his children Matt, Tom, Chrissie, Mike and Jen and their children; and also to Pete's two brothers Jack and Tim, who are also staunch Red 'n' Blacks.

Last week we mourned the passing of the Grasshopper, David Carradine, aka Kwai Chang Caine. You know - tall white guy in linen happy pants, subtle lick of eyeliner, carried a flute. If you're too young to remember the martial arts masterpiece series of the early seventies, Kung Fu, here's a quick recap: Half Chinese, half American dude destined to walk the dusty earth seeking redemption while imparting sage advice (and the odd karate chop) learnt as a novice Shaolin monk. In his soft whiskey voice this asiatic cowboy preached a gospel of faith, loyalty, strength and courage. Remember the one about the pebble? "As quickly as you can, snatch the pebble from my hand," challenged Master Kahn of the cocky young Grasshopper (who tries but fails to take the stone). "When you can take the pebble from my hand, it will be time for you to leave." And so the lessons went, shaping the young boy into a man. Teaching him humility, preparing him for the many challenges ahead.

So here we are at Rivalry Round, where long-pitted foes and new-found combatants face off for pride and premiership points. Who amongst us in D1 is ready to take the pebble? Who has banded together in faith, loyalty, strength and courage? It is in the face of hardship, injury, and an overpowering opponent that we discover our readiness. Who has learned the lessons of humility? There's nothing like relegation - or the threat of it - to temper a club's arrogance. And in the higher ranked clubs pride comes before a fall, as failure to deliver on early promise and strong form will most definitely teach them to suck eggs, Grasshopper.

ROUND EIGHT REVIEW

At Bennetswood Reserve, Friars were happy to come away with a 21-point win against a spirited, talented Emmaus St Leos, whose four Representative players (**Nathan & Paul Baranello**, **Beluszar** (3) and **Hickey**) were named in their best along with **Nic Robin** (3). Faced with multiple injuries, Friars coach **Greg Feutrell** named two debutants, **Brendon 'the virus' Wilson** and **Mark Stafford**, whose worthy contributions matched a fairly even 22-man effort. The Animals shot out to an early three goal lead, only to have it pegged back by the troublesome Friar forwards and small running players. Friars took hold of the game in the second quarter despite wasteful kicking, **Mattinson** and **Cunningham** giving the Friar onballers plenty of first touches, dominating the stoppages 27 to 11. A ten point half time lead was hard-earned but not enough to stop the Animals' third quarter blitz "...taking hangers left right and centre" they reversed the deficit to a 20 point lead. But the Friars stuck fat and maintained a single goal advantage at the last change; a final term arm-wrestle saw the Friars

emerge victorious with their constant pressure and fresher legs. **B. Stafford**, **Scannell** and **Woods** were also amongst the best for Whitefriars, who now sit fourth on the ladder, one game clear of Fitzroy.

Werribee travelled to Brunswick Street without co-captain **Nathan Addamo**, who suffered a season-ending kidney injury while representing the Big V in Barooga. I'm sure everyone in D1 would echo our wishes for a speedy recovery, **Nathan**. The Tigers had some good news with the return of **Matt Palmington** (3) on the wing, and the game proved to be a tight battle until it finally cracked open in the third quarter with **Matthew Dean** and the **Pelar** brothers dominating for Werribee. Fitzroy's **Jimmy O'Reilly** made a solid return from injury, and the ever-reliable **Sam Baker** was amongst the Royboy's best, along with **Dullard** and **Borland** (4). Fitzroy drop to fifth pozzie and will be looking to nab the Bedford-Stephen Cup today against South.

South Melbourne may have other ideas, however, as they too hope to stop the rot after going down to Prahran by five goals at Toorak Park last weekend. The two blues found a Zen-like consistency with an even effort throughout, levitating their way one game clear of the relegation zone.

As predicted, North Old Boys/St Patricks were keen to retain their winning Ch'i, securing a valiant 16-point win out at Ringwood despite a five-goal lunge by the Bloods in the last term.

There was a decent breeze blowing at Sunbury last week, possibly the winds of change heralding an end to Rupo's unbeaten run as the visiting Old Mentonians had first use of the advantage, starting well and applying enough pressure on the Rupertswood runners to go into quarter time with a 3-point lead, albeit without **Kieffer Smith-Cameron** who tore a hamstring in the frantic first minutes.

TODAY'S D1 MATCHES

STH MELB DIST	v	FITZROY
WHITEFRIARS	v	AQUINAS
WERRIBEE	v	RUPERTSWOOD
OLD MENTONIANS	v	PRAHRAN
NOBSP	v	EMMAUS ST LEOS

In the second term, however, Rupo took charge kicking five unanswered goals for the quarter, as the Panthers struggled to regain their early synergy with skill errors letting them down, particularly across half-forward. Keeping the Panthers in it was the strong defence of **Anthony 'Chicken' Palmer** but Rupo went on to register a 42 point win. **Graham**, **Norton** and **Thompson** (3) were also solid for OM, while **Pretty** (4), **Plummer** and **Walsh** helped Rupo to their eighth straight. A good win, yes, but perhaps the odd crack is starting to show in the Rupo chakra. Mmmm...

ROUND NINE PREVIEW

Whitefriars (in their original brown and white strip) play host to traditional rival Aquinas and the home team's feng shui will prove too strong for the gallant Bloods. Meanwhile, Prahran and the Panthers will face off at Keysborough, Mentonians to regroup at home. Emmaus St Leos will upset NOBSP at Gillon oval, as Fitzroy pillage Aughtie Drive of the Bedford-Stephen Cup. And that brings me to the much anticipated Match of the Day, Werribee v Rupo at Soldiers Reserve. The parochial home team will be whipped into a frenzy, salivating at the prospect of taking such a prized scalp. They've certainly displayed the faith and courage to do so, but as Master Kahn teaches us (and perhaps the taciturn Rupertswood outfit has already learnt): One does not beat a drum when hunting Tigers. Think about that.

Vale Grasshopper, wise and knowing guru. You delivered such pleasure to us in the privacy of our living rooms. Oh the irony.

Please submit your match summaries to dilangton@bigpond.com by Sunday evening.

UMPIRES CORNER

by Steve McCarthy & Leah Gallagher

MILESTONES

300 for Tim Sutcliffe.

Today we see **Tim Sutcliffe** reach **300 VAF A games**. Suttly, a veteran of five A section grand finals has been a regular in the senior grades for many years now, since he commenced with the VAF AUA fourteen years ago. Other highlights include two B section grand finals and twelve representative /state games. The highlight was being chosen to represent the AAFC on a tour of Ireland in 2008. He has also picked up the VAF A Umpire of the Year Award on two occasions. He is very proud of the fact that he started in the under 19s and worked his way upwards from section to section until he reached A section in 1998, umpiring his first A section grand final in 2000. We're sure there's plenty more to come. Well done **Suttly!**

250 for Paul Tuppen

Today at Old Mentonians **Tupps** steps out in his **250th VAF A game**. **Tupps** joined us in 1996 when he moved to Melbourne from Warrnambool where he had run for five years. Prior to that he had two years with the Western District Umpires based in Hamilton. The highest section he has umpired is C. He's umpired two Grand Finals, the 2006 D4 Reserves & the 2008 D3 Reserves as a field umpire, also eight Grand Finals on the boundary. He lists one of his main highlights as umpiring an under 19 game as a curtain-raiser to a VIC v WA representative game at Elsternwick Park a few years back. Onya **Tupps!**

200 for Lionel Katz

Katz finally clocks up this milestone after a career that has been a little interrupted by injury over the last few years. It's **Lionel's** twenty-first season of umpiring over all but his eleventh with the VAF A. He joined us after umpiring in the Goulburn Valley League with the highest level reached being B section in the VAF A and Goulburn Valley seniors. His highest grand final was the C reserve last year. His lists one of his main highlights as the 2006 D3 reserve grand final won by Kew by a point in the last few seconds. Coincidentally the free kick that set up the win had been paid to a Kew player **Lionel** had taught a few years earlier in Shepparton.

Milestones for ex-VAF AUA Members

Former VAF A field umpire **Simon Meredith** recently clocked up his **100th senior AFL game**. Along with **Chris Donlon** he's doing us proud at the highest level at the moment. And a big thank you to **Donners** who's doing a bit of mentoring with **Michael Hooper** and **Patrick Gallus**. Goal umpire **Lucas Robson** who waved the flags in the 2006 VAF A section grand final was recently appointed to his first senior VFL match (Collingwood v Port Melbourne at Princes Park).

Family Football

We've always known that VAF A football is family football and this was certainly confirmed a couple of weeks ago at an under 19s game at Old Mentonians. The six umpires appointed to the game were three lots of fathers and sons. We had **Ron (F)** and **Chris Williams (B), Colin (G)** and **Ben McElwee (F)**, also **Brett (G)** and **Nathan Morton (B)**. We hope to see **Nathan** back soon, unfortunately he broke his hand the very next day whilst playing for his local team. Certainly didn't stop him from being a huge contributor on the winning table at last week's Trivia Night. Must have been a bad day for boundary umpires that day as **Jo Cox** broke her wrist playing footy on the same day. Although **Jo** did have a little bit of excitement the day before during her VAF A game. Whilst making perfect position on the line, a player was grabbed by the shorts and tackled right in front of her. The tackle was so ferocious that the shorts were pulled aside to reveal just a little too much. Yep, meat and potatoes on show! Looks like the playing days for **Nathan** and **Jo** are over for this year.

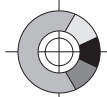

Community Cup

It's on again, but this time at Elsternwick Park and with three promising young female umpires in charge. The annual **Community Cup** as organised by our own **Jason Evans** between the **ESPY Rockdogs** and the **RRR/PBS Megahertz** on Sunday 21st June starting with bands at 11.00 with the game commencing at 2.30pm. Get down and support the cause or better still hang it on **Jayde Daly** and **Alex Anthony** as they try to control these men. Will be a huge day with a monstrous crowd. Well done **Evo!**

Social

Next function is the Golf Day at Waterford Valley. Cost is \$62.50 for a round, which includes cart hire. Sunday 12th July hit off at 12.00pm. Bookings limited to the first 20 people and payment must be up front. Contact **Leah** for details.

RESPECT THE UMPIRE – RESPECT THE GAME!!

D2 SECTION

by Caillin O'Shannessy

After a much deserved break, some teams came back better for the rest, while others seemed to still be on holiday. Peninsula has claimed top spot on the ladder, while Williamstown has dropped to fourth after a stunning win from Banyule.

The Williamstown CYMS' lost a keenly fought contest against the Banyule Bears by 5 points out at Heidelberg on Saturday.

With 6 forced changes at selection and a further 2 late withdrawals, the Williamstown combination had a distinctly youthful look about it with 11 of the team under the age of 21.

Banyule jumped away to a good start to lead by 16 points at the first change and with a couple of quick second quarter goals threatened to blow the game apart as they led by nearly 5 goals mid-way through the second quarter. This was until Ben Gray was moved from defence to attack, a change that brought with immediate success for the CY's. With Gray bagging a couple the Williamstown had a good period leading up to the break to go in only 10 points down.

The third quarter settled in to a goal for goal struggle, the CY's again finishing strongly to be 11 points down at the last break but kicking to the favoured end in the final quarter.

The first score after the break was going to be crucial and it was Banyule who rattled on three quick goals scooting to a match winning 28 point break by midway through the term.

The young CY's outfit refused to lie down and battled their way back into the game with four late goals the last of which brought them to within four points with two minutes to play. It was not to be however and Banyule hung on for a well deserved 5 point victory. Justifying their current position in the top four.

Fin Adamson was amongst the best for Williamstown playing a fine game across half back all day. He was well supported by young Jack Connors who made a great impression on his debut senior game with a very polished display particularly in the second. Zac Read had another skilful display on the wing and across half forward, while Ben Gray was prominent once moved up forward. Nick Walsh, despite some wayward disposal, took the honours on his wing with some great aerial work and determined ground play. For Banyule Jurgens and Walsh were good.

Peninsula welcomed the Glen Eira Saints to Apex Park

who had been competitive regularly despite sitting on the bottom of the ladder, and had just come off a last start win against Yarra Valley. Coach Mark Glenn warned the Peninsula playing group before the game that anything less than a 100% effort may not be good enough against the Saints. Glen Eira won the toss and first use of the breeze, kicking long extremely effectively into an open forward line. Peninsula on the other hand had to run the ball forward into the breeze, doing so successfully and kicking six goals to the Saints three.

The second quarter saw Peninsula attack the contest with even more vigor, this time kicking long to in form full forward Jim Coghlan. On ballers Stuart Grigg, Al Wood, Stefan Barbour, Will Coghlan & Andrew Murphy began to dominate the clearances not only giving their forwards many opportunities but kicking goals themselves. Peninsula kicked eight majors in fifteen minutes opening a large deficit before half time, but the Saints kept running hard and finished the quarter well answering with the last four goals of the half. Unfortunately they were still down by 52 points.

After the long break Peninsula matched their opponent's hard running and this began to take its toll on the undermanned Saints side. The Pirate's midfield lifted to another level allowing forward Jim Coghlan space to lead into and kick a further three goals. Jim Herron was crumbing anything that hit the ground whilst the Peninsula defence was impenetrable. The Pirates opened up an unassailable 74 point lead at three quarter time.

The last quarter was a lack luster affair but to the Saints credit they never gave up. They kept attacking the footy and the player with the ball, not allowing Peninsula any free run. The last quarter was an even affair but the game was already won by Peninsula.

The other matches on the weekend saw Eltham defeat Ivanhoe, Therry Penola smash Yarra Valley, and Westbourne get the best of the Paradians.

This week will ask the question of Williamstown and Westbourne, while Paradians will be desperate to beat Eltham in a bid to stay in the race for finals.

FIVE (LEGITIMATE) WAYS TO BEAT A TAG BY LUKE POWER – WWW.AFL.COM.AU

A star playmaker in the Australian Rules has it a lot harder than his counterpart in other sports. In rugby, a gun player might have to contend with extra defenders, but at the end of the day he is still given the ball. In soccer, a stopper can impose only so much physical pressure without being called for a foul. But in the AFL, the sole purpose of some taggers is to deny their opponent the football by shadowing him all over the field and physically harassing him to blunt his influence on the game.

If you are tagged, you are virtually carrying around a backpack for 120 minutes. So how do you cope with a tag? Here are five tips:

1. Accept that a tag is a mark of respect

Tagging shows that an opposition side considers you important. When a tagger comes to me at the start of a game, I see it as an honour.

2. Lift your work rate

The best way to beat a tag is to work harder. Around the stoppages, beat your opponent to the ball by pushing off hard or forcing him into positions that make him uncomfortable.

Try changing your starting points – set up in front of the contest sometimes, and behind or off the contest at others. When the ball breaks, run hard to get space between the two of you.

If your fitness is good, run all day. Sometimes duels can be won in the second half as your tagger starts to tire and lose concentration. Also, don't forget about the defensive side of the game. While a tagger can choke your ball supply, he can't stop you from laying tackles, chasing, pressuring, spoiling, talking and blocking for teammates. Even if you are not getting the ball – if you're doing these then you're making a great contribution to your team.

3. Play smart

You should always be aware that the opposition may send a tagger to you, so prepare for it during the week. Learn about opposition players and their strengths and weaknesses. Take heavier taggers lacking pace into space where a foot race becomes important. Work those who aren't as fit until they become exhausted. You can create two-on-one situations where you take your opponent over to one of his teammates who isn't as accountable. This can free up one of your teammates and cause havoc for the opposition. Your teammates can also protect you by providing blocks and physical pressure on your opponent. If taggers are playing on you then they should know they are playing your whole team.

Occasionally you can use the interchange to get time away from a tag by making your changes fast and frequent. There is nothing more frustrating for a tagger than when their opponent gets the ball while they are still stuck on the pine.

4. Sometimes a draw is a win

Modern day football sees very good tagging players like Kane Cornes and Brett Kirk not only stop their opponents from having an influence on the game but also rack up a large number of possessions themselves. Sometimes when your tagging player is winning plenty of the football, you need to become more defensive and deny him the ball. When playing on players like these you need to be more accountable because they can hurt you when their team has possession. If you both walk off with equal touches and your team has won, then a draw is as good as a win

5. Don't use the umpires

Forcing your opponent into an umpire to gain an advantage is a massive 'no-no' in today's game. If a player does push his opponent into an umpire he can now be suspended. Umpires should rightfully be protected so steer clear.

... Retrospective

by Geoff Reilley

5 YEARS AGO – 2004

In **D2 Section**, all of a sudden there was a margin of three games between fourth and fifth and maybe the final four was already settled? **Ivanhoe/Assumption** met **Williamstown CYMS** in what may have been a last chance for the sea-siders to challenge for the finals. For the first three quarters it was a really tight tussle with Williamstown answering every challenge. It was really the fine defensive work of the 'Hoes back men, **Lee, Healey, Crapper** and **Iosefo** that made the difference but **Morris' 4** goals were also critical for the 'Hoes. **Phemister, Manning** and **McNamara** were best for Williamstown who finally succumbed to the overall strength of Ivanhoe. Willy did not score in the last quarter and the final result was 11.15 to 6.4. Other better players included **Morris, Sampson** and **Brown** for the Hoers and **Wouda** and **B Grant** for Willy.

In **D3 Section**, ladder leaders **Rupertswood** looked the goods at the half way mark of the season having defeated all-comers to date. Challengers, **South Districts**, certainly did not let the ladder leaders have it all their own way in the match of the round at Rupertswood. It was a very fiery encounter with the Districts making a statement early in the game but Rupertswood responded in the best possible way and but for some wayward kicking may have sown it up by quarter time. South's forwards kept them in it and the Districts tried valiantly to hold on in the second term. Rupertswood then turned to their power game and held a four goal plus lead at the main break. By the end of the third term, Rupertswood, with multiple goal kickers, had forged to a lead of over 7 goals but in the last the Southerners threw out the challenge and drew within 2 kicks at one stage before the home team boys powered away again in the final ten minutes to signal to all teams that they were the ones to beat going forward. Final score 17.15 to 14.9. Best players – **Reid, Potter, Walsh, Broughton, Hatty, Monzel** (Rupertswood) and **Paterakis, Niemi, Zantuck** (4), **Cheevers, Gears, W D'Andrea** (South Districts).

D4 Section scribe, **Gavan Flower**, declared it was still a six way race at the half way mark. In an important match as far as challengers were concerned, **Elsternwick** hosted **Albert Park** in what was a danger game for the "Wicks at home. The conditions were wintry and both teams struggled to score in the first half. The home team eventually posted some majors late in the first term and one more in the second to lead

3.2 to 0.1 but Albert Park were far from out of the contest, that is until the Wicks banged on another 3 in the third term to hold a 5 goal lead going into the last quarter. Just when it looked to be a comfortable victory for the Wicks, the game changed markedly when **Sean Allan** marked strongly for the Falcons, converted and then went on to kick three more goals as his team drew within 3 points just before the siren sounded. The Elsternwick supporters breathed a sigh of relief with a 6.3 to 5.6 victory. It now seemed that Albert Park would struggle to make the top four while Elsternwick firmed in second place. Best players – **Cummins, C Mahoney, Thiele, Cunningham, McKenna, S Grace** (Elsternwick) and **Bennett, Foster, Chambers, Hannett, Burton, Dudi** (Albert Park). **Sean Allan's 4** goals in the final term were not enough to get him in the best!

10 YEARS AGO – 1999

Match of the Day in **E Blue Section** was between **Peninsula Old Boys** and **St Pats Mentone** with both teams in the top four. It turned out to be a tough, unrelenting contest and the medicos were kept busy throughout the afternoon. Peninsula jumped out of the blocks and in a great first term kicked 7.4 to St Pats 3.1. The Patters tightened up in the tough second term but were still down by 4 goals at the long break. Peninsula looked like tearing away in the third term before the Patters fought back but a lead of over 5 goals appeared to be unassailable. The St Pat's boys continued to fight it right out in the final term but the Peninsula boys held firm to win 15.9 to 10.12. Best – **Prendergast, Jackson, A Aitchison, Powney, Goldthrop** (3), **Wight** (Peninsula) and **Uptin, Perrin, Michael Sullivan, Parker, C Sullivan, White** (St Pats).

E White Section was a terrific contest with teams 1 to 8 separated by only 2 games. In a cracker of a game between at **West Brunswick**, the visitors, **Uni Blacks**, dethroned the Westies and took their top spot with a 11.7 to 10.4 victory. It was close all day and the Blacks had to come from behind at three quarter time. Best players – **Moody, R Mackie, S Smith, Caccaviello, Dimond, Beaton** (Uni Blacks) and unfortunately no submission from the vanquished!

20 YEARS AGO – 1989

In cold and wintry conditions, soggy grounds prevailed and possible upsets could occur. In **C Section**, top team (**Old Haileybury**) met bottom placed **St Kevins** but the conditions would probably even up the situation. And so it was as both teams struggled in the heavy going. Maybe the 3.3 to nothing by Haileybury was the difference for although SKOBS fought back in the second quarter, Haileybury finished winners 5.9 to 3.4. Best players – **McKenzie, Bingham, W Phillips, Cotton, Gerny, Rae** (Old Haileybury) and **Campbell, Varasadi, John Sargeant, Meagher, Beale, Hagarty** (SKOBS).

Two top four teams in **D Section**, **Whitefriars** and **State Bank**, put on a thrilling display at Albert Park. After a see-sawing affair, the Bankers held on by a solitary point, 13.13 to 12.18. Best players – **Beare** (7), **Gneil, Wood, Aumont, Beer, Burrage** (State Bank) and **Harrison, Hay, P Reidy, Sutton, Tierney, Van Raay** (Whitefriars).

Bernie Rafferty played his 150th game for **Balaclava**. Known as "the man they can not tackle", Bernie was a **dual premiership player** and **dual best and fairest winner** for his club. A regular **VFA representative player**, Bernie had a big year holding the captaincy of the club, getting married and still playing great footy.

30 YEARS AGO – 1979

In **C Section**, **Old Ivanhoe** made **St Kilda CBC's** visit very uncomfortable and following a great first quarter, held a handy 5 goal lead at half time. St Kilda swung their line-up around in a determined effort to secure their place in the top four but could not make any inroads on Old Ivanhoe's well organized team play. The Saints eventually improved their chances with a strong last term that produced 6 goals but the "Hoes were not to be denied and won 16.12 to 14.12. Best players – **Heeringa, McLean, Sweetland, Costorpin, J Stevens, B White** (OI) and **Carroll, Shipp, Coates, Dynon, Curry, Delaney** (St Kilda).

In **D Section**, **State Bank** and **Country Colleges**, both level on points, met in a crucial game for both teams. At first it was goal for goal before the Bankers took a three goal lead at quarter time. The second quarter saw a rampant State Bank completely dominate the game and things did not get any better for the Country College men as they succumbed to a twenty goal plus defeat, 31.18 to 11.10 in an unexpected debacle. Best players – **Allen** (4), **Wynd, Kincaid** (4), **Webster, Anderson** (4), **A Brennan** (State Bank) and **Fischmann, Tellefson, P Ryan, Fallon, Mahoney, J O'Callaghan** (Country Colleges).

State Bank's hard working secretary; **Steve "Stork" Roberts** celebrated his 200th game. Not only a terrific administrator, "Stork" had achieved **two best and fairest awards** along the way.

40 YEARS AGO – 1969

The representative teams were announced for the coming two games. The team members to play South Australia in Adelaide were **A Chaffey, A Pyman, G Tootell** (Caulfield Grammarians), **N Beattie, T Salter** (Coburg), **R Edwards, R Pryor** (Collegians), **A Wilson** (MHSOB), **C Cole** (Monash), **P Gordon** (Paradians), **A Voight, R Wood** (Ormond), **K Hill, D Leng** (Uni Blacks), **P Moran, C Norman** (Uni Blues), **G Scott** (Footscray TOB), **D Mullin** (Kew), **R Beaupaire, D Hughes (Capt)** (Old Scotch) and **T Gowers (VCapt)** (Xaverians). **John Byrne** was **Manager** and **John Dillon** as **Assistant Manager**.

The team to play Tasmanian in Hobart – **D Williams (Capt)** (Caulfield Grammarians), **R McFarlane, G Wharfe (VCapt)** (Coburg), **P Cooke** (MHSOB), **P Rattray** (Monash), **P Cheel, S Maguire, L Murray** (NOBS), **H Ford, S Williams** (Paradians), **R Shackleton** (Uni Blacks), **H Halassa** (De La Salle), **M Allden, R Wookey** (Geelong), **R Hick** (Ivanhoe), **U Campbell** (Scotch), **M McKenzie** (Xaverians), **B Amott, M Mahoney** (St Bernards), **R Elliott** (Old Carey) and **C Clarke** (Old Melburnians). **Bob Sinclair** was **Manager** and **Alf Perrin** (Assist Manager).

50 YEARS AGO – 1959

In **C Section**, the top two teams, **Power House** and **ES&A Bank**, both had solid wins. Undefeated Power House easily accounted for National Bank 9.7 to 2.6. Best players – **Thompson, Bishop, Grant** (4), **Hutchinson, Hughes** (Power House) and **Studham, Dunne, Selleck, Henderson, Kershaw** (Nat Bank). ES&A accounted for Bellfield, 11.15 to 4.9. Best players – **Cookson, Faulk** (3), **Hoffman, Jackson, Kelly, McFarlane** (ES&A) and **L Evans, Hunt, Lawton, Pollock, Smedley, Garde** (Bellfield).

Leading goal kickers were **A Section – M Rush 40** (Old Xaverians), **B Section – O'Brien 30** (Coburg), **C Section – Grant 29** (Power House), **D Section – Shiel 57** (St Kevins), **E Section – Hughes 33** (West Brunswick), **Junior Section – Eddy 33** (West Brunswick).

D3 SECTION

by Stephen Clarke

I watched a game on the weekend where an umpire was (I thought) unfairly yelled at by a spectator, the coach then yelled at the spectator and then I remembered when I coached I was questioned by decisions made from the umpire !

Is that what they call a vicious circle? Or is that trying to pick winners in our competition this season which in the past fortnight I have made an absolute meal of. Seems like that anyway.

Eight rounds down and we have a clear quinella it seems emerging to fight out the P.A. Matthews Cup. Our 'Delta Blues and Pop Rock' have come in the form of Benteleigh and St Mary's Salesian who for too long now have showed their versatility each week and proven that they have the firepower to withstand most opponents. What a mouth watering clash it will be today. But my tips are for later!

I think we shall start with the goings on from Beaconsfield in round eight and the magnificent performance by a full strength Elsternwick side. **Dennis Grace**, the former Monash Varsity games coach, knew that arriving at the home of the X Men he was a big chance to cash in the chips away from home. The team sheet oozed with class and finally after going to middle earth and back with injuries this could be the day. The home side have been simply outstanding to date at home but were challenged right from the first possession by the red and black army who were moving the pill with risk and plenty of flair. The scoreboard was on fire through **Smith** and the newbie in **Carratello** ensuring the likes of **McNally** to respond for the X Men. But an accurate Elsternwick held sway at the half time break. St Francis then made changes and a sterling second half from Mathers and Pearson may have been enough usually but alas it was the visitors day. **Scott Grace** is fast becoming player of month and was excellent here. Huge win for the 'Wicks whilst three straight defeats has coach Lenders reaching for some inspirational tapes. I prefer Rick Kennedy from 'Year of the Dog' myself if that's any consolation.

I'm not sure what has happened with Powerhouse but since their grand win at Benteleigh the wheels on the bus have slowed. No **Edwards** this week was a bitter blow given that Uni High line up with **Rhys Kirk** but they would have quietly entertained their chances at

Brens oval here. **Rick Watts** knew that the season was on the line for the home team here and at the half there was not enough scoreboard pressure. Just three goals in fair conditions did not do justice to the work being shown by the ever reliable **Sean Debois** and **Dale Lacey**. But after the half time the brown and green brigade turn up the heat of their fishy foes and went to town. A ten goal second half proved a very good effort and had the home crowd in raptures. **Russell Matthews** put the sugar coast icing on a great first half of the season here for Uni, he has been consistent and tried hard weekly. The Piranhas lament another third quarter effort, with just no excuse really. To not score shows know this stanza is their achilles heel and other sides grow in confidence knowing it. Coach **Copper** may ring coach Lenders for my copy of 'Year of the Dog' after this effort.

People say that watching **Stevie Wallis** play with a busted hand isn't inspiring. Rubbish. The game between Monash and West Brunswick? Slightly uninspiring. The Magpies had hardly been in scintillating form of late but had a nice player in the form of the long haired champion Bill Irving for a seasonal debut. **Shannon Monagle** has only played a few games also, but combined they put on eight goals and their efforts made the difference at the end. Monash have got a very young group and they are getting some good exposure and learning always from their wise leaders in **Rutherford** and **Wells**. West Brunswick now have renewed hope given their next two sides are against teams outside of top four. Season back on track it seems.

If Hawthorn were to have any chance against Benteleigh they needed an unbelievable game from the giant **Matt Collins** and to curb the influence of the classy **James Robertson**. One out of two ain't bad. Robbo was 'master class' here putting on a goal scoring exhibition and leading his fellow team mates accordingly. After a tight first quarter and a half the away team won far too much contested ball and their delivery was first rate to veteran forward **Chris Sharp**. The Hawks had some really good performances with the likes of **James Keeghan** who goes the pill with such fierce intent each time and **Paul Noonan** who as usual never gives it away. But class told and the likes of **Magnifico** and **Federsen** showed again that they have no opponents

to dismiss their influence on a whole game. I think the Hawks will persist with the younger guys and they can only learn plenty from **Collins** who is clearly enjoying his return to Rathmines Road.

St Johns went to Ferndale Park with some sound form but up against a red got St Mary's Salesian outfit aided by a break and regaining players. They did however win the toss and were kicking with a strong breeze to open with. That's were perhaps it all turned pear shaped as the Joc's trailed at quarter time by three goals. A ten goal to two second half from the home team ensured a big win and their season is up and away. People sometimes think small grounds are easy to play, easy to manufacture goals. Not so. But this is a club that has avenues to goal in different shapes and sizes all the time. It's a credit to the coaches and preparation that they have put in thus far. **Liam O'Keefe** made his senior debut and enjoyed slamming in four goals. Great day for him. **Nathan Chalk** has been really good for St Johns in 2009 and has great respect from his team mates. This effort does that no harm. The home side were simply too good.

This week – Elsternwick Park Sunday for the Community Cup. Get there and be early !

Tips –

The Murphy Wells Cup. No bigger game on the Monash or Elsternwick calendar. This version is to be played at Elsternwick and I really fancy the home side to win this and win it big. They may laugh at me but I can't foresee any problems. Ten goals plus to the home side. Hawthorn go to a happy hunting ground at Ross Gregory can beat Powerhouse albeit just, while St Johns host St Francis Xavier and I do say another away victory. X Men by 18 points. Uni High host the Magpies in an absolute rib tickler. Home side by a whisker. The the one we have all waited for. Benteleigh at home St Mary's Salesian. Unsure. Probably will go the home team given some omissions still from SMS but must be close all day. Grand Final preview ? Indeed.

ROUND 8 WINNER DANIEL WILLIS (ORMOND)

The flamboyant eighteen year-old Dan Willis celebrated just his fourteenth senior game in real style with a seven goal best-on-ground performance against Old Camberwell last Saturday.

Dan was named the Monders' U19 captain this season after ten games at that level last year, but his form has so good that he has been picked in the senior team every week.

Like his coach Russell Barnes and many other Ormond players, he is an alumnus of McKinnon High. He came to Ormond last year after playing junior football with Murrumbeena. He also represented Victoria in netball at U19 level.

At 6'2" in the old, with a prodigious right boot, Bruce (as he has been unimaginatively tagged) provides both a leading and marking threat to opposition defenders.

Congratulations, Dan.

ELSTERNWICK PARK GATES

The **main gate** (Glenhuntly Rd) is **open every match day**.
The rear gate (off St Kilda St) will only be open when there are no matches scheduled for Elsternwick Park No. 2 Oval.

When parking in the area behind the grandstand please park in a manner that would allow cars around you to be able to leave. Players and officials who do not produce tickets at the gates will be counted and the club invoiced accordingly.

Clubs are issued with an appropriate number of tickets for players and officials.

Last Saturday arctic conditions greeted footballers all over Melbourne, with frost still on the ground for some reserve matches, and teeth chattering aplenty. Team managers were inundated with requests for long sleeved jumpers and supporters sported beanies, polar fleece, and ski-gloves. Despite the chill the football heated up in D4, with a couple of 'upsets', a win on the siren, a first victory and a first loss. There were few reactions to my top 15, and even fewer nominations for top defenders, however the feeling was that **Stuart Patten** from Latrobe and **Brendan Murnane** from Albert Park were glaring omissions, however all found it difficult to leave two players out to accommodate them. On the topic of premier D4 defenders, names that were mentioned were **Justin Kane** (AP) who narrowly missed out on my top 15, **Shaun Irvine** (BHN), **Mick Marsiglio** (EP), **Ryan Carpenter** (RC), and **Luke Hickey** (MTL.) Latrobe University became the only undefeated team left in the competition after running away from Albert Park following a tight first half. Unfortunately for the Falcons their two goal seven tally in the first quarter came back to haunt them as the ability of Latrobe to find loose players on the big wings was pivotal as they revved up their midfield engine in the second half. It was unfortunate that two Albert Park players were carried off with serious injuries, and we all hope they can recover quickly. The Falcons would like to thank Latrobe and their trainers for their assistance. Best players for Latrobe were **Stephen Staunton** and **Dillon 'Colin' Farrell** while **Shaun Hayes** fought hard for Albert Park.

North Brunswick opened their account in style with a big win over Chadstone. North jumped out of the blocks quickly, setting up an early break and despite a rally from the Synners in the second, North gradually increased this lead each quarter. **Oscar 'the Grouch' Baring** was outstanding for the green and gold, forming a potent tag team with **Adam "Elmo" Jeffrey** up forward and through the midfield. Danny Allsop was again effective up forward for Chadstone.

Box Hill North will be kicking themselves after Manningham hauled in a 33 point deficit in the last fifteen minutes. In a pivotal move by **Laurie Zarafa**, **Ben Cookson** moved forward after being held by **Will McKenzie**, and kicked three quick goals, sparking the Cobras. The Demons still led by four points with seconds left, when **Tim Fradkin** picked up the ball 35 out and snapped it over his shoulder. The siren sounded as the ball travelled through the big sticks, sparking celebrations from Manningham, and despair for the Demons. **Leon Desmond** was best for Box Hill North; whilst **Jason Laurence's** bursting runs through the middle were crucial for the Cobras.

Kew bared their fangs after two weeks of soul searching, and hit the ground running with a withering first half against the Snakes. Whilst they were not able to break away from Richmond, they did set up a solid half time buffer. **Tim Bagnall** again excelled in the absence of Craig Horne, and along with **Brian Cullen**, finished well, and provided the Bears with the firepower up forward. Greg Bell dominated the ruck, and if not for **Brian Dage** on the wing, and **Daniel Pike** in the centre, the Snakes would have been blown away. They will need to regroup quickly before their crucial trip to South Mornington.

Though I am not sure he would enjoy the comparison, **Attila Yaman** and Swinburne are looking a little like Allan Jakovich and Melbourne many years ago. They are a good side with a super talented forward, however are unable to find enough other avenues to goal to win regularly against the top sides. Nine goals to any key player should be enough to win, however South Mornington to their credit, overhauled a third term deficit to record a very important away victory. With several key players missing the performances of the whole Tigers team were fantastic, showing a determination that was missing last year. Nathan Wood was outstanding, and after a 'dirty' first three quarters, **Robert Wilsons**, five goal final term was crucial. Mt Lilydale recorded the third last quarter turnarounds of the weekend, first reeling in, and then surging past the Sharks in the final term. Both sides worked very hard through the midfield, with **Haydn Moyes** and **Corey Cresswell** prominent, and with multiple goal kickers from either side. **Samuel Hickey** had his best game of the year for the home side, and like last year, the Rams are starting to look very dangerous and have snuck into the top five.

ROUND 9 PREVIEWS Match of the Round ~ Albert Park v Kew

This narrowly edged out the black and gold battle at South Mornington for match of the day status, however with a top three spot beckoning, deserves this status. The Falcons may have just started to show the effects of some injuries, but have lost only one match, to fellow undefeated side Latrobe Uni. Kew returned to form last week after a shattering loss the week before. The battle between **Will McIndoe** and **Greg Bell** may well determine this contest as two of the premier ruckmen go head to head. I think The Falcons may be able to hold on at home; Albert Park by 9 points.

Mt Lilydale v Chadstone

Chadstone work hard every week, but do not seem to have the depth to challenge the Rams at this stage, Mt Lilydale by 58 points.

Box Hill North v Eley Park

Eley Park has to win the battle of Box Hill to maintain contact with the top five, and this should be enough, though the Demons have started to welcome a few back from injury and may surprise, BHN by 7 points.

Nth Brunswick v Manningham

Both sides had welcome victories last week, and will be keen to notch up two in a row. **Robert Santacroce** is in rare form, however will need others to lift again to topple the Cobras; Manningham by 6 points.

South Mornington v Richmond Central

The winner of this match will jump four points clear in the tight tussle for top five spots. South will welcome back ruckman **Scott Smith** and full forward **Rhys McConville-Brain**, and will be brimming with confidence after downing the Razorbacks. Richmond Central will be relying on their strong midfield led by **Daniel Pike** to provide enough opportunities for **Nathan Nuske**. I am very unsure of this tip, however; Tigers by 1 point.

Swinburne Uni v Latrobe Uni

It will be interesting to see how Latrobe adjusts to the confined spaces of St James Park. They will not be able to use their run out wide here, and will need to be more direct. Swinburne will rebound hard from last week but I am not certain they can find enough avenues to goal; though if Jumping **Jimmy Lees** can give them this target they may cause a huge boilover. Swinburne by 8 points.

Reserves: Kew, MTL, EP led by Matt Corstorphin, NB, SM and Latrobe despite the best efforts of the inform **Shane "The Wild Porpoise" Colless**.

Joey's Jargon

4 out of 4 tips this weekend, and I tipped the exact margin result in the UHS v SMS clash. If only I could tip 4 out of 4 selections in the quaddie of a Saturday so I can give up this low paying scribe job!!! If I could be serious for just a second I will refer you to the all important ladder standings. At round eight I'm going to go the early crowd and say the top two are set. UHS - VU continue to just get over the line by the grit of their teeth and keep their distance from the rest of the pack outside the four. Camberwell are coming though and could be the side that could propel themselves to a finals campaign at the expense of either the Tigers or UHS - VU. Anyways, we'll get back into the DeLorean and see how they fared last week.....

Last Round:

Old Camberwell v Therry Penola: Friday Night at Sportscover saw Therry throw everything at the more favoured Old Camberwell but it was all Camberwell in the last with some inaccurate kicking costing them a better winning margin. **McKibbin** and **Cauchi** tried hard for Therry but the strong Camberwell last quarter led by **Mirikielis** got them the points.

St Bernards v Northern Bullants: The snowdogs got off to a flyer but could not sustain the pressure for the duration eventually going down to the Bullants by a respectable 36 points. **Kyngiopoulos** had a better of a game kicking 5 large ones in a Best on Ground performance. **Saundry** worked tirelessly for St Bernards along with **Fothergill** in his first up gig.

UHS - VU v St Marys / Salesian: St Marys travelled to UHS in search of a second victory of the year after a confidence boosting performance before the break. Although UHS lead throughout the boys in yellow didn't make it easy with **Matty Bourke** finding some form for UHS as well as **Rowland** putting in one of his better performances of the year. For St Marys **Hawkins** kicked

3 in his first game back from a spell and **Kaine Reynolds** had a good hitout.

SBMT v Oakleigh: Oakleigh travelled down Warrigal Rd to Southern Rd and led throughout to run out 52 point victors at the expense of the tigers who couldn't match it with the higher placed Krushers. **Cortazzo** was a shining light for the Tigers kicking 2 goals in a Best on Ground performance. **Morin** was good as usual for the Krushers winning plenty of the footy with **Smith - Steane** also in some good form.

This Week:

UHS/Flemington v St Bernards: Close one here, especially with the morning fixture. UHS by 5 points

Old Camberwell v SBMT: The Ladder tells you tigers, but I think the Camberwell boys are coming. Camberwell by 30 points.

Therry Penola v Oakleigh: Oakleigh too strong. Krushers by 32 points

SMS v Northern Bullants: 1 v 8. Hope it doesn't get ugly for the Saints. Bullants by 48 points.

Any match reports, information, banter related to my column and correspondence will be most appreciated. Please send by 5pm Monday. Don't be shy. Please email to joe@vafa.com.au

U19 Premier ROUND 8 REVIEW

I'm developing a set shot kicking style that will revolutionize the way we see forwards kick goals from behind a mark. I have self tested this technique in the park (it is nowhere near ready for real games) and am now looking for open minded coaches to let me try it on their charges. I don't think I'll hear from **Jon Edgar**, De La Blues coach, his boys are kicking very well. I'm not expecting to hear from Beauy coach **Josh Bourke** either, while converting around 50% could improve, you won't lose too often having 40 odd scoring shots. I may hear from Uni Blues coach **Matt Embling** as he contemplates how to correct a 38% conversion that may not have won him the game on Saturday, would have made the finish a hell of a lot tighter.

One coach I think I will hear from is Uni Blues' **Matt Embling** as he contemplates a 38% conversion that looks to the outsider to have cost the Bluebaggers the 4 points in their clash with Old Scotch. With **Lachlan Cooper** and **Nic Fox** solid and **Max Davis** on fire for The Cardinals the Uni Blues were always chasing. **Tom Foott** and **Will Hartnell** helped keep Uni in the game but The Blues just couldn't find the big sticks when it counted and will rue a missed opportunity to claim a second big scalp in as many games. Meanwhile at Mentone, The Tigers were setting themselves to amend current form against Rupertswood but it was the visitors who took the early ascendency. The lead then alternated throughout the afternoon with Theo Zorzoviliis and **Adam Jones** going off for St Bedes while **Tim Neely** and **Harry Woodard** for Rupo showed the way for the Blue and Gold. The 8 point advantage late in the game enough to see The Tigers earn another four points to help steer the ship back on course.

Beaumaris continued Marcellin's tough year smashing The Eagles in a one sided affair at Banksia Reserve. The usual suspects in **Stuart Kemp** and **Michael Viney** played well for The Eagles but the resistance was left to too few as **Tim Lees**, **Jared Evans** and co extended The Sharks lead at every interval and in the process stamping themselves back into the top 4 with some authority.

Marcellin's Bulleen Road neighbours Old Trinity also found the going tough as they welcomed De La Salle to the expanses of Marles. Competitive for the first quarter Old Trinity could not hold De La after the first break and the flood gates opened as **Stephen Muller** went berserk kicking nine majors while **Lachlan O'Connell** booted five thanks to plenty of quality supply from **Brendan Close** and **Tyson Hunt**. Valiant for the T's on a dark day were **Stephen May** and **Tom Fogarty**.

Old Xavarians had their work cut out taking all day to dispatch a dour Uni Blacks. The contest was a tight, low scoring affair that seemed to be favouring the home side until the Claret and Stout through **Ulbrick** and **O'Sullivan** finally broke the shackles to record win number seven. Amongst the best for Blacks were **Simon Yule** and **Jeremy Nettlefold** in a brave performance.

ROUND 9 PREVIEW

SBMT vs. Beaumaris: Somewhat of a local derby at Brindisi St this week should see the local punters out in force for this clash. These two last met in a practice match way back when the mercury rarely dipped below 20 degrees (remember summer!) with the Sharks tearing St Bedes apart. Expect a similar result in this one. Beaumaris by 8 goals.

Uni Blues vs. Marcellin: After a solid workout in front of goals during the week expect the Uni Blues to find their range early in this one although if the Eagles can find some more contributors then an upset could be on the cards. I doubt it though as the Uni Blues are in good knick and shouldn't drop this one at home. Blues by 4 or 5 goals.

Rupertswood vs. Old Scotch: Rupertswood face a huge test as they host a finals contender in Sunbury this week. The long road trip may see The Cardinals start sluggish and if Rupo can capitalize on this then they will have a chance. Expect Old Scotch to come home with a wet sail however and I'll tip them to get the job done late and not by much.

Old Xavarians vs. Old Trinity: Xavs will be setting themselves to win back top spot as the comp heads to the turn and this only makes Old Trinity's job even harder as they look for the chinks in the Black and Red armour. Facing the top two in consecutive weeks is a cruel twist for the T's as I think it could be a long afternoon in Kew. OX by 10 goals.

De La Salle Vs Uni Blacks: De La are the team to beat and what better way to prove you're a worthy finals contender than knocking them off at home. Uni Blacks will throw everything at the Blue and Gold but I feel De La are equipped with the talent to handle it. De La Salle by 4 goals.

Mid-season reports are out next week! Let me know your thoughts ross26@inet.net.au

**U19 NORTH 1 AND 2
DAMO'S BALL**

Round 8 Review - North 1

Old Essendon kicked off Round 8 with a massive win over rivals Old Carey at home, to put them back in the 4. After a slow first quarter, OEG blew on from there, destroying everything in their path, as **Luke Genovesi** led the way with 7 majors, whilst the **Jones'** stood out for Old Carey. OEG now take over 4th spot, and knock OC down to 5th.

Old Camberwell continue to push clear, demolishing a second grade Banyule side by 167 points. It turned out to be a "play for percentage" match, as OC went on a rampage, booting goal after goal, whilst Banyule would have been pleased keeping the Wellers to 4 goals, while kicking 1 themselves in the 3rd quarter. But it didn't save them the embarrassment as OC strengthen their push for Premier promotion in 2010, and look forward to a huge game against Fitzroy next week.

Fitzroy trail them only just, holding 2nd spot with a win over Bulleen Temp last Saturday. The Roy's continued the round's thumping margins, winning out 27.20.182 to Bulleen's 4.4.28. Fitzroy had a wide variety of goal scorers, with **Martin Beacham** standing out with 6, whilst **Rob Edsell** picked up his 5th game in Bulleen's best.

And Manningham's finals hopes have been crushed at the hands of an inform St Bernards outfit. The Sharks blew their chances in front of the sticks, scoring 0.9 to 4.8 in the first half, but St Bernards cut them out of the game from there on, the final scores 11.10.76 to 2.13.25. **Brenton Cooper** stared for the Saints, whilst **Joseph Urbano** had another good game for the Sharks.

Round 8 Review - North 2

Old Geelong continue to stamp their authority on the North 2 competition, with a crushing victory over La Trobe Uni. The Blacks made sure they got off to a good start, booting 8.10 to nothing in the first quarter. La Trobe hit back kicking 6 goals to 3 in the second, but OG kicked on from there, booting 16 goals to 2 in the second half. **Ben Skelton** was superb with 6 goals whilst **Nicholas Gorman** stood up for the red and black.

In NOT such a classic match, Therry pumped Old Xavs by 56 points, crushing any hopes of making finals. The Lions lost the 3rd quarter, however the lead was pushed out again in the final quarter, the final scores 15.8.98 to 6.6.42. **Will Dean** pitched in with 4, whilst Brenton Egglestone continues to be a shining light for Therry, playing well in another game last weekend. **Luke Bisset** was a sole contributor for Old Xavs, who now sit 2 games and a stack load of percentage out of the four.

In the bottom of the table clash, Fitzroy has notched up it's first win against the winless Rupertswood. The game looked fairly evenly matched early on, however the Roy's pushed on to win by 15 goals. **Luke Novello** kicked a season best 4 goals whilst **Jaydan Mclachlan** continues his form with another good effort last week.

And in another upset by St Leo's in 2009, Old Westborne was knocked off to drop to 4th in the North 2 ladder. Emmaus have taken their spot in 2nd, after comfortably beating OW by 27 points. **Peter Jones** continues to kick goals each week, booting 3 for ESL, whilst **Nathan Montague**, who has stepped up the past 4 weeks, was named best for Westborne.

Round 9 Preview - North 1

Manningham face off with Aquinas in this bottom of the table clash, that could notch the Collegians their first win, however, the Sharks will be licking their lips at the thought of a 3rd win in '09. TIP: Manningham by 50 points.

Old Carey take on St Bernards in this must win clash, in order to force themselves into the four. They sit 5th, and a loss here could be severely damaging for their finals hopes, so expect the Saints to relish on this opportunity to cut them out of contention. TIP: St Bernards by 37 points.

In the top of the table clash, Fitzroy come up against Old Camberwell to take over the reins of no.1 spot in the North 1 comp. The Wellers are winless, however, the favourites don't always win, so I'm tipping Fitzroy in what will be an enthralling game of football. TIP: Fitzroy by 1 point.

And in the other match, Banyule take on Old Essendon to lift themselves above Bulleen Temp on the ladder. OEG however, will need to win, and will also be watching the OC vs St Bernards game very carefully, as this round will definitely play a huge part in shaping the four. In saying that, OEG WILL win here. TIP: OEG by plenty.

Round 9 Preview - North 2

Rupertswood are still looking for their first win as they take on Old Xavs at home on Saturday. Neither team looks likely to make finals, however Old Xavs will be looking to hit back this week. TIP: Old Xavs by plenty. The inconsistent Emmaus take on La Trobe this week, and ESL will be hoping to build on last week's win, with hopefully another victory against a developing La Trobe outfit. TIP: Emmaus by 35 points.

Fitzroy's winning streak of 1 game may come to an end this week as they face off with last year's Grand Finalist's Ivanhoe. The Hoe's will be looking to hold their spot in the four and hopefully push for top 2. TIP: Ivanhoe easily.

And in another big game for Therry, Old Westborne make their way down to Oak Park to face off with the Lions. The winner of this match will be sitting sweetly in 4th spot next week, so in my Match of the Round, I'm going to go with the Lions at home. TIP: Therry by 24 points. That's it, we're 9 rounds in now, and with 9 to go, the North comps are starting to take shape. Email any reports or suggestions to damo_pies_jets@hotmail.com

**U19 SOUTH 1 AND 2
South 1**

Week by week the top 4 is beginning to take shape. Kicking things off this week were the Monders having a season defining upset victory over the Melburnians. Inaccuracy cost the 'Burners as they kicked 3.7 in the second term. But take nothing away from Ormond as they busted a gut on Saturday with stellar performances from **B. Stewart** and **L. Anrep** leading the Monders to a historic win.

The Brighters kept in touch with the 4 this week comfortably disposing of Old Haileybury by just under 10 goals. For the Brighters it was **J. Pickering** who jagged 6 and lead the team to a solid win.

The upsets keep flowing in South 1 as De La gave the Fielders an old fashion mauling away from home. **N. Fyfield** booted 6 and **J. Cleeve** dominated general play. This win has the De la boys sitting a game clear in 4th position and beginning to look very solid towards the ladder end of this season.

Whats that? Yep you guessed it, another upset as the Collegians have gotten over their early season Colly wobbles as they defeated St Kevins by 5 goals. **O. Ford** kicked 5 and was well fed by team mate **M. Allen**.

Preview:

De La Salle Vs. St Kevins: Gut has me feeling that St Kevins will bounce back with a good win away from home. 5 goals

Caulfield Vs. Old Brighton: The Brighters are gathering momentum and I think they'll win away from home. 4 goals.

Collegians Vs. Mazenod: Collegians 7 goals.

Old Haileybury Vs. Ormond: Ormond 10 goals.

Old Melburnians to enjoy the week off.

South 2

A very even run home in the race for the finals with sides from 1 - 6 all still in with a huge chance to play finals footy. Parkdale being one of the lower placed sides just keeping in touch with the top 4 sitting 1 game out after a thumping win over Beauy this week. For the Vultures A. Coles did his groceries early this week as he prepared for a 5 gal haul and was fed well by **S. RZEK**.

Monash like Parkdale are also keeping in touch with the final 4 after absolutely mauling the Prahran Blues by just under 100 points. For the ashes it was a wide spread of goal kickers but around the ground performances by **D. Brogdan** and **M. McCart** proved a real pain for their opposition.

A game that lived up to expectation down at Gary Smorgan this week saw the Jackers get up by 10 points over a gutsy Rovers outfit. **A. DANBY** and **B. JOFFE** were terrific for AJAX, and a gutsy effort from J. Naulty couldnt lead his side to victory.

Upset of the round was dealt to the Mentonians this week at the hands of a pumped up Benteigh outfit. **B. Morrison**

kept his great form up booting 7 and was well fed by J. White to help his side sit a game clear in 4th. Peninsula enjoyed a training drill against a rather disappointing MHSOB. For the Pirates it was **A. Bouten** and **S. Howard** who kicked 9 between them and plenty of delivery from **P. Coldrey** saw the pirates get up rather comfortably.

Preview:

Parkdale vs. Peninsula: Parky to edge closer to finals footy 50 points.

Hampton vs. Beaumaris: Hampton Rovers

Monash vs. Ajax: Blues victory will be short lived, AJAX by plenty. 60 points.

MHSOB vs. Benteigh: Benteigh

Old Mentonians vs. Prahran: Mentonians to bounce back 70 points.

CLUB XVIII SECTION

by Norm Nugent

Round 8 results, although being largely expected, served to change the composition of three Sectional fours and to change the positions of two teams in the South Four. My success rate improved to 86%.

REVIEW OF ROUND 8

Section. 1.

Despite inaccuracy in front of goal, Old Xaverians defeated Old Scotch by thirty eight points. Collegians scored a big win over St Kevin's by one hundred and twenty eight points. Old Melburnians moved to fourth place by defeating St Bernard's by thirty three points. Leaders, Old Xaverians 2 defeated a very accurate De La Salle by only twelve points despite having twice as many scoring shots. Prahran continued their upward surge with a twenty six point win over the disappointing University Blues.

Section. 2.

Whitefriars showed me to be a poor judge when they outplayed Mazenod to win a one sided affair by sixty nine points. Monash Blues consolidated their top four position when they defeated Old Trinity by eighty six points. Trinity started well in the icy conditions, before Monash gained the ascendancy through ruck control. Best for Monash included: **Mark Woods, Jim Sheldon** (6 goals), **O'Dwyer** and **Costello**. Fitzroy after their slow start to the season won well again and moved to seventh. Their opponents, the undermanned North Old Boys/ St Patrick's went down by sixty three points. Best for Fitzroy were: **James Pitts** and **Timothy Campbell**. For the "Cobs"; **Rhys Allit** and **Peter Torpy** were best.

Top placed sides, University Blacks and Marcellin played a close contest, which was won by the Blacks by twenty points.

Old Camberwell troubled Old Brighton for three quarters before, Old Brighton players accelerated in the last and added six goals to one to record a forty six point victory. Best for Old Brighton were: Captain, **Krzywniak** in **game number 200**, **Ewert** and **M. Jackson**, who kicked five goals.

North.

Undefeated leaders, Old Ivanhoe started slowly against an enthusiastic North Old Boys/ St Patrick's and led by a

mere seven points at the first change. The leaders asserted their superiority as the game progressed and were fifty points ahead when the final siren sounded. Despite marked inaccuracy, Therry Penola still scored a meritorious nineteen point victory at Whitefriars. Kew found form to win a low scoring match by seven points against Werribee. Banyule continued on their winning way with a fifty four point victory over Old Westbourne. Old Essendon and Old Carey played an interesting match in which each side displayed some fine flashes of football. Gradually Old Essendon asserted themselves and finished twenty points ahead.

Bulleen Templestowe and Williamstown C.Y.M.S. played a close contest after the "C.Ys" gained an early lead. This early ascendancy proved to be the difference between the teams as Williamstown won by twenty seven points.

Their best were: **Matthew Brown, Greg. Shine** and **Sean McGuinness**. Bulleen Templestowe's best were: **Ben. Walters, Ben. Peel** and **Anthony Caneva**.

South.

In the early match Hampton Rovers were no match for the undefeated Old Melburnians, who won by one hundred and fourteen points.

Oakleigh regained form with a resounding seventy six point win over St Mary's/ Salesian.

Caulfield Grammarians moved to third place when they defeated Old Scotch by sixteen points.

Ormond with great accuracy easily defeated a disappointing St Bede's/ Mentone Tigers by one hundred and seven points.

Old Geelong received a walk over from South Melbourne Districts.

PREVIEW OF ROUND 9.

Section. 1.

I select Old Xaverians to defeat Old Melburnians at Koonung Park, largely because the Xaverians know how to play this strangely sited ground and it will be uncharted territory for the "O.Ms".

St Bernard' should record a rare win by defeating tenth placed St Kevin's.

University Blues have the opportunity to put their season back on course by defeating Old Scotch. I select them to do so.

In the clash of tenants at Darling Park, De La Salle play Prahran, who have found form recently. De La Salle, too have shown form and I select them to record a narrow victory.

In the clash of the leading teams, Old Xaverians 2 visit Collegians, whose forwards lead the Section scoring. This promises to be a game worthy of a final (it could be a preview). Without any degree of confidence, I select Collegians because of home ground advantage and their more active forwards.

Section. 2.

Despite their poor form, I select Mazenod to defeat North Old Boys/ St Patrick's, who also have little form to recommend them.

University Blacks should win their ninth successive match at the expense of Old Trinity.

In a probable final preview Old Brighton visit Marcellin. Old Brighton must play the full four quarters to have any chance of defeating the "Eagles". In Bulleen Park, I favour Marcellin to win.

I expect Monash Blues to possess enough ability to defeat the improving Fitzroy on McHale Stadium.

In the afternoon match, I expect the overall talent of Old Camberwell to overcome the Whitefriars advantage of playing on Koonung Park.

North.

In the early morning game, I select Whitefriars to defeat the enthusiastic, North Old Boys/ St Patrick's.

Kew should win again at the expense of twelfth placed Old Westbourne.

The Old Ivanhoe versus Williamstown C.Y.M.S. match could well be a final preview. Despite the obvious Williamstown ability, I select Old Ivanhoe, who will enjoy a marked home advantage as well as the depth of talent they have shown in the first eight Rounds.

The consistently good Banyule should continue on their winning way by defeating Bulleen Templestowe.

Despite Therry Penola's victory last week and their marked home advantage, I expect Old Carey to prove too big and too fast and so take the four points.

Old Essendon will appreciate playing at home and should celebrate with a good win over Werribee.

South.

Old Melburnians travel to Mentone to play the inconsistent St Bede's/ Mentone Tigers, for whom defeat could mean slipping from the four. I select Old Melburnians

The form shown by St Mary's/ Salesian is hard to follow, whereas their opponents Old Scotch have shown more consistency. I favour Old Scotch to win on their first visit to Ferndale Park.

The Oakleigh and Ormond game should provide a tense contest. I select Ormond, whose form is the more consistent.

Hampton Rovers, at home, should record their first win at the expense of South Melbourne Districts.

Caulfield Grammarians should consolidate third position by defeating Old Geelong.
