

Job Title: Match Statistics Analyst

Premier Data is looking for motivated individuals to join one of Australia's fastest growing sports analytics companies.

Premier Data is Australia's leading analytics provider to local football teams around the country. We currently have a large client base within Victoria and are growing at a rapid rate including interstate. Our company provides local Australian rules football clubs and leagues with in-depth statistics and analysis from every game.

WHAT'S INVOLVED

The role has a focus on watching video of grassroots football matches and accurately coding individual player statistics using our specialised software. Our team members undergo specific training to enhance their knowledge around the game of Australian rules football, develop their practical skills in areas such as data collection & interpretation.

TASKS MAY INCLUDE:

- Coding Australian Rules football games in a comprehensive manner
- Collecting & analysing and interpreting data
- Liaising with supervisors to identify best performing players to highlight

WHEN – Commencing March 2023

POSITION – Casual role during the football season (March to October)

THIS POSITION IS BEST SUITED TO PEOPLE WHO;

- Have completed a related degree such as sport science, sport management etc.
- Have a strong work ethic and pride themselves on their quality of work
- Have a keen interest and enjoy the analytical aspects of sports
- Applicants **MUST** be available during weekends, including Saturday nights and Sunday (not required every weekend)

DESIRABLE SKILLS

- Strong communication skills
- A strong level of sports knowledge, rules and gameplay (in particular AFL)
- Proactive attitude and taking initiative in appropriate situations

If you think this sounds like you, please email your resume and a short cover letter answering the following questions to andy.din@premierdata.com.au

1. **Why would you like to work at Premier Data?**
2. **How much experience do you have regarding Australian Rules Football? (Do you play/ coach/trainer/ volunteer/ enjoy watching the game etc...)**
3. **What are your strengths when it comes to working at an organization?**
4. **What areas do you think you need to develop, if any?**
5. **What football team do you barrack for?**
