- **Senior Men's Assistant Coach (Playing or Non-Playing)**
- **Reserves Men's Coach (Playing or Non-Playing)**
- **Thirds Men's Coach (Playing or Non-Playing)**

The South Melbourne Districts Amateur Football Club seeks applications for the upcoming 2025 season and beyond for three key positions.

Competing in the Victorian Amateur Football Association (VAFA) – Division 2 – we will compete in our 113th season in 2024. Having returned to Division 2 in 2023 following premierships to both our Seniors and Reserves teams, we were successful in making finals in both years since being promoted.

We also have Women's teams competing in the VAFA women's competitions and will once again be fielding an U19 men's team this coming season, made possible because of the continued growth of our junior program. These roles will facilitate and support our senior men's program, with the appointed coaches working under our experienced and highly credentialled Senior Men's coach and integrate closely with our U19s coach. We value integration and collaboration across women's section and our affiliated junior club and will be looking to the coaches to promote the values accordingly.

We are based in the Albert Park precinct adjacent to the Fraser St Light Rail stop.

You will be partnering up with the Senior Men's Coach in helping to build on and develop a young list that aspire to get to the Premier grades of the VAFA in the coming years.

Requirements for applicants include:

- Previous senior or junior coaching experience is preferred.
- Strong effective communication skills.
- To provide leadership and direction for team members.
- Demonstrated experience at building and maintaining relationships with club stakeholders.
- An understanding and appreciation of the ethos of amateur football.
- Must hold minimum entry level 1 coaching accreditation or preparedness to attain.
- Working with Children's Check compulsory.
- Provide us with 1 reference, minimum.

Enquiries can be directed to Libby Petty (President) at president.smdafc@smdsc.com.au or 0416 550 699. All expressions of interest and applications will be treated with strict confidence.
