

Expressions of Interest – 2025 Senior Assistant Coach and Reserves Coach required for our Women’s Program.

The Old Geelong Football Club is seeking expressions of interest for two coaching roles, specifically a Senior Assistant Coach and a Reserve Coach for the Women’s Football Program in 2025.

Our Women’s team has been involved in the Victorian Amateur Football Association (VAFA) since the women's competition was introduced in 2017. Competing in B Grade in 2024, the side accomplished its ultimate goal, winning the club's first Women’s Senior Premiership, meaning it will now be competing in A Grade in 2025 for the first time.

We have a fantastic playing group that is a pleasure to work with, they’re an inclusive, respectful and talented group of people. You’ll become a major contributor to the development of our young playing list.

We are looking for people to apply with the following attributes:

- Experience or enthusiasm in developing and executing game plans and running dynamic training sessions that improve players’ skills and confidence.
- An ability to effectively communicate and engage the playing group, support staff and wider club network.
- A desire to contribute to our club's community and a passion for Women’s sport.
- At a minimum, hold an AFL coach’s foundation accreditation (or is willing to obtain)

Principal duties include:

- Coaching – Match Day and training (pre-season and during the season)
- Selection – Contribute to the selection of teams
- Training - Player development and enjoyment
- Development of core skills and gameplay understanding
- Assist the Senior Coach with player retention and recruiting activities

The club has great facilities and grounds located at Como Park in South Yarra. Both roles will be paid positions, and the successful applicant will receive competitive remuneration. Being an amateur competition, the only exception to this would be if the candidate/s were seeking a playing coaching role.

To express interest, learn more about our club or submit an application for one or both roles, please contact the Senior Coach, Jack Cramer at: jackcramer1986@gmail.com or 0413 462 849.
