

O AFC Under 19 Coach 2025

The Ormond Amateur Football Club (O AFC) is seeking applications for an Under 19 Coach to develop our young senior players on and off field.

Working alongside our Senior Coach, Kyle Pinto, and the other O AFC Senior Coaches, the successful candidate will;

Responsibilities

- Oversee all aspects of the Under 19 O AFC football program
- Deliver an approach that promotes recruitment and retention to O AFC, including a considered approach to the relationship with OJFC.

Requirements

- Attend all training and fixtures.
- Plan a progressive training program that complements the O AFC Senior Game Style.
- Ability to build strong relationships with each U19 player, all coaches and other senior players
- Provide an effective game review and preview for each fixture.
- Where possible support Club functions to maintain connection with the O AFC Community.

Ormond Amateur Football Club was thrilled to field an Under 19 team in 2024 and the Club looks forward to building a sustainable approach into the future. An approach that relies heavily on the Ormond Junior Football Club pathway from junior to senior football. This role is pivotal to ensuring players make a smooth transition to the senior club while also developing as O AFC footballers.

O AFC will offer a remuneration commensurate to the applicants experience and coaching accreditation.

For further information regarding specific aspects of the roles, please contact O AFC President, Jason Burt
M: 0421 963 313 E: president.oafc@gmail.com

To apply for the position, please provide a covering letter and resume to Jason outlining your experience.

The O AFC was established in 1932. The Club has a long and successful history and a highly respected organisation in the VAFA. The O AFC has developed a strong on field and off field talent base and has excellent facilities located at EE Gunn Reserve in Ormond. These include excellent playing surface, two ovals with lighting, the main oval has 150 lux lighting capacity, spacious clubrooms, and function facilities.

Applications close November 3rd.
